ANGEL REPORT

w/ Johnny Angel

Welcome to another edition of the Angel Report with your Commissioner and IWA Hall of Famer, Johnny Angel.

Another great PPV is in the books and more fallout is expected from Great American Stars, I'm sure. Be sure to check out the results as we had all of our Commissioner's Titles on the line, which includes the crowning of brand-new ICON Six-Man Champions!! The night was capped out off with an epic encounter in the third match (and, rubber match) between two legends in Sir Gunther Kinderwacht and Sinister Steve Stryker. What another historic showdown between these two!

Well, now our focus shifts over to the PWI Money in the Bank PPV event which I know we're all excited about. MITB marks the very first event that includes all four leagues in the newly rebranded Pro Wrestling Imitated. We're going to crown our very first PWI Universal Heavyweight and Universal Tag Team Champions and I have every bit of confidence that our ASL stars are going to represent us well and do this league proud in their quest for gold!

After that, we're heading to ASL's All-Star Brawl where we'll once again see all of our titles on the line. We have contenders' matches this cycle and next cycle, so be sure to keep checking back often as that card gets updated.

And, finally, the semi-finals of the Best of the Best Tournament is underway and this will be our second cycle of action in that round. Good luck to each of our competitors in your efforts to be named 2025's Best of the Best and earn the prize pool that comes with it!

Before I go, I just want to remind you all that trash talk plays a vital role not only in the health of this league, but also in your Commissioners Title Matches. For those not aware, all Commissioner Title Matches (except for Mr. ASL) include a 5 point bonus for wrestlers in the match that trash talk. Whenever a challenger in a title match has a higher "normal" score, but the champion trash talks and the challenger doesn't and the trash talk bonus gets the champ a higher adjusted score, then the challenger will win via DQ or Countout and not win the titles. So, make sure you send something in!

That's it for now. Until next time, good luck!

So, that means that the ASL celebrates 40-years this year as well and we're planning on doing it right! Here's some of the things we've done to try and make 2025 a special year for the ASL:

Due to the challenger pulling double-duty on tonight's show, we opened this one with the Mr. ASL Title Match. Dustin Kyle saw his title reign come to an end after Super Dazzle hit his finishing move, "the Spectacle" to get the victory and become the brand-new Mr. ASL Champion.

The Warner Bros have been talking a big game about wanting to dominate the recently renovated six-man scene here in the ASL, but they've failed to collect wins on the big stage and tonight was no different. The Mavericks picked up the win and now find themselves solidly in the title contender conversation.

Billy Blunt and Marvel gave us a small preview of things to come in the upcoming Eradicator Match at the Great American Stars PPV. Billy used his "Blunt Force Trauma" to get the win, but that wasn't the last of this one. Shortly after the match, the ring filled with several members of both the COT and EEAmy factions and an all-out brawl ensued, though it was eventually broken up by security.

In a non-title match, the reigning ICON Tag Team Champions the Dawg Pound dropped a PWI Tag Team Tournament qualifier to the red-hot team of Lachlan Kincaid and Wolf Keenan, who now find themselves in the tournament with an opportunity to be crowned the first-ever PWI Universal Tag Team Champions at MITB.

Speaking of MITB, stablemates and friends H2O and Blood squared off in a MITB qualifier match. H2O won the match, but the two shook hands afterwards and Blood celebrated his friend's victory.

In the final match of the night, the newly crowned Mr. ASL Champion squared off against the reigning All-Star Champion in a PWI Universal Title qualifier. The match was won by Nick Dane who has been an unstoppable force in the ASL ever since his attitude change.

ASL ICON HEAVYWEIGHT TITLE MATCH

Sir Gunther Kinderwacht (c)
DREW Sinister Steve Strykre

The PPV opened up with the trio of Bootleg, Shoestring, and Backstabba being crowned the first ASL Icon Six-Man Champions in over 2-years when they defeated the Turners in the tournament finals. After the match, the new champs crossed paths with the Mavericks backstage, who claim they're coming for the belts.

