BRL COMMISSIONER'S REPORT

LEADING OFF with BRL Commissioner Dick Jackson

"Ah usually speak to the fans, but this one is for all the boys in the back. **The Johnny B. Cup** and the **Marano Memorial Tag Team tournament** are kicking off this cycle and Ah wanna wish all of our stars the best of luck. Three times a BRL star has won the JBC cup and Ah want to see that back in the BRL. Ah know we got the most entries, but we also got the best talent. The Marano is a really special event, Ah know, since Ah won it with the Letherman in 2013, so y'all better focus and bring yah best to bring it home.

THE BOOK REPORT with Color Commentator Rick Challenger

"I've been coaching up **Hijo de Teamster**, well who ever the hell he's the son of, but Hijo came to me and said he didn't want to wait until Imagibash to face **RJ Gallo** in that bard-wire wrapped cage match, so I'm adding it to Wrestlerama... And no, I don't know who is father is, it ain't me... **Honor Revolt stars; Nick Dane, Wolf Keenan and Lachlan Kincaid** have taken a leave of absence to heal up, recharge and find their smiles... The **Von Adkisson brothers** have arrived in the BRL and grabbed gold quick, but is this a stop over or the start of a longer tour...

CHECK IT OUT: Interviewer Angela Hurtz

- ✓ Congrats to **Alec Von Snapp** for passing 1,000 wins and on deck is **El Barbaro** who is nearly triple-eligible for the IWA Hall of Fame..
- ✓ Fans have started a petition to have **U.S. Mayle** banned from Zoos.
- ✓ Tim Horton's has revealed a deal with Stanley Cup that features **Gordon Donovan** and **Doug McMaster** on them.
- ✓ Special thanks to the **WTL's Outlaw Ayson Aytes** for stopping by to cut a promo on **IWAR World champion, Double R Rob Ratliff**.

RINGSIDE REACTIONS: Dapper Dan Dee

- **Hillbilly Kevin**– *fined for insensitive language on live TV again for referring to **Monster Truck Tanaka** as a name I won't say out loud. I for one, won't put up with any type of racial insults of stereotypes.*
- **The McFlaherty Brothers**- *We don't know who spiked the Gatorade jug at last weekend's show, but let's face it, it was probably the Irish guys.*
- **Oliver Livingston**- *Due to legal action by People for the Ehtical Treatment of Animals and **U.S. Mayle** is banned from promos for 30 days.*

GUEST EDITORIAL: Senor Lucha (LMBR contact holder)

"Wrestlerama is nearly here and I've stopped by to remind all of you, but especially **AGENT 26**, that this Ladder Match Battle Royal briefcase holds the IWAR title shot contract and that includes the Global championship. I will be at ringside to watch your title defense against **Double R Rob Ratliff**, who is also the IWAR World champion, so maybe Senor Lucha will cash in on both of you! See you at ringside."

The BRL Staff

**Shooter Simmons & Rick Challenger
Dick Jackson, Angela Hurtz, Dan Dee**

BRL Commissioner: "MADDOG" DICK JACKSON

One of the most popular stars IWA history (87-17), DJ retired into the IWA Hall of Fame in 2018 (<http://playiwa.com/archives/v23n06.htm>), but returned to be the Commish in the NWL soon after. After a great run, he stepped into the BRL role and his fair, but firm style works well as he looks to put on the best shows.

Ringside Interviews: DAPPER DAN DEE

He may be nervous and skittish, but he is determined to ask tough questions, which doesn't mix well with his habit of bring up wrestler's losses and mistakes.

Backstage Interviews: ANGELA HURTZ

The BRL's newest addition is bold, aggressive and eager to find out who the BRL stars are, why they're here and what they're willing to do to get it.

Color Commentator: RICK CHALLENGER

The 2-time IWA Hall of Famer still brings his Badd Co. energy to every show and still has a habit of overlooking the actions of rulebreakers.

TV Announcer: SHOOTER SIMMONS

When he isn't bringing up ex-wives or scandals, he offers an his take on the hard hitting competition as it happens.

THE BRL RING OFFICIALS

Sammy Slowman tries to keep up with the action, Eddie Espresso gets accused of counting too fast and then the Senior ring official, Willy Pinnem has seen it all... except when he gets bumped and blacks out for a few minutes.

The BRL's Cast is available to include in your promos. If you'd like to have your wrestler involved in Commissioner Jackson's column, let me know. -MR

“The moment is nearly here and both of the challengers for my North American title are getting better and better. Some may worry at thought, but no Tanaka.

Hillbilly Kevin, you are a testy mint to the strength of the school is US of A. That is to say, you sad angry man, but now me mad. See, Tanaka get blocked from chance to win big and now you will pay!

Big Guns Greg Garnar, all attacks, all blood spilled and cheap shot are due to get you back at Wrestlerams. All or none thing, you must show if you are the MVP or the man who Tanaka beat in the ring. This TV title belt? Be Tanaka’s now. What you say? You ready to rumble?

Tsuyoshi Mazoku, welcome to BRL, it is dangerous here, so if you need back up or need to talk roster, come to Tanaka.

Who will leave Wrestleram victor and why is it Tanaka? Simple. *A winner is ME!!!!*”

HIJO DE ~~TEAMSTER~~?

"It appears that my life is a lie. I thought I was the son of **The Teamster**, but he has confessed that he lived a lie to protect mi Madre.

be what I know myself to be. Fierce!

RJ Gallo, you despicable excuse for a human, you live a life of luxury and lavish yourself with desperate women, and after I beat you, you have BLOOD in your pie? Well there will be now because at Imagbiash, Sunsational One.. I will paint the ring red.. with your BLOOD!!!!!!

[The camera shows LePage Turner as he pulls up to a nice New England neighborhood full of quaint homes, cozy yards and the sounds of dogs barking. He adjusts his suit and pulls a long box with a big black bow on it out of the trunk and grins wickedly.]

LePage Turner: As Wrestlerama gets closer, there needs to be some minor details to tidy up. Which is why we are here at Punk Rock Mike's family home. You know for a guy who has earned almost 15 million in the IWA, you'd think he'd buy his folks a nicer place. (frowns at the house and knocks on the door)

[After a moment, the door opens and an elderly couple stand there looking confused.]

Papa Mike: Can I help you? We were not expecti-

LePage Turner: You may not recognize me when I'm not in my ring gear, but the reason I'm here is to prepare Punk Rock Mike's parents for what they're about to see happen to their son, Punk Rock Mike.

Mama Mike: Hold your horses buster! I know who you ar-

LePage Turner: DON'T interrupt me you old hag! The way I figure, you have two options when they air the I Quit match between Punk Rock Mike and the Author of Agony; either your root for it to end quickly or you rub salt in your eyes so you can't watch. Lucky for you both, I brought some salt with me right here in my pocket... See?

[Turner reaches in his coat pocket and pulls out his hand and throw salt into Mama Punk's eyes! She screams in pain and Papa Punk lunges at Turner, but LePage quickly spins him to the ground on the front lawn and applies Punk Rock Mike's "Broken Promise Ring" finisher! Papa Punk cried out in pain as a blinded Mama Punk tries to feel her way around. Turner leans in and yells at Papa Punk.]

LePage Turner: You feel that? Huh? This is what I'm going to do to your son!. I'm going to make Punk Rock Mike quit!

[A car screeches to a halt and a woman rushes across the lawn and tackles Turner to free Papa Punk! Turner rolls free and rises up as the woman tends to PRM's injured Dad.]

LePage Turner: Well, well, well. Becky! So are you still Bitter or just Cold? Married to a guy like Punk Rock Mike, no one could blame you for living the gimmick.

Bitter Cold Becky: Are you insane? Attacking Mike's parents is way beyond crossing the line. Get outta here-

LePage Turner: Becky, that's a nice hair cut you have, it covers up all of those scars on your neck from all of those career-ending surgeries you had to have really well. Be a real shame if I had to call someone like, say, Barb Dwyer to pay you a visit. How about I leave these with you?

[Turner drops the white box next to Becky and it breaks open revealing a dozen Black Roses and a Sympathy card.]

LePage Turner: Condolences the family of Punk Rock Mike on the death of his career. You see, after I beat him and he quits, I will have taken everything from him. EVERYTHING!

THE ALTERNATE ENDING

Turner is so versed in every style of wrestling, that he uses his opponent's own finisher to beat them.

"The best Finisher in the IWA."

– Johnny B. (probably)

Mayle "I'm at the Bronx Zoo along with the Hugo the Handler, to visit the victim of a senseless act of violence that involved a BRL star. Where is he?"

Hugo "Oh *that* little boy isn't here."

Mayle "I'm not here to see him! That little boy, *was in on it!* This was a set up by that unhinged maniac, OLIVER LIVINGSTON to make himself look good while assaulting a monkey!"

