BBL 88 Cards Top 5 – 29 BR Entries
BBW 46 Cards– 18 BR Entries

What a Spring coming, get ready for one hell of a ride. We have the IWAR Events starting, getting ready for the BBL only Spring events coming, Beach Brawl is starting to form up.... Great trash talk. Great Wrestlers coming this will be a record year of blood and guts for the most violent league in IWAR.

Ensure you keep the TT coming. You can't qualify for Commissioner titles without TT, and we will have several events coming up that the only way in is to TT. We are going to start watching the rule that if you have a title and don't TT for two consecutive Cycles you will put the title up at the next scheduled show against the top trash talker from each of the last two cycles. – So keep the TT coming

Commissioner Mayem of the WWL is talking Sh1&, BBW is going to put together a group to put those skanks down. If you want to join let me know in TT.

Still working on the Almanac. I am excited to get it published... hopefully in the next couple cycles.

We have great representation in the Johnny B Cup—make sure we bring that championship to the BBL. We have only a few in the Marano Memorial, but we need to bring that championship Back to the BBL

Changes to this years Orthus Cup Tag and The Cerberus 6-Man ---Any Tag that TT's and has a tag score will automatically be entered -- The change this year is if you want a non-traditional team to enter make the request in TT. The tournament will be scored as total STRAT of the team...

We tend to make announcements on Face Book, if you don't do face book, give me an e-mail address or some way to contact you to keep up to date with current happenings. rmpi.rob@gmail.com

Storm Report March 2024

**** Big Bad Beetleborg has called out War Pig and Casanova Lane, The Beetleborg brings tough justice, and just plain goodness to the BBL.**

**** Casanova Lane is just a scummy low life, and the Pig is an obnoxious Bully Rumor has it that Beetleborg may be headed in a new direction as he is afraid of getting a disease from Casanova Lane!**

****Again, I ask who will step up and put the Army of Darkness down. The challenge is out thereRFD, PPA, NME, COT or someone else we will see.**

**** Kyle Larue, what a great guy, took a small beatdown saving a flamingo, looking for my invite to the pool party.**

****My god did you see what those heathens Omega Man and King Mongol did to "Young Dragon" D.B. Lloyd. I certainly hope Dragon has a plan of vengeance!!!**

****So Canadian Man sure is popping his mouth off, maybe a veteran should introduce him to the BBL way!**

****Looks like things are heating up between Dominant Fact and PPA---- what is next!!**

****Also looks like Dominant factor is calling out Kyle Larue and Beetleborg Looks like a goody bad guy type of thing Who would have thought in the BBL?**

**** The Rookie of the year, "Young Dragon" D.B. Lloyd, is making a statement, can Dire wolf put the young man back in his place?**

SURVIVOR

ROUND 2 CHALLENGE:

This round's challenge involves head to head tag team matches! Each tribe will be randomly split into 5 tag teams. Then, each team will face off against a team from each of the other tribes in an interleague tag team match. There are 15 tag team matches in total with each tribe competing in 10 of them.

Tribes earn 3 points for each win and 1 point for each draw. The standings at the end of the round will be determined by how many points each tribe earns. If two more tribes have the same number of points, then each tribe's average tag team strategy will be used as the primary tiebreaker. If there is still a tie, then each tribe's average singles strategy will then be used to break the tie.

ROUND 2 ELIMINATION:

Six wrestlers will be eliminated this round:

The first four wrestlers eliminated will be the two tag teams with the lowest strategy totals from the losing tribe. If there is a tie for this, then the combined average singles strategies will be used to break the tie. The secondary tiebreaker will be the combined point spreads from their tag team matches. The third tiebreaker will be their singles scores from Round 1.

The 5th/6th wrestlers eliminated will be the two wrestlers with the lowest singles strategy from the second place tribe. If there is a tie for this, then the first tiebreaker used will be the wrestlers' tag team strategies from this round. The second tiebreaker used will be the point spreads from their tag team matches. The third tiebreaker will be their singles scores from Round 1.

ROUND 2 IMMUNITY:

Any wrestler in this competition can help their own cause this cycle by earning individual immunity not only for them, but for their tag team partner as well! The wrestler from each tribe that obtains the best battle royal finish in their league battle royal this cycle earns immunity for their tag team.

The battle royal finish will be measured from the top, meaning that the order goes from winner to 2nd place to 3rd place, etc. all the way to last place. The tiebreaker used, if necessary, will be the number of entrants in that wrestler's battle royal. The second tiebreaker used will be singles strategy from this round. The third tiebreaker used will be singles strategy from Round 1.

