*"I'm like an enema; I deliver the news right to your ass!"*

*"Hey there fellas! I am your AOL news reporter, Jenny, Jenny Taliah! We are almost there! I know you can do it! Let's get that incentive!!!"*

**\*NO MORE STABLE INITIALS STARTING NEXT CYCLE!**

**\*Commissioner Eastwood** has declared that the AOL will no longer allow stable initials. There have been voices of concern with the amounts some stables have here. While we can't enforce a stable limit, we can just simply have initials removed! This does not mean you can't still represent your stable. If your wrestler hits the IWA report, you just simply tell the IWA you want your stable initials to still appear in the report. You can also represent your stable in trash talk! NEXT cycle, the IWA will be removing all stable initials in the AOL! Have some fun with it!!

**\*The Shatterday's** were attacked again! I think we may be a little closer to finding out who is behind this! They burned down their barn and looked to have shot their dogs, like what in the hell is going on? I think we are about to have an all-out war here!

**\*The 501 Club** adds another! **Waluigi** joins the club! You guys are kicking ass!!

**\*AOL Eastwood** meant to have us face the TCW last cycle, but his old ass forgot to send in the commish matches! This cycle we will face off against the TCW in 10 matches! He sent them off early with his Gold fed, haha. Don't let the AOL down!! "Let's roll over these chumps!"

**\*Samoan Knuckledragger** has held a title since he arrived in the AOL! Pretty impressive seeing the talent pool the AOL has! What is next for this big ass dude?

**\*Eastwood** has signed a tag-team to come to the AOL! The **Body Droppers** will make their debut this cycle!

# AOL Information Board

*AOL is an American League in the Bronze Federation*

**\*\*NO STABLE INITIALS ALLOWED\*\***

**AOL Facebook Page-** <https://www.facebook.com/profile.php?id=61575753638834>

**Current Incentives-** Each cycle in which there are at least 50 cards of matches; the League Champion receives \$50,000 and 10 free AOL matches, the TV Champion receives \$25,000 and 5 free AOL matches;  
**\$12 deal includes bottom 30 free!**

**PPV Rules-** PPV matches will be decided by your strategy total for that cycle. In case of ties, the wrestler listed first on the IWA stat sheet will be declared the winner (*as they are listed according to point flow*). The only exception is the Tag-Team Title Matches. Just in case one of the teams fails to send in any tag-team match (*to establish your tag score*) all tag-team title matches will be played out in the bulletin. I will use a commissioner's match for these results.

**Triple Crown Club-** Earning this Honor requires that you win the AOL League, League Tag & League Six Man titles all in the same cycle with the same wrestler!

**501 Club-** Self Explanatory!

**Aces High Championship-** Must have at least 600 wins to qualify as a challenger. Cannot challenge for Bronze Beast or the Dos Desperados Tag-Team Titles.

**Bronze Beast Championship-** Must have at least 300 wins and no more than 599 wins to qualify as a challenger. Cannot challenge for the Ace's High Championship or the Dos Desperados Tag-Team Titles.

**Future Legends Championship-** Coming soon! It'll be for the smaller record fellas.

**Dos Desperados Tag-Team Championship-** Just be the best team you can be. Established tag-teams are suggested but not necessary.

**Trash Talk-** Yeah, every commissioner bitches about the lack of trash talk but it is essential to creating feuds and challenging for commissioner titles. Otherwise, we have to go by starts and averages, ect. Would you rather have someone who hits 495+ all the time getting a shot against you after all the effort you've put into your trash talking? Or would you rather have an established feud to work off of? Be that guy who hits 495+ and trash talks and you won't have anything to worry about! Do you have an imagination? Use it!

***Sneak Attack**– Mr. Intensity was in the back at catering getting ready to jerk some curtains when he got snuck up on and smacked in the head with a chair! He crumples to the ground in a heap! Camera looks up and we see Cowboy Thornton Blanchard standing there smiling. He sits down and starts eating a sandwich. Mr. Intensity starts to stir and can be heard asking for his mommy. Blanchard gets up and starts squirting mustard in Mr. Intensity's face. He pulls him up and slaps the mustard off his face and then smashes him in the head with the chair again. This time Mr. Intensity falls onto the table of food. Cowboy looks down and is heard saying "You ain't so intense, there, potna!" Cowboy walks off munching on his sandwich....*

I don't know what's crazier, the Shatterday Compound burning down or that someone had the balls to do it or that ya'll shot Dutch's dogs! What is going on? Why would you invoke the violence of Dutch? Do you know what will happen if Dutch comes to the AOL? You don't want that! Hell, I don't even want that! My brother is crazy! Congratulations, you played yourself! I feel bad for what's about to happen! **-Wayne Shatterday**

I've never seen so many scared pukers in my life! How can you bring 48 empty plates and bring nothing to the table? AOD already brought the meat you could have at least brought the fixin's, but naw, EDGE come in here hungry expecting a free meal! Does this look like a soup kitchen to you? Ya'll flexin and pretending to be the big dawgs but can't even hold our balls! I know you have a mouth; it's always on Franks nutts! How about you take your mouth off them salty bastards and put it to good use? It's not looking too good for you! It's almost time for lights out!

**FEAR THE BEARD!!**

**"Well, there goes the neighborhood! The Body Droppers have arrived! We might have signed a tag-team exclusive contract but that don't mean we still won't beat your asses one on one! We are here for one reason and one reason only! Those Dos Desperados Tag Titles! We aren't much for words, but we will be around! Oh, you will get to know Brick & Hammer! We'll be out in that ring droppin' body's and taking tag titles! Come find out!" -The Body Droppers**

**BART**

**Mr. Shots!** Whatcha doin, boy? You call for back up, brah? I heard through the grapevine that CURE was too scared to come to the AOL to help you! You ain't speakin' because if you did speak to me at all, all you would do is stutter like a scared little boy! I'll give it one more week and then, until your silly little stable decides to step foot in the Shatterday's yard, I am going to beat your ass in that ring each and every week! Mark my words boy! Danny couldn't hang, so bring the big boys this time because the last thing the AOL needs is another fruitcake!

**Southern-** "You could say that you're looking at the best damn established tag-team the AOL has to offer! You've got your cracker jack teams running around, but they ain't got the looks, they ain't got the chemistry and they ain't got the talent or ability to prove us different and they sure as hell ain't got the ladies screamin' their names every night like we do! Woooooooooooo! Tell 'em brother!"

**Paradise-** "Are we on fire, or are we on fire? We are the front runner to become the first Dos Desperados Tag-team champions! Two more weeks is all we gotta wait until the AOL witnesses the greatest moment in AOL history! No steppingstones left! No ladders to climb! No needle movers because we done broke the needle! If you're a real tag-team, come see us! We ain't hiding! Show us what you've got!"

**Blanchard-** "Hook or Crook is almost here and while those Dos Desperados tag-team titles are going to look good around your waists, that Bronze Beast Championship is going to look great around mine! I'm not sure who I'm going beat up, but it's really not going to matter! I've got a spoiler for ya... my name is on that faceplate already! Strap up!"

Scene opens up to a tavern tucked away from the road. Camera's enter the establishment and we see five fella's enjoying beer. Nobody turns around but one of them begins to speak to the others.

"This plan didn't pan out 100%! Nobody was supposed to know, but I think I underestimated Dutch! If Dutch saw me, that means they know, but they don't know about you! I can't come around, there are too many eyeballs! Let's let things cool down a week until we strike. This is the last time we meet until Hook or Crook, so you have to watch your backs! It is almost time, boys! One more drink and let's get the hell outta here!"