Hugo "Gorilla. Gerry is a Gorilla and see, he's in his cage. Safe. We did apologize for the incident, but w-"

Mayle "Apologize? No way. I heard this this Baboon knows sign language, let's ask him what happened?"

[Mayle flashes his hands around.]

Mayle: GERRY! What happened when that little boy and weird man attacked you?

[Gerry the Gorilla looks a bit confused and then signs a long answer as Mayle nods.]

Hugo: What is he saying?

[Mayle adopts a 'monkey' voice as he interprets]

Mayle as Gerry the Gorilla "ME GERRY, ME BE NICE, LITTLE BOY SNEAK IN AND PULL KNIFE ON GERRY, GERRY RETURN BOY TO FAMILY BUT OLIVER LIVINGSTON ATTACK GERRY! TELL GERRY THAT BAD MAN HE NO COME BACK AND TOUCH MY NO-NO SPACE!"

Hugo "What the??? He didn't say all that"

Mayle "Wait, wait, he isn't done. What is it Gerry?"

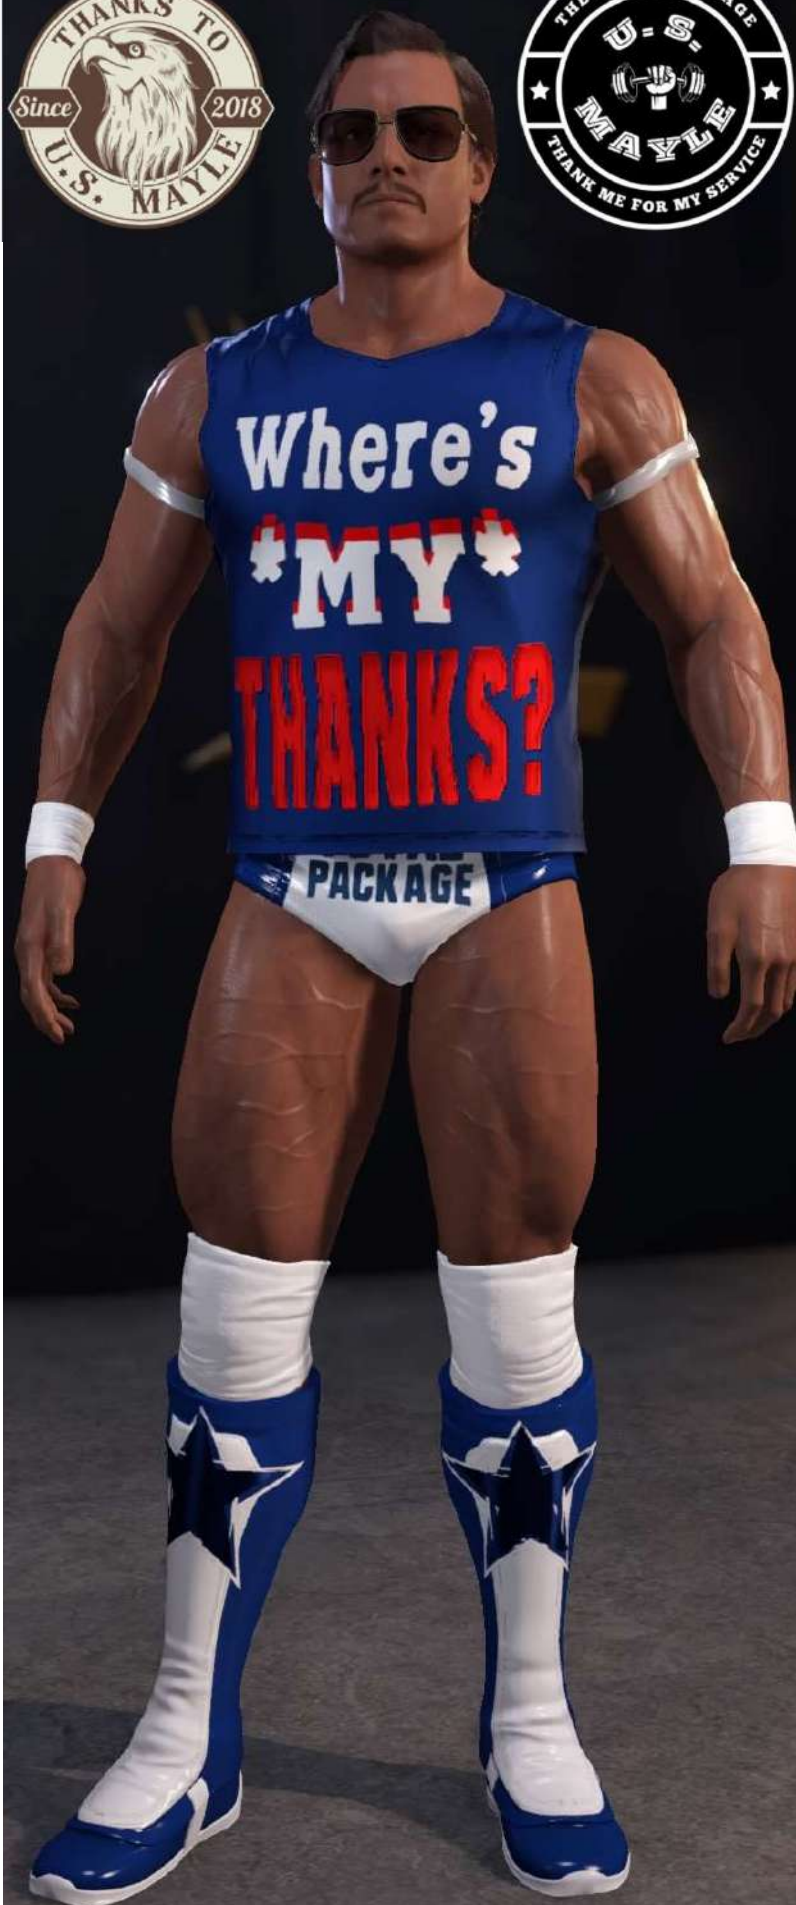

Mayle as Gerry the Gorilla "ME GERRY, ALSO SAY, TO U.S. MAYLE, THANK YOU FOR YOUR SERVICE! PLEASE SAVE GERRY FROM HUGO AND HIS JAR OF PEANUT BUTTER-"

Hugo "STOP! That does it, you need to leave, now!"

Mayle "How dare you? I am only translating, but this proves it! Oliver Livingston is a handsy psycho who fondles chimpanzees! He has to be stopped!"

Hugo "Please leave before I call the cops."

Mayle "They'd be on my side, pervo! I won't stop until we hold the man who assaulted Donkey Kong, accountable. Much as I held that ugly freak ZYDRATE or that foreign menace HAWAIIAN HEARTTHROB accountable. The Total Package always delivers, so they will pay for what they did."

One ad shows Hot \$tuff Adam Ca\$h talking about the BRL Fan Club and the crowd boos loudly. The fan's response turns to cheers when another ad shows **Agent 26** talking about spaying pets, when the people begin to chatter. Then walking up to the front of the line is Adam Ca\$h himself and his former Blood Money partner, turned bodyguard, Fatty the Butcher.]

*Adam Ca\$h: Step aside of Fatty will move you. Look at that list, the BRL's All-time list of top stars and there's only two names on that list that matter, the guy at the top, me... and (uses a laser pointer to circle around one name) ...the guy who just cracked the top ten, **Agent 26**. (crowd cheers) Oh yeah he's one fire and clawing his way closer to the top, but he needs to thinking about the names he's passing. Some of the best ever and the closer he gets to me, the harder it will become. That's right 26, you're on notice.*

Fan 1: What does that mean?

*Adam Ca\$h: It means if he survives **Double R Rob Ratliff** at Wrestlerama, he's gonna have to deal with me at Imagibash. If that banjo doofus RR steals the Global belt, I'll destroy him too. All I need to do is win the Royal Rumble and to do that I have to go through the rest of the field, but look at me now (points to the top of the All-time list) and know that standing above the rest of the crowd is what I've been doing for years. Agent 26, what's it gonna be?*

Alec: Next stop? BRL championship, but if I may, I saw an old enemy has resurfaced in the CWL. **MIKE MASON**, you are back and you see to just as insane as ever. I will enjoy crushing your skull and making you bleed..., again!

Victor: Damn right. Speaking o CWL, time to regain the CWL Tag titles and remind everyone why **the Von Snapps brothers are THE GREATEST TAG TEAM IN IWA HISTORY!**

Alex: 2023 CWL Tag team of the Year! We weren't even active in the CWL all year and we crushed it because when we get back to our root, tag team wrestling, there is no team, none, out there that has done what we've done... and we want more! Isn't that right Axel?

