Elsie Sessions and China Doll go over the results of Fyter Fest

AWL Fyter Fest - April 22, 2021 - Cycle #174

VyStar Veterans Memorial Arena - Jacksonville, FL

Heather Diamond vs. China Doll

Heather Diamond scores a major surprise victory as she was able to handle the power of China Doll to the shock of Elsie Sessions.

What will be Elsie's next move to gain revenge on Heather:

#1 Contender King of Trios

Honey Buns Connection (Elizabeth White Owl/SB Vixen Red)/Mr. Hardcore Thumbtack Jack vs. Alpha Squadron (Hot Shot Becky Davis/Falcon David Harper/Hot Sauce Anthony Hawkins) vs. Men in Black (R.U. Ready/T.O. Rock/Legend Kevin Perry)

It will be a Wrestlemania Rematch for the King of Trios as the Honey Buns and Jack picked their spots against the other two warring teams and scored a pinfall for a title shot.

After the match, another man in a black mask entered the ring and took out Harper and Hawkins with a lead pipe. Suddenly, Mercenary Mike Duggan brought in a bag and held down Becky Davis. The Men in Black proceed to TAR AND FEATHER Becky Davis!!!

- AWL Women of Honor Title

Terri Black (Champion) vs. Bonita La Belle

Terri Black continued her stranglehold on the Women of Honor title with a dominating victory over Bonita.

- AWL Great American Title

Fabulous Lucy Fur (Champion) vs. Mr. Hardcore Thumbtack Jack

A hard fought battle concluded with the Fabulous One surviving Mr. Hardcore to retain the title.

As Lucy was getting up, the Monster of Mayhem Donny Bloodstone charged into the ring and smashes the Golden Briefcase on her head! He hands the case to the ref and applies the Monster Claw. The ref checks the arm . . . once . . . twice . . . and KANDO DRAGON pulls Bloodstone out of the ring and proceeds to beat him up! The ref had no choice but to count out Bloodstone and declare Lucy the winner and still champion via an unsuccessful cash-in.

Elsie begins to speak.

Elsie: There may be evidence that Heather Diamond did not attack me. If this is true, Heather Diamond will get a apology and a Women of Honor title shot. But for now, Heather all bets are off and you face my protection China Doll.

The Champ's Corner featuring . . .

THE MEN IN BLACK!!!

The Legend Kevin Perry/R.U. Ready/T.O. Rock/Kando Dragon/Mercenary Mike Duggan
and . . .

The Greatest IWA Steel Interfed World Heavyweight Champion of All Time
CAPTAIN MISERY

(Backstage after Fyter Fest and the attack on the Alpha Squadron)

Announcer: Men in Black, what in the world was all that tonight?

T.O. Rock: Doesn't Becky Davis look so much better?

Announcer: You TARRED and FEATHERED her!

TO: Absolutely. Works great with the skin.

Announcer: and what about this man? You guys were mortal enemies.

TO: You mean, Mike Dugaan? The Mercenary saw the light and realized the Men in Black were the best in the AWL. He's so much better than that Morpheus was. Look, he brought the American TV title with him.

Captain Misery: and Kando and I claimed the Unified Tag Team titles.

R.U. Ready: and soon, Hot Sauce Anthony Hawkins, that Interfed Universal title will soon be mine.

Legend Kevin Perry: This will be OUR year. 2021, the Men in Black are retaking the AWL forever!
Survive . . . if you can.

Men in Black member Kando Dragon is with Angel Simmons and has his unified tag title. He sees Monster of Mayhem Donny Bloodstone. He spits mist into Bloodstone's eyes. Angel kicks Donny in the balls and he is down. Two guys in masks and suits help Kando beat him down. The guys grab three chairs. They each hit Donny with a chair as Donny screams in anger. He fights them off and is up to his feet. A van pulls up and they throw manure on Bloodstone as Kando and the guys in masks and suits all jump into the van speeding away as Bloodstone screams in anger.

"SchmittDawg" David Schmitt is outside a gym and martial arts studio.

David: LORDS OF PAIN, COME OUT AND PLAY!!

A play on the words of the classic Warriors movie.

Crusher Payne, Ruthless Rob Red and Captain Pain Chris Schmitt come out. They all bump fists.

