RISE WRESTLING

Welcome back to another cycle of RISE Wrestling action! Last cycle we determined our first RISE Champion with CM Punk winning the tournament and honors of becoming the first champion. While that happened, a contenders series was set up so we would have our first title challenger ready for the first scheduled defense which will be next cycle. This cycle we have the contenders series Final, a 3-way dance pitting last cycles IWA World Champion Muscle Maker 2000 v Finn Balor v Drake Younger. So the first title defense will be an all VIRUS affair but we have seen in the past in COH, when a championship is on the line all allegiances are out the window.

Last cycle we also wrapped up the Deadly Duo. The previous cycle Chris Hero and Zippo The Clown won the tag team portion. Last cycle Hero defeated Zippo to earn a RISE Championship contract and the \$100,000 bonus. That contract must be used by the end of the year. We also kicked off the RISE 6-Man Championship tournament, a tournament catered to SOS, but we'll see if VIRUS can pull off the upset!

We have plenty of news set for this cycle and some key things to discuss but before we get too far let's see what went down on last cycles cards.

As We RISE

**As mentioned last cycle and as you can see booked on RISE 14, we are starting the Battle Of The Extreme. Sixteen wrestlers, double elimination, with the winner receiving \$250,000 i-cash, a RISE Championship contract, and a \$12 IWA Credit. Odds are this tour will go several cycles and through the summer months. Depending on what Chris Hero decides, this tournament winner could challenge for the RISE Championship at Final Battle to end the year.

**The Battle Of Sugrag- this was shut down in COH and renamed to the Jack Graggle due to a certain IWA anomaly, a low hat wearer, sunglass toting, hug my dog kinda mutt sending in a hurt feelings report to the powers that be. Well that turd of a Franchise isn't in AEL, so the Battle of Sugrag will be our end the year tournament. There will be two phases to the tournament. First there will be 16 wrestlers entered, 8 will receive automatic entry and 8 will be entered via the Wild Card Scramble series. Two cycles leading up to the tournaments start we will set up 4 Scramble matches each cycle. Those winners will earn \$10,000 for winning in and earn their tournament spots. The overall prize will be a RISE Championship contract, \$500,000 i-cash, and we'll give another \$12 IWA Credit. More on this in the coming cycles.

As We RISE continued

**I am still planning to do one more tag team tournament before the end of the year. Again 8 teams and a \$300,000 i-cash prize along with a tag title shot. If all goes as planned, then we should have this set by the fall.

**RISE transfers- transfers into RISE leagues are free as long as you play a \$12 match deal your first cycle transferring in. As of now AEL and AAL in Jade allow transfers. HAL unfortunately doesn't allow transfers due to their Pioneer League status.

Heritage Champion- Nick Fury

1. Johnny Reno
2. Rasslin Reinhold Rasputin
3. Papa Blood
4. Uzi Pawn
5. Mujeeb Al Najmeer

As far as the points go, I will get them updated on the Facebook page within this week. Next cycle I'll add the RISE history as not much has changed except the Deadly Duo winners in HAL and AEL, still I want the information available in case anyone is into the history end of league action. Other than that, good luck to everyone booked this cycle and until next cycle, I'll see you all in the bulletins!
