THE BRL REPORTER

LEADING OFF with BRL Commissioner "MADDOG" Dick Jackson (IWA Hall of Famer, 7x Most Popular Wrestler, Common Sense Commish)

Y'all we trudging through one hell of a hot summer, but the action is even hotter in the BRL rings. Ah'm looking at bringing in a new batch of talent this fall when the IWAR Draft returns, but Ah've also been talking to some of the guys on our roster, and we got stuff cookin' that'll make the BRL even better. We got some folks in here who are on the fence, but if fellas like Sabertooth wanna walk, Ah get it. A chance of scenery can be a good thing, but so can shaking things up, so Ah want y'all to bring yah best and show the IWA what we got here in the BRL.

THE BADD NEWS with Color Commentator Rick Challenger (2x IWA Hall of Famer, Badd Co. founder, calls it like **he** sees it) **LAST BLOOD BATTLE ROYAL QUALIFIERS**

STEEL CUT OATES vs. HOLLYWOOD DVS

No love here as Oates looks to get payback for Dynasty's sneak attack on him.

1. JOE TUSA vs. LEX STEVENSON

The had beef during their six-man match at Imagibash, so they can settle it here.

1. DARK DANGER vs. RANDY THE RAMM

Word is the Ramm has had it with Danger's evil ways, so have it kiddos.

RINGSIDE RUMORS: with Dapper Dan Dee

The nervous know-it-all asks the hard questions and dishes the dirt!

- **Monster Truck Tanaka** called out **Oliver Livingston** for attacking a ref, will he reply?
- It's not rumor, the **Armed Forces** and **Alliance of Canadian Excellence** had a backstage brawl that results in over \$30,000.00 in damage to an ice cream stand.
- Who attacked **Flashy Jack Ferdinand** and left him a bloody mess?
- The heat between **Steel Cut Oates** and **Hillbilly Kevin** is legit and word is they've changed their Detroit Street Fight to a Back Woods Brawl.

OUT OF CHARACTER with BRL Commish, Matt Riley

Just a quick notes; If anyone is interested in taking on a role with the BRL Report, let me know. I'd love to do more in the BRL, but being as spread thin as I am, it'd be great to have more to bulk up the BRL report. That could be wrestler profiles, feud breakdowns, special BRL-only events (cough, G1, cough) and anything else you think would make the BRL more fun to compete in.

***** If you are new to the BRL or considering it, email me and I'll get you in on the mayhem.**

Thanks, -Matt, Riley1d20@Gmail.com

BRL Commissioner: "MADDOG" DICK JACKSON

One of the IWA's most popular stars, DJ retired into the IWA Hall of Fame (<http://playiwa.com/archives/v23n06.htm>), but returned to be the Commish in the NWL soon after. After a great run there, he came back to the BRL and his fair, but firm style works well as he looks to put on the best shows with the best stars.

Ringside Interviews: DAPPER DAN DEE

He may be nervous and skittish, but he is determined to ask tough questions, which doesn't mix well with his habit of bring up wrestler's losses and mistakes.

Backstage Interviews: ANGELA HURTZ

She's bold, aggressive and knows her stuff as she updates the BRL's record books by recognizing the big winners.

Color Commentator: RICK CHALLENGER

2x IWA Hall of Famer (<https://playiwa.com/archives/v25n06.htm>) brings his Badd Co. energy to every broadcast and still has a habit of overlooking the actions of those nasty rulebreakers.

TV Announcer: SHOOTER SIMMONS

When he isn't bringing up ex-wives, scandals or gambling losses, he offers his takes on the hard-hitting competition as it happens.

THE BRL RING OFFICIALS

Sammy Slowman tries to keep up with the action, Eddie Espresso gets may count too fast and then the Senior ring official, Willy Pinnem has seen it all... except when he gets bumped and blacks out for a few minutes.

The BRL's Cast is available for promos., so have at it. -MR

STEEL CUT OATES DUNGEON MASTER

SCO: Hawaiian Heartthrob, I thought I made it clear what would happen if you went after **LePage Turner's** Global title. I guess you don't listen very well. Regardless, there's still time to back out — If I were you, I'd seriously consider it! Now, as for Imagibash, I accomplished what I wanted — I'm the reason **Hillbilly KKKevin** is no longer the North American champ. And now that greasy cousin f*cker wants Steel Cut Oates in a Detroit Street Fight at Autumn Anarchy? You're even dumber than you look. But since you can't seem to handle your own business without the help of **MaxiPAD**, my boys from Belmont — fully recovered from MaxiPAD's cowardly attack and very angry — will be sitting front row to make sure this is between just you and me! I hope your trailer is equipped with wheelchair access, Kevin. Because you may walk into Autumn Anarchy, but I guarantee you'll be rolled out!