David: AWL, The Schmittdawg, is here and soon i will have a shot at the Great American title. I will be champion. Me and my boys will be the six man champions. Playa Hatas better recognize.

Rob: It is a pleasure working with these men. Tough as hell and we will all work to take each other to greater heights.

Crusher smiles and grabs a dumb bell and bends it a little and smiles as he throws it on the ground.

Chris beings to speak.

Chris: My title shots from winning the royal rumble blew up in my house. But as they say Schmitt Happens. We got this eight man tag to try and reverse our fortunes. My big bro has a Great American title shot this year. I will not give up. I and we will face anyone, one on one, four on four, three on three. But i am after that IC title or Triple Threat title. It will be mine. I will bring the pain, you bring the belts and destiny will crown me champion.

They all bump fists and David Schmitt hugs Chris.

A lifesize cake is brought in front of them, and Nina Schmitt jumps out and hugs Chris.

They all sing Happy Birthday as Chris swings with Nina and they both smile big as the scene ends

Who I am" blares as China Doll (Chyna) comes out to huge pops from the crowd.

She shoots T shirts into the crowd. They pop even more. Elsie Sessions is with her in a hover wheel chair. As China Doll walks to the ring, Elsie hovers alongside her and they enter the ring.

Elsie grabs a microphone.

Elsie: For a few years i was on top of the world. I was a proud womens wrestler. So when i took the job to be the head of the womens division, by Will Wizdom, i said hell yeah. Until someone i thought was Heather Diamond, attacked me. Well if you are telling the truth you will be rewarded. But if you are lying there will be hell to pay.

China Doll stops and begins to speak.

China Doll: Heather i know how tough you are, i know you can possibly beat me. But there is something fishy about a so called doppleganger. Regardless i am fighting for my honor and to keep my TV title shot. You and Terri Black making up, it is so special. But even more special is i am the ninth wonder of the world and you have to go through me. So if you are guilty there will be more hell to pay. If not it will be one night of hell. Cause that strap will whip you raw.

They both laugh as the scene ends.

Madame Masque and Mike Pizzaz have the EG Hellfire title and Mike has the Wicked Warz title he won in Wicked City as a symbol of love for that place and style. they are standing in a bikini (Masque) with her mask, (Pizzaz) shorts under a waterfall and letting the water hit them. It doesnt hit the belts.

Mike Pizzaz smiles and begins to speak.

Pizzaz: Covet what you cannot have, and i will gain what i do not have. Your fear makes me strong and desire even stronger. So We will win even if we lose. Kid Van Damme be ready cause the Wickedness will consume you.

Pizzaz and Masque smile as the scene ends

"Nordic Prince" Aaron Frost is on his knees as he prepares for battle. The battle against the dark ones and the battles in AWL. He imagines himself a conquering hero and a champion.

He smiles as the lightning strikes again and again.

The lightning strikes the ground and it stops and the letter AWL are burnt into the ground as Frost's eye glows in a close up

Lone Wolf Pat Cole: ladies and gentlemen of the LSL I wear this shirt in memory of a female wrestler that made her life AWL wrestling she may be gone but she will never be forgotten Brandy Cole was an amazing wrestler, amazing friend, an amazing teammate my career now that I'm returning will be in memory of her yes I've been gone for a while but now that I'm back I will make this whole first year in memory of her and in honor of her whether I win titles, whether I have losses THE thought of her will never be far from my mind and I ask every AWL wrestler to join the tournament IN LSL, that is being created in her name and honor whomever wins that will get a trophy I am entering it, like I said yes I've been gone for a while but I'm back I'm no longer going to be the pushover of AWL, I'm going to be the backbreaker of every top notch wrestler going to use me as a stepping stone to win titles cuz this stepping Stone is going to break your backs!!!! And prove that the Lone Wolf is back!!