Next, the red-hot "No Limits" Nick Dane scored a convincing victory over "Linked" N. Profile to retain the ASL All-Star Championship. LNP had earned a title opportunity by finishing runner-up in the ASL portion of the KOTR.

The Dawg Pound have reigned as ASL Icon Tag Team Champions for more than a year now, but had arguably their toughest challenge yet in the form of My 2 Dads. In a closely contested battle, M2D picked up the win via countout when Rusty Riggs was unable to get back into the ring before the ref's 10-count. The Padres got the win, but the belts stayed put with the Dawg Pound.

The highly anticipated Mass Eradicator Match between COT and EEArmy was an all-out war that left nothing but sweat, tears, and lots of blood inside the ring. In the end, the Tyrants survived the match and got the victory, but conventional wisdom tells us this one's not over just quite yet.

In the main event, the third encounter between Sir Gunther Kinderwacht and Sinister Steve Stryker ended in a 60-minute time limit draw. Gunther once again hangs onto the ASL ICON Heavyweight Championship and these two friends shared a hearty handshake at the end of the match as the show went off the air.

PRO WRESTLING IMITATED

THE PWI REPORT

Folks, this is it! This is the cycle in which the PWI Money in the Bank PPV results are based on (results will be published in next cycle's report). The brackets are set and we have superstars from the XPL, ASL, RDL, and LWL competing in four different contests, each with their own level of prestige involved.

We have 8 superstars competing to be crowned the first-ever PWI Universal Champion. We also have 8 tag teams competing to be crowned the first-ever PWI Universal Tag Team Champions. Before either of those tournaments are completed, however, we also have what will become the first-annual PWI Money in the Bank Ladder Match where 8 superstars will compete in a single match. The winner will be the first wrestler to successfully pull-down the briefcase suspended above the ring. That briefcase contains a wad of cash and a 12-month contract that allows that wrestler to cash-in a title shot against ANY PWI Champion at any time they choose. Please review the rules for cashing-in, which can be found in the match section of the PPV preview.

Now, once the PWI Universal and PWI Universal Tag Team Titles are established, they will be defended every 2-cycles on a rotating basis throughout the PWI leagues. The schedule for those title defenses is found in this report as well.

One thing to note for all future PWI Universal and PWI Universal Tag Team title matches is that there is a trash talk bonus available to wrestlers involved those matches. **Anytime a wrestler (the champion or challenger) submits a trash talk segment IN THE LEAGUE WHERE THE TITLE IS BEING DEFENDED specifically promoting the title match, they will have 3 bonus points added to their strategy total for that match.**

For example, let's say that Nick Dane (ASL) wins the Universal Title Tournament. His first title defense would be Cycle #12 in the RDL against a contender that the RDL Commish designates. If Nick Dane submits **a title defense promo to the RDL** that cycle, he will have 3 points added to his strategy total. If the RDL contender submits a **trash talk segment in the RDL** that cycle that acknowledges his title match, then he would also have 3 bonus points added to his total. This rule is designed as a benefit to the leagues when they host the PWI Title Matches and also to increase the likelihood that our champions are consistently trash talking.

A briefcase full of cash and a contract will be suspended 20 feet above the ring. The first wrestler to retrieve the briefcase is declared the winner, winning \$100,000 and a contract that guarantees him one (1) shot at any Commissioner's Title in the entire PWI. The contract can be cashed-in at any time of the winner's choosing within a 12-month period provided that it's communicated to the Commissioner prior to the Iron of that cycle. The person cashing-in the contract automatically receives a 2 point handicap in the title match due to the element of surprise. The defending champion will also receive an additional 1 point deduction for each opponent he has already faced that night.

Royal Rumble

30+ superstars from across all PWI promotions compete in an over the top Royal Rumble. The winner earns a shot at the PWI Universal Title at King of the Ring.

KOTR

Each PWI promotion holds qualifier matches prior to the PPV and sends 4 wrestlers to the PPV tournament. 16 wrestlers in total fight it out to become the PWI King of the Ring and earn a shot at the PWI Universal Title at Money in the Bank.