DMSS: Ghost Lee Shadows! As I pour over my Monster Manuel for various ways to take you down, I continue to await your reply! Be prepared to ROLL FOR DAMAGE!

The Brothers and their uncle are at a local establishment, pints in hand

Ruairi McFlaherty: "Whelp, that's why we tag and don't fight in singles much."

Brendan McFlaherty: "Aye, and looks like there are some new teams here too; can't make it easy on us ever, but that's fine. We will take them on like we always do. Right now we need to focus on **Creedence and Savage** at **Autumn Anarchy**."

Ruairi: "Eh Unc, I see that you are fighting **Uncle Randy** - those Dynasty guys are tough and they have the wankers **Pain and Destruction** watching their backs now. Be alert."

Uncle McAllister: "Worry about that guy? I beat Flashy Jack and he is the best they have to offer! Wait, is he in that group still? I can't keep up with all you and your millennial groups that keep changing. Anyway, **Uncle Randy** said he was going to be in a tag team - that is something you need to worry about. Plus when **Agent 26** turns on you..."

Brendan: "Unc, you are living in the past. You beat Flashy Jack a long time ago. And your constant obsession with **Agent 26** is creepy. Christ, we'll do a six man with you."

Unc: "Well I can tell you I won't turn on you. And who is this **Uncle Kracker** lad?"

Ruairi & Brendan roll their eyes as Unc goes on another rant as the camera fades

A masked man with a familiar voice appears on the screen dancing ridiculously

"I am a new masked wrestler here in the BRL. I plan on taking out all of the other top stars and winning some gold! I also like spices like frankincense and mur - it goes with my caliente dancing! I won't be here for a long time, but for a good time! I'm going to set the league on fire like the burning bush! Peace be ... um just Peace out!"

The masked man continues to dance ridiculously

Punk Rock Mike

Dapper Dan Dee: Greetings and salutations fans! **Dapper Dan Dee** here with an exclusive interview with **IWAR Revolution Champion**, and **2025 Illinois State Tournament Champion, Punk Rock Mi-**

Punk Rock Mike: Let me cut you off right there, **Dan**, I think everyone out there in the crowd and the folks back home know exactly who I am and know just how angry I am right now, so let's skip the introductions for another time.

Dapper Dan Dee: Understood champ. Speaking of, what do you think about **Commissioner Sue Plexx's** decision as an addition to this feud between you and **Agent 26**, to now have the two of you will be competing in a separate match at the **IWAR Super Show** for your **Revolution Championship**?

Punk Rock Mike: What do I think? **Dan**, I think I am going to do what I have been doing for months, and that is walk out of the ring as champion, with a disappointed look on my face, while my brother is a bloody crumpled mess on the ring mat. I have been the **IWAR Revolution Champion** since December, and this title has helped fill a hole in me ever since **Agent 26** screwed me in my match against **LePage Turner** for the **Global Championship**. Now, I'll get to show him just how hard I fight to defend the titles that I care about.

Dapper Dan: Since you mentioned **LePager Turner**, how do you feel about the Triple Threat Match you are going to have against **LePage Turner** and **Cowboy Schiltz** for the prestigious **Johnny B. Cup**?

Punk Rock Mike: You know...It breaks my heart. Ever since I started in this business, I have fought through blood, sweat, and tears, and clawed tooth and nail to try and win the **Johnny B. Cup** and the **Marano Tag Team Championship**. I am the closest I have ever been to winning the **Cup**, and the **SHS** are not here to celebrate it or support me through it. So be it. And as for my fellow challengers for the **Cup**. They are going to get all that I have and more. **Turner** has not faced me since he stole the **BRL Global Championship** from me and I have some pent up aggression that I have been saving just for him. Now, normally in this situation, I would say something like "He better get ready to give me everything he has", but he won't be. **Turner** took the one championship belt I cared about the most and now I have the chance to get back at him for all of it and win the one coveted prize that has eluded me since I started here, the **Johnny B. Cup**. And all the respect to **Cowboy Schiltz** as well for getting to the finals with us, but nothing is going to stop me from hoisting that **Cup** in the air in victory as the last man standing.

Dapper Dan: Speaking of Last Man Standing, **Mike**, you are currently 3 and 0 against your brother in this **Best of Seven Worst of Seven Series**. Now, you have declared your next match, and possibly the last match of the **Best of Seven Worst of Seven Series** to be a Last Man Standing Match, what are your thoughts about finally putting this feud to rest at **Autumn Anarchy**?

