Jolene Jacobs

Well now, bless your little hearts if you thought I was just here to wave a flag and smile for the cameras. I didn't roll in from Tennessee just to try. I came here to take. Take my spot. Take that Doom Title. And take over this whole BBW circuit like a Sunday sermon on fire. I ain't scared of no cages, no barbed wire, no blood. You think a little bloodbath's gonna slow down a girl who grew up scraping her knees on gravel driveways and hog-tyin' cousins for fun? Honey — I'm not just tough, I'm Tennessee tough. That means I hit like a mule kick and smile while I do it. So to every woman in that locker room clingin' to their shot or their shine — you better hold it close. Because **Jolene Jacobs** is comin' through like a thunderstorm on a summer night. Fast, loud, and leavin' a whole lotta mess behind. When I lift that Doom Title high and baptize it in Southern glory,

y'all are gonna remember the day Tennessee came to BBW and changed the game. See ya in the ring, darlin'. Bring extra tape — you'll need it.

Patty Melt

*Camera opens in the back of a smoky diner parking lot. Fluorescent lights buzz. A metal ashtray teeters on the edge of a milk crate. **Patty Melt** leans against the back door, puffin' on a menthol, boots crossed, one hand on her hip, the other holding a plate of regret with a side of slap.*

Patty Melt: Y'all still hangin' round waitin' on a miracle? Honey, this ain't a five-star bistro — this is Blood Bather Wommins, and I'm the daily special you can't send back. Folks thought I was just here for a quick cup of coffee and a catfight. Wrong table, sweetheart. I'm servin' up butt-kickin's a la carte, and business is boomin'. Got

gals tappin' like jukebox buttons — one after another, clinkin' their little dreams away while I stack 'em like dirty dishes after Sunday brunch.

And that TV Doom Title? Oh sugar, I've had tougher things in my hairnet. **Jolene** wants to turn it into the Great Smokey Whatchamacallit? That's cute. Real cute. But **Patty** ain't here to rename titles — I'm here to own 'em. Lock, stock, and sauce-stained glory. You get in the ring with me, you better bring more than grit — you better bring an insurance card and two scoops of courage. 'Cause once I hit that Patty Cake, Patty Cake, you're done quicker than a truck stop romance. Now if y'all'll excuse me — I got a smoke break and a title reign to start. Don't keep me waitin'... unless you like your beatdowns served cold.

(Blows a kiss toward the camera, flips her apron over her shoulder)

OLIVIA OBLIVION

Representing The Gun Collection

I've been searching for a worthy contender. Someone who has what it takes to dethrone me as TV Doom champion but I have yet found one.

But that doesn't mean there's not one. The line continues to grow and the more the merrier. If you think you have a chance to take this gold from me, by all means, bring your absolute best.

ROYAL FAMILY OF DOOM

Masked Fangirl: "Oh, man! Could it get any better than this?!"

Eclipse: "It could. Just a little."

Masked Fangirl: (gasps, falls to her knees, offers her East Coast title to Eclipse) "I am SO SORRY! My brain disappeared! Please, Ma'am, take my title!" (The kind of groveling only true sycophantic devotees can generate ensues. Eclipse pets her head.)

Eclipse: "Good girl. But there'll be no need. I'm quite satisfied to see my Sisters so awash in glory."

Masked Matriarch: "Glory is the story! Behold, I am both the Television champion AND, of course, the Queen of Hardcore! And on the subject of queens, witness our Angela, as Her Royal Highness reigns as your Southeast champion!"

Queen Angela: "I know! Gemma Gunsmoke, you're right; you took this belt off of me in Pierre. But I CORRECTED that mistake in Stockholm. Consider that a warm-up for your impending loss to the Masked Matriarch."

Masked Matriarch: "Yes, it should be quite the day at the beach! And let us not overlook --"

Vanity: "The Southwest champion, obviously! Should this be known as the Era of Vanity? Because I'll support that."

Queen Angela: "We can discuss that. But I THINK this might be the time to focus on the one and only Samantha Kane."

Samantha Kane: "Yeah, I guess it is! To wrap the BBW League strap around my waist felt good as hell, but to go on to be Ladies' World champion is obviously gonna be one of the biggest highlights of my career. Doing it while all my Sisters kicked so much a\$\$ was even better. And as a little something extra, let's go into the Beach Brawl and tear it apart. Ain't no way I'd rather celebrate."

[Scene: A fog-covered graveyard. Thunder rumbles low. A fresh grave sits open, Gemma Gunsmoke's hat tossed onto the mound of dirt. Lady Death stands silent and grim. Mistress Death crouches by the grave, running her fingers across the stone. The camera slowly pans in.]

Mistress Death (icy and calm):

Gemma Gunsmoke thought she was the storm...

But we shattered her like a dust-covered myth.

Now she's nothing but bones and echoes—just another page in our obituary collection.

Lady Death (cold, deliberate):

Let the world remember—

We didn't beat Gemma... we broke her.

Her name is carved into the dirt, and we buried the legend with our boots on her chest.

Mistress Death (now turning to the camera):

But hear us loud and clear—

If anyone lays a finger on the Le Faye Clan...

You won't get warnings. You won't get mercy.

You'll get a hole in the ground, and our names in your nightmares.

Lady Death (voice low like a funeral bell):

We stand with the Le Faye Clan.

You mess with them...

You answer to Death.

[Thunder cracks. A single rose drops onto the grave. The screen fades to black with the words: "Symphony of Malice – Every Performance Ends in Silence."]

Blackjack Betty (low and cold):

*"You thought you could take me out,
Bandida.
You thought a sneak attack would keep
me down.
You were dead wrong."*

*"I built this league with blood, sweat,
and broken bones.
I've led giants. I've stood toe to toe with
monsters.
I am the pulse of the Blood Bath
League—
and you, **Bandida**?
You're just a parasite from the Black
Widow League...
feeding off what you didn't earn."*

*"You took me away from my spot. You
stole my match.
But you couldn't stop the BBL from
crushing the BBW!
Even without me—we burned your little
hive to the ground."*

*"But I'm not done. Oh no.
At **Venom and Vengeance**, I'm comin'
for you, **Bandida**.
And I'm not just gonna beat you—I'm
gonna bury you."*

*"To every woman out there who's been blindsided, stepped on, or silenced—
I'm callin' on you.
Let's wipe the Black Widow League off the map.
Let's show 'em what real domination looks like."*

*"This ain't just revenge...
This is extinction."*