Axel: These **MILLENNIAL REIGN** blokes want to step up to us? We like that because we are at our best when we gotta raise our games. We love it and so do the fans.

Victor: Turning to the IWL, and trios wrestling, and how the Von Snapp brothers are still the IWAR World Six-man champions. **THE MANNEQUINS** wanted a shot at us and we shut em down. **The INSTITUTION** got the gift o' gab, we got that gift of being us. Which is why they're the 2023 IWL Trio of the Year baby! Me boys are the best multi-man team of ALL tyme. Prove us wrong.

IWA Hall of Famer, the international playboy from Australia, Victor Von Snapp has fathered children across the globe and many of these half-brothers have followed in his footsteps, to the ring. Alex and Axel are one of the most success tag teams in the IWA history and Alec is looking to outdo them all, not only as the third member of their trio, but as a solo star in his own.

Angela Hurty with an exclusive first-time interview with BRL newcomer Frandel Warpslayer and his young ward, Richie Lather!

Warp: He is not my ward, he is a burden placed upon me by management. Also, I did not request any sort of meeting.

Angie: In your first BRL PLE action, you take on Marc Justice for a chance to compete for the North American championship. How are you preparing for one of 2024's hottest prospects?

Warp: I was training for the Saskatchewan Sasquatch, a known wildlife felon and high on the Galactic Bounty Hunter Agency's most wanted list. Marc Justice has done nothing wrong.

Richie: I can explain, Ms. Hurty. BRL management noted Frandel's record running parallel to his predecessor Seth Adams-Lee's, and decided they'd like him to recreate the magic of one of Marc's earliest career highlights.

Warp: I'll seek the proper warrant regardless, but kid, I bet your Tracer pillow just earned itself a friend.

Richie: Ooh, goody, is it D-VA?!

Warp: No. She needs a real man's hero. McCree.

Richie: Ew, old colonialist archetype? Take it away, gross!!!

Angie: And on that bombshell, back to Shooter and Rick.

"Big Guns" Greg Garnar

American Destroyer and Rx Pain are waiting to pick up "Big Guns" Greg Garnar at the airport. Greg finally walks out of the door and stumbled around until he gets to the car and climbs in.

American Destroyer: What happened to you?! You're bruised, and are those burn marks?

Rx Pain: And there is some dried blood too.

Greg: Steel Cut Oates has friends in the TSA. They detained me and then Oates hit me with a nightstick and tased me several times. He's gonna pay for this. I have an idea. I'll fill you in on the way to the arena.

Later that night, PAD is in the ring and Greg has a microphone.

Greg: Steel Cut Oates. You're real funny, aren't you? Switching out my bag at the airport with these disgusting things in it. You may have friends in the TSA, but you have no friends in the BRL. You think you're going to take us out one by one. Sorry, isn't going to happen! You will pay! Monster Truck Tanaka, you better cherish your last few weeks with that North American title belt, because in Japan, the country that you love, in Tokyo, the city that you love, and in front of your friends and family, I will destroy you and take that belt. Hillbilly Kevin, you have accomplished a lot in your career and are a tough opponent. But make no mistake, I'm leaving Wrestlerama as the North American champion.

One last thing, I want to end on a good note, for me, anyway. I have been awarded the Most Valuable Player Award. (The crowd boos.) Boo all you want. I hate you Moronic Pukes more. I want to thank the members of the IWAR staff who voted for me, the members of Pain And Destruction, and of course myself. (PAD leaves the ring.) I also want to thank Stevie Vertigo on a different matter. I appreciate the contribution. PAD has your back.

Card 19: Garden City

Steel Cut Oates just defeated Jaxon Bordeaux in a close match. The referee is holding Oates' arm when Pain And Destruction storm the ring. They are beating Oates up. Garnar, with his steel chain, Destroyer with his tire iron, and Rx with his lead pipe. After several minutes, Greg wraps the steel chain around Oates' throat and PAD drags a bloody Oates out to the parking lot. Each member of PAD piledrives him onto the asphalt.

Greg: Leave the BRL while you still can.

American Destroyer

At Wrestlerama, I'm in the Royal Rumble. I don't care who is in it, I'm going to run through the competition and win it. I'm also tired of hearing about when I walk to the ring that I shouldn't punch, kick, and beat up the ringside security. They can't protect anything or anyone. I will continue to beat up whoever I want, whether anyone likes it or not.

It looks like SHS finally has a couple more friends. McFlaherty Brothers! You were warned to stay out of this. But you ignored PAD's warning. You can't blame anyone but yourselves because of everything that's about to happen to you. You're nothing more than a couple of drunks.

Pain And Destruction is the cause of your pain and the reason for your total destruction!!

The lights in the arena dim and tribal drums are heard. Fans murmur. The video screen lights up and the Hawaiian Heartthrob is on it.

"My friends, legacy is something I don't take lightly. I know I have accomplished a lot here, but I still have many more achievements that I am looking forward to. There are so many great competitors here, some with honor, and many without. I intend to keep on fighting for justice. Imua Hawaii"

Tennis anyone?

Tennis legend **John McEnroe** is getting a pedicure while engrossed in a copy of his own autobiography, *You Cannot Be Serious* when he notices the two guys sitting on either side of him staring. It's **Ace Love** and **Ricky Rackett**.

ACE: John Freakin' McEnroe!

RICKY: The legendary "Superbrat" himself!!

MCENROE: Who the hell are you guys?

ACE: Who the hell are we? HA! Good one, John!

MCENROE: I'm serious.

RICKY: It's Ace Love! And Ricky Rackett!! Tennis Anyone?!

MCENROE: Oh, right. You're those two psychos who got kicked off the tour for... what was it again?

ACE: Crimes against tennis.

MCENROE: That's it! So what the hell do you want from me?

Ace and Ricky can barely contain their excitement.

RICKY: We want the "Superbrat" himself to accompany us to the ring and be in our corner for our triple threat tag-team match at Wrestlerama 12 when we face the **McFlaherty Brothers** and **Wolf** and **Timber Wolf** for a shot at the Global Tag-team titles at Imagibash 23.

MCENROE: So lemme get this straight — it's the two of you against a couple of donkeys and a couple of dogs?

ACE: Exactly! And it would be an honor to have someone of your stature watching our back against those filthy animals!

MCENROE: I don't know, guys. Do I have to just stand there, or can I hit someone? Like when the ref isn't looking?

RICKY: Mr. McEnroe, we'd be offended if you didn't.

McEnroe thinks about it, then

MCENROE: Ah, what the hell. I've got nothing better to do. See you at Wrestlerama. Now get lost. I'm in the middle of a fantastic book.

Doug McMaster: “Well it’s been a while since I’ve been in a tag team, but me and Gordon are holding our own. In fact, some guys who wrestled **suspiciously** like us ended up getting some national press coverage this tour!”

Gordon Donovan: “It’s great to be reunited with my old trainer from Calgary. Doug’s been in Japan for a few decades, but he’s back to the IWA to settle some old scores.

McFlaherty Boys, Samoan Death Grip, watch out – we have our eye on the Marano Cup and we’re going to take you out on the way. And don’t think I’ve forgotten about you, **US Mayle**.”

McMaster: “And if you don’t like it, then take it up with the commish, because the Alliance for Canadian Excellence is here to stay!”

Rachel Yamazaki addresses the media at a press conference, flanked by the hulking Tsuyoshi Mazoku.

“Thank you for attending today,” she begins. “As many of you learned last tour, the man to my left is Tsuyoshi Mazoku, the IWA’s hottest free agent. After dominating the NWL for his first year, Mazoku-san has come to the BRL to continue his legacy as the Yamazaki Corporation’s top prospect.”

“Mazoku-san is a former sumo wrestler who has adjusted quite ably to the American style of professional wrestling and won two Rookie Brawls in 2023. He cannot express his disappointment that the vaunted BRL is being dominated by a **Hillbilly** and a **Monster Truck**. While it may take him some time to navigate the internal politics keeping him from the top of the rankings, Mazoku-san looks forward to continuing his dominance here.”

Rachel looks around before concluding, “Mazoku-san will not be taking questions at this time.”

The uncrowned wrestler of the year of 2022

[The arena erupts with boos as The Nasty Critter Brian Rotten struts into the ring, a sneer on his face as he mocks the fans for their adoration of their heroes.]

The Nasty Critter Brian Rotten:

Listen up, you pathetic fans! You all cheer for your so-called heroes, but let me tell you something - they're nothing compared to me! I'm here to crush their dreams, and I'll do it with pleasure.

[The audience boos loudly, some fans hurling insults at Brian Rotten who grins in response.]

You see, in 2022, I was robbed of my chance to be wrestler of the year. But mark my words, that won't happen again. I'm going to tear through your precious heroes one by one, and there's nothing any of you can do about it!

