Legend of the MDL

Nadia Shadow

Legend of the MDL is underway!
I'm sure many of you are familiar with it. Basically, this is a race between all MDL members to be the first wrestler to win all front page titles, including tag and six-man titles, along with the Battle Royal.

The winner will receive \$250,000 IM and 25 free matches.

The winner also has a stadium named after them in our bulletin

along with a scrub wrestler created in their honor.

Good luck!

Gunpowder Reigns Supreme

Caged Fury 4 turned into a career-defining night for Aria Gunpowder, who walked out draped in gold after sweeping all three of her championship bouts. She opened the event by teaming with Rachel Van Dorn to dethrone the dominant duo of Gina Colada and Brenda “Bring Da” Payne, capturing the IWAR Women’s Tag Team Championships. From there, Aria marched straight into the finals of the Wildfire Betty Red Memorial Tournament, where she battled through a hard-fought war with Payne to become the inaugural Wildfire Champion.

And in the main event, locked inside the steel cage, Aria completed the trifecta, defeating Gina Colada to reclaim the IWAR Women’s Championship for the third time.

A historic night, a legendary performance, and a statement that the Gunpowder Era is far from over.

Le Relais Explosif #6

Welcome back, my exquisite little heartbreaks. Yes, you missed me. Everyone does. It's a condition. Perfectly natural when brilliance exists the room. I trust you attempted to function in my absence. Adorable thought. Though judging by the debris I've returned to, I see the standards slipped the moment I stepped away. I suppose chaos does struggle without supervision. Allow me to reintroduce order. I am America's most irresistible export. Your radiant distraction. Your flawless authority. Mimi Mandate. General Manager, Commissioner, and the only reason the Femme Fatale League continues to resemble anything remotely sophisticated. You may applaud. Briefly.

Oh, don't look so tense, my lovelies. Save that nervous energy for Pittsburgh, where it might actually serve a purpose. Because this... this is where things are meant to dazzle. **Money Makers: Lethal Ladies**. Say it slowly. Let it roll off your tongue like something expensive, something dangerous, something far beyond the reach of mediocrity. Pittsburgh will not be a stage for your usual little stumbles and second-rate scuffles. It will be a showcase. My showcase. Our showcase. The place where the

Femme Fatale League reminds the entire Triple Crown exactly why we sit at the top of the mountain, looking down at everyone else scrambling for relevance.

Which brings me, regrettably, to all of you. I trust you understand what is at stake. After the... embarrassment at **NUIT d'ENFER à La Grande-Motte**, eyes are watching. Important eyes. The kind that do not blink, do not forget, and most certainly do not reward incompetence. The Triple Crown Committee is not interested in excuses, nor am I. What happened there will not happen again. Not under my watch. Not in my league.

And as for Loaded Knee Gate... how delicious that it has festered this long. Consider Pittsburgh your final opportunity to settle it, cleanly, decisively, without turning my ring into a circus of cheap theatrics and half-baked controversy. I will not have my premier attraction dragged through the mud by petty antics and graceless behavior. Resolve it... or I will. Because make no mistake, darlings, our position as the crown jewel of the Triple Crown is not a birthright. It is a standard. One I expect upheld with precision, poise, and just a touch of cruelty. Fail me... and I promise, the consequences will be far more entertaining than anything you've managed in that ring so far.

THE BLAZE

w/ "Vivacious" Valerie Phoenix

Valerie Phoenix is a former professional wrestler that retired into the IWA Hall of Fame in 2025. She now serves as Commissioner of the IWA's Lovely Ladies League.

Greetings, and welcome to this edition of the Blaze Report. I'm your Commissioner, Valerie Phoenix, and I'm looking forward to what's in store here in the Lovely Ladies League!

Each cycle, I will give the Blaze Award to the wrestler that has earned the highest singles strategy in the cycle before and I'm going to sign 5 free scrub matches on her behalf. This cycle's winner is **BURN: Big Momma Shatterday**.

Additionally, we are establishing the Lovely Ladies Jackpot. Each cycle 5 matches and \$25,000 is added to the jackpot (if we hit 50 cards, this is doubled). Winning the 50% jackpot this cycle for winning the IWA Women's World Title is **SOS/WAI: Lilith!**

If someone wins the IWA Asian Title, they get 50% of the pot. If they win the IWA Ladies World Title, they'll win the other 50%.

That's it for now. Now, let's see if you've got what it takes to not only survive, but to thrive here in the new LLL!

BLAZE AWARD

5 free scrub matches will be signed to the highest singles strategy each cycle.

With a 500, this cycle's award is given to: **BURN: Big Momma Shatterday**

\$37,500 + 8 free matches are awarded to **SOS/WAI: Lilith** for winning the 50% Jackpot by way of the IWA Women's World Title this cycle.