Well, Hatable Dinosaurs it looks like us again for the titles ... but wait ... laughing looks like AOD may have something to say about that ... what will Hank do!!!!

The Old 1975 Ford f-250 pulls up in front of arena, 10 rounds of Jose Cuervo by Tracy Byrd blaring over the speakers.

Duff stumbles to the stage with his usual bottle of cheap tequila

Well, ICON I'm coming for you I have a can of (Burp) gasoline ... gods favorite explosive ...I found your car ...

There is a big explosion from the parking lot Well, well it begins.

Duff tosses his empty bottle to a fan, and heads for the trough ...

DOOM Champion

I Have put the Doom title on the line Cycle to Cyle and none of you so called wrestlers can take it

Give RFD credit they keep coming back for more punishment looks like I have blood moon again ...

Well RFD I will continue to be the most dominant champion in the history of the Blood Bath League ... and will continue to dish out pain and punishment as necessary.

I have no forgotten you loser from the Dominant Foreskin ... Bring old grudges to the BBL ... I am the undisputed leader of the PPA and will put those grudges away, when I plant your ASSE\$ in the Ground!!!

(Intense music blares as the crowd roars with excitement. **Dominate Factor Anarchy** stands tall in the ring, surrounded by the remnants of the destroyed pool party setup. His eyes blaze with fury as he surveys the chaos he's caused. Suddenly, the upbeat music of 'Pool Party' **Kyle Larue** interrupts the tension, and **Kyle** confidently struts down the aisle, microphone in hand, a beaming smile plastered on his face.)

Kyle: "Ladies and gentlemen, boys and girls, children of all ages! It is I, the purveyor of Pool Parties, the ambassador of good times, the one and only...**Kyle Larue**! Hey **Arky**, it's me **Kyle**. Look here, see? I'm **Kyle**!"

(The crowd erupts into laughter and cheers as **Kyle** exudes infectious energy, completely unfazed by **Anarchy's** menacing presence.)

Kyle: "Now, hold your horses there, **Anarchy** my friend! I can see you're feeling a little... deflated. But fear not, for I am here to lift your spirits and show you the light! After all, life is just one big pool party, and everyone's invited!"

(**Anarchy's** scowl deepens as **Kyle** continues to speak, his optimism seemingly unshakeable.)

Kyle: "So, what do you say, big guy? How about you put down the deflated flamingo and join us for some fun in the sun? We've got cupcakes, we've got girls—"

(Before **Kyle** can finish his sentence, **Anarchy** strikes with a devastating lariat, sending **Kyle** crashing to the mat. The crowd gasps in shock as **Kyle** lies there, momentarily stunned.)

Kyle: (groaning) "Well, that wasn't very... hospitable..."

(Despite the setback, **Kyle** maintains his trademark grin, slowly getting back to his feet as he brushes himself off.)

Kyle: "But hey, no hard feelings, **Anarchy**! Just remember, the invitation to the pool party is always open! Because no matter how dark the clouds may seem, there's always sunshine on the other side! So, let's make a splash and spread some smiles, shall we?"

(With that, **Kyle** exits the arena, his positivity shining bright even in the face of adversity. The crowd cheers him on, inspired by his unwavering spirit.)

*Ladies and gentlemen, gather 'round and let me serve you up a wrestling extravaganza that'll have you licking your lips in anticipation! I'm **Chester P. McGillicuddy the 3rd**, your culinary guide to prime-time entertainment, and I've whipped up a lineup that's sure to tantalize your taste buds and leave you begging for more.*

*First up on the menu, we have the reigning and defending Gold Federation and Metropolitan Champion, the one, the only, **King Mongol**! Picture this, folks: **King Mongol** is like the flour in your baking recipe - the foundation upon which greatness is built. With the precision of a master chef, he's conquered every league from the SVL to the LNL, the TGL, and now the BBL, leaving a trail of devastation in his wake.*

*But what's a cake without some sweetness, you ask? Well, let me tell you, **King Mongol's** partner, **Omega Man**, is like the sugar in our recipe - adding that extra kick of flavor and intensity to every match. This savage warrior is a behemoth of a wrestler, with the strength of a thousand men and the ferocity of a wild animal.*

*And speaking of flavor, let's not forget about the **Johnny B. Cup**, the most prestigious tournament in all of professional wrestling! What a Ride

Well fans, it's been a hell of a ride in this BBL Death Match Tournament. This is the hardest league I have been in, and this tournament is the hardest thing that I have done so far. Catfish Rob tried to prepare me for it, because I am a rookie out there going up against guys who've been doing this for a while. There were some big name guys out there who wanted this title for their name in the wrestling world.