[The crowd continues to boo, some fans shaking their fists in anger while others chant for their favorite wrestlers.]

You all think you're so smart, cheering for your heroes and booing me. Well, let me tell you something - your heroes won't save you when I come knocking. I'll take them down, and I'll do it with a smile on my face.

[With a final taunting gesture, Brian Rotten raises his arms in triumph as the fans' boos reach a fever pitch. He exits the ring, leaving a trail of anger and defiance in his wake.]

Let the fear consume you

[As the arena darkens, eerie music begins to play and the crowd starts to murmur in anticipation. Suddenly, the lights flicker on and off, and a spotlight shines on the entrance ramp as "The Monster Of Mayhem" Donny Bloodstone emerges, clad in dark armor and a menacing expression on his face.]

Donny Bloodstone:

[Snarling] Hahaha! Do you feel it, mortals? The fear that grips your pathetic hearts at the mere sight of me, the one true monster of the Battle Royal Wrestling League! I am Donny Bloodstone, the harbinger of chaos, the bringer of pain, and tonight, I will make each and every one

of you cower in terror!

[The crowd erupts in boos and jeers, but Donny Bloodstone just laughs maniacally, relishing in their fear.]

Donny Bloodstone:

You see, in this ring, there are no heroes, no champions of justice. There is only me – the embodiment of your darkest nightmares, the nightmare you cannot escape. I am here to show you the true meaning of fear, the true power of the darkness that lies within us all!

[The fans continue to boo loudly, but Donny Bloodstone pays them no mind as he paces back and forth in the ring, his eyes glowing with an eerie light.]

Donny Bloodstone:

So, my fellow competitors, listen well! For tonight, you will feel the wrath of the one true monster of the Battle Royal Wrestling League! You will feel the agony of defeat, the sting of humiliation, and the terror of knowing that you have crossed paths with a force beyond your reckoning!

[As Donny Bloodstone raises his arms in triumph, the crowd's boos reach a fever pitch, but he simply grins in response, reveling in their fear and hatred.]

Donny Bloodstone:

Bow down, mortals, for I am the Monster Of Mayhem, the one true terror of the Battle Royal Wrestling League! And tonight, I will make you all feel the fear that lurks in the shadows, the fear that whispers your demise! Beware, for the darkness has come... and it hungers for your screams!

[The fans continue to boo and jeer as Donny Bloodstone exits the ring, leaving a trail of fear and terror in his wake. The arena falls silent, the air thick with anticipation for the chaos that is sure to follow.]

During a break in action at the weekly BRL show live from Cincinnati.

Shooter Simmons: Now let's head to Dapper Dan Dee who had a report on his Ringside Reactions regarding Marc Justice.

****Dapper Dan Dee is standing near the entrance ramp, wearing a dapper suit with bow tie.****

Dapper Dan: Thanks guys. I wanted to talk to Marc Justice himself so he could clarify his recent, and vague, videos he's been sending us. But instead I received a note this afternoon. It reads, and I quote "I'll win at least a regional title by Summer 2024, or I'm done."

****There is an audible gasp from the majority of the audience****

DDD: I did reach out again to Marc Justice and....

****Before Dapper Dan could finish, he is interrupted by Death Row's music. Shackles Malone and Cellblock Charlie hit the entrance ramp and stand on either side of Dapper Dan.****

DDD: Shackles and Cellblock, I don't want any trouble. I was just reading the note..."

****Shackles grapes the microphone from Dan****

Shackles Malone: We heard what the note said. We just want to clarify. What Justice is tryin' to say is that he's lost his edge. His mean streak. But lucky for him, Death Row is going to help him out. So next tour, Death Row is going to have a gift for Marc. And you know a gift from Death Row, means pain to someone in the back.

****With that, Shackles shoves the mic back at Dapper Dan, and heads to the back. Cellblock stares down Dan another second then follows Shackles.****

Rick Challenger: Whoa, I wonder what... or who is the gift from Death Row?

Shooter Simmons: What about the note from Marc Justice? He's done if he doesn't win a regional title? What does that mean?

STEEL CUT OATES

BRL Commissioner **Dick Jackson** is pushing his grandson Jimmy in a wheelchair through the backstage area. Jimmy has a large bag of party ice duct taped to his crotch.

DICK JACKSON: I still cannot believe the **McFlahertys** would nut tap a child but I promise Grandpa is going to get to the bottom of this. And when I do, there's going to be hell to —

Just then, the badly beaten body of **American Destroyer** slams into Jimmy sending him and his chair hard into a concrete wall.

DICK JACKSON: Jiminy crickets!!!

Dick runs over to tend to Jimmy while **Steel Cut Oates** walks up with a copy of *Bird By Bird* tucked under his arm and kneels down next to American Destroyer.

OATES: I guess since **Dixon Ticonderoga** and **RX Pain** are in hiding, you were the last thing on my to do list before Wrestlerama.

Oates looks into camera.

OATES: Little Stevie, we're gonna be seeing a lot of each other at the pay per view — a grudge match AND the Royal Rumble. Time's running out. And all your hired muscle's been neutralized. There's nowhere to run and nowhere to hide. And I think after I beat you — not once, but twice — I'm gonna unmask you for the whole world to see.

Oates walks off while Dick Jackson tries to resuscitate Jimmy.

DICK JACKSON: Don't you die on me, kiddo! DON'T YOU DIE ON ME!!!

CUT TO:

A massive, fluffy cloud in the sky. The ghost of **Carl Weathers** pushes the ghost of Jimmy Jackson in his ghost wheelchair up to the gates of heaven.

CARL WEATHERS: Tough break, kid. But hey, at least you got to heaven. Go ahead, stand up. You don't need that wheelchair anymore, Jiminy.

Jimmy stands.

JIMMY: It's actually Jimmy.

Ghost Carl rolls his eyes and nut taps Ghost Jimmy who falls through the cloud on his way to hell.

Polar Express have retained the League Six-Man Titles yet again. Bravo, we applaud your efforts! The six-man tag scene has been a tad boring lately so we welcome the challenge! At WRESTLERAMA 12 you just might earn a shot at our Global Trios belts if you can get past our good friends The Hillbillies. I wouldn't count on that though because our brother from a southern mother Hillbilly Kevin has been on an absolute killing streak lately and we see a Hillbilly Stomp in your futures! Once we take care of **Honor Revolt** we're going to be taking a closer look at the **Von Snapps**. You got the better of us on short notice and I suppose we got what we asked for but this is far from over. Tennis Anyone?, I resorted to Gold Bond.**

Just because you never win the big one, doesn't make you a bad person. You're just a loser. An itchy loser. So while some guys, like Samoan Death Grip, win all the titles and get all the glory, you might as well not be itchy. Just use Gold Bond. And as our good friend John McEnroe once said, "You'll still be a loser, but at least you won't be itchy."

DAPPER DAN DEE: Ladies and gentlemen...please welcome tonight's special guest ringside announcer...Johhnnnnnnnnn McEnroooooooooeeee!

*(**John enters to some campy, upbeat music, like something you'd hear from a 90s workout video. He is greeted with boos and is pelted with some cups of diet coke as he makes his way into the ring with some cue cards...**)*

JOHN MCENROE: Thanks Dapper Dan. It is my honour to be here tonight as special guest ring announcer...but first, I'd like to take a moment to tell you all about the WONDERS...of GOLD BOND® Medicated Itch Cream. Don't let itchy skin stop you from enjoying athletics. Get relief from itching. Gold Bond® temporarily relieves pain and/or itching due to skin irritation. Gold Bond® Medicated Anti-Itch Cream contains two itch-fighting and pain-relieving agents — menthol and pramoxine hydro—

*(**John's microphone cuts out, and after a few moments of confusion, the lights go out. A helicopter is shown on the jumbo tron, as it circles above the Samoan Island of Apolima. Then "Thug Luv" by Bone Thugs N Harmony and Tupac hits, and out come SAMOAN DEATH GRIP!!! They reach the ring and lay an absolute beating on John McEnroe, then "Queen" Kyla grabs the microphone...**)*

"QUEEN" KYLA: Beatings Anyone??? You know what they say, there's no loyalty in love and tennis...so where are Ricky Rackett and Ace Love???

