ROUND 1 CHALLENGE:

The Master Batting Skeletons squeaked by in 3rd with a 493.4 thanks in large to a 500 & 499 from Yard Bird Warrior & Miss Americana out of the RDL. SURVIVOR

ROUND 2 CHALLENGE:

This round's challenge involves head to head tag team matches! Each tribe will be randomly split into 5 tag teams. Then, each team will face off against a team from each of the other tribes in an interleague tag team match. There are 15 tag team matches in total with each tribe competing in 10 of them.

Tribes earn 3 points for each win and 1 point for each draw. The standings at the end of the round will be determined by how many points each tribe earns. If two more tribes have the same number of points, then each tribe's average tag team strategy will be used as the primary tiebreaker. If there is still a tie, then each tribe's average singles strategy will then be used to break the tie.

ROUND 2 ELIMINATION:

Six wrestlers will be eliminated this round:

The first four wrestlers eliminated will be the two tag teams with the lowest strategy totals from the losing tribe. If there is a tie for this, then the combined average singles strategies will be used to break the tie. The secondary tiebreaker will be the combined point spreads from their tag team matches. The third tiebreaker will be their singles scores from Round 1.

The 5th/6th wrestlers eliminated will be the two wrestlers with the lowest singles strategy from the second place tribe. If there is a tie for this, then the first tiebreaker used will be the wrestlers' tag team strategies from this round. The second tiebreaker used will be the point spreads from their tag team matches. The third tiebreaker will be their singles scores from Round 1.

ROUND 2 IMMUNITY:

Any wrestler in this competition can help their own cause this cycle by earning individual immunity not only for them, but for their tag team partner as well! The wrestler from each tribe that obtains the best battle royal finish in their league battle royal this cycle earns immunity for their tag team.

The battle royal finish will be measured from the top, meaning that the order goes from winner to 2nd place to 3rd place, etc. all the way to last place. The tiebreaker used, if necessary, will be the number of entrants in that wrestler's battle royal. The second tiebreaker used will be singles strategy from this round. The third tiebreaker used will be singles strategy from Round 1.

ROUND 2 MATCHES:

A video to the song "Right Side Of Wrong" by Mick Mars airs on the PWI platforms, it begins with "The One" masa Onita successfully defending the Five Star Championship by tapping out Ted The Mega Murderer Bundy with "The End Of The Line" in Ozone Park, Jaxx Justice and Rusty Riggs getting "Totally Eliminated" by Big Bad Bill Walker and Reverend Robert Crow in Dublin, then getting "Totally Eliminated" again the very next night in Omaha by Walker and Onita. It continues with Hardcore Icon Eric Gravestone getting himself disqualified in less than two minutes in his match against Crow in Mexicali, A double DQ for Cow and Eudoxus Osbourne in Oshkosh as well as a time limit draw between Crow and masked Mauler in Columbia. The video also features Reverend Crow giving "The Burial" to Agressive Denial in Louisville before going to a no contest the next night against Showboat Sam Warner in Queens as wells as Walker defending the hardcore title against the likes of Al Dente, Patrick Danica, Al FrescoKal Wayne, and others. The video ends with the incident in Rio De Janeiro where Herbert The Re-Animator West was put into a bodybag by Crow and Walker followed by Onita hanging the Hangman with a bullrope.

(Video fades)

It comes back showing Onita, Walker and Crow standing by a hearse inside a cemetary somewhere in Rural New Hampshire, the moon casting an errie light on a church in the background.

Crow: You almost made it Herbert (Onita smiles as Walker chuckles), you AALLMMOOSSTT made it, You almost got planted in a hole just like this one over here (points to his left and the camera pans to a dug grave site, then back to Crow and company). You had better thank The Hangman because you were 'this close' to being put into a hearse like this (smacks the side of the hearse) and driven away into the sunset.

(Camera zooms in on the reverend's face)

Crow: Next time, you might not be so lucky.