For me, Xavier the Beast, I just wanted to go out there and do the best I can and see how far I can make it. I am still in it, but I don't think that I can win it, but who knows, I've been lucky so far. I will say this, no matter who wins, I have been in there with some of the best wrestlers in the IWA and went toe to toe with them too. Thanks guys, and thanks BBL for letting me be a part of this tournament.

Back in the Hunt

I was hoping that HOP: BA Fox could make it to the finals of this BBL Death Match Tournament for a second year, but no luck, fans, for I got beat right off the bat this time. You need to be both lucky and good to make it to the finals let alone win it.

This could jump start the winner to bigger and better things down the road. I just hope that the two who make it to the finals give the fans one hell of a fight. BBL, this is one of the best and hardest tournaments in IWA today, so thank you to the Commissioner for putting it on for the wrestlers and the fans.

Now I got to pick myself up and move on to hopefully bigger and better things for me. I still hope to get another shot at the KOH title again, so guys, look out for BA Fox is back on the hunt for myself and HOP.

Sneak Attack: In the desolate parking lot behind the derelict warehouse, the air crackled with tension as **Big Bad Beetleborg**, a stalwart champion of justice, strode towards his car, unaware of the imminent peril lurking in the shadows.

Suddenly, from the darkness emerged two malevolent figures: **Dominate Factor Nemesis and Anarchy**, their sinister intentions masked by the veil of night. With ruthless efficiency, they sprang into action, launching a savage assault on their unsuspecting target.

As **Beetleborg** reached for the handle of his car door, **Dominate Factor Nemesis** struck like a viper, delivering a vicious blow to his unsuspecting back. Staggering forward, **Beetleborg** found himself ensnared in the clutches of his assailants.

Anarchy, a whirlwind of violence, descended upon **Beetleborg** with unbridled fury, raining down a torrent of brutal strikes upon his defenseless form. **Kyle Larue** and **Cowboy Johnny Gaines**, Beetleborg's steadfast allies, raced to his aid, but they were too

late to prevent the onslaught.

With grim determination, **Dominate Factor Nemesis** seized **Beetleborg** by the collar, slamming him mercilessly against the unforgiving metal of a nearby car hood. The impact reverberated through **Beetleborg's** body, leaving him dazed and disoriented.

Meanwhile, **Anarchy** unleashed a relentless barrage of punches and kicks, each blow landing with bone-crushing force. **Kyle** and **Cowboy Johnny Gaines** fought valiantly to fend off their attackers, but the sheer ferocity of the assault was overwhelming.

In a final act of brutality, **Anarchy** lifted **Beetleborg** off the ground and hurled him through the air with terrifying force, sending him crashing through the roof of a nearby car. The sickening sound of shattering glass filled the air as **Beetleborg's** broken body lay sprawled amidst the wreckage.

Bloodied and battered, **Beetleborg's** allies rushed to his side, their hearts heavy with fear and uncertainty. As sirens wailed in the distance, signaling the approach of help, they knew that their friend's fate hung in the balance.

With grim determination, they lifted **Beetleborg** onto a stretcher, his fate uncertain as he teetered on the brink of oblivion. As they prepared to transport him to safety, **Kyle** and **Cowboy Johnny Gaines** swore a solemn oath to seek justice for their fallen comrade, vowing to bring his attackers to account for their heinous deeds. And as they vanished into the night, the echoes of their footsteps were drowned out by the ominous whispers of impending vengeance.

Well, howdy there, folks! Gather 'round and listen up real good 'cause I reckon **Cowboy Johnny Gaines** has got himself a tale to tell.

From them dusty rodeo trails to the bright lights of the Gold Federation, this ol' cowboy's been ridin' the range for as long as I can remember. But let me tell ya, I ain't just here to mosey on by and tip my hat. No siree! I'm fixin' to rustle up some glory and stake my claim in this here Blood Bath League!

Now, I been hearin' whispers 'bout them **Dominate Factor** fellas. They think they're the meanest, toughest bunch this side of the Rio Grande. Well, lemme tell ya, **Nemesis**, you and your bunch of sidewinders ain't seen nothin' yet! You been slitherin' around like rattlesnakes in the tall grass, but it's high time you met the new sheriff in town!