*(**The jumbo tron shows the Tennis Anyone? lockerroom door locked with a tennis racket in the handle, as Ace and Ricky try furiously to escape...**)*

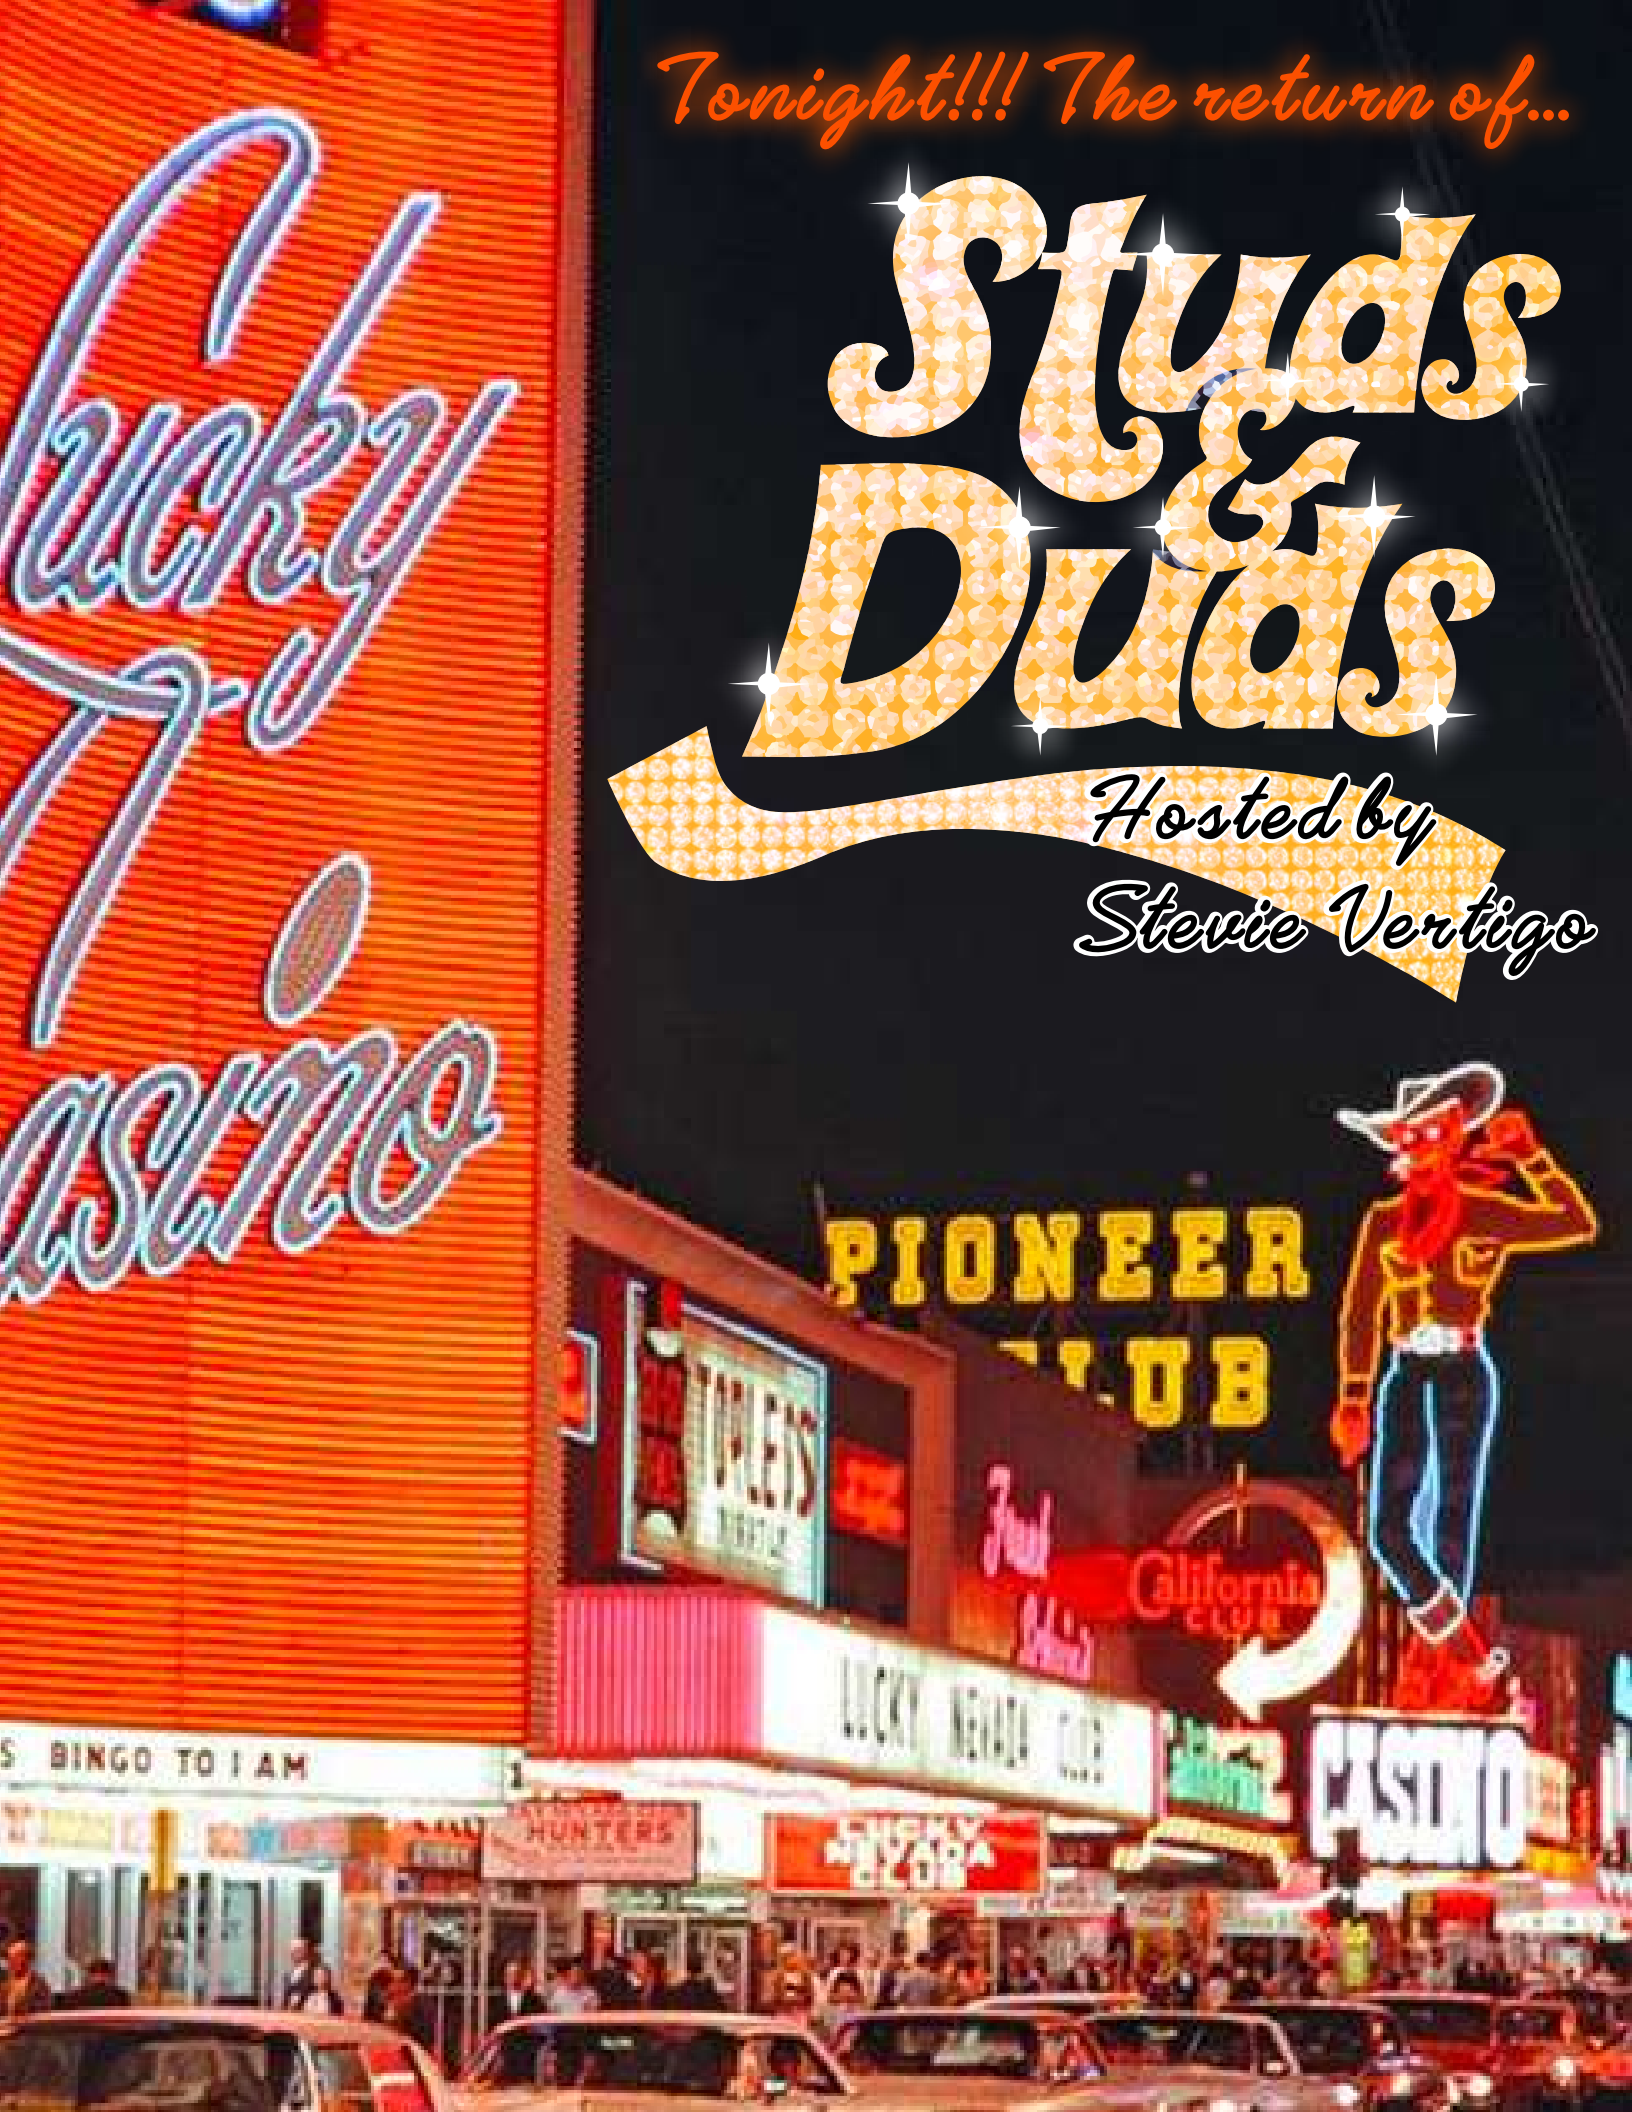

"QUEEN" KYLA: Whoops!!! I mean, those guys might be a while...so we might as well finish the job!!!

*(**Toa Anoa and Samoan Assassin grab McEnroe and ready him for the Greetings from Apolima, but here come The Salt N Pepper Express!!! Ricky Salt and Robert Pepper chase SDG from the ring as they smirk at their WrestleRama XII opponents. "Thug Luv" hits once more, as the BRL League, IWAR World tag and BRL Global tag champs exit...**)*

Tonight!!! The return of...

Studs & Duds

*Hosted by
Stevie Vertigo*

Stevie Vertigo

Last of a dying breed

(**Stevie Vertigo sits in the BRL makeup room. His back is to the camera, and he is maskless as a female BRL staffer applies makeup to his face. His BRL Central Plains title sits next to his mask, as the show runner for BRL Main Event! hurries into the scene...**)

SHOW RUNNER: Mr. Vertigo! You're on in 5!!!

(**Vertigo waves off the makeup girl and puts his mask on. He spins his chair to the camera and removes the tissues from his collar...**)

SV: It's SHOWTIME!!!

(**Out in the arena, on the stage for Main Event!, there's an elaborate setup for the STUDS & DUDS set. "Viva Las Vegas" by Elvis Presley blares through the venue, as a black 1979 Cadillac Coupe Deville rolls out to the bottom of the stage. There's a BRL staffer driving, and Stevie Vertigo and Big Guns Greg Garnar climb out of the back. Vertigo holds aloft his title, and is met with a mixed reception as he and Garnar makes their way onto the stage...**)

SV: COLUMBUSSSSSSSSS!!! It's been a while...but I figured you fans would need a break from the general tediousness of your dull, sad lives...so I present to you STUDS AND DUDS!!! (**crowd boos**)

First up...**BIG GUNS GREG GARNAR**...(**crowd boos**) TWO TIME Battle Royal League TV Champion...the NEXT BRL North American champion. Bigger, badder and MEANER than Steel Cut Oates...a destructive force never before seen in the BRL and the IWAR...and an AB-SO-LUTE...STUD!!!

(**Crowd boos**)

SV: Next up on the list...**HILLBILLY KEVIN**!!! (**crowd goes completely silent**) This guy is a 100% bonafide DUD! I mean, the last time hillbillies were cool was when Jim Verne played Uncle Jed. There's no place in the BRL for hillbillies, so why don't you take useless Uncle Blimpie of yours, and head back to the ASL where you belong?! Their dental isn't as good as the BRL's, but should be good enough for the 5 teeth shared between ya. Dynasty??? More like DUDNASTY! DUD!

And of course...how can we forget our old friend **STEEL CUT OATES**!? Turns out he's been earning side cash as a TSA agent...well it won't be long before he loses that job too, just like he lost his job in the IWL. The one thing the TSA and the IWL have in common, besides their penchance for random cavity searches, is that they both generally frown upon foot fetishes in the workplace. This guy is an ABSOLUTE...DU—

(**Suddenly, some muffled words and some thumping can be heard over the arena's P.A. system...**)

SV: Wait a minute...Greg...do you hear that???

(**Garnar makes his way to the Cadillac, and opens the trunk. Inside is Steel Cut Oates, who is severely beaten and tied up. Garnar drags Oates to the top of the stage where Stevie waits. Garnar hands Vertigo a bloodied version of "Bird by Bird" by Anne Lamott. Stevie opens it and starts reading...**)