Punk Rock Mike: I can't say for sure it's going to be the end, **Dan**. You have been watching this feud. I have won again, and again, and every time I keep giving **26** a way out, he just keeps pushing back and slapping it right back in my face. Now for the Series to end, I have to win at **Autumn Anarchy**. No problem, the Last Man Standing Match has always been my house. And even if my brother somehow gets to defeat me, which will require knocking me out for 10 seconds, he will have to defeat me three more times in a row to be able to declare victory. And maybe he can do it. Maybe my brother can defy all of the odds. I don't think that he can. In fact, I know that it is a lost cause. But if in some miracle he manages to surpass all odds and win FOUR matches in a row against me. It will still be at the cost of the **Suburban Hell Savages** and everything that we built together in this industry. **Agent 26** wants respect. He lost it, the moment he called for the bell and made me lose the **Global Championship**. **Agent** says I don't get what he wants. I know exactly what he wants out of this feud, but I'm not going to give it to him. The only thing that I will be granting him is pain and a bloody 10 second nap at **Autumn Anarchy**.

AGENT 26

Agent 26 is seen sitting at a bench in a dark locker room. His head, lowered in contemplation, slowly rises to meet the camera's gaze, the reflection shining off in his sunglasses.

Agent 26: A shot at the **IWAR Revolution Championship** against **Punk Rock Mike** at the **IWAR Super Show**. Becoming the **2025 New Hampshire State Tournament Champion**. Earning a shot at the **BRL Global Trios Championship** with **Brendan** and **Ruairi McFlaherty** against the **Mannequins**. At any other time I would feel like I'm on top of the world. But that's just it isn't it. I'm not on top of the world. Once again, **Punk Rock Mike**, my brother, felt that he had the need to lower himself to "give me an out" in our **Best of Seven Worst of Seven Series**. That isn't how you get respect. That isn't how you settle something that has boiled over due to the egos of brothers getting the better of each other. None of this is how I wanted it. I don't even hate my brother. I still respect him and hold him up to the massive achievements in his career. Hell, I'm proud of my brother for getting to the finals of this year's **Johnny B. Cup**. **Punk Rock Mike** continues to show the world that he is the best there is, and he is now going after the one prize he has failed to achieve every year. As his brother, I should be supportive. But as his equal, I ask when has he given that support to me unless it suited him. He wanted to give me an out so that "things could go back to the way they were", but that's where it all went wrong.

Agent 26 stands up from the bench and begins to slightly pace back and forth all while still staring back at the camera.

Agent 26: The way things were, we were not equals. The way things were, it was us supporting and putting him up on a pedestal. The thing is, the moment you put someone on a pedestal they will look down upon you, and that is the thing that I missed with **Punk Rock Mike** for the 1050 days that he was **BRL Global Champion** and when he snapped and attacked me to get it back. He was put on a pedestal for 1050 days, and when he was no longer up there, he lost it. And because of what happened, he lost my respect and I questioned if I ever even had his. **Autumn Anarchy** will mark a year since our paths have strayed and since the **Suburban Hell Savages** were disbanded. There is a lot of history that we have with **Autumn Anarchy** even before all of this mess. It is where the **Suburban Hell Savages** have seen its greatest victories, in its greatest conflicts and this year will be no different. **Punk Rock Mike** has made the fourth match of our **Series** possibly the hardest of them all for me to win. He wants to make sure that I know just how monumental of a task it is going to be to continue this **Series** and try to win 4 times in a row to declare victory. I have yet to defeat **Mike** in the **Series**, and now he is putting us in the match that catapulted his career to where we are now. I'm ready for him and I am ready for whatever **Autumn Anarchy** brings. However, not just for the Last Man Standing Match, and not just for the feud with my brother. I have not forgotten the promise that I made with **Brendan** and **Ruairi**. At **Autumn Anarchy** I will give the **McFlaherty Brothers** everything that I have so that the three of us can become the **BRL Global Trios Champions** and topple the **Mannequins'** long standing reign. And maybe...

Agent 26 stops and takes off his sunglasses and looks back at the camera.

Agent 26: Just maybe, **Autumn Anarchy** will be where I get the respect that has been long overdue.

The Savage-Credence Connection

SAVAGE: "OOOOHHHHH YEAH! Can you feeeel it?! The air's so thick you couldn't cut it with a knife, you can feel the steam of summer all over your skin, and the fourth of July is right around the corner. But, it won't be long until the air gets' crisp, the leaves start fallin', and at Autumn Anarchy—so are the McFlahertys! DIG IT!"