That's right, partner. **Cowboy Johnny Gaines** is fixin' to clean up this town and show y'all what true grit looks like. So strap on them spurs, 'cause the showdown's comin' and it's gonna be hotter than a Texas barbecue on the Fourth of July!

So listen up, **Dominate Factor**, 'cause the winds of change are blowin' and they're carryin' my name on 'em. You can bet your boots that when

the dust settles, I'll be standin' tall with that championship belt around my waist and a smile as wide as the Rio Grande!

But that ain't all, folks. Me and my partner in justice, **Kyle Larue**, we ain't just in this for ourselves. Oh no, we're fixin' to take some righteous revenge for what you done to **Big Bad Beetleborg**! You thought you could stomp on the little guy and get away with it? Well, you've got another thing comin'!

So saddle up, **Dominate Factor**, 'cause me and **Kyle Larue** are comin' for ya, and we're bringin' a whole heap of trouble with us. The reckoning is here, and it's gonna be bigger and badder than a stampede at high noon!

Yeehaw! Let's rodeo, partners!

IN THE CHAOTIC SCENE, THE AIR CRACKLES WITH TENSION AS THE THREE FORMIDABLE MEMBERS OF DEMOLITION, WRECK, HAMMER, AND CRASH, BARREL INTO AOD: SKULLFIRE'S LOCKER ROOM WITH A FIERCE DETERMINATION. THEIR PRESENCE IS PALPABLE, THEIR INTENTIONS CLEAR AS THEY CONVERGE UPON SKULLFIRE LIKE A PACK OF HUNGRY PREDATORS CLOSING IN ON THEIR PREY.

WITH ADRENALINE-FUELED FURY, WRECK, HAMMER, AND CRASH UNLEASH A RELENTLESS ASSAULT, THEIR FISTS FLYING LIKE THUNDERBOLTS AS THEY RAIN DOWN BLOWS UPON SKULLFIRE. EACH STRIKE IS FUELED BY YEARS OF PENT-UP RIVALRY AND SIMMERING ANIMOSITY, AS THE TRIO UNLEASHES THEIR PENT-UP AGGRESSION UPON THEIR HELPLESS ADVERSARY.

THE SOUND OF BONE MEETING BONE REVERBERATES THROUGH THE ROOM, ACCOMPANIED BY SKULLFIRE'S PAINED GRUNTS AND THE VICIOUS SNARLS OF HIS ASSAILANTS. THE SPACE BECOMES A WHIRLWIND OF VIOLENCE, WITH NO QUARTER GIVEN NOR MERCY SHOWN AS DEMOLITION EXACTS THEIR BRUTAL RETRIBUTION.

DESPITE SKULLFIRE'S VALIANT EFFORTS TO DEFEND HIMSELF, THE OVERWHELMING FORCE OF THE THREE DEMOLITION MEMBERS PROVES TOO MUCH TO WITHSTAND. GRADUALLY, SKULLFIRE'S RESISTANCE WANES, HIS MOVEMENTS GROWING SLUGGISH AND UNCOORDINATED AS THE SAVAGE BEATING TAKES ITS TOLL.

FINALLY, WITH A BONE-JARRING BLOW, SKULLFIRE SLUMPS TO THE GROUND, UNCONSCIOUS AND DEFEATED, A TESTAMENT TO THE MERCILESS POWER OF DEMOLITION'S FURY. THE ROOM FALLS SILENT SAVE FOR THE HEAVY PANTING OF THE VICTORS, THEIR TRIUMPHANT GLARES CASTING SHADOWS ACROSS THE FALLEN WRESTLER'S MOTIONLESS FORM.

WRECK: ARMY OF DARKNESS!!! THE WAR HAS JUST BEGUN!!!

