SUMMERS' KNIGHTS

BBW cameras go backstage to the dressing room of the Summers' Knights. Inside the room is "Sizzling" Cheri Summers joined alongside her partners in-crime, "Vivacious" Valerie Phoenix & "Heartbreak" Heather Hall. The trio of divas appear to be pleased with themselves and welcoming of the interruption.

HEATHER: Well, things didn't go one-hundred percent according to plan, but all is not lost. On the one hand, Olivia Oblivion is still the TV Doom Champion. Hat's off to her for a job well-done in defending that title, but I'm not gonna lie, losing that one sucks. On the other hand, though, I am now the number one contender for the most coveted title in all of ladies fantasy wrestling, the Queen of Hardcore Championship. So, that means that Blackjack Betty has a price on her head and she'd better have eyes in the back of it. Because I'm coming for that title and I'm bringing everything I've got to that fight!

Heather looks over at Valerie Phoenix, who clenches her jaw and pounds her fist into the palm of her hand.

CHERI: Oh, and that ain't all, darlings, because yours truly won a number one contender's match herself. I've now got the Battle Royal Championship firmly in my sights. And, while I don't have anything personal against Samantha Kane, you are now holding something that's got my name written all over it. With the pay-per-view right around the corner, you may as well throw up a prayer and scarf down a last meal because your days are numbered!

With that, the Knights storm out of the dressing room as they head out for a match.

The camera pans slowly across the dimly lit locker room, the silence broken only by the faint sound of **Diamond Lil's** labored breathing. She sits alone, a lone figure in the shadows, her silhouette cast against the concrete walls like a specter of impending doom. With an ice pack strapped tightly to her shoulder and bruises marring her once flawless skin, **Diamond Lil's** presence is a stark reminder of the brutality that unfolds within the ring. Yet, despite her battered appearance, there's an unmistakable aura of menace radiating from her, an aura that seems to grow stronger with each passing moment. As she fumbles with the roll of white wrestling tape in her hands, her grip tightening with every twist and turn, her green eyes burn with an intensity that borders on ferocity. It's as if the very essence of her being is aflame with a desire for vengeance, a hunger for retribution that knows no bounds.

"Well, well, well," **Diamond Lil's** voice cuts through the silence like a blade, her words dripping with venom as she addresses the camera. "Arlington, Texas. **Gemma Gunsmoke**. Twisted Tabitha Tucker. Three names etched into the annals of my memory, each with their own significance."

She pauses, her gaze piercing through the camera with an unrelenting intensity. "**Gemma**, congratulations on your victory in Arlington," she continues, her voice low and dangerous. "But let's not pretend it was a fair fight. Twisted Tabitha Tucker's interference may have tipped the scales in your favor, but mark my words, that victory is tainted. And I'll be damned if I let it stand."

Diamond Lil's words hang in the air like a dark omen, a promise of vengeance that echoes with a chilling certainty. "You see, **Gemma**, you may have won the battle, but the war is far from over," she declares, her voice rising with a ferocity that sends shivers down the spine. "I will hunt you down, corner you in that ring, and make you regret the day you crossed paths with **Diamond Lil**. Arlington was just the beginning, but mark my words, the endgame is near."

With a swift motion, **Diamond Lil** tosses the roll of tape aside, the clatter reverberating through the empty locker room like a harbinger of the storm to come. "To all who dare stand in my path," she declares, her voice echoing with a menacing intensity. "**Diamond Lil** is not just a competitor. I am a force of nature, unstoppable and unyielding. The Blood Bath Women's League will bow to my will, one way or another." While she rises from her seat, the darkness seems to swirl around her like a cloak of shadows, a silent testament to the darkness that resides within her soul. And as she exits the locker room, a chilling sense of dread lingers in the air, a portent of the devastation that's yet to come.

ROYAL FAMILY OF DOOM

Queen Angela: "There's more than a few irons in our fire just now. But let's not lost sight of priorities."

Vanity: "You mean my birthday? I, too, felt like you guys could have made a bigger fuss."

Eclipse: "I'm sure we could have, but that, I believe, is not what Her Majesty meant. We have action in the offing."

Masked Fangirl: "And you, oh dark mistress of the ring, are right in the middle of it, because you're the Great Lakes champion!" (Bows up and down over and over before Vanity stops her with a high-heeled foot on her back.)

Eclipse: "I am, dear; thank you. But there are other points of interest in our sphere."

Samantha Kane: "Like one of us grabbing the Queen of Hardcore title, for one thing."

Masked Matriarch: "Dearie me! (Hands on masked cheeks.) It seems I have advanced in contention for that very honor! To stand athwart three such competitrices as Demi Lovestone, Swinezilla, and Rebecca Wildheart, their ambitions falling before me along with their taut shoulders to the mat, is a moving moment by itself! But to know it in pursuit of a prize to honor my Sisters, myself, and, of course, my Masked Prince, is enough to give me the tingles!"

Queen Angela: "... No doubt! And your boy is in the best of care in the DZL. But the BBW is not going to be a very safe place for anyone, because the lot of us are going to place this entire league under our heels!"

BAILEY BUCKSHOT

REPRESENTING THE GUN COLLECTION

Here's the thing,
sweethearts. I took another
hard loss against Swinezilla.
It happened. It's done. It's
history. I can't change it,
even if I wanted to.

But I'm still here. I'm still
breathing. And I won't stop.
Won't give up. Won't back

down.

There is still life in Bailey Buckshot.

DELILAH DEATH

Representing The Gun Collection

Hard losses came my way last tour. Championship was lost in the fray. Death will soon come their way.

The days are numbered for those who oppose. I will find the sacrifice that is needed to be champion again.