(Savage whips off his shades and points directly at the camera.)

SAVAGE: "Brendan! Ruari! You boys have danced the tag team dance better than most! A full year wearin' those shiny Global Tag Team Titles around your Irish waists, ohhh YEAH, but the music's about to change—'cause the SAVAGE-CREDENCE CONNECTION just kicked open the door to destiny and WE AIN'T COMIN' TO LOSE, NOOO SIR! At Imagibash, we cracked the code. We beat the Grammar Police at their own word game. We shattered Dark Danger & Oliver Livingston into pieces of black-tie rubble! And now... now we walk into Autumn Anarchy with one thing on our minds: LEGACY. Not just flash and flair, but gold, glory, and a grip on the BRL!"

(Savage suddenly turns, face-to-face with the camera, voice lower and intense.)

SAVAGE: "We respect ya, McFlaherty Bros. Yeah, you're the kind of champions this business needs... but we're the kind it remembers. And once the dust settles, once the anarchy cools, and once the madness is done runnin' wild... it'll be the Savage-Credence Connection STANDIN' ON TOP with the Global Tag Titles held HIGH! OHHHHH YEAAAH!"

(Savage backs off as Syd Credence steps forward, calm but intense, speaking with slow, deliberate power.)

CREDENCE: "You know what I like about you McFlaherty boys? You're not phonies. You're not chumps. You're the real deal. And that's exactly why beating you at Autumn Anarchy... means everything."

(He nods, dead serious, pointing to his chest.)

CREDENCE: "This ain't about hatred. This ain't about ego. It's about hunger. It's about proving that we're the pinnacle of tag team wrestling in the BRL. That when the history books are written, they won't just mention the McFlahertys—they'll lead with the Savage-Credence Connection."

(He slowly raises a hand like a judge delivering sentence.)

CREDENCE: "We're comin' for the biggest prize in this business. And we're gonna take it... not with tricks. Not with shortcuts. But with fury, with focus... and with finality. Because Autumn Anarchy will not be your ending... but it will be our arrival. You've had your time, boys... now it's ours."