Hey AWL how are you doing? I am here at my gym in California training for my matches, I knew it would be hard to go up the ranks in the AWL, I have held some titles and had some hits and misses in title matches but that's how it goes in wrestling nothing is easy, I still plan on getting the Universal Championship in the near future, but I will capitalize on any title shots I get for any title, now I want to face the best and I challenge R.U. READY from MIB, you have a reputation for bad ethics and I don't like it, you want a really challenge take me on buddy! Leave your group of thugs at home, one on one man to man step up to the plate! Also, I hope to throw my name in for the AWL CRUISERWEIGHT TITLE picture so COMMISHINERS please take my request in consideration Please, Thank You, also the people are calling me their People's Champion which I am honored! I hope they let represent them when I get into that ring, God Bless them and the USA!

Terri Black in her dressing room getting makeup on and preparing

This has been a Topsy Terry time in my life, attacked by my best friend, fought my best friend, and setting it with her in HELL IN A CELL, Heather Diamond and I have put that behind us but now we find out that my big sister Susan Black was responsible for setting Heather up by attacking Elsie in her office which is really sick! Heather would never beat up a person who is in a wheelchair or disabled she has morals and when I found out about her being attacked by China Doll and Elsie something had to be wrong with that, so manager did an investigation and will prove Heather is innocent, but I want to say this to my sister Susan, what you did was low, cowardly, and just plain disgusting! All over because you weren't in the spotlight, and you didn't get a Rematch for the WOH TITLE? WELL BIG SISTER! I will defend my title anywhere anytime! If

COMMISHINERS Will and Elsie agree you got a shot but if not earn it!

But first things first, since I have patched things up with Heather we talked and we decided that the AWL needs a little hop to it!

Terri removes Robe she is dressed in a red playboy bunny costume she puts her a pair of red bunny ears on her head

Now I know my Ex Wargoddess has the rights to the Bunny Trio that's fine so this is a birth of something new Badd Bunnies! That's Heather and I!

Heather walks in a pink Playboy Bunny Costume and puts her arm around Teri

LOOK OUT AWL BADD BUNNIES ARE HERE!

Heather Diamond, Terri Black, and COMMISSIONERS Will and Elsie are in the ring and waiting until the big screen lights up and on the screen wait it's Heather Diamond? NO WAIT SHE TAKES OFF HER WIG AND SUNGLASSES AND IT'S SUSAN BLACK!!!

SUSAN BLACK: So the cats out of the bag now, it was me who attacked that cow Elsie, Why did I set Heather up? I did it because she spat in my face when she was WOH

CHAMPION, she never gave me a Rematch after I was screwed over NO! Did Elsie or Will do anything about it NO! Then my contract was up and no offer was made so LSL Signed me and I did good then I got injured and was out for a year and a half, so everyone in the LSL wrote me off and after I recovered from surgery I tuned in to AWL and what did I see my little sister Terri and Heather Diamond fueding, I decided to make my comeback by doing something underhanded and I did, LuckyStars signed me back and I am back in thr AWL, Terri my little sister sooner or later I will come for that WOH CHAMPIONSHIP TITLE and I will show you that your big sister is better than you! Last but not least Heather Diamond you better watch yourself! Every place you are at I will be there! So look out thr true Queen of the AWL is back! BACK AS IN SUSAN BLACK!

Terri, Heather, and the COMMISSIONERS Will and Elsie are in shock!

We have cameras Live in the parking lot it's Susan Black attacking Heather Diamond!

Susan is kicking and hitting Heather, she then throws her into the side of her rental car! Susan then picks her up and throws her face first threw the passenger window and Heather is busted open! Susan throws her on top of the car and gives her a sit out power bomb on the hood! Heather is out cold!

How does it feel Heather! To be beaten down like the B***H that you are! See ya later! Refs and officials are coming out to help Heather, What will COMMISSIONERS WILL AND ELSIE DO!?

Mike Duggan: "At Wrestlemania, I lost to T. O. Rock in a match where the loser has to leave their stable. After that match, I attacked David Harper and Anthony Hawkins, my two former teammates, and joined the Men in Black. Now why did I join the Men in Black, you ask? I'm sick and tired of helping people like David, Anthony, and Becky be successful while I watch them. I gave them a chance to be stars, and what do I get? They win titles, and I'm stuck being their teacher that they have forgotten about! Well, it's time for me to remind them who I am! Hawkins, I'm gonna help R. U. Ready win the Universal Championship from you, because you are a pathetic excuse for a champion! The Men in Black are rising, and we will rule the AWL! Survive...if you can."