SV: "You own everything that happened to you. Tell your stories. If people wanted you to write warmly about them, they should have behaved better..."

(**Stevie then drops the mic and lifts Oates into the DON'T LOOK DOWN...Vertigo then plunges from the top of the stage, and DRIVES Oates through the back window of the Caddie! "Scentless Apprentice" by Nirvana hits, and Stevie and Greg raise their hands and exit, leaving a shocked crowd...**)

We want to be the best

(The scene opens with Ricky Salt and Robert Pepper standing in the middle of the wrestling ring, the crowd cheering and chanting their names.)

Robert Pepper:

We're not just here to win titles, though. We're here to entertain, to inspire, and to make each and every one of you proud to be a fan of tag team wrestling! So buckle up, because the Salt & Pepper Express is about to take you on the ride of your lives!

(The crowd erupts in cheers as Ricky Salt and Robert Pepper raise their fists in the air, their determination shining through their eyes. The Salt & Pepper Express is ready to take the wrestling world by storm, and nothing will stand in their way!)

(The crowd erupts in excitement, sensing the determination in Squeakums' voice.)

Squeakums The Clown:

The Best of the Best Tournament, where the finest warriors clash, where legends are born, and where dreams come true. I want to step into that ring, my friends, not just for myself, but for my Sunshine, for our love, and for the chance to earn my shot at the IWAR World Heavyweight Championship!

(The crowd roars with approval, chanting Squeakums' name and showing their support for his journey.)

Squeakums The Clown:

I know it won't be easy, my friends. The competition will be fierce, the battles will be grueling, but I am ready! I have trained tirelessly, honing my skills, perfecting my craft, and now I stand before you, ready to seize this opportunity with all my heart!

(The crowd's cheers grow louder, their energy fueling Squeakums' determination.)

Squeakums The Clown:

So, my friends, as I embark on this journey, I ask for your continued support, your cheers, and your love. Together, we can make this dream a reality. Together, we can show the world that love and wrestling go hand in hand, that dreams can be achieved, and that the power of love can conquer all!

(The crowd rises to their feet, applauding and cheering for Squeakums, their belief in his abilities evident.)

Squeakums The Clown:

With your love and support, I will step into that ring, I will fight with all my heart, and I will earn my shot at the IWAR World Heavyweight Championship!

(The crowd's cheers reach a crescendo as Squeakums raises his arms in triumph, a glimmer of determination in his eyes. The spotlight fades, leaving the ring in darkness, but the fire within Squeakums continues to burn brightly.)

Double R Rob Ratliff Apology

Double R Rob Ratliff:

Ladies and gentlemen, boys and girls, wrestling fans from all around the world, gather 'round and lend me your ears, for I, Double R Rob Ratliff, have a tale to tell. A tale of redemption, of growth, and of the unyielding spirit that resides within the heart of a true wrestling warrior.

Last time, in the Battle Royal Wrestling League, I stood before you and made a promise. A promise that I would no longer bring my trusty guitar to the ring, for I believed it was time to let my in-ring skills speak for themselves. But alas, in the heat of the moment, I forgot to fulfill that promise, and for that, I apologize. I apologize to each and every one of you who believed in me, who expected more from me. I let you down, and for that, I am truly sorry.

