# GAMING RULES!

Federation: **Diamond**

**Max Roster Limit: 8** (This will allow for a dedicated Tag Team, Six-man/woman Tag team and up to 3 singles wrestlers should you choose to go this route which is highly suggested!)

At least **1 of your wrestlers needs to be a female representative**. I intend on having a dedicated Women's Division complete with singles, tag and six-woman titles

For the **1<sup>st</sup> cycle only, managers are allowed to transfer in up to 8 wrestlers for free**. After that managers will not be allowed to transfer in. If a manager wants to be a part of the league they will need to contact me directly first so that I can decide for myself if they will be a good fit for the league.

**Trash talk is mandatory!** You must submit TT as much as possible in order to guarantee that feuds, angles and storylines are the nucleus of the league. If you miss a cycle here and there that is fine but **you must aim to be as consistent as possible or you will be exiled from the league**. I want managers engaged and throwing the kitchen sink at each other! The more feuds the better. This league is called Wicked Warz for a reason.

**No Stable Initials are allowed**. If you are part of a stable you can let me know what that stable is and I will indicate this in my Commissioner Reports.

**All managers must register onto the War Room ProBoard** which I have already created. This ProBoard will serve as an exciting extension to the regular bulletins that managers receive every cycle. This will give you a chance to escalate feuds and storylines in between the bulletins. I will be closely monitoring the board to see which managers are participating and which are not. The Boards will essentially be an extension of my reports but with extra content which will not be found in the report itself. Once I receive confirmation that you will be active in the league I will email you the link. The best ProBoard experience will be had using a desktop connection but a mobile version of the site is very user friendly and convenient as well.

Once the league is started I would like for **all communication with me to be done through the PM feature on the Proboard**. This will help me to ensure that I stay on top of any and all questions, suggestions or concerns needing to be addressed. I am holding myself to a 24 reply rule meaning that **any manager who reaches out to me will receive a reply within 24 hours**.

Any manager who takes the **\$12 match deal or higher 3 consecutive cycles** will receive a **3 for \$1 Match deal the following cycle**.
