Thunderkiss 65 – White Zombie 23-present
Girls! Girls! Girls! – Motley Crüe 19-21

Stats: 5'3", 122lbs New Orleans, LA

"Ah know some of y'all wonder if 2024 was the year, Gina Colada arrived but Ah told y'all Ah was on a mission to win.

Speaking of, Where the Boys Aren't 3 is getting closer and BT and me, gotta pull double duty.

First we gotta Ladder Match to determine who gets to challenge for the Global title and way we see it, this is our event to lose. **MEAT TRAIN** had a good run, but that's the thing, to remain on top yah gotta sprint, and she done run outta steam. **JEANNINE BRIGGS?** Ha! Ah've seen better looking heads on lettuce. **BANDIDIA?** Beginners luck may get yah in the title picture, but it won't catch yah any gold. **RUDI GROOVE**, is the only one we gotta worry about and there's two of us so really, she gonna be gone. Spoiler alert: it's gonna be Betty Thanu or me who wins.

Then we gonna defend these IWAR Tag Team titles against the Lethal Lottery finalists. One team looks like the number 10 came to life; **BETTY RED & MEAT TRAIN...** While the other team is looks like the bathroom at the Bada Bing strip club came to life with a pairing of **RUDI GROOVE & JERSEY JENN...** Aint' no way we gonna let the Hoochie Coochie Express or the Stinky and The Stank beat us.

Before Ah go a few words for the Ulta Demon, **PENNY PUNK**, who doesn't quite get why Ah saved her from certain doom. It ain't not thing where we put aside our differences and team up. Hell naw! It is as simple as this; you can't beat me. Ah'm gonna make sure there ain't no excuses as to why yah lost or a stream of delusional denials where yah claim yah woulda won if only Mike Pence had the courage to do the right thing. Nah! We ain't about that scene. Now yah got the BWL championship in yah hands and as the number one contender, Ah've got that rematch in the air. That means another chance to show you and the world that not only am I in your league, but Ah've got yah number. That means Ah'm gonna regain the BWL title and then Ah'll run the table and score another IWA Women's championship. Y'all ain't gonna doubt me again because Ah'm gonna be one of the greatest of all time, but beating the best.!"

“THE SUPREME” CORT JUSTICE

A PROUD MEMBER OF THE LITIGATORS

The time is now for “the Supreme” Cort Justice to make her mark on the BWL. I will engage in an all-out war for the Triple Threat title at Where the Boys Aren’t.

“**The Spider**” **Erika Phobia** attacked **Wildfire Betty Red** after a hard-earned victory. In her broken English, she said that’s what would happen at the pay-per-view.

Erika, you forgot one thing. Me. I’ll be in the match, too. I have the brains to let you and Betty fight it out, then I’ll come in and steal the victory. Sometimes it’s brains, not brawn, that wins titles. I have plenty of both.

Betty, heal yourself up. I want you at your best when you hand me that Triple Threat title.

BWL

Sarah B. Money: Last cycle I beat both Rachel Yamazaki & Erika Phobia 1 on 1 easily I might add. "The Queen B" also sent both tricks to the hospital when I introduced them to my little friend BooBoos she's my 24K gold diamond crusted baseball bat. The BWL would not even play the footage and suspended for 2 weeks hence why I'm here and not there live. For those of you that want to see what I did to them though they played the attack on NWL television to help promote my match against Rachel at NWL Collision Course 4 you can find it there. In addition to all that my honey's I won the Joshi Title my first BWL Championship but as sweet as that is "The Queen B" has her eyes on a sweeter prize !!! I'll be back live and in living color next cycle Money Over Everything

THE

WICKED SPIDAH

ERIKA PHOBIA

(**In a dark room, we see black widow spiders skittering around in the dust and the webs. "Charlotte" by all-girl Canadian metal band Kitty blares as the spiders start crawling over pictures of **SARAH B MONEY**, **RACHEL YAMAZAKI**, **WILDFIRE BETTY RED** and **SUPREME CORT JUSTICE**. A moment later, the queen of the spiders approaches a large web, where several small insects squirm. "The Wicked Spider" Erika Phobia appears on the screen...**)