But fear not, my loyal fans, for I stand before you today, humbled and determined to right my wrongs. This cycle, I vow to make things right. I vow to leave my guitar behind, to step into that squared circle with nothing but my heart, my soul, and the fire that burns within me. No more distractions, no more excuses. It's time to show the world what I'm truly made of.

And speaking of showing the world, there's another aspect of my game that I forgot to address last time. My finisher, The Super Tornado, an F5 from the top rope. It's a move that has brought me great success in the past, but it's time for a change. It's time to evolve, to adapt, and to unleash a new devastating finisher upon my opponents.

Double R Rob Ratliff

The Pain will be excruciatingly joyful

(The camera fades in to a dimly lit room, with a single spotlight shining down on a figure sitting on a throne-like chair. The figure is dressed in a black leather jacket, adorned with spikes and chains, and a menacing mask covering his face. The room is filled with an eerie silence as "The Pain Master" Ike Payne begins to speak.)

Ike Payne:

(deep, gravelly voice) Ahh, the Battle Royal Wrestling League. It seems my dear sister Jane and my brother-in-law Matthew Van Slaughter have summoned me back to this wretched place. They think they can just call me up and expect me to come running? Well, they're damn right!

(The camera zooms in on Ike's intense eyes, gleaming with a mixture of anger and determination.)

You see, ladies and gentlemen, I used to be known as Ruthless Rob Red. But that name... it no longer holds the power, the ferocity that I possess. I have evolved, transformed into something far more sinister. I am now The Pain Master, Ike Payne!

(He rises from his throne, towering over the camera, his presence commanding attention.)

Jane, Matthew, you may think you know pain, but you have no idea what I am capable of. You called upon me, and now you shall face the consequences. I will unleash a fury upon you that will make your bones shatter and your blood run cold!

(He clenches his fists, his muscles bulging with raw power.)

The Battle Royal Wrestling League will bear witness to my wrath. I will tear through every opponent that stands in my way, leaving a trail of broken bodies and shattered dreams. No one will be spared from the agony that I bring!

(He paces back and forth, his heavy footsteps echoing through the room.)

The Pain Master is here to claim his throne, to dominate this league with an iron fist. I will show no mercy, no remorse. I will revel in the pain and suffering that I inflict upon my adversaries. They will beg for mercy, but none shall be given!

(He raises his arms, his voice booming with intensity.)

So, Jane, Matthew, prepare yourselves for the storm that is about to descend upon you. The Pain Master has returned, and he will leave a path of destruction in his wake. The Battle Royal Wrestling League will never be the same again!

(The camera fades out as Ike Payne's maniacal laughter fills the room, leaving a chilling sense of anticipation in the air.)

Marano Memorial Tag Team

[The Swamp Dwellers, Jebediah Bogtrotter and Obadiah Bogtrotter, stand in the center of the wrestling ring, surrounded by the cheering fans. The crowd is eager to hear what they have to say.]

Jebediah Bogtrotter: Well, howdy there, folks! We're the Bogtrotter brothers, Jebediah and Obadiah, but you probably know us better as The Swamp Dwellers!

Obadiah Bogtrotter: That's right, Jebediah! And let us tell you, we've got a burning desire in our hearts, a goal that we're fixin' to achieve! We're here tonight to talk to y'all about the Marano Memorial Tag Team tournament!

Jebediah Bogtrotter: You see, ladies and gentlemen, this tournament ain't just any old competition to us. It's a chance to honor the memory of a true legend, Marano, who paved the way for tag team wrestling as we know it today.

Obadiah Bogtrotter: Marano was a man of honor, a man of integrity, and he always knew how to put on one heck of a show! And that's exactly what we aim to do in this tournament, folks!

Jebediah Bogtrotter: We've been living and wrestling in these swamps all our lives, and we've learned a thing or two about survival. We've faced alligators, snakes, and more critters than you can shake a stick at. But the biggest challenge yet awaits us in that tournament ring.

Obadiah Bogtrotter: That's right, brother! We've been training day and night, pushin' ourselves to the limit, because we want to bring home that trophy. We want to show the world what the Bogtrotter brothers are made of!

Jebediah Bogtrotter: But it's not just about the glory, folks. It's about the respect we have for this business, for the blood, sweat, and tears that every wrestler pours into the ring. And we want to honor that legacy by giving it everything we've got!

Obadiah Bogtrotter: So, to all our fans out there, we want to thank you for your support. We feel your energy coursing through our veins, and it fuels our determination to succeed. When we step into that tournament ring, we're gonna give it our all, fightin' tooth and nail!

Jebediah Bogtrotter: And when we emerge victorious, we'll dedicate our win to Marano, the man who inspired us to pursue this dream. We'll raise that trophy high, and we'll know that we've done justice to the legacy of tag team wrestling!

Obadiah Bogtrotter: So, get ready, folks! The Swamp Dwellers are comin' for that tournament, and we won't stop until we bring home the gold! We'll make you proud, Marano, and we'll make all our fans proud! The Bogtrotter brothers are here to stay!

[The crowd erupts with cheers and applause, showing their unwavering support for The Swamp Dwellers. Jebediah and Obadiah raise their fists in the air, sharing a determined look before exiting the ring, ready to conquer the Marano Memorial Tag Team tournament.]

Circus of Good and Evil

[Scene: A dimly lit wrestling arena with a spotlight shining on the center of the ring. Bizarro The Schizophrenic Clown stands in the ring, wearing his colorful clown costume with a twisted grin on his face. The crowd watches with anticipation.]

Bizarro (in a cheerful, upbeat tone): Ladies and gentlemen, boys and girls, welcome to the Battle Royal Wrestling League! Tonight, I, Bizarro The Schizophrenic Clown, will take you on a rollercoaster ride like no other. Get ready for a mind-bending experience!

[Crowd cheers, unsure of what to expect.]

Bizarro (with an innocent smile): You see, my dear audience, I am not your ordinary wrestler. I am a paradox, a walking enigma. I can switch from bad to good at the drop of a hat. One moment, I'm the embodiment of chaos, and the next, I'm a beacon of virtue.

[Crowd murmurs, intrigued by Bizarro's words.]

Bizarro (raising his voice, sounding more intense): Tonight, Battle Royal Wrestling League, prepare yourselves! For when that bell tolls, I will unleash my inner hero, fighting for justice and righteousness. I will be the symbol of hope for the downtrodden, the defender of the weak!

[Crowd begins to cheer, embracing the idea of a "good" Bizarro.]

Bizarro (suddenly, his smile fades, voice turning sinister): But don't be fooled, my dear fans. Darkness resides within me as well. I can twist and turn, becoming the nightmare that haunts your dreams. When that darkness takes hold, I become the embodiment of malevolence, the epitome of evil!

[Crowd gasps, unsure of how to react.]

Bizarro (leaning closer to the camera, his voice dripping with malice): The Battle Royal Wrestling League will tremble before my wrath! No one will be safe from my twisted mind and sadistic tendencies. I'll revel in the chaos, feeding off the fear and pain of my opponents!

[Crowd is now stunned, witnessing the transformation of Bizarro's character.]

Bizarro (laughing maniacally): So, my fellow wrestlers, beware! For in this Battle Royal, you'll witness the duality of my existence. Good or bad, hero or villain, I'll keep you guessing until the very end. Brace yourselves for the unpredictable, for Bizarro The Schizophrenic Clown is here to play!

[The crowd watches in a mix of excitement and trepidation as Bizarro exits the ring, leaving them in suspense.]

[Crowd explodes with cheers]

Leon Sputnik: Thank you, my friends. Together, let's make history!

[Leon Sputnik drops the microphone, raises his fist to the crowd, and exits the ring amidst thunderous applause and chants of "Sputnik! Sputnik!"]

Suburban Hell Savages

The camera pans over to the opened door of the Suburban Hell Headquarters. The **BRL Global Champion, Agent 26** is seen adding the names of **Brendan McFlaherty** and **Ruairi McFlaherty** to the rest of the names of the **Suburban Hell Savages** on the door. "**Money Driven**" **Mike Sebastian** and **Patrick O'Malley** walk into view to see the updated sign on the door.

Mike Sebastian: Looking good. Things finally seem to be looking up around here.

Agent 26: I wouldn't get too excited just yet with **Wrestlerama** still right around the corner. But I am very excited to see the **McFlaherty Brothers** join the **SHS**. I know they aren't here yet, but we'll be able to show them around later when they do get here. And having the **McFlaherty Brothers** with us will be one less thing for us to worry about as we head into **Wrestlerama**.

Mike Sebastian: Speaking of worry, I heard about what **Turner** was up to, is everything alright?

Agent 26: **Punk Rock Mike** is on his way back from there now, actually, to talk to us about it, so I guess we'll see then.

