

# IMAGIMANIA 33

Each champion listed below won \$99,000 in imaginary money for bringing out his or her inner beast! Second place was worth \$33,000 in earnings, and \$9,000 went to those who finished in third.

**Scrappy Doo** ruled the skies, bringing home 33 free matches for manager Zach Gargus. Jeremy Workman picked up the same amount after guiding **The Chameleon** to victory on solid ground, and **E'Bon Knight** secured Shawn McAbee's share by dominating the seven seas.

Thanks to all the participants who made this year's bash worth watching!
