The First Action Hero:

(reviews by Scott Pretzler of the Pro Wrestling Spotlight website)

Graham Underwood went to a time limit draw with **Sheik Yerbutti** (***) - "It was clear that Yerbutti, a certain first-ballot hall of famer, resented going on first and set out to blow Underwood up, but Underwood kept up well. Underwood hasn't had much TV time but I'd love to see more.")

Big Donovan Cross defeated "Dream Warrior" **Jack Warner** with his Top Rope DDT at 28:31! (***) 1/2 - "It's no secret that Cross's style isn't my favorite, but he had pretty good chemistry with Warner, who kept the pace up throughout the nearly 30-minute match.")

Guy With Box Of Roses beat **Timothy Redgrave III** with a hidden crowbar at 27:21! (**** 1/4 - "A weak finish made this one difficult to watch, but the Ace Tomato Co.'s Ace and the APL's most business-savvy athlete both know how to work a crowd.")

The Williams' defended the APL Six-Man Championships against **the Monroes** when Don Williams hit a flying DDT on Marcus "the Monster" Monroe at 29:57! (**** - "Rumor has it the Williams' are on their way out, but the decision to have the biggest member of the Monroe clan eat the pin was a head scratcher. The Monroes made a rare promo appearance leading up to the show - here's hoping we see more of them, particularly Piper's oddball interview style.")

Boring Machine beat **Zaxby Chanticleer** with the Boring Hammer at 28:52! (**** 1/2 - "Boring Machine's goofy gimmick of interrupting Chanticleer to do the robot has some fans rolling their eyes, but the Meat Sweats have really held their own promo-wise. The Boring Hammer isn't the most exciting finish, but what do you expect from a guy named Boring Machine? This looks like it will continue, since the Big Tender kept going for Boring Machine's mask and Boring has teased that his identity is a surprise.")

Match ratings loosely based on quality and quantity of trash talk as well as bulletin results - a close match between two trash talkers will earn a higher score, but the star ratings, as in the real world, are basically just subjective.

War Games

Banjo Skootles entered the ring first against the **Masked Trainee**, who tried to argue his way out of going in first but was reminded he's still on his probationary period. Skootles started to get the advantage, until two minutes in when the coin was tossed.

The Kudzu Gang won the coin toss, allowing **Frank Friendly** to enter the ring and start to regain some ground. After two minutes, the **Van Driver** entered, evening the odds. The teams battled back and forth - **Siena Savings** made her entry, followed by **J Hubert Fitzroy**, but the Kudzu regained their advantage when **Wilbur Hilshire** entered. The **Briefcase Holder** evened it up, only to have the final entrant, **Ferdinand McDonald**, enter the meat grinder. To an enormous pop, the **Jogger with Sunglasses** was the final entrant, and the match began in earnest.

The tide of the match turned when Siena Savings shouted to the Masked Trainee to "GO GET THE SECRET WEAPON!" The Trainee slid out of the cage and sprinted to the back, driving a forklift down the aisle to deliver a pallet of Reesemart-brand crowbars and sledgehammers to give his team the advantage. Before he could get to the ring, Carter Matthews blocked him from continuing - it seems the Trainee still isn't certified to drive a forklift. While the Trainee pled ignorance and tried to convince Matthews to let him pass, the Ace Tomato Co. seized their erstwhile numbers advantage and started double teaming Frank Friendly. J Hubert Fitzroy hit The Fitz to the great satisfaction of the crowd. Once the Briefcase Holder locked his handcuff choke on, it was only a matter of time before Friendly passed out.

After Friendly lost consciousness, the Masked Trainee stood on the side of the cage, begging Siena Savings to submit on his behalf. She refused, but after a few minutes Wilbur Hilshire couldn't stand watching the store greeter taking this level of abuse and finally threw in the towel for his team.

Winners: J Hubert Fitzroy, Banjo Skootles, and the Ace Tomato Co. members Jogger With Sunglasses, Briefcase Holder, and Nondescript Van Driver

Skootles 492, Fitzroy 495, Jogger 500, Briefcase Holder 498, Van Driver 494 - total 2479

Siena Savings 488, Frank Friendly 485, Masked Trainee 485, Hilshire 490, McDonald 498 - total 2446

*A packed house watching the Power Hour had just witnessed the **Masked Reese mart Trainee** smash the Reese mart Training Video over the **Guy With Box of Roses'** head. While this particular finish was usually as a result of a distraction by **Frank Friendly**, the Trainee rode solo this time out – his cheating prowess clearly improving since his wrestling/Reese mart debut. The Reese mart theme song played for a minute while he celebrated in the ring.*

As the music dies out, the Trainee grabs the house mic in a rare promo moment.

Masked Trainee (MT): “Uh, Siena told me that this month it was time for me to speak to the audience as part of my advertising training. So, I wanted to uh, say that um...Reese mart is the best place to work and the best place to shop.