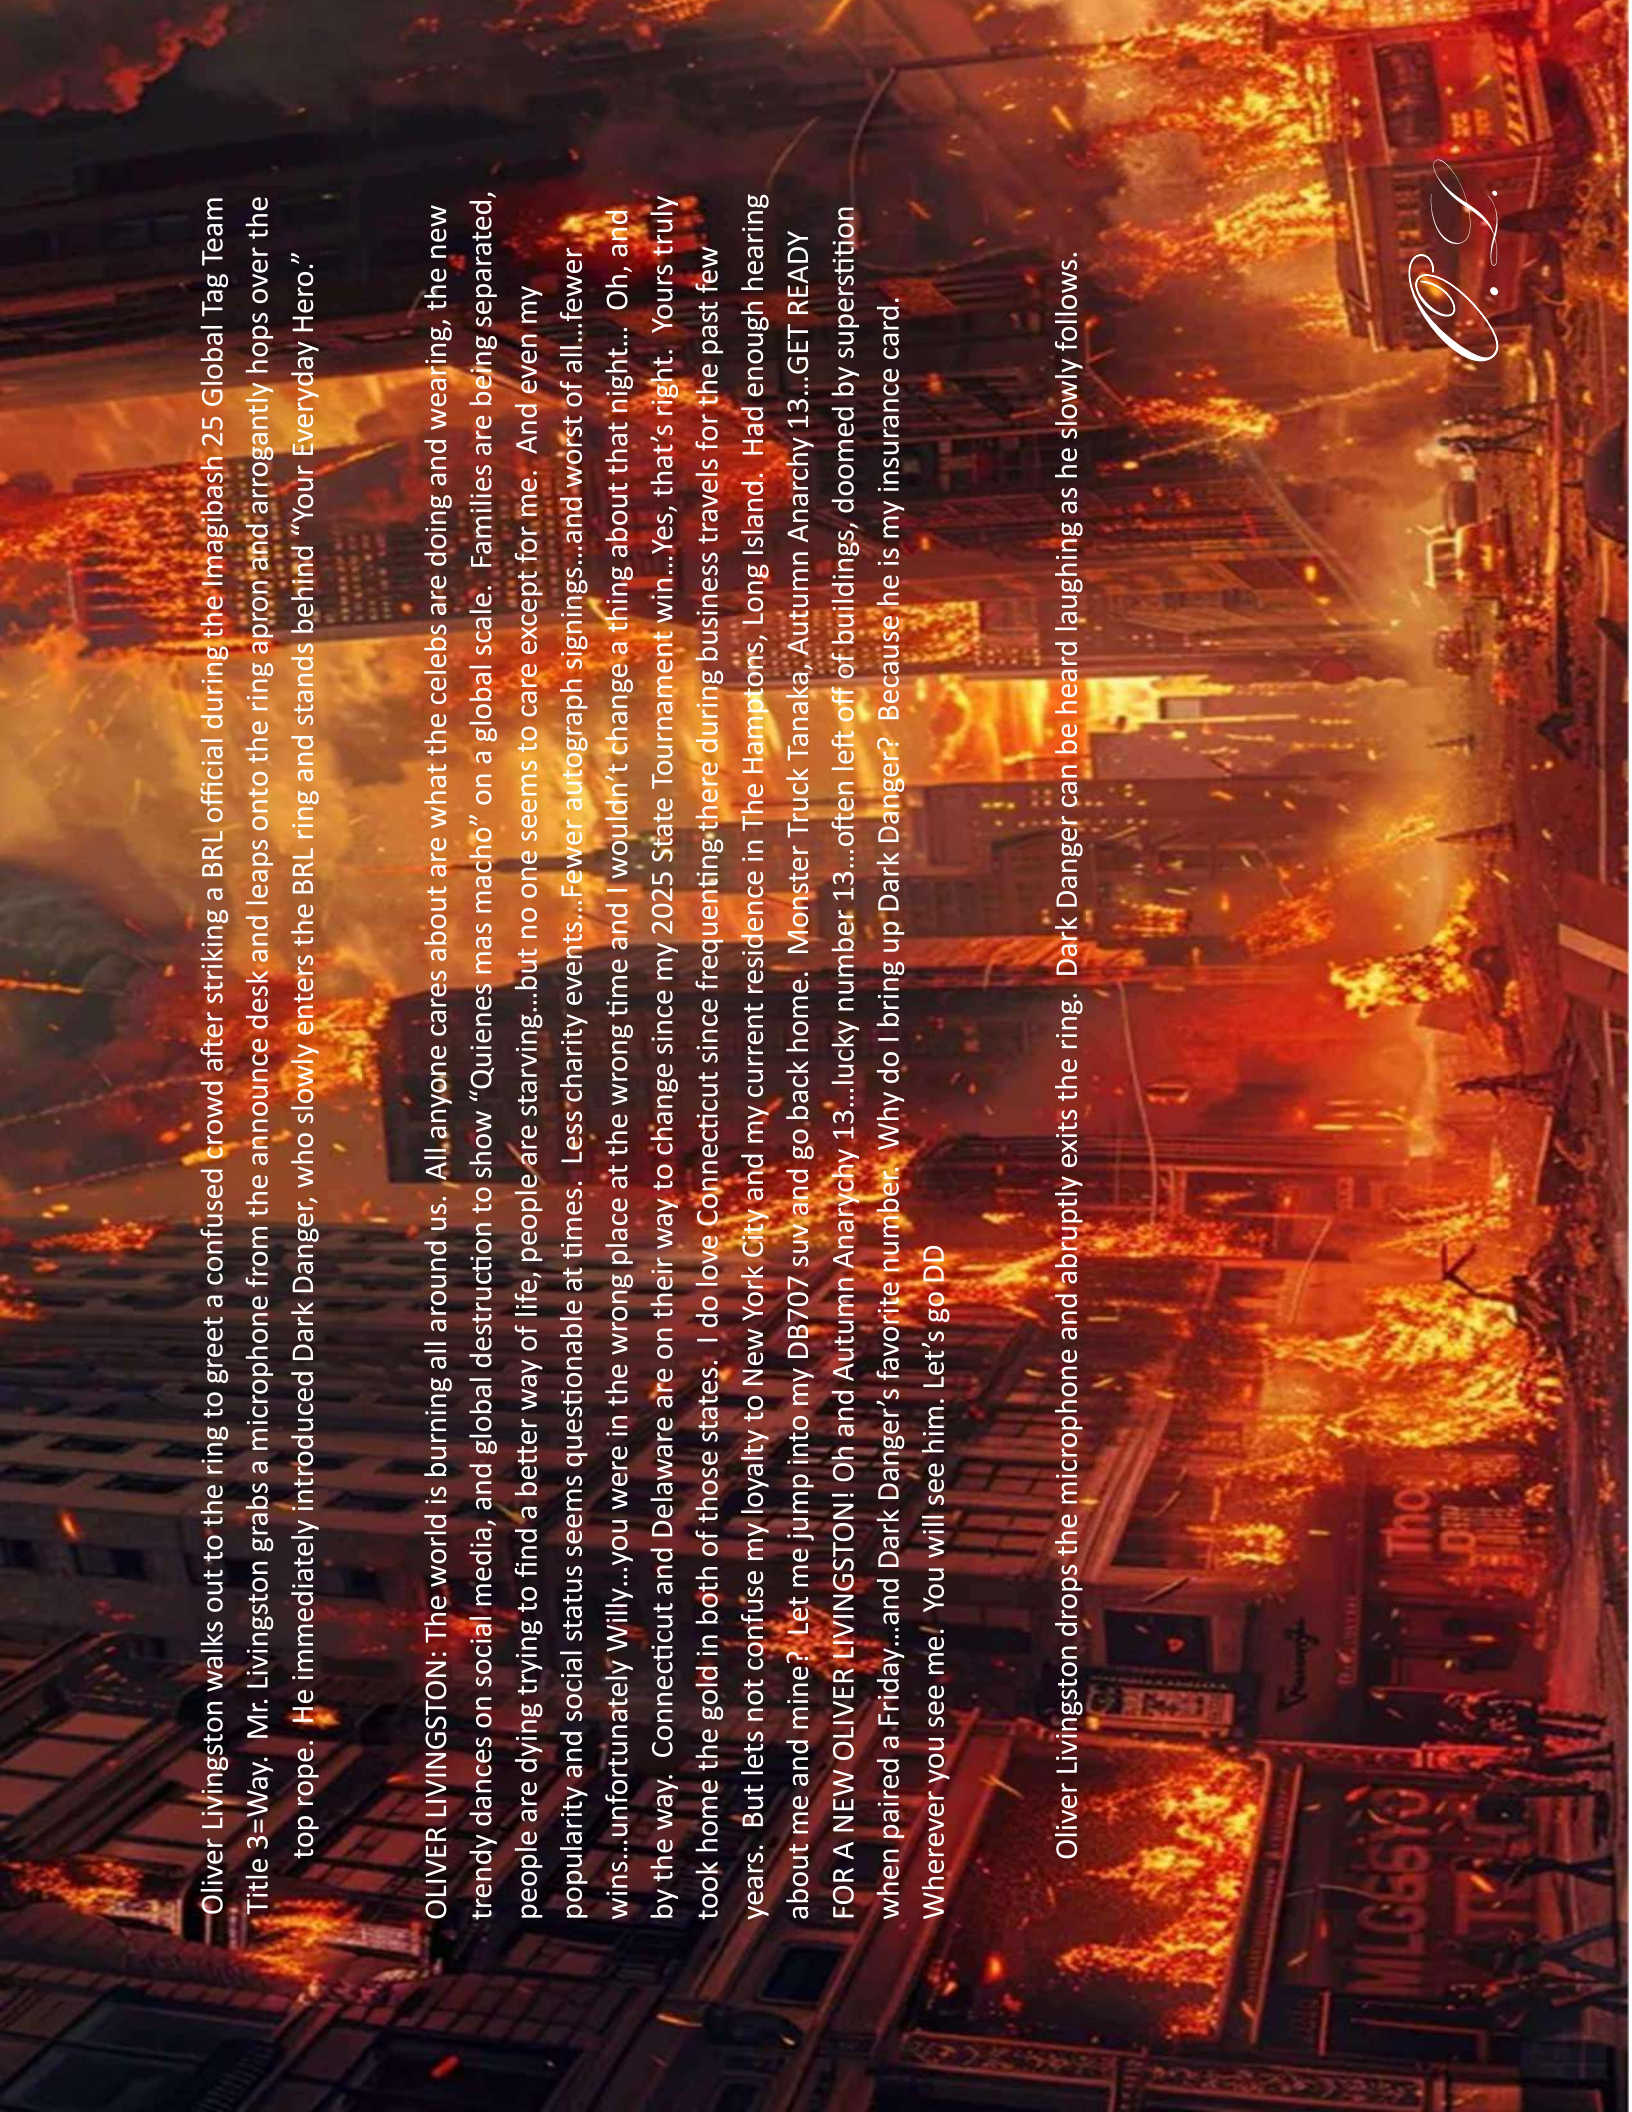

(He takes a step forward, locking eyes with the camera.)

CREDENCE: "Credence... Will Be Served."

“the Total Package” LEX STEVENSON

JOE TUSA! You made possibly the biggest mistake of your career when you picked a fight with me, pal. We had a golden opportunity at Imagibash '25, but you squandered it like a child. And, so it was only fitting that I put you out like the dog that you are. And, listen - I'm fine if you want to go to the Commissioner's office and beg him for a rematch. I don't care, we can run it back all day long. But, for now, I'm headed to the Last Blood Battle Royal at Autumn Anarchy and you'll be sitting at home wondering how you managed to get run over by that freight train with "Total Package" written all over it.