ERIKA PHOBIA: Vell, vell, vell! It's kvite da veb we weave, ya? (**Wagging her finger**) You ladies are FIERCE fightas...but you have fallen into da veb of DA VICKED SPIDAH! I failed on my first chance at the BWL Triple Threat title, but at Vhere Da Boyz Aren't 3, it's FEEDING TIME! Hahahahahahaha...

(**The scene closes on the black widow sinking her fangs into one of the terrified insects...**)

WILLKOMMEN IM SPINNENNETZ!!!!

It's a beautiful day at the zoo. Happy families race around checking out the different animal exhibits. One precocious little boy is peering over the edge of the gorilla enclosure as Barb Dwyer walks by and slyly knocks him in. She continues on her way as she addresses the camera.

"I like you, **Rachel**. That West Hollywood street fight showed me something I didn't think you had — guts. But guts only get you so far. So for our next encounter at Where The Boys Aren't 3, I've decided on a special stipulation that's got me very excited."

Barb stops at the lion enclosure.

“Rachel Van Dorn versus Bard Dwyer...in a Lion’s Den match. Except, in my version, the loser gets fed to a pack of very real and very hungry lions. But don’t worry, Rachel — you won’t be the one being torn to shreds when you lose. It’s going to be your pathetic daddy, **Jaeger**, instead. Don’t get me wrong, your demise is my number one goal. But watching you having to live with the death of your pathetic father before I end you is an opportunity I can’t pass up .”

Scene opens

Drusilla Dragon is sitting in an airport waiting area. She seems oblivious to all the commotion and noise around her, the reason likely being the headphones she is wearing. On the seat next to her is Gwynn, the dragon figurine. It is holding two plane tickets between its front legs. The camera pans just close enough to see they are marked 'Coach'.

Dragon: 菠萝属于披萨。

An elderly Asian man is passing nearby, but he stops and looks at her.

Dragon: 我不应该吃蓬松的苹果。

The man, starting to walk away, turns around and stares at her, confusion obvious on his face.

Dragon: 对不起，先生，我可以抚摸河马吗？

The man's jaw drops, and he scratches his head. He then taps the arm rest at Dragon's seat to get her attention. She looks up, smiles, and takes off her headphones.

Dragon: Yes, sir, how can I help you?

Man: Excuse me, miss, but are you talking to me?

Dragon: Oh, no, sorry for the confusion. I'm a professional wrestler in the Black Widow League, and I recently won the Japan Idol Championship. Since I'm now a hero to the Japanese people, which I'm really excited about, I figure I should learn Japanese so I can talk to my fans in their language! So I'm listening to one of those learn a language podcasts.

Man: Well, miss, that is commendable, but I'm afraid you've made a mistake. You are speaking Simplified Chinese. Good day to you.

He turns and walks away as Dragon pulls out her phone and examines the screen.

Scene ends

QUEEN OF THE RING **Aria Gunpowder** *REPRESENTING THE GUN COLLECTION*

ALL HAIL THE QUEEN!

(IWAR Women's Champion Aria Gunpowder is backstage unlacing her boots. The championship is beside her on the bench. Wildfire Betty Red confronts her.)

Betty Red: It's only a matter of time, Aria. You know it, I know it.

Aria: Oh yeah? It seems like all of you have something to say lately, but where it matters the most is in the ring.

Betty Red: The finals is here. Meat Train and I against Grapevine & Groove, and you know damn well we're going to annihilate them.

Aria: Don't count your chickens before they hatch. They may very well surprise you.

Betty Red: No surprises here. And after that, I plan to leave Where the Boys Aren't 3 with not only the IWAR Tag-Team titles but also with yours.