(Camera pans back)

Walker: It's sure has gotten RREAALL QUIET around here since we ran Frank Snow, the LB and the RFD the FF(beep)CCKK outta here, huh.

Onita: That's what happens when guys that talk alot of sh(beep)t, come across guys who back up their sh(beep)t. The loud mouths and blabber mouths suddenly get a case of shut the f(beep)k ups.

Onita: They don't have what it takes to go to the levels we do, to do what we do to whomever we want to do it do. That's the difference between the wannabes, the nevercanbes, and us, the alwayswillbes, because we're ALWAYS going to be here in the ASL.

Walker: And there isn't a DAMN THING any of you, can do about it, except? Accept it.

Crow: You see this IWA Survivor crap this new commish has conjured up? (Onita and Walker shake their heads), what's next, IWA Deal Or No Deal Island? (Walker and Onita crack up laughing) IWA Family Feud?

Onita: No no no, I hear Johnny Angel has a thing for Pickleball, so I wouldn't be surprised if a Pickleball match somehow makes its way here to the ASL.

Crow: I heard a rumor that a certain stable here HAD a Pickleball match, and after they lost, their headquarters was burnt to the ground. Don't settle things in the ring or in the streets, settle it with Pickleball.

Onita: We tell this commish not to put us on his shows and what does he do? He keeps us on his shows, we were better ioff with the last idiot who thought they were in charge of something here. AND HHOOWW can you have a unification match when the Masked Mauler had nothing to unify? I F(beep)KING took that from him, DUMB A(beep)S! Which is why I am, and it looks like I'm going to be, the lifetime Five Star Champion, just like Bill here is the lifetime ASL hardcore champion. You can't 'unify' something if one of the guys no longer has something to help unify, you clueless f(beep)k.

Walker: WHERE, does the IWA find these clowns at, Commisioners R Us? (Onita smiles again and Crow cracks up laughing)

Onita: Then you have sh(beep)tboat Sam Warner, you hear him? "UUUHH DUH, I don't know, but what I do know, is I have Robert Crow at the pay per view, and I, uuhhh, am gonna destroy him inside and out, uh huh uh huh uh huh uh huh, UUHH DUH!" (Walk and Crow almost fall over from laughing so hard)

Crow: You couldn't beat me when we faced each other in Queens New York, so what makes you think you're going to beat me at a pay per view? The fans in Queens saw a preview of what the result in going to be, and that's YOU not getting the job done. What's going to happen WHEN you don't get the job done, huh? What's going to be your excuse then? (Onita says "You better have one written out in advance" and Walker adds "You're sure gonna f(beep)king need it") You lose to me at this mediocre pay per view and AALL that big time tough talk, all that huffing and puffing like you're gonna blow a house down, all that beating on your chest isn't going to mean a damn thing because at the end of it all? You're going to be just another in a long line of pissants who talked a whole lot of sh(beep)t, but in the end showed you were just full of sh(beep)t.

Onita: And when you fail at this show, what's it called again?

Walker: Battle For The Farts

Onita: You know what you can do then, when you lose?

(Camera zooms in on Onmita who ehips his sunglasses off and glares at the camera)

Onita: You can take your punk a(beep)s over to where you belong, at the crying table where the RFD, LB and Frank Snow went, B(beep)CH!

(video ends)

The stable consisting of "The One" Masa Onita, Big Bad Bill Walker and Reverend Robert Crow continued their assault on the ASL at a show in Rio De Janerio.

Reverend Crow was facing Herbert The Re-Animator West in the ring, This was pretty much a one way ass kicking as Herbert was barely giving Crow any kind of fight and at the one minute forty second mark, Robert blasted West with "The Burial" and easily pinned him 1...2...3 seven seconds later.

After Robert gets to his feet and is declared the winner, Onita and Walker come thru the crowd and hit the ring. The referee throws himself over the tope rope to escape whatever Walker and Onita may have had in store for him. Onita then pulls out a black body bag, and after Robert nails West with "The Burial" again, he and Walker put the Re-Animator in the body bag.