((((AS METALLICA'S "SEEK AND DESTROY" REVERBERATES THROUGH THE ARENA, THE ATMOSPHERE ELECTRIFIES WITH ANTICIPATION. THE CROWD ROARS AS THE LIGHTS DIM, FOCUSING THEIR ATTENTION ON THE ENTRANCE RAMP. FROM THE SHADOWS EMERGES TWO TITANS OF THE RING, GILBERT ARROYO AND BRODIE JAMES, IWA ICONS WITH A LEGACY ETCHED IN THE ANNALS OF WRESTLING HISTORY. GILBERT ARROYO STRIDES FORWARD WITH PURPOSE, HIS CHISELED PHYSIQUE EXUDING AN AURA OF DOMINANCE. HIS EYES, INTENSE AND UNWAVERING, SCAN THE AUDIENCE, COMMANDING THEIR RESPECT WITH EVERY STEP. WITH EACH MOVEMENT, THE ECHOES OF HIS LEGENDARY BATTLES RESONATE THROUGHOUT THE ARENA, EARNING HIM THE REVERENCE OF FANS WORLDWIDE. BESIDE HIM, BRODIE JAMES, A ROCKSTAR OF A MAN, MOVES WITH A DELIBERATE PACE, HIS IMPOSING PRESENCE CASTING A SHADOW OVER THE CANVAS. ADORNED IN HIS SIGNATURE ATTIRE, HIS GAZE PIERCES THROUGH THE HAZE OF SMOKE AND FLASHING LIGHTS, A TESTAMENT TO HIS UNWAVERING DETERMINATION AND INDOMITABLE SPIRIT. WITH A NOD OF MUTUAL RESPECT, THEY RAISE THEIR MICROPHONES TO ADDRESS THE CROWD, READY TO DELIVER A PROMO THAT WILL ECHO THROUGH THE AGES.)))))

Arroyo: We're going to cut to the chase tonight... ***(THE BOOS BEGIN TO ECHO THROUGHOUT THE ARENA)*** First off I want to thank you Brodie ***(THE CROWD ROARS AT THE SOUND OF BRODIE'S NAME AND BEGINS TO CHANT BROODIE, BROODIE, BROODIE!!!)*** Yeah, yeah, we all know you guys love Brodie! However, where are you out here to get to business. Doogan!!! Looks like all it took was another beating to put you in your place. You ran your mouth like you always have and history repeated itself, a good beating and just like that, your mouth is shut. You can try and give me the silent treatment all you want but the matches between us will still be signed, and I will like I always have continue to beat your sorry a\$\$!!! Now I would like to take this time to address RFD... Apocalypse!!! I heard about you and your butt buddy Dire Wolf before I came to the BBL. What I heard was you guys used to be pretty good, but it seems like all of the beatings you have taken turned your mind to mush. Or maybe your stablemates were too embarrassed to tell you the truth about the FAL. You see Brodie James and I dominated the FAL, we're both former FAL league champions and while we were kicking a\$\$, RFD stood by hiding in the shadows while true greatness was on display. So pay attention big man, because I'm begging you for some "sugar smack"!!! No one in RFD is safe from the Tyrants!!! Tell them Brodie!!! ***(THE CROWD EXPLODES INTO A FRENZY OF EXCITEMENT AS BRODIE JAMES LIFTS THE MICROPHONE TO HIS LIPS. Thank you, my brother, for inviting me out here to do this promo with you. I know we're a little pressed for time so I won't waste any time. Now I have to admit I love it here in the Blood Bath League!!! I really feel with all my little Brodie's supporting me things are really going to take off for me. I will say this, I have been a little disappointed...disappointed in one Johnny Slaughter. Bro...what's up with you?! I was expecting a great feud between two legends and what have these fans received? Well, me kicking your a\$\$ once and you running off into obscurity. What's up with that?! I'm out here to issue an open challenge to anyone in the BBL, do you have what it takes to go one on one with the great one? No challenge will go unaccepted!!! Someone with courage step up to the plate and let's give these fans what they deserved.

YOUNG DRAGON DB LLOYD

*(**At the start of **HARDCORE FRIDAY NIGHT**, the crowd waits with anticipation. After a few moments “Waiting Room” by Fugazi blares through the arena, and BBL TV Champion “Young Dragon” D.B. Lloyd steps onto the ramp. He’s sporting a black eye and some cuts from the attacks that are now revealed to have been at the hands of **CHESTER P MCGILLICUDDY, OMEGA MAN AND KING MONGOL**. The Young Dragon nods to the crowd, wearing his BBL TV title, as he gingerly makes his way to the ring with a microphone in hand...**)*

DB LLOYD: What’s up Wheeling??? Now I gotta admit, I’m definitely not 100%. But that’s part of the reason I came to the BBL. I wanted to be tested against the best and most brutal wrestlers in the IWA. Well, I guess they do say “be careful what you wish for”...but you know what??? I think I’m fitting right in!!! *(**The crowd cheers loudly**)*. And that’s why it p*sses me off so much that we have members of this roster that feel like they need to **SNEAK ATTACK** D.B. Lloyd! I’ve NEVER backed down from a fight...not since **DAY ONE** in the BBL!