Aria: I like the commitment there, Betty, but there's always a chance that the best laid plans can go south.

Betty Red: Keep yapping, Aria. I'm gonna shut that trap of your real soon.

(Wildfire Betty Red leaves the camera view as Aria Gunpowder picks up and admires the IWAR Women's title.)

Rachel Van Dorn

Rachel is streaming live from Yamazaki Corporation headquarters.

Rachel Van Dorn: "Well, I was going to announce this last time, but then that crazy mf **Barb Dwyer** crashed a plane into a hospital, so you all had to wait. But now I'll announce that I have signed with the **Yamazaki Corporation**."

RvD looks down at her phone seeing she has a notification

"Oh, I see that **Barb** has decided on her match stipulation for **Where the Boys Aren't 3** and sent over my contract to sign. Let's see, oh a **Lion's Den** match, let me look that up online. Well, according to youtube, it just looks like an octagon-type of match, so let me just click to auto-sign this contract. Just looking forward to getting to face her again, and tbh I thought that **Barb** would come up with a crazier match, no shade."

RvD walks into an office and is greeted by Rachel Yamazaki

Rachel Yamazaki: "Welcome to Yamazaki Corporation Rachel, no more worries about your representation or if the BWL does not want to live up to their end of your contract."

RvD: "Speaking of contract, I just signed my rematch with **Barb Dwyer** and it wasn't as crazy as you would think, so I just signed it on my phone. So what do you have in mind?"