Money in the Bank

Each league sends 3x representatives of their choosing to compete in a special MITB match. The winner earns a contract that they can use to cash in for a shot at any title in the entire PWI of their choosing over the next 12-months. Title matches must be disclosed to the Commissioner prior to any score calculation that would be used for the match. Special handicaps will be applied to various scenarios.

Additionally, at this PPV a tag team title contenders tournament will be held for a shot at the Universal Tag Titles at Survivor Series.

Survivor Series

Each league will coordinate 2x four-on-four Survivor Series matchups that will utilize special scoring to determine the survivors. Next, the survivors from each match will compete in a Sole Survivor free-for-all in which the winner will earn a PWI Universal Title shot at the Royal Rumble.

Additionally, a tag team Survivor Series battle royal will be held. Each league will send one team to compete in an over the top battle royal using combined singles scores. When a wrestler is eliminated, so is his partner! The last team standing earns a shot at the PWI Universal Tag Team Titles at the Royal Rumble in a match that will use singles scores to determine the winner!

These are the IWA cycles in which the results are based on.

(The camera fades into the unhappy visage of the Masked Marvel. His hands are bloodied. His face twisted into a snarl. Whimpers are audible the background).

Marvel: Hey Gunther, I found the actor you had imitate me in that bizarre show you put on. I decided to finally make your dream a reality, he is now in a hospital bed, likely eating food through a straw. It's your dream come true. The same recurring dream, coming true.

(Marvel smiles widely, which is barely seen through his mask).

Marvel: COT, look what you made me do. I am supposed to be the calm one. The sane one. The thoughtful one. I'm supposed to be the foil to the madness. But guess what? I surround myself with madness because it fuels me. I don't care about some Mass Eradication match against a group of D Team, COT back burners who might get a cheap win.

It's irrelevant.

I want Stryker. I want Hell. And I want them NOW. Here's the challenge. Marvel and Blood against Stryker and Hell. Buried Alive Match. We bury you and the jokes come to an end.

(Blood walks a bewildered look on his face).

Blood: THEY MUST BE STOPPED! THEY HAVE HARNESSSED THE DARK MAGIC OF THE ABYSS TO CONTROL MY BODY AND MAKE ME PLAY A GAME! HOW DID THEY GAIN SUCH POWER!

Marvel: Relax Blood. Let me show you a secret. It's just actors. Take a look?

(Marvel stands up and opens an inside door. A man is tied to a chair, having a rough day. He has a cheap Steve Stryker T Shirt on and a sign around his neck that says, "Trust me, I'm the Real Steve Stryker. Blood slams his fist into the actor's face as the camera fades).

The lighting is harsh. The camera is angled slightly too low. Somewhere offscreen, a production assistant coughs and a folding chair collapses under its own weight. Professor Vitali Medved adjusts his lapels—he's wearing the long coat again, this time with what looks like a chess clock duct-taped to the chest. Bob Starr stands behind him, already half-checked out, his posture perfect but his eyes desperately searching for an exit.

"Comrades! Friends of the mat-based arts!" Medved begins, a flourish in his voice like a Soviet lecturer forced to teach P.E. during wartime. "Many have noticed—yes, *many!*—that The Olympian Bob Starr is not, how you say... 'thrilled' to be in victory with Classy Eddie Degrassi." He smirks at his own phrasing. "But victory is victory, da? Even if it comes wrapped in polyester and lies."

Starr blinks. Medved continues.

"You think: 'Why not with Ron Gorman? Why not in PKW where the real wrestlers go to forget things?' I ask you—what is tag team but forced collectivization? You must march in step. Degrassi is a fool, but fool who understands the flow. Right now, the 44 is correct. For now."

Medved turns suddenly toward Starr, pointing a finger like a bayonet.

"You are in ASL so long as you mesh. You leave only when the narrative congeals. It is like soup! Bad soup takes longer."

The clock on his coat beeps. It doesn't matter.