Oliver Livingston walks out to the ring to greet a confused crowd after striking a BRL official during the Imagibash 25 Global Tag Team Title 3=Way. Mr. Livingston grabs a microphone from the announce desk and leaps onto the ring apron and arrogantly hops over the top rope. He immediately introduced Dark Danger, who slowly enters the BRL ring and stands behind “Your Everyday Hero.”

OLIVER LIVINGSTON: The world is burning all around us. All anyone cares about are what the celebs are doing and wearing, the new trendy dances on social media, and global destruction to show “Quienes mas macho” on a global scale. Families are being separated, people are dying trying to find a better way of life, people are starving...but no one seems to care except for me. And even my popularity and social status seems questionable at times. Less charity events...Fewer autograph signings...and worst of all...fewer wins...unfortunately Willy...you were in the wrong place at the wrong time and I wouldn’t change a thing about that night.... Oh, and by the way. Connecticut and Delaware are on their way to change since my 2025 State Tournament win...Yes, that’s right. Yours truly took home the gold in both of those states. I do love Connecticut since frequenting there during business travels for the past few years. But lets not confuse my loyalty to New York City and my current residence in The Hamptons, Long Island. Had enough hearing about me and mine? Let me jump into my DB707 suv and go back home. Monster Truck Tanaka, Autumn Anarchy 13...GET READY FOR A NEW OLIVER LIVINGSTON! Oh and Autumn Anarchy 13....lucky number 13....often left off of buildings, doomed by superstition when paired a Friday...and Dark Danger’s favorite number. Why do I bring up Dark Danger? Because he is my insurance card. Wherever you see me! You will see him. Let’s go DD

Oliver Livingston drops the microphone and abruptly exits the ring. Dark Danger can be heard laughing as he slowly follows.

O.L.

Joe Tusa: To answer your question Dapper Dan Dee, yes I can attack every champion until the IWA finally takes notice of me and gives me the matches I want.

Hawaiian Heartthrob wins another re-match when Joe Tusa jumps in the ring and hits Heartthrob with a steel chair. Tusa grabs the microphone and says, "How many more champions must I attack before the IWA takes notice and gives me the matches I want?"

Dynasty music blares as Hollywood DVS, Hillbilly Kevin and Whitefoot enter the ring)

Whitefoot :Here we go again!! Hawaiiin Boy, we all see you. Great job to be honest. We are watching you closely. Changing gears, I hear Joe Tusa wants a gimmick match with myself and Ticondaroga. You see this TV TITLE Joe??? You are the most overhyped loser I have seen in some time. If the commish wants to make that match and Dixon agrees, then I got no problem with it (Drops the mic)

Hollywood DVS: . How did you like that beat down from PAD, Steel Oates? I know you and Big Kev got all the beef but I gotta do this match to get back into the title picture. Everyone knows Hollywood is the real BRL Champ and I will soon prove that. Oh and don't worry Kevin,I will save some of this jive turkey for you.... Tell em Kevin

Hillbilly Kevin:PLease Hollywood save just a little bit of that moron racist for me! Oates, if you thought what PAD did was bad you just wait.I'm better than you Oates and you know it.In fact the only thing you can beat me at is basketball. Ha ha. like always.....

Dynasty and PAD just too damn sweeeet!

(Big Vader, Hillbilly Steve and Uncle Randy are shown in the back locker room)

Vader: Why do we always get the b locker room? Hollywood and Kevin always get the VIP and the limos.I guess when I get the North American belt they will give us more respect.

Hillbilly Steve: Quit whining Vader. We are all rich and reaping the benefits of being in the most powerful stable and alliance in BRL history. Cycle after cycle we gotta keep winning and we will.

Uncle Randy: no doubt Steve. Who is this other Uncle guy they are booking me against at the ppv? Well I have never heard of you but I will make you an example. Bottom line is nobody can stop the Dynasty. Bring it big Uncle whoever you are (goes to commercial)

I know my quest is still going on even after winning back to back league titles. People are always trying to upend me, not having honor. I strive to make my fans proud and the same for my ohana. The battle has just begun and you can be assured that it will not stop even when I am on top. Imua Hawaii!

ROYAL FAMILY OF DOOM

Sabertooth: "Did Ho-Hum Hoven just refer to himself as a woman?"

Fenris: "I think that was implied."

