THE DOMINANT FACTOR

Nemesis

Rage

Fury

Envy

Wrath

War

FURY: Congratulations are in order because - as you can see - I am standing here before you as your NEW TV Doom Champion. Drop Dead Jacque never stood a chance and now the title is home with the Dominant Factor where it belongs, but more on that to come. As you may have read, **DF Anarchy** is no longer with us as he's joined the illustrious IWA Hall of Fame, but make not mistake about it - the Dominant Factor camp is extensive and it didn't take long for us to identify his Blood Bath replacement. Please welcome to the fold, **DF Envy!**"

ENVY: "Prepare yourselves, BBL. You thought Anarchy was cruel, but you haven't seen the half of it. Some of you have what I want and that leads to bad things for you!"

NEMESIS: "Finally, all the waiting is over. Beach Brawl V is upon us and it's time to bring even more gold home to the Dominant Factor. After **Wrath & War** dismantle the tag team division, I'm going to make Skullfire pay for insolence. You underestimate me - good for me, bad for you - because at Beach Brawl I'm going to show you why we're the Dominant Factor and you're not!"

Alpha Hotel

"YEAHHHH! The time has come, the gates are open, and the ALPHA has ARRIVED! Blood Bath League—you've been sleepin'! But now it's wake-up time, baby, 'cause Alpha Hotel is checkin' in, and the whole world's gonna feel the shockwaves!"

"I ain't here to make friends, I ain't here to play nice. I'm the good guy, the last real one in this cesspool of cowards and creeps. And right now—I got my scope locked on a little problem that's stinkin' up the league..."

"The Russian Reapers... Yeah, I said it! You frosty, vodka-sippin', accent-havin' basement-dwellers! You think you scare people 'cause you wrestle like machines and talk like bad movie villains? I don't buy it! I ain't afraid of your cold eyes and colder hearts."

"You think you're the bad guys in this story? Nah, you're just a bunch of comic book knockoffs! I'm the real deal, the walking firestorm, the one-man justice system! And I'm comin' to *liberate* that ring from your greasy, bear-hugging grip!"

"You can bring your tanks, bring your comrades, bring your whole icy empire—but when you step into the cage with Alpha Hotel, **YOU CHECK OUT PERMANENT, BABY!**"

"Blood Bath League—mark this date. This is where the war begins. And when I'm done, the only thing red in that ring... is **THEIR BLOOD!**"

"Y'all thought I was gone. Thought the War Pig went out to pasture. Thought I was just some ol' redneck who got too drunk and too dumb to keep up. Heh..."

"Well guess what, baby boys—WAR PIG'S BACK! And I didn't just go fishin'. I been *studyin'*. *Trainin'*. Learnin' how to take my rage and turn it into precision. Ain't just fists and fury now... it's *tactical destruction*."

"'Elevated ring psychology...' Heh. That means I'm gonna *hurt you smart*."

"Now let's talk about the sorry lot standin' across from me and the **Family of Doom** at Bloody Berach Brawl. First up—*He-Man Hoven*. Or should I say... *She-Man Hoven*."

"I seen more testosterone in a baby possum. All that muscle, all that flexin', all that baby oil—what you compensatin' for, sugarplum? You a cartoon character that forgot what fightin' feels like. But don't worry—I'm gonna *reintroduce* ya."

"Then you got **Los Americanos**... Ohh boy. These boys show up with their sparkly tights, fireworks, and smiles like they just got back from Disneyland. Listen here, hombres—this ain't no parade. This is BLOOD. BATH. LEAGUE. And you're lookin' at the pig who bathes in it."

"I ain't the same War Pig. I'm *worse*. I'm *refined rage*. I'm violent with a vocabulary. I break bones with purpose. And when me and the Family of Doom step in that ring, it's gonna be strategy... *with scars*."

"You boys better say your goodbyes. 'Cause when the smoke clears... all that's left in the mud will be the squeals of **She-Man** and the star-spangled sobs of your American dream."

[He grins wide, spits tobacco juice at the ground.]

"Oink oink, mother—"

"Looking for a Title"

You know, BBL, it's been a while since I, Xavier the Beast, have talked to you all, but here goes. I want a shot at the King of Hardcore title or any other title that I can get in the BBL.