Tsuyoshi Mazoku walks past in the background, but since he is doing fine I didn't write anything about him.

SUPER DAZZLE

Hola, mi amigos. It is with great sadness that I say that I came up short in my opportunity to enter the PWI Universal Title Tournament. "No Limits" Nick Dane - as much as I dislike this attitude - has proven himself not only a great All-Star Champion, but he could very well become the new PWI Champion as well. And, as for me, it is that I have one last opportunity to make my way into a title gold opportunity. A 10-man battle royal coming up on ASL Showtime with the opportunity to face Sir Gunther Kinderwacht at the All-Star Brawl. There is nothing more that I would love than to have this opportunity, and so it is that I must once more dazzle the ASL with all my great moves!

DAWG POUND

RUSTY: "Ya know, the Padres gave us all that we could handle at the Great American Stars. They got the win over us - and, this ain't the way we like to do it - but, we're still standing here the ASL ICON Tag Team Champions. So, you got the win, but you didn't get the job done. You feel me?"

JAXX: "Oh, they feel you, Salt Dawg. They feel you, a'ight, and they gon' feel you again 'cuz 'dem two Daddios is gon' get another crack at the champs. 'N this time, though - this time they still ain't leavin' with the straps, but they ain't gettin' the win, neither. Tha's wassup."

RUSTY: "That's right, Big Dawg. This time the Dawg Pound is gonna handle our business like we do best and show everyone - including My 2 Dads - why we are the greatest tag team champions in this history of the ASL."

JAXX: "Padre Conrad.... Padre Arturo.... next time we meet, it's gon' be time to let the Big Dawg eat! You feel me?!?!?!"

RUSTY: "And, THAT'S what's up!"

(The scene fades with both men giving out a loud bark)

(The camera fades into the mostly deserted arena after the Mass Eradication match. Staff are breaking down the ring and cleaning up litter. H2O is sitting alone in a ringside seat. His Coastal Plains title is lying on the floor amidst popcorn and discarded beer bottles. He is staring blankly into space. He's covered in bruises and blood, but there is something else wrong with him. He's breathing shallowly and barely blinking. After a few seconds, he rocks in his chair muttering, "I'm not a fail..." under his breath before returning to his near catatonic state. Blood, Marvel, and Nathan Ross join H2O.)

Blood: What's wrong? Why are you still sitting here? We need to go.

(H2O doesn't acknowledge Blood. Blood snaps his fingers as if trying to break H2O out of a trance.)

Blood: Does he have a concussion? Did he have a stroke? Is he under some kind of spell?

Marvel: No. No, I don't think that's it.

(H2O mutters "not a failure" under his breath in an anguished tone. He repeats it at a frenetic pace, "not a failure, not a failure, not a failure, not a failure." He is so far gone that his normal inhibition about saying that word is temporarily forgotten. The rest of the EE Army looks downright concerned.)

Marvel: It's just that sometimes, well ... he doesn't take losing all that well.

(H2O snarls. He picks up a folding chair and repeatedly slams it onto the ground until it's a twisted wreck. H2O collapses on the floor.)

H2O: I don't take losing well?!? You're [bleep]ing right; I don't take losing well! Who the [bleep] takes losing well? I hate it. It feels like a million ants trying to claw their way out from under my skin. The air around me is oppressively heavy. It's making it hard to breathe or move. It's torture. I hate it!

Nathan Ross: And just imagine how the Tyrants are going to gloat.

(H2O springs to his feet. Ross seems to realize that was a stupid thing to say. H2O looks Ross in the eyes and snarls. His words come out slowly, dripping with hatred and scorn.)

H2O: I don't care what the Tyrants say. I don't respect their opinions enough to care. Let them gloat. Let them put on sophomoric plays that have no connection to reality. They beat us in the ring; they beat us in the biggest match we've had since returning to the IWA. That's what matters.

(H2O puts his hands on the sides of his head and pushes inward as if trying to stop it from exploding.)