Patrick O'Malley writes on his whiteboard sign and shows it to **Agent 26**. It reads "**What about Adam Ca\$h?**"

Agent 26: **Ca\$h?** Yeah, I know all about him "putting me on notice". And I'm not about to be naive enough to not pay attention to him coming up to contention for **Globy** soon. **Blood Money**, back in the day, was one of the toughest teams that we have ever faced, and **Adam Ca\$h** alone is one of the best in the business. However, I need to think about today, and I need to think about **Wrestlerama**. **Double R Rob Ratliff** is no easy opponent either. Just the opposite in fact. So make no mistake, I'll have my work cut out for me, but I will be giving it everything I have to defend the **BRL Global Championship**. On top of that, however, we also have the **Johnny B. Cup** and **Marano Tag Team Tournament** to think about. Not to mention the **Lethal Lottery**.

Mike Sebastian: Right, I almost forgot, and you're teaming with **Marc Justice** for that if I'm not mistaken.

Agent 26: Yes, and **Reprobate Lanny Teague** from the **NWL**, it should be interesting. **Punk Rock Mike** is teaming up with two wrestlers from the **CWL**, **Mike Drake** and **Timothy Zastempowski**.

Punk Rock Mike: Did someone call my name?

Just then, **Punk Rock Mike** then walks into view, frustrated, but for the first time in weeks not seen holding a bottle of alcohol in his hands.

Agent 26: **Mike**, how is **Becky**, is everything alright?

Patrick O'Malley writes on his whiteboard sign and shows it to read "**What happened with Lepage Turner?**".

Punk Rock Mike: Yeah, she's fine. **Becks** just caught **Turner** attacking an elderly couple thinking they were our parents or something?

Agent 26: Wait, what? I didn't know that.

Punk Rock Mike: Yeah, jokes on him though, they've been dead for years. And it looks like **Becks** handled it before I got there because **Turner** was long gone.

Agent 26: I have to say, this is the most spirited I've seen you in a while.

Punk Rock Mike: Well, let's just say **Lepage Turner** has pinched one too many nerves.

Punk Rock Mike then stares straight at the camera.

Punk Rock Mike: **Lepage Turner**, Author of **Agony**, congratulations. You finally angered me enough where I have sobered back up just so that I can rip you apart from your binding. Page by agonizing page. Better men than you have tried to end my career over the years, and I'm still here. And as **Commisioner Jackson** pointed out, I have never been defeated by submission. So instead of planning your "**Punk Rock Mike Retirement Celebration**" I would be very afraid of just who and what you are going to face at **Wrestlerama**. See you soon.

The McFlaherty Brothers are walking down a random street addressing the camera

Ruairi McFlaherty: “Aye, **Wrestlerama** is right around the corner. And those tennis lads tried to pull a fast one on us with the ol’ fake name trick with a kid.”

Brendan McFlaherty: “I don’t think that they fooled anyone, we really don’t look like the country club type of fellas. Neither do **Wolf** and **Timber Wolf**, so it’ll be quite a clash for the BRL tag title shot at **Wrestlerama**. All you lads can go, so it’ll be quite a brawl.”

Ruairi: “We gotta rearrange your dials for that stunt with those billiards, so **Ricky & Ace**, be ready. Aye Brendan, let’s stop in this pharmacy with St. Paddy’s Day coming up.”

Brendan: “Not a bad idea, we’ll probably get knackered with **Punk Rock Mike**, so getting some aspirin for the morning and maybe a couple of gatorades is smart.”

As they walk in an older man in a bulky jacket and mask is arguing with the pharmacist

Old Man: “I said that I can’t hear you, I’m all clogged up! Can you come out and talk?”

The Pharmacist, very annoyed and angered, makes his way out to talk to the old man.

Old Man: “I got a bad dose and this moran is all huffy! Aye, you got a problem with me?”

*The old man hits the pharmacist with his cane, the pharmacist shoves the old man to the ground and starts to pummel him, when we realize it is **The Pharmacist Rx Pain***

Ruairi: “That’s that culchie that used to hang out with **Pain & Destruction**, typical bully behavior. We can get a little payback for their attack and how they always mess with the rest of **SHS**. What a happy accident to be here to help this poor old guy.”

*Ruairi grabs a nearby crutch and smashes it over Rx Pain’s head. **Rx Pain** staggers to his feet and as he and Ruairi are tussling, Brendan tosses hydrogen peroxide into Rx Pain’s eyes, temporarily blinding him. Ruairi and Brendan then beat **Rx Pain** down with the old man’s cane & the crutch until he is lying unconscious on the ground.*

Brendan: “Aye oil fella, I hope you are okay after all of that, sorry that happened to ya. ”

*The old man takes off his mask to reveal that he is **Uncle McAllister**. The three of them have a laugh and walk out of the pharmacy.*

Get Ready Agent 26

Hey folks, I have been so busy trying to defend the IWAR World title that I have forgotten about all the other titles out there. Now all I can say is if you come for the World title, then you had better be ready for a wrestling match or a fight, for it's your choice, as Double R will do either one.

Now I hear that Double R gets another shot at the BRL Global Heavyweight title at the PPV coming up soon. Agent 26, you are a great Global Champion and have been for a while, and I respect you for all that you have done in the IWA too. Now 26, me and you have bumped heads before, and while you have won most of them, I won a few times too.

I look for this to be a hard match for whoever wins it, and you had better be ready too, for Double R is going to try his best to win that Global title. So brother, bring your best and I will see you at the PPV in the ring.

I Want a PPV Match

Hey Commissioner DJ, Squeakums the Clown wants to be in the Royal Rumble at the PPV coming up soon. I just want to be in a PPV match of some kind and don't care what kind or who it's with either. I will fight my hardest for the BRL and do my best to win too, so please sign me up for one.

DYNASTY

(cameras pan into the DYNASTY locker room)

Hillbilly Kevin: Another cycle, another league championship. I'm not here to brag though.

Sorry, I blocked you **Tanaka** from the title but you been doing that to me too long.

This cycle I'm taking the North American Championship and hanging it right next to the IWAR revolution title and all my BRL league belts . Damn, I guess I am bragging. Well

Tanaka, you are Japanese right? Here is something you can understand

then..... くそくらえ (kuso kurae). Oh and **Garner**, just stay the hell out of my way. Uncle Randy, you got anything to say?

Uncle Randy: Well, it is time for the royal rumble. Yes, I will be gladly winning that. So it

doesn't matter who is in my way. **Flashy, H8 Clown**, whoever. Also don't forget Kevin we have a 6 man match. Should be no issue. Steve is out scouting those fools right

now. so don't worry at all **Mannequins**. Signing off here.....

WAIT! Whitefoot: I got something to say also. I'm usually a quiet little Dynasty soldier but I will say I am also coming into the royal rumble intending to win. So it is written and so it

will be done. Now we sign off! **Dynasty** is just tooooooooooo SWEEET!

BRL Television comes back from its last commercial break when the giant screen in the back of the arena lights up. There sitting on the edge of a bed, while wearing a white bathrobe, is "The Sunsational" R.J. Gallo. Behind him, on their knees and also wearing white bathrobes, are three extremely beautiful blonde females. RJG: "Here we are in Atlanta, Georgia. Earlier today my friends and I ate at Bones Restaurant and right now we're in the Presidential Suite at the Four Seasons Hotel. Hijo De whatever your last name is, you say that the ring is going to be painted with my blood when we step into the barbed-wire wrapped steel cage? That's fine with me. I don't mind losing plasma if it means sending your carcass back to your family in Mexico. Now I've heard all the rumors about your true father being a wrestler in the IWA so I hired the best private detective to find out who your daddy is. Turns out the man who sired you is here in the BRL. He is Casual Rey Cyste because, like you, he's nothing more than a stupid, Mexican jobber"

" The giant screen in the arena goes black.

ROYAL FAMILY OF DOOM

Sabertooth: "Man, that's some wild weather we're havin', ain't it? But it's gonna be even wilder indoors, because big things are about to go down. The Johnny B. Cup is about to commence, and Tombstone and I are in the mix. And it's time for the big throwdown, what we used to call a pay per view! Decapitator gets to wrestle Oliver Livingston and beat his brains out, which he will, and thus earn... another match! But THAT match is for the North American title! Now, honestly, who would you rather see as the NW champ: Decapitator or Monster Truck Tanaka or Hillbilly Kevin or Greg Garner or Marc Justice or Frandel Warpslayer? Don't lie it's D-Cap. And in other important news, it's Wolf and Timber up against the McFlahertys and Ace Love and Ricky Racket. You know that in a just wrestling world, it's the baddest beast in the woods and his number one Daddy's boy who win that one and get the shot at the Global tag belts. So we got a lot on our plate, and we aren't showing up just to be polite. Remember, kids: if you're gonna be in it, be in it to win it."