*A voice from the dead silent crowd calls out “**REESEMART STINKS AND SO DO YOU!**” causing a spurt of laughter to tremble over everyone. The Trainee moves closer to the ropes and points the audience member out directly.*

MT: “Uh, that’s not true. We both smell very neutral, so unless you just have high standards for scent judgement, I think you are wrong on that, ma’am. And as a reasonable person, I would have to say that my

standards for weight are normal, and you are very fat in the chest and buttocks area. But I am not here to talk about physical appearances. I'm here to talk about the First Action Hero event, the APL's first supercard. I am going to be there. My coworkers are going to be there. It is sure to be a real event that takes place, with matches that some will win and some will lose in. It is sure to be the most exciting and jam-packed event that you would come to expect from uh, events."

You can hear a pin drop in the crowd, mostly since several people are nodding off to sleep. Including Guy With Box of Roses, who had tried to sneak to the back but ended up passing out mid-walk on the entrance ramp. Sensing that he's losing attention and in tremendous fear that he will be fired if he doesn't do a good enough job, the Masked Trainee decides to switch course.

MT: "Uh, um...and now for your viewing pleasure...some magic."

*The Trainee drops the microphone and holds his hand out, palm facing inward. He then takes his other hand and places it next to the first one, adjusting his thumb so that it appears as though he is removing part of it and then putting it back together. He does this for about three minutes before the sound guy mercifully puts on "**Dream Warrior**" Rip Gamble's music. Appearing confused, the Trainee rolls out of the ring and heads to the back.*

Knockout Artist of APL

Ladies and gentlemen, gather 'round and witness the rise of a true force to be reckoned with! I am Heath Bloodsport, the embodiment of destruction, and I am here to make my mark on the APL like never before.

Listen up, all you weaklings and pretenders, for I am the knockout artist of the APL! Each time I step foot inside that ring, I bring forth a symphony of pain and devastation. I thrive on the chaos, and I revel in the taste of victory.

I've fought tooth and nail to reach this point, and I won't stop until I'm standing at the very top of the APL. Every opponent that dares to stand in my way will feel the wrath of my fists, the power of my strikes, and the fury that burns within my soul.

There is only one thing that I desire, one prize that I crave above all else—the APL World Heavyweight Championship. That gold, that symbol of greatness, it will be mine. I will lay waste to anyone who holds it so dearly, and I will leave them lying in a heap of their shattered dreams.

Make no mistake, my path to the championship will be paved with broken bodies and shattered dreams. I will leave a trail of destruction in my wake, and no one will be able to deny my power, my dominance, and my rightful place as the champion.

Fighting is not just a hobby, it's not just a game for me—it's my life. It's in my blood, coursing through my veins. I was born to inflict pain, to deliver punishment, and to leave my opponents lying unconscious on the canvas.

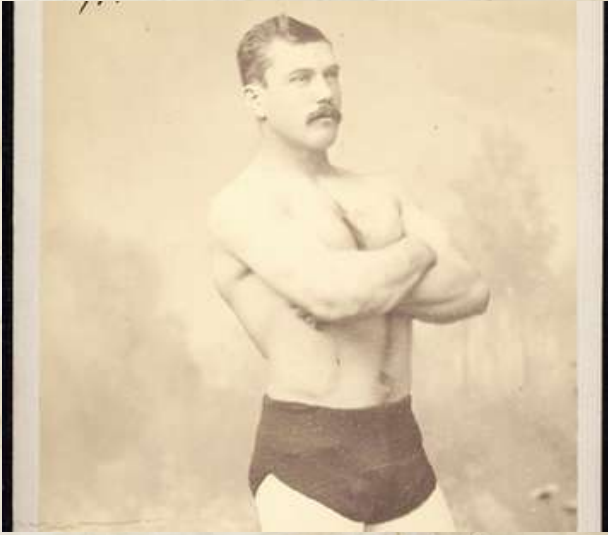

So, to all those who dare to challenge me, who dare to stand in the way of my destiny, I have one message for you: prepare yourselves for the wrath of Heath Bloodsport. I am coming, and I will knock you out cold. The APL World Heavyweight Championship will be mine, and there's nothing you can do to stop it.

Heath Bloodsport

Mystic Knight: Commish thanks for signing me up for and extra 5 matches and as you can see I've rewarded the APL faith in me with the World title. I've traveled back and forth over the South Pacific, but the one thing that is a constant is that the APL is home and I still am ready to pit my skills in any of your contest.

Preston Factor: Looks like that is something that the fans can always factor that we will entertain and work harder than anyone to guarantee that they get their monies worth.

J. Hubert Fitzroy

I, J. Hubert Fitzroy, stand before you, the singular luminary amidst a sea of mediocrity. It appears my esteemed presence is the sole beacon in this dim era, as my rivals cower in silence, bereft of the fortitude to challenge my supremacy. In this

illustrious ring, adorned with the equally illustrious Banjo Skootles, I shall assert our dominion over the APL. Unlike the feeble masses, I eschew absurd monikers and contrived personas, for my own eminence speaks volumes. Let it be known, lesser beings, that your feeble attempts pale in comparison to the magnificence of J. Hubert Fitzroy! Bow before true greatness or suffer the consequences!

Banjo Skootles

(He arches an eyebrow and looks at Fitzroy for a moment, then shakes his head a little bit as he plucks his banjo.)