DEATH.

JUNKYARD JENNY

REPRESENTING THE GUN COLLECTION

My mind has been distracted by one woman – Melissa Wrestlefest. Last tour, I didn't do so hot. I messed around and found out that I need to be more focused on what's at hand, and not what's on my mind.

But this time around, I'm more focused than ever. Time to get a little junky in here.

Junkyard Jenny is about to show everyone here what time is it. It's Junkyard Jenny time!

OLIVIA OBLIVION

Representing The Gun Collection

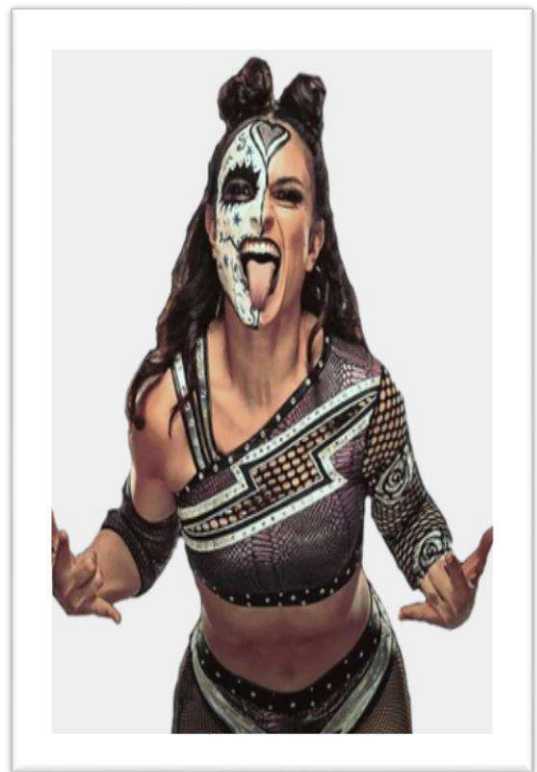

**The TV Doom Championship is still mine!
Challengers come and challengers go home empty
handed. Heather Hall was a good opponent. She
gave it her best, but her
best wasn't good enough.**

Who's next?

**Who will seek Oblivion
next?**

I'm here.

I'm waiting...

Erin Darkstrom

REPRESENTING THE GUN COLLECTION

Maka took my championship. The Central Plains Championship that I had won and cherished...She came into Brideshead and next thing I know, I'm staring up at the lights and the referee is counting the three.

I ain't the one who just talks the talk. I intend to walk the walk. And next time I walk down that ramp and enter that ring you best damn believe I intend to break necks and cash checks.

Time to get the ball rolling.

GEMMA GUNSMOKE

REPRESENTING THE GUN COLLECTION

I have accomplished a lot in my short time here in BBW. Championships won. I am still on the hunt for the League Championship, but I feel it in my grasp. It's coming, I just know...

But last tour. I was SO CLOSE. So close to winning the Battle Royal, but "Sizzling" Cheri Summers threw me out at the very end to win the match.

And now that I was that close, that it was in my fingertips, I will also vow to win the Battle Royal.

I have dreams and hopes and aspirations. I want to be the absolute best inside that ring. And I will do just that. Many opposed me last tour and I put them all in their place. But Cheri Summers, I see you. You took that TV Championship last time. I want that title too.

Brooke Lovestone
With
El Jefe

Hand in hand to the ring with her stallion El Jefe, Brooke addresses the crowd.

Brooke: Too much time is spent pandering to the sister that betrayed me. That and with the powerhouse stables that lay in this League I am on my own, but as long as El Jefe is with me we will chea..... work hard to be the Womens Champion.

It's kinda fun
watching you
losers scramble to
see who will be my
next victim!!!

I just want to
remind you, the
only thing I like
better than
winning is hurting
people.

ISLAND WARRIORS

Maka-Kupua-Kolohe

New Mark of Excellence, you have knocked us off the top position, but be aware we are not going anywhere. Our goal is to be the first Ghidora women's champion. Don't think you will stand in our way!!!

Lady Swine

Diamond Lil you have a big mouth for a rookie, might be I need to shut it for you!!!!

I realize we took CAW to wood house, but do we really need to bring their tramps to the BBW ... send them to the BBL as street walkers.

Summer Knights sounds like a bad porn flick

Swinezilla

F#\$^& The Love Wagon, let me introduce you to Swinezilla ... remember no pain pisses me off!!!!

Bailey Buckshot your still talking, apparently, I need to step up the violence in the Bloody 11!!!

Lovestones

Montana: Nothing short of a tough tour for my lovely beauties. I feel that the deck was stacked against us. We are stretching our legs, getting used to this new hovel we call a home. If you were expecting us to roll over and die you are out of your god d@mned mind. One tour doesn't define us so now we lie in wait and our opportunities will present themselves.

Montana

Demi: It was a good run, I was the face of LoVe since we became a focus here. The rest of this league will fear me. Let's see what winter brings. Either it will be an early thaw, or a blistering cold front.

Demi

Gizzy

Grizelda: Sad little panda, I cried and cried when my belt was savagely taken away from me. Now, I bide my time until my next chance. Until then I will prance my happy little @ss all over this ring. I will be a force to be reckoned with.

Clover: Well I'm done with my ratty brown hair, I hope you can appreciate my new look, as much as you can appreciate one half of your tv tag team champions. Next stop League Tag champions and then a shot at the world tag championship. Muhahahahahaha.

Riley: Southwest champion baby, I Riley Lovestone, have worked tour in and tour out. This belt is the key to other belts and other accomplishments. As much as LoVe has struggled this tour. We will always show our beautiful faces on that front page. Until next tour B4tc#es.