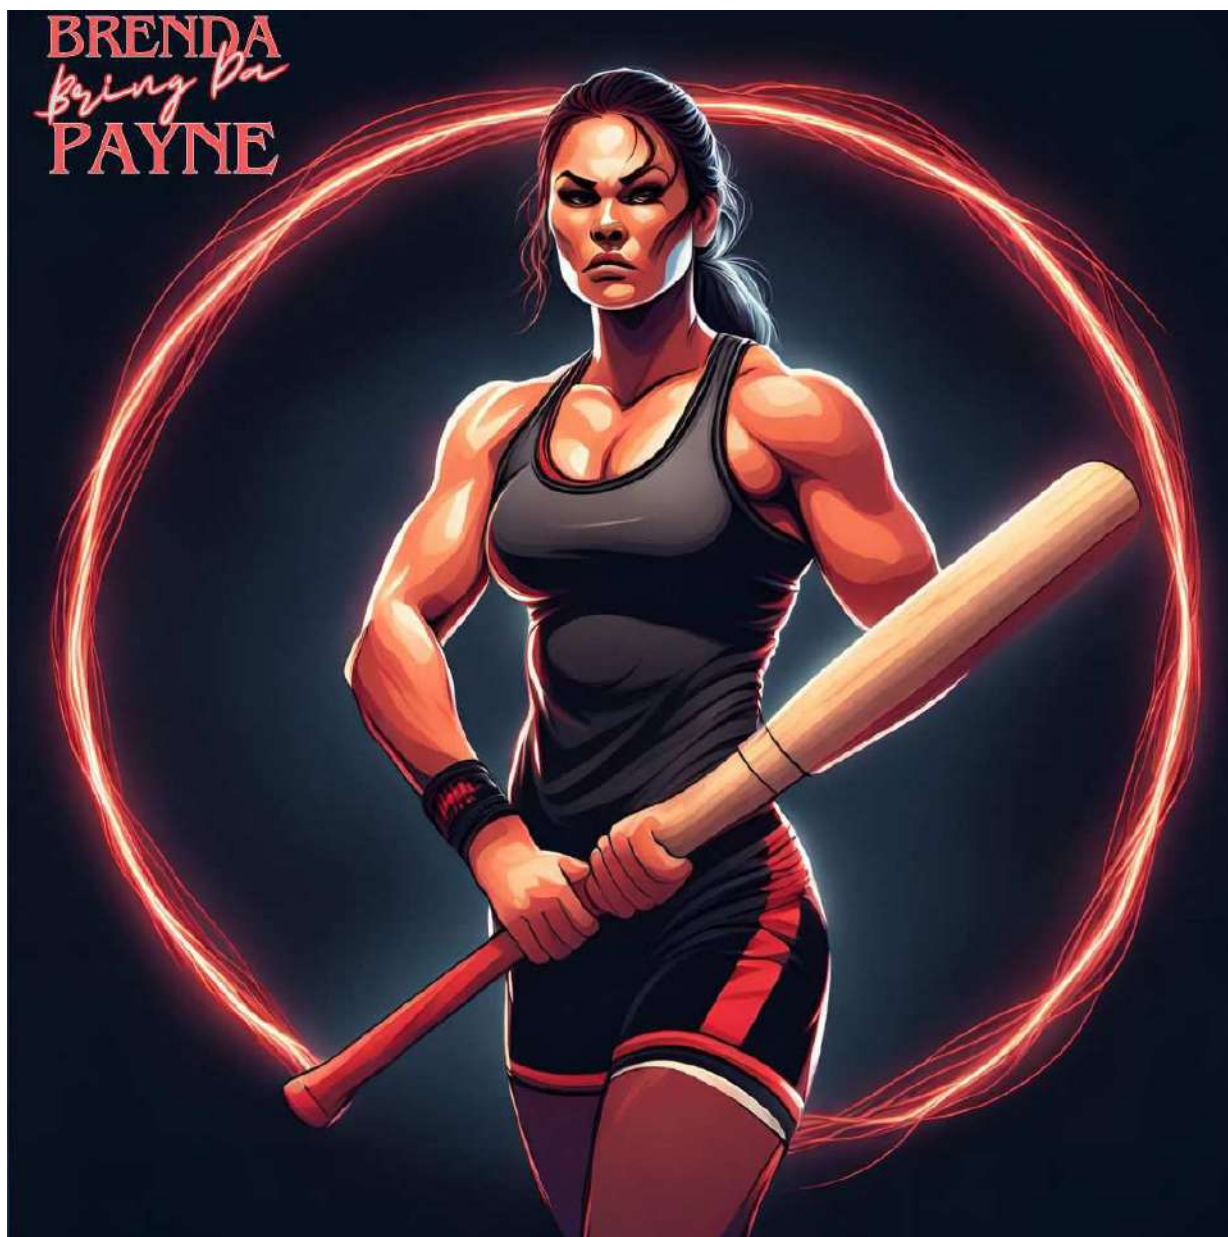

Rachel Yamazaki: "Next time make sure you send it to our staff; I'll look at it later and see if we can't get a restraining order too. You have the looks and the abilities to make even more money with the Yamazaki Corp's guidance. First, you have a print ad for the **NWL PPV**. Then, I bet you can do an independent podcast - we have some advertisers lined-up."

RvD: "A podcast? Wow, I would've never thought of that, it's just my voice. Wouldn't people pay more to see me than just listen to me? Maybe get **Sarah B. Money** on the pod?"

Rachel Yamazaki: "Not that lost little puppy dog. And yes, we can have a subscriber tier that has access to the video feed of the podcast. Next, we can tackle your next contract. We have some other leagues, like the **BBW** with offers. Let me look over the contract for **Where the Boys Aren't 3**."

Rachel Yamazaki has a look of concern as she reads

:::Brenda is shown in a close up and as we angle out we see her traveling with luggage and sitting down at a local hotel for an interview.:::

Brenda: Happy Easter BWL! You see the holidays are a time of reflection and I was able to sit down with my sisters, they're still doing their thing in the VVL and I do really miss them. I came here to help our family build generational wealth and I'm sick of looking at all these other ladies in the BWL. I want mine, I don't want a slice of the pie, I want the whole thing, including the crust! Now when I look at the ladies of BWL, I'll reminisce to a time of better days, growing up with my sisters and sitting there playing Super Mario Bros. Each one of you ladies look like a brick waiting to be smashed so I can get my coins. If you thought I brought the pain before, wait and see what I'm going to do. Huntress has been disposed of, Erika Phobia remains an issue since she cost me in the Lethal Lottery, and next up is my first BWL title match, Francine Buttafoolgi and the Global Title. I'm all-in on that Global Title, I want the dollars, the Crypto, the Euro, the Yen, the Rupee, the shilling, the peso, I'll take it all! We're going Global!