Take a look at the **BLOODY 11**...from the moment they rang the bell on that first match back at Christmas Havoc, I’ve been a better wrestler than **DIRE WOLF**. He’s claiming he’s “distracted”, but the fact is that I just want it **MORE!**

And now I’ve been defending this BBL TV title against ALL COMERS! **PSYCHOBOLT, HAMMER, BIG BAD BEETLEBORG, ALPHA MALE XD, KYLE LARUE**...the list goes on and on, but they all have one thing in common...they **SUBMITTED** to the Cattle Mutilation, and I walked away with this TV title! *(**The crowd goes bananas**)*...

So the question is...**CHESTER P MCGILLICUDDY**...why jump me??? Why sick your goons on me in a 2 on 1 attack??? I know why...because you’re a **COWARD!** You see the hottest prospect in the BBL making a name for himself, and you wanna put an end to it??? Well not today...not tomorrow...**NOT EVER!!!** And now you’ve got me—

*(**The music for Chester’s crew hits, and Chester, Omega Man and King Mongol make their way to the ring. They surround Lloyd, before entering all at once. After a brief standoff, Omega attacks, only to be met with some stiff shots. But the assault is too much for Lloyd as he’s overwhelmed. The beat down ensues, as the fans boo ferociously. But after a few moments...here comes **WAR PIG!!!** Lloyd’s early BBL rival is making the save, as the crowd roars! Pig clears house and helps Lloyd to his feet. The BBL League Champ and BBL TV Champ acknowledge each other, as they will face off for the League title...but for know, it seems like War Pig wants to see a fair fight as far as D.B. Lloyd is concerned...**)*

Time to get back to fundamentals

(The Smooth Criminals, MTG and Big Thad, stand in the center of the wrestling ring, smirking at the booing crowd. The arena is filled with a mix of excitement and anticipation as they prepare to cut a promo.)

MTG:

Well, well, well, look who it is! The pathetic little fans who think they have a say in what goes down in this ring. Let me tell you something, you're all just pawns in our game. We are The Smooth Criminals, and we're here to dominate!

Big Thad:

That's right, MTG! The Marano Memorial Tag Team Cup tournament is just around the corner, and guess what? We're entering, and we're going to win it all! Those hounds of Hell tag team championships will be ours once again!

MTG:

You see, we've been watching the competition, and they're nothing but a bunch of wannabes. They think they can step into our ring and take what's rightfully ours? Ha! They're in for a rude awakening.

Big Thad:

The Smooth Criminals are the epitome of tag team excellence. We're faster, stronger, and smarter than anyone else in this business. We've got the moves, the charisma, and the looks to back it all up. We're the complete package, baby!

MTG:

And let's not forget about our opponents, those so-called champions of the hounds of Hell. They think they're tough? They think they can stand up to us? Well, they're about to find out just how wrong they are.

Big Thad:

You see, we've been studying their every move, their every weakness. We know exactly how to dismantle them, piece by piece. They won't know what hit them when we step into that ring.

MTG:

The Marano Memorial Tag Team Cup tournament is just the beginning. Once we've taken those hounds of Hell tag team championships, we'll be unstoppable. No one will be able to touch us. We'll reign supreme!

Big Thad:

So, to all you fans out there, get ready to witness history in the making. Get ready to see The Smooth Criminals rise to the top once again. And to our opponents, you better bring your A-game because we're coming for you, and there's no escape from The Smooth Criminals!

Champions of BBL beware

The camera fades in to a dimly lit room, with smoke swirling around and eerie music playing in the background. Matsuhara Makashi, a towering figure with a menacing aura, stands in the center, wearing a black leather jacket adorned with Japanese symbols. He smirks, his eyes gleaming with a sinister intensity.

Matsuhara Makashi:

(in a deep, gravelly voice) Ah, so you've finally come to witness the wrath of the Beast from the land of the Rising Sun. Prepare yourselves, for you are about to witness the birth of a new era in professional wrestling.

He paces back and forth, his heavy footsteps echoing through the room.

I am the embodiment of destruction, the harbinger of pain, and I hunger for one thing - championship gold. I have conquered every corner of the world, leaving a trail of broken bodies and shattered dreams in my wake. And now, I set my sights on the champions of this company.

He clenches his fists, his muscles bulging with raw power.