All I am asking for is some title shots. Also, I am looking for somebody to feud with, so if you want a feud, just holler at me and let's get it on.

Xavier the Beast

"Looking for Tag Titles"

Hey folks, it's the Slice Brothers here, saying we are looking for a shot at those BBL Hounds of Hell Tag titles. Now Mr. Smith and Pork Rind, you are great champions and held them titles for a while now.

Now, Timbo and Jimbo Slice want a chance at those Tag titles, for we held the IWA Tag titles in the past. So now we want those BBL Tag titles too. Don't make us have to chase you guys for a title shot, for somebody might get hurt. We will see you all soon.

"I Want Titles and Feuds"

Okay guys, it's the Fastball Louie Ratcliff saying I am hungry for feuds and titles. So if anybody wants a feud, look me up. Now BBL, don't make me chase your champions or me and my bat might go nuts on them.

Time's up Nemesi. Not only will I retain my Hardcore title but I will take your Central Plain's title at the same time. Can't wait to come flying off the top rope and hit you with the big splash for the 3 count and walk away with 2 titles.
—AOD : Skullfire

ROYAL FAMILY OF DOOM

Timber Wolf: "Well, congratulations to Mr. McGillicuddy on finally learning to read! However, the only person on Earth to whom I humble myself is my father. Happily. Every single day."

Wolf: "Good boy."

Apocalypse: "Plus, we can't, on principle, show any deep respect to someone who actually thinks that saying "De-crap-iterator" DOESN'T make him sound lame as hell."

Decapitator: "I groan at this."

Tombstone: "We have better things to talk about."

Apocalypse: "Indeed. You're the East Coast champ, for one. The big Beach Brawl is on the way, for another. And, oh, yeah, guess who's back on top?"

Dire Wolf: "Yeah, I'm League champion once again. And this time before Wolf's very eyes. I don't spend much time being awestruck, but I'll take that one. And when we get the Brawl, we celebrate this the only way worth doing, why beating the hell out of healthy human bodies."

Apocalypse: "That's the plan. And if Ho Hum thinks his two twerpy goons are gonna stand up to what they got coming, they must be even stupider than I would have thought. You're gonna get hurt, punk, and your idiot muchachos might get hurt even worse. And just like the champ said, that's the way to celebrate."

HE-MAN HOVEN

HOVEN struts to the ring to his music:
"ICE CREAM" BY THE BLACK PUMAS

He-Man Hoven: We still don't know which of those **Royal Family of Disappointment** cowards will be teaming up with WAR PIG at Beach Brawl, but no matter which jerks from the RFD show up... does it matter? They all look the same to me, but you know who doesn't? Los Americanos! Come on in here fellas!

[Buddy Donner and Hank Henkel strolls out, sneering at the booing fans.]

Uh oh, did I bring in the greatest tag team in IWL history to be my partners for the match at Beach Brawl 5?

Buddy Donner: YEAH!

Hank Henkel: Don't worry, we know how to deal with Goth cosplayers who need a whuppin' and we won't let you down. War Pig, you gonna bleed!

He-Man Hoven: This is going to be a blood bath and while I usually look down on brawlers, in this case, I've made an exception in order to hurt those guys. Also, my Armed Forces tag partner, the Total Package U.S. Mayle is busy with ACW schedule and Miss Americana, which reminds me. The next time you see me; I'll have my new valet alongside!

Which also reminds me, I want to make sure that each and every one of those RFD ladies who were begging me for the White Shampoo, they may have missed out on a chance to be with me at ringside, but if they want to stop by my place they can still be with me at bedside.

Har... Har... Har...

HE-MAN HOVEN'S CHUMP of the Week ALPHAMALE XD

This dude needs a new gimmick unless he is planning to break his silence and cut a promo where he tells us all to buy his new supplement, "Alphamale XD" which promises to boost a guy's energy, testosterone, libido and even help with pierogies disease that gives men that ol' curved willy. Y'know, on second thought, we are better off if old dumb-dumb Alphamale XD stays silent so we can pretend he isn't an untalented stiff who wants to sell us his toxic Gas Station boner pills.