H2O: We lost. I admit it. I'm not going to ignore what happened like Gunther and Stryker did after we beat them a few months back. But that doesn't mean I need to give a [bleep] about the nonsense that comes out of their mouths—or the mouths of whatever two-bit actors they hire to portray us in their little skits. They beat us in the ring, but their promos are still beneath my contempt.

[H2O picks up a nearby chair and throws it across the arena.]

H2O: Gunther, don't get comfortable. You escaped tonight. You hid behind another meaningless match with your lapdog Stryker because you're too scared to defend that title against me. It's a neat trick, but the clock is ticking. I didn't earn a title match tonight. I (stammers) f-f-f-

(H2O exclaims in disgust. His hands are clenched in tight fists, he's trembling slightly, and he seems to be exerting effort to speak.)

H2O: If I let the voices in my head win, I'll rot in this seat until I die. No! I won't let that happen. I need to put this behind me.

(H2O kicks a chair over in frustration and screams.)

H2O: The Money in the Bank contract is my ticket to redemption. It is my chance to wash the taint of this disaster off my soul.

(H2O starts to calm down. He looks a little bit less defeated and a lot more determined. His posture improves, and he starts to speak in a steadier and more even manner.)

H2O: Gunther, after I win Money in the Bank, you won't know a moment's peace until I cash in that contract. You won't be able to forget that I'm hunting you. I'll be cloaked by every shadow, hiding under every bed, lurking in every nightmare.

Marvel: There are two Tyrants in the ladder match, Deadhead and Rysen. You're outnumbered, and you had better believe that Gunther—the kid-watching coward—is going to instruct them to target you and make sure that you never touch that briefcase.

(H2O stares into the camera for a second. He starts to speak and then stops. He takes a deep breath.)

H2O: Deadhead, you must have attended the Kinderwacht school of promos. Same tired threats, same empty boasts, same complete lack of originality. Of all the people in the world to imitate, you choose the most boring and uninspiring guy in the business.

(H2O shakes his head in disbelief.)

H2O: Gunther, watch closely—don't miss a second of what I do to your clone. It's a preview of what you are going to suffer once I win the briefcase. I want you to sit on the edge of your seat in terror as I run through Deadhead and Rysen and take the next step on my inevitable path toward you and the Icon Title. You won today, laugh it up, I know you will. But make no mistake about it. I'm still here, and I'm still coming for you.

(H2O is transformed. He picks up his Coastal Plains title and puts it on his shoulder. He is a completely different man than he was at the beginning of the promo. He's focused, driven, and confident.)

H2O: The Money in the Bank Match is my path to vindication. Deadhead, Rysen, you're standing in my way. You might think that outnumbering me gives you an advantage. But the truth is that standing between me and the contract, standing between me and Gunther, means that you will be in the most dangerous place on earth. The Tyrants won tonight. It's [bleep]ing excruciating, but it happens. But the tide is going to turn, it always does. And this time, it's going to happen at Money in the Bank. **Prepare to Be Eradicated.**

(H2O and the EE Army stride purposefully into the back as the camera fades out).

Padre Arturo and Conrad are smiling as they stand behind their altar.

Arturo: "The time has come for thee **PWI Universal Tag Tournament!** At **Great American Stars**, we were victorious, but did not leave with gold. We are not worldly men; we do not live this lifestyle for gold! Regardless, the **Dawg Pound** knows that it is through mercy that they still have the titles."

Conrad: "The one on high may forgive, but we will not next time we meet in the ring, we will..."

Arturo: "Calm down Padre! Speaking of heathens that need to seek forgiveness, **EEARMY**, it looks as if your Mass Eradicator ended up being your demise. Our prayers for our fellow circle members were heard and they were victorious, even without us! Hopefully you repent and believe!"

The two men give the sign of the cross and exit

The Dayton Family (Shoestring, Bootleg, & Backstabba) are walking backstage with the ICON Six-man titles

Bootleg: "Man, I hope that he is good. He was tweekin'"

Shoestring: "That Last Eradicator match was nuts man."

They sniff & smirk as they approach Billy's dressing room

Backstabba: "Ha! That's a good sign that Billy's gucci."