Sabertooth: "Well, I can't solve that kind of problem. Now that we have the big drive, we haven't got time, anyway. Come on, man, time is of the essence."

"Big Guns" Greg Garnar

First of all, I would like to congratulate American Destroyer for winning the Great Lakes title and Whitefoot for winning the TV title. More proof of the domination of PAD and Dynasty.

Hey Steel Cut Oats, what happened to all of your little gang buddies? I hear that some of them aren't breathing anymore, and the ones that survived are so afraid that they won't leave their homes, even in the daylight. HA HA HA! That's what you get for messing with Hillbilly Kevin.

Now at Autumn Anarchy 13, I'm in the Last Blood Battle Royal. I'm going to destroy my competition and win this match. In case you fellas haven't been paying attention, I just destroyed Monster Truck Tanaka in a Steel Cage match. I'm the most dangerous man you'll ever step in the ring with.

Shout out to my Dynasty Brothers. We are the most dominate force in professional wrestling.

American Destroyer

I finally get an opportunity for the North American title. At Autumn Anarchy 13, all I have to do is beat Saskatchewan Sasquatch. Which is what I'm going to do. So Sasquatch, if I have to go through you to get a title shot, then that is what I'll do.

Joe Tusa. I'm surprised that you want to get back in the ring with me. You want to fight me in a Hell in a Cell match? I accept!! It will be my pleasure to beat you within an inch of your life. So Commissioner Dick Jackson, sign the match. I have no problem with doing double duty. One more thing. Several of you idiots are calling my finisher by the wrong name. It's called Circle City Brainbuster, not Circle Center.

Pain And Destruction and Dynasty are the cause of your Pain and the reason for your Total Destruction!

Frandel Warpslayer sure is feeling a whole lot better these days. Surprising, right, considering I've complained for months about my IWL transfer being delayed? Well, I watched this great Earth movie, "Dog Man", and its heartfelt message hit my orbit hard. "Love isn't something you feel but something you do." In that case, I took one for the BRL team and gave Big Vaughn Vader an Imagibash showcase he'll never forget. I want to spread that love to Vader one more time, but I need to do some prep first. I'm going to honor Blog of Doom member Jabronville's love of "Fat Man Stand Offs" and challenge Fatty the Butcher to that same stip. If I can match Fatty weight-for-weight, I might stand a chance against Vaughn. At the very least, it helps me stave off boredom in the BRL while waiting for Sue Plexx to finish my freaking transfer process. Feel the burn, feel the love!

"Anybody Want to Play"

It looks like King Rat Khan has his hands full with Graveyard Dog and Squeakums the Clown right now. Let's see Dog or Clown, now that's a hard pick to choose from, King Rat. Either way, I hope they put a beat down on you, King Rat, so I, "Double R", don't have to dirty my hands with you anymore, King.

Now guys, Double R is looking for a new toy to play with in the BRL. Does anybody need a feud? I am always looking for a feud or a fight if anybody wants one, for I don't care who wins, as long as the BRL fans get a good time out of it. Look me, "Double R", up if you want to play.

"The Clowns are Coming King Rat"

Hey BRL, I got me a girlfriend now and her name is Sweetums, and she is going to be by my side in the BRL. Now BRL, look out, for Squeakums and Sweetums the Clown are going to have some fun and King Rat Khan, you boy or rat, are going to be our first play toy.

Now King Rat, you tried to make my friend Double R look bad, and I don't like that, for he is loved by wrestlers and fans alike in the IWA. So not only me but everyone in DOD wants a piece of you, King Rat Khan, and me, Squeakums the Clown, and Sweetums the Clown, we are coming for you. Squeak-squeak!

ABSOLUTE POWER

KHAN

ABSOLUTE POWER

BRL Infidels... You filthly inbred maggots continue to amuse me. Every time I step in the ring I put another one of your so called superstars down. Soon the entire roster of the BRL will lay in my wake. Who is left? Who is the one to pose a legitimate threat to Khan? Will it be Ferrari? Will it be Vader? HAWK TUATH! Both of these infidels are unfit to tie my shoe! Neither of these imbeciles can compare to my ABSOLUTE POWER! Just to be sure, I have a little something up my sleeve for the both of you... Just a little insurance policy I picked up... So when Anarchy comes around there will be nothing left of either of you to prop up in the ring against me...

TRIFECTA

A favor given is a favor owed... It's time to cash in boys... Vader, and Ferrari are not to make it to Anarchy... Put them down and your debt is paid in full...

LEPAGE TURNER

You don't stand a chance against Kamikaze... Johnny B Cup winner or not... You're not in his league... After he beats your brains in remember who told you so...