HUNTRESS

I look down at my waist and for almost the first time since I have been in the BWL I see no belt

As one of the greatest women's wrestlers in the IWAR things are looking bleak Yes, Master time for a change ...

Yes, Master I have no #1 contender match for any of the titles

YES MASTER My last chance is the Lethal Lottery ... yes, it is a sign of weakness to have to entrust another ... but Briggs will have to do ...

Yes, Master it may be time for the ultimate violent act Yes, they don't even know my name in the Tangled Web.... Yes, it is it time for the ultimate violent act

A Touch of Madness blast over the speakers as Huntress leaves the arena.

“Wildfire Betty Red! I must admit I never thought anyone would take that title from me! You got me, girl! Job well done! But...just know this. If I get another shot, ain’t no way anyone is walking out of that ring without the use of prosthetics! I’m about to hit my stride and everyone is in danger! Betty Thanu that means you specifically! You can duck and dodge all you want. If you don’t think I’m worthy, you’re about to find out, I’m the one!”

Addisyn Killswitch- Penny, I thought I heard you say you were taking something from me. It sounded like you think your taking my championship. If you for one second believe the hot trash you spew, well God bless that mind of infinite nothingness. You Penny, you drink your own koolaid. You believe you are some kind of phenomenon, some anti-hero that from what I see no one likes, no one believes in, and no one really cares about anymore. You’re a farce, a muppet whose time has come and gone. So go to Cage of Honor, do whatever it is you think you do over there and fade away because after our match, the shell of a human I leave in that ring won’t be fit physically or mentally to be part of BWL. I’m sorry Penny but time has left you behind and your relevance is waiting for you in Iron Fed.

Bandida

BWL programming fades in from a commercial break to a dark, dimly lit dive bar. The bartender, a rugged looking man with a thick mustache, is shown pouring a shot of tequila into a small glass. As he finishes pouring, he slides the shot over, the camera pans out...Bandida, with a bandanna covering her face, lifts it up and raises it to her lips. The fiery liquid burning down her throat. She slams the glass back onto the bar and lets out a satisfied sigh. She acknowledges the camera and speaks...

Bandida: Once again I have gold around my waist, The reigning Luchadoras Champion. What an honor it is! Destiny! Now lets get straight to the point...I am here to talk about the incredible opportunity that Commissioner Burna Hama has presented to me at the upcoming pay-per-view. A six-way ladder match to determine the number one contender for the Global title! Can you believe it?

But there's one person that I want to address... one of my opponents in this match, Spitfire Jeannie Briggs. This woman, she just can't stop complaining about the fans, constantly calling them mindless sheep. She believes she's being overlooked, that she works harder than anyone else, but let me tell you something... she may have more experience in the ring, but she lacks the heart, the passion, the fire that I bring to every match.

Jeannie Briggs, you may think you're the underdog, that you're fighting an uphill battle, but the truth is, your bad attitude is holding you back. You may have the skills, the technique, but you lack the heart and determination that I possess. And in that ladder match, when it comes down to it, it's not about who has the most experience, it's about who wants it more. And let me tell you, Jeannie, I want it more than anything.

So get ready, because at the pay-per-view, I will show you and everyone else in that ring what it truly means to be a champion. I will climb that ladder, reach for that opportunity, and secure my spot as the number one contender for the Global title.

¡Prepárate para la furia de la Bandida!