To all the champions out there, I offer you a warning. Your reigns are nothing but a fleeting illusion, a mere blip in the grand scheme of things. I am the storm that will wash away your legacies, leaving nothing but a distant memory. So, be prepared, for the Beast is coming, and he will not be denied.

He pauses, a wicked grin spreading across his face.

I have studied each and every one of you, champions. I know your weaknesses, your fears, and your doubts. I will exploit them, break you down, and leave you begging for mercy. There will be no escape from the clutches of the Beast.

He raises his hands, his voice growing louder and more intense.

The gold around your waist is a symbol of your success, your dominance. But soon, it will be a symbol of your failure, your defeat. I will tear it away from you, strip you of your pride, and expose you for the frauds that you are.

He takes a step forward, his eyes burning with a fiery determination.

The land of the Rising Sun has given birth to a monster, a force that cannot be contained. I am the embodiment of centuries of honor, discipline, and power. I am the Beast, and I will not be denied.

He lets out a primal roar, the sound reverberating through the room.

So, champions, prepare yourselves. Brace for the impact, for the reckoning that is coming your way. The Beast is hungry, and he will feast on your dreams. Championship gold will be mine, and there is nothing any of you can do to stop it.

The camera fades out as Matsuhara Makashi's laughter echoes in the background, leaving a chilling sense of impending doom.

One of these days I will be Champion

Vicious Timothy Clark:

Listen up, you pathetic excuses for wrestling fans! It's time for me, Vicious Timothy Clark, to address you all with a promo that will make your feeble minds tremble with fear and your hearts ache with despair. Brace yourselves, for I am about to unleash a tirade of truth upon your ignorant souls.

Just a few nights ago, I stepped foot into the Battle Royal Wrestling League with one goal in mind: to claim the ultimate prize, The King of Hardcore Championship. And let me tell you, I came within an eyelash of achieving that glorious victory. But alas, fate had other plans for me, and I fell short of the mark. But mark my words, you clueless imbeciles, this setback will not deter me.

Oh no, it will only fuel the fire burning within my veins. I will rise from the ashes of defeat, stronger and more determined than ever before. And one of these days, I will claim that championship for myself, whether you like it or not.

You see, I am not like the rest of these so-called wrestlers who pander to your mindless cheers and applause. I am not here to entertain you or cater to your whims. No, I am here to dominate, to conquer, and to leave a trail of broken bodies in my wake. I am the embodiment of brutality, the personification of pain, and I will stop at nothing to achieve my goals.

You may call me a villain, a bad guy, but I wear that label with pride. For it is in the darkness that true power resides, and I have embraced the darkness with open arms. I revel in the chaos, the destruction, and the fear that I instill in each and every one of you. And let me assure you, there is no escape from my wrath.

So, listen closely, you feeble-minded fools. The day will come when I stand tall, holding The King of Hardcore Championship high above my head, basking in the glory of my triumph. And on that day, you will finally understand the magnitude of my greatness. You will bow down before me, begging for mercy, but it will be too late.

I am Vicious Timothy Clark, the harbinger of your nightmares, and I will not rest until I have claimed what is rightfully mine. So, prepare yourselves, for the storm is coming, and it will be a storm of pain, suffering, and absolute devastation. And remember this, whether you like it or not, I will be victorious.

Izzo wants BBL King of Hardcore Championship

Listen up, you pathetic excuses for fans! I am Izzo The Terrible, the most dominant force in all of Bad Blood Wrestling League! And I am sick and tired of being overlooked and disrespected! I have crushed every opponent that has stepped in my path, and yet I still do not have a shot at the King of Hardcore Championship!

You see, I am the true embodiment of hardcore! I will do whatever it takes to win, even if it means breaking bones and shedding blood! I am not afraid to get my hands dirty, unlike all of you weaklings in the audience who sit there and boo me!

I demand to be given a shot at the King of Hardcore Championship, and I will not rest until I have that title around my waist! I will destroy anyone who stands in my way, and I will show the world why I am the most feared competitor in all of Bad Blood Wrestling League!

So boo me all you want, you ignorant fools! But mark my words, I will not be denied my rightful place at the top of the mountain! And when I am crowned the King of Hardcore, you will all bow down to me as your true champion!

Izzo The Terrible

Victims Beware

The camera fades in, revealing a dimly lit room with a single spotlight shining down on a figure seated on a throne made of bones. The figure is none other than Bodybag Clark, a menacing and sadistic force in the world of professional wrestling. He sits there, a wicked grin on his face, as he begins to speak.