As they open the door, they are met with a cloud of smoke

Bootleg: "D*** Billy! I hope you don't wrestle tonight."

Billy: "What up fam! I see you shining with all that gold"

Shoestring: "Yeah, you know how we do - what up doe?"

Billy: "Chillaxin. I got all that wyllin out in that crazy match. I guess Johnny Angel saw something in my performance, I have a chance to get an ICON title shot. Plus, I have another big match against **Richard Pills**. I saw his friend calling him Dick *giggling* OHHHHHH so that means he is 'Gas Station' *starts giggling uncontrollably* man what."

Backstabba: "Yeah, Billy is back to behind Billy. Come-on guys - he's good. Glad to see the chill Bill back."

The trio walks away as Billy laughs to himself

ASL PROMO SEGMENT — “Still on Top of the World”

Location: Backstage Interview Zone – Post *Great American Stars*

Interview by: *Becky Boobie*

Featuring: Sir Gunther Kinderwacht, Sinister Steve Stryker, Nightmare Sam Hell
(with a shout-out to Classy Eddie Degrassi & Bob Starr – ASL Tag Champions)

[CAMERA ON: The lighting is tense. Becky Boobie stands under the ASL banner, nervously clutching her microphone. Behind her, the wall shakes slightly as the COT trio barrels into frame. Sir Gunther Kinderwacht still wears the ASL Icon Title with smug pride. Sinister Steve Stryker is bruised, blood still on his fists. Nightmare Sam Hell leans on a Southeast Regional Title belt wrapped in barbed wire. The mood? Dominant.]

Becky Boobie:

Ladies and gentlemen, joining me now are three of the most dominant forces in ASL today—Sir Gunther Kinderwacht, Sinister Steve Stryker, and the Southeast Regional Champion, Nightmare Sam Hell. Gentlemen... what a night at *Great American Stars*.

Gunther (smirking):

Yes, Becky. What a night *indeed*.

I walked into the biggest show of the summer with the Icon Championship on my shoulder—and guess what? I *walked out* with it too.

Steve and I? We tore the house down. We threw bombs, suplexes, elbows, knees. He hit me with everything except his tax returns. And in the end? Nobody could beat the other. It was a draw. But that means I—**Sir Gunther Kinderwacht**—*retain*. And as far as I’m concerned, that still makes me the greatest *Icon Champion* this company has ever seen.

Steve Stryker (wiping blood from his jaw):

You ain’t lying, Gunther. We beat the hell outta each other. I respect the fight. But make no mistake—I’m not done. Not by a long shot.

I’ve said it before—I’m not here to play checkers. I’m here to *end careers* and collect gold. And that Icon title? That’s still in my crosshairs. But for now? Let’s talk about the *real* losers in this league.

Gunther (grinning):

Oh, you mean the **EEArmy**?

Steve (mocking):

Or should we call them the “Excuse Engineers” Army? Because I can already hear the promo now. “We got screwed!” “The sun was in our eyes!” “Mercury was in retrograde!”

Sam Hell (growling):
They got *ERADICATED*.

Becky Boobie:

You're referring to the Mass Eradicator Match where EEAmy fell to Sam Hell, Brett Brown, Billy Blunt, and Tsyoshi Mazoku.

Sam Hell (snarling):

They didn't *fall*, Becky. They got *flattened*. Smearred. Outclassed.

I bled for this brand. I dragged their sorry bodies across that canvas and beat 'em until they looked like sidewalk chalk in a thunderstorm. That match wasn't close. That match wasn't competitive. That match was a **statement**.

Gunther:

The only thing shocking about that beatdown was how fast it happened. And you know what the worst part is? *We can't even be proud of it*. Because beating EEAmy is like beating up a balloon animal. It looks funny, it feels good... but in the end, *was it ever a threat?*

Steve (chuckling):

Gunther almost *fell asleep* during their post-match promo. I had to slap him awake.

Gunther:

They're like Nyquil with bad lighting and unfunny jokes. I've seen more charisma at the DMV.

