

Where every day is Halloween.

What's the difference between an IWA manager who has competed in the **Unknown Wrestler League** and one who hasn't? He or she skipped right to signing up while you're still reading this! Those players know just how much fun this special league can be. Isn't it time you joined them?

Every wrestler in the UWL wears a mask, and is identified only as Masked Wrestler #17, or Masked Wrestler #43, etc. When you join, you will receive the ID numbers of your wrestlers. *Don't share them with anyone!* The whole point of the league is that you know which numbers your own wrestlers are, but you don't know anyone else's identity. Just imagine how you'd feel if you were feuding with Masked Wrestler #38 and he turned out to be one of your stablemates!

Each cycle, the bottom 5 wrestlers in the rankings are unmasked and booted from the league. In addition, the league champion gets to eliminate the Unknown Wrestler of his choice. The manager of the final UWL champion wins **an engraved championship belt and 25 free matches!** Another aspect which sets this league apart is that the winner of the battle royal receives a free title shot the following cycle.

Wrestlers in the UWL must also belong to another league, and must continue wrestling in that league while they are competing in this one. Their UWL records start at 0-0 so there are no clues to their identities. Once a wrestler is eliminated, his wins (but not losses or ties), imaginary money, and stars are **added to his original league stats** — another compelling reason to join!

You may enter up to ten of your wrestlers in the UWL. Neatly print the information below on a blank piece of paper, and include the \$2 fee for each wrestler. Once the competition begins, wrestlers will not be allowed to transfer into this league, so make sure you **sign up while you can!**

Notes: The UWL will use the Iron Federation hold values. Since wrestlers in the UWL also belong to other leagues, their UWL strategies are not eligible to compete for major titles. You are advised to choose your words carefully when writing your Trash Talk; if you give away your wrestler's identity, you may find yourself being targeted for elimination by a future league champion.