Bodybag Clark:

Ah, the time has come for me to address all you pitiful souls who dare step foot in my path. Listen closely, for the words that escape my lips shall be etched into your feeble minds forever.

He stands up, towering over the camera, his eyes burning with a sinister intensity.

Bodybag Clark:

In this realm of Bad Blood Wrestling League, titles mean nothing to me. Championships are mere trinkets, shiny objects that hold no true value. What truly matters to me, what fuels my insatiable hunger, is my collection of victims.

He reaches down and grabs a nearby body bag, holding it up for all to see.

Bodybag Clark:

Each one of these... each one represents a fallen warrior, a defeated opponent who thought they could stand against me. But oh, how wrong they were. They underestimated the darkness that resides within me, the sheer brutality that I possess.

He slowly walks towards the camera, dragging the body bag behind him, the sound of it scraping against the floor sending shivers down the spine.

Bodybag Clark:

You see, my purpose in this twisted world is not to win championships or gain glory. No, my purpose is to instill fear, to leave a trail of broken bodies in my wake. And each time I add another victim to my collection, my power grows stronger.

He stops, staring directly into the camera, his voice filled with a chilling intensity.

Bodybag Clark:

So, to all those who dare step into the ring with me, heed my warning. Your titles, your accolades, they mean nothing. For when you face me, you face your worst nightmare. You face a man who revels in the pain and suffering of others. And when I'm done with you, when I've broken your spirit and crushed your body, you will join the countless others in my collection.

He drops the body bag to the ground, the loud thud echoing through the room.

Bad Blood Wrestling League, prepare yourselves. For I am the embodiment of darkness, the harbinger of pain. And I will stop at nothing until every last one of you is lying lifeless, trapped within the confines of a body bag.

The camera fades out, leaving behind a chilling silence, as the world braces itself for the reign of terror that is Bodybag Clark.

A slice of Danger

[The Slice Brothers, Timbo Slice and Jimbo Slice, stand in the center of the wrestling ring, surrounded by a raucous crowd. They wear matching black wrestling gear, complete with leather jackets adorned with their names on the back. The crowd boos loudly as they grab their microphones.]

Timbo Slice:

Well, well, well, listen up, you pathetic excuses for wrestling fans! The Slice Brothers are here to grace you with our presence once again.

Jimbo Slice:

That's right, Timbo. We're the baddest, meanest, and most dominant tag team to ever step foot in the Bad Blood League. And tonight, we've got a message for all you so-called "heroes" out there.

Timbo Slice:

You see, we've been watching the Hounds of Hell Tag Team Championships from the sidelines for far too long. Those titles belong to us, but they've been held hostage by a bunch of pretenders.

Jimbo Slice:

That's right, Timbo! These so-called "champions" are nothing but a bunch of mutts. They don't deserve to hold those belts. They're weak, they're scared, and they're nothing compared to the power of the Slice Brothers.

Timbo Slice:

We're the true tag team in this league, and we're here to prove it once and for all. We're issuing a challenge to any team foolish enough to step into the ring with us. We want a shot at the Hounds of Hell Tag Team Championships!

Jimbo Slice:

You see, we don't care who you are or what you've accomplished. We'll chew you up and spit you out like the pathetic losers you are. We'll teach you what it means to face true dominance in the ring.

Timbo Slice:

So, step up if you think you're brave enough. Step up if you think you can handle the fury of the Slice Brothers. But be warned, once you step into that ring with us, there's no going back. We'll leave you broken, battered, and begging for mercy.

Jimbo Slice:

This is our time, our moment to shine. The Slice Brothers will reign supreme, and those Hounds of Hell Tag Team Championships will finally find their rightful place around our waists.

Timbo Slice:

So, to all you fans out there, boo us, hate us, do whatever you want. But deep down, you know we're the real deal. We're the true bad boys of this league, and we're coming for those titles. And when the dust settles, the Slice Brothers will stand tall as the undisputed champions!

[The crowd boos loudly as the Slice Brothers drop their microphones and exit the ring, leaving behind a trail of chaos and defiance.]

Prepare yourselves for a battle like you've never experienced before, because Xavier The Beast is coming, and he's hungry for blood!

Fastball Louie Ratcliff:

Ah, my dear old friend, Bats. You see, Bats here isn't just any ordinary baseball bat. No, no, no! Bats is my partner in crime, my weapon of destruction, and together, we're gonna tear through this league like a raging storm!