Becky Boobie:

It's been almost a year since EEAmy debuted in ASL. Any thoughts on their trajectory?

Steve:

Trajectory? More like a *nosedive*. They haven't won a single thing that matters. You hear that, H2O? Marvel? Blood? Your best-case scenario in this league is **Mid**.

You're *enhancement talent with delusions of grandeur*. Your ceiling is a ten-minute beatdown and a bus ticket home. And now you want to start trash-talking? You think you're gonna get noticed 'cause you attacked Billy Blunt?

Try winning something first. Or maybe just change your name to "ENTRY-LEVEL EMPLOYEES." At least then the initials still fit.

Sam Hell (dragging the mic close):

You boys want heat? Step into hell. I'll show you what *fire* really feels like.

Gunther:

I've had hangnails that put up a better fight. Blood got hung like a Christmas ornament last time. H2O wets himself every time the lights flicker. And Marvel? I still don't know if that guy's a magician, a cosplayer, or just lost on the way to Comic-Con.

Steve:

And we've still got business to handle. I've got my sights on *League*. Sam's already got the Southeast. Gunther is *still* Icon Champion. And let's not forget our boys—

Gunther:

—**Classy Eddie Degraffi and Bob Starr**, the *ASL Tag Team Champions*. The Circle of Tyrants has gold across every division.

Becky Boobie:

Before I let you go—one more question. You've mentioned watching *Best of the Best*. Any predictions?

Gunther (grinning):

Oh, we're *watching*. Always watching. And our money? It's on **Adam Kleinow**. He's going to beat Derek Tuttle. Then he'll steamroll Brad or Josh—doesn't matter who—and become the *first man ever* to **retain** the BoTB crown.

History is calling. And we answer with violence, victory, and big fat *paydays* for the boss.

Steve Stryker (into the lens):

Derek Tuttle? Brad? Josh? Watch your back. Because whether it's Adam, or one of us—it ends the same.

With the Circle of Tyrants standing tall, *again*.

Sam Hell (snarling):

We don't need to scream. We don't need to whine.

We just win.

And *watch the world burn*.

[CAMERA pans out as the COT trio poses under the ASL banner—Gunther with the Icon Title raised, Steve clutching his fists like caged weapons, and Sam dragging his barbed wire bat across the floor.]

[Fade out on the chant of the crowd: "COT! COT! COT!"]

AND THE REST

[Scene opens in a dim, smoky alleyway. Broken glass crunches under boots. A cold wind howls. The camera pans upward to reveal three masked figures—Madness, Chaos, and Terror—standing shoulder to shoulder beneath a flickering streetlight.]

MADNESS (calm, icy voice):

You hear that?

That silence...

That's what raised us.

In the shadows of Toledo, Ohio, where the streets don't whisper—they scream.

We were born into violence. Molded by it. We didn't choose this life. It chose us.

CHAOS (voice rough and low, eyes burning through the mask):

While you were playing hero, we were surviving hell.

We grew up watching the system fail, watching justice rot.

So we stopped waiting for someone else to fix it.

We took that pain... and we forged it into purpose.

TERROR (cold, deliberate tone):

You call it brutality.

We call it balance.

Because out here, the world doesn't need more superstars.

It needs executioners.

And we are the final verdict.

[They step forward, glass crunching louder, their bodies imposing in the low light.]

MADNESS:

The **Glass City Assassins** aren't here to play by your rules.

We're here to break them—one bone at a time.

CHAOS:

Every punch we throw? Retribution.

Every slam? A warning.

Every match? Another chapter in our mission.

TERROR:

We didn't come to be famous.

We came to be feared.

And when the bodies drop and the lights go black...

Just know, **Toledo** sent us.

[All three look into the camera in eerie, unblinking silence as the screen slowly fades to black. The only thing left is the faint sound of glass shattering.]

VOICEOVER (deep, gravelly):

The Glass City Assassins. Madness. Chaos. Terror. Vengeance has a zip code... 419.