Walker and Crow leave the ring and pull the body bag under the ropes, Onita exits the ring as fans boo and throw things at him and his stablemates. Walker and Crow grab the body bag and they start up an isle to the nearest exit when suddenly The Hangman comes out of nowhere and blasts Onita in the back of the head with a chair.

Crow and Walker drop the body bag containing Herbert and start chasing The Hangman up the isle and around the ring. Onita gets to his feet, staggering a bit after the chair shot and heads towards the ring. He enters the ring and signals to Hangman, saying "Come on motherf(beep)ker". Hangman enters the ring and the scheduled match between he and Onita starts, with a referee running down a few seconds after they start exchanging punches and kicks.

Near the thirteen minute mark of the match Hangman whips Masa into the ropes but Onita holds onto the ropes, and then nails Hangman in the gut with a kick and following it up with a DDT. He right then slaps on "The End Of The Line" and Hangman, after trying to wiggle out, passes out and the referee calls for the bell, declaring Onita the winner by submission.

Walker and Crow were looking under the ring for something and suddenly Walker reaches under the ring, he pulls out a bullrope and throws it up to the ring and Masa catches it. Masa backhands the referee and then places the rope around Hangmen's neck. He lifts Hangman to his feet and hurls him over the top rope, with the bullrope still around Hangman's neck, Hangman is struggling but then Walker and Crow start punching him, as he's being choked. One fan tries to hop the barrier and after seeing him, Walker turns and nails him with a running clothesline, knocking him back into the seats. Another fan does hop the rail and Crow wallops him with a brutal running spear into the metal ring stairs.

(Video fades as ASL referees and arena security come rushing up as more fans get hostile)

The video comes back showing Onita, Walker and Crow outside the arena.

Walker: Pulling out an oldie but goodie, HANGING THE HANGMAN, AAAGGAAIINN.

Crow: Add another to the list who now have been 'bodybagged' thanks to us. Hope you enjoyed that Herbert.

Onita: That's the warning, If you see us coming, better get out of our way. Because we're the true heavy hitters here in the ASL, and we will AALLWAAYYSS, have the final say. (Onita whips off his sunglasses and glares at the camera) Bet on it.

Video ends.

DAWG POUND

Jaxx: Yo, Rus', you heard?

Rusty: Heard what, big dawg?

Jaxx: The sound o' that crowd when they found out that the big dawg and the salt dawg gon' be headlinin' the Battle for the Stars and leavin' out there the new ICON Tag Team Champs.

Rusty: I can hear it now, big dawg, and it doesn't disappoint. And, so just a few weeks from now at the pay-per-view event of the year, we're gonna show up in a big, big way to take down the Von Adkissons and continue the Dawg Pound legacy. It's time to let the big dogs eat!

SUPER DAZZLE

The Battle for the Stars is right around the corner and my picture of destiny is beginning to become more clear. It comes down to two men – **Sir Gunther Kinderwacht** and **Fat Andy** – one of whom will move on to their unfortunate destiny of facing me for MY ICON Heavyweight Championship. You have both fought admirably thus far, but I can assure you that it doesn't get any easier and the unfortunate fat that awaits you at the Battle for the Stars is anything but admirable. I'll be watching, but it matters not, for both of your days are numbered!

“SHOWBOAT” SAM WARNER

I may still be considered somewhat of a new guy here in the ASL, but I have to say that as I'm back here in the locker room watching the action, every now and again I see something that leaves me scratching my head and asking the question, what the **::censor::** did I just watch?!?! That's how I feel every time I see a promo from Onita, Walker, and Crow. And, I'm not talking about the cool kinda what the **::censor::**, either. I mean the type of what the **::censor::** that asks the question when did they start letting 4th grade juveniles into our sport. Truthfully, I can't even finish listening to most of what you chuckle-butts have to say because it's all that dumb, but like the kids are saying – it's all goodie in the hoodie. At the pay-per-view I have the opportunity to shut one of you up for good and I've gotta say that it's going to be my pleasure. Consider yourselves warned!
