## EXECUTIVE ORDER

Gordon Tenay, Gibbon Storm and Robby Neehan are dressed in their best suits in Washington, D.C.

GT: Good evening wrestling fans, and welcome to the nation's capitol, Washington, D.C. for Executive Order.

GS: This is going to be a great night of action-packed wrestling!

RN: Only if you quit talking so the action can start.

### Mike Mason vs. Theindys Nye

GT: Mike Mason has vowed not to compete at a pay-per-view unless Lazarus Lane gives him top billing. He says he's a main event wrestler and won't settle for less.

GS: Lazarus Lane said Mason was only good enough to open a card. So, we'll see who wins the battle of wills. Here comes Theindys Nye.

RN: This guy creeps me out. Big time. I feel like I need to take a shower after listening to him.

GT: Theindys Nye is making his way to the ring. Wait a minute. Mike Mason just attacked him as he headed down the ramp. They're exchanging blows around the ramp leading to the ring. Now they're brawling backstage.

GS: These two may not even make it to the ring.

GT: Mason picks up a cookie sheet and hits Nye over the head. Why is that even backstage? Nye just whipped Mason into the arena door. Now he pops the door open with Mason's head.

RN: The ring's the other way. They're headed outside.

GT: Our cameras have lost the wireless connection. I guess Mike Mason was right. He's not going to wrestle in a pay-per-view match unless it's the main event.

GS: This is ridiculous! Lazarus Lane needs to fine Mason!

RN: For what? He's a man of his word. He said he wouldn't settle for less than the main event and he meant it!

**Winner: No Contest (494-494)**

### "Zodiac" Horace Cope vs. Reese Rutledge

GS: This storm has been brewing for quite a while.

RN: What storm? Is it raining?

GT: Here comes Reese Rutledge. He wasn't going to compete in this match, but Lazarus Lane agreed to waive interest on the money Rutledge owes Lane if he wrestles tonight.

GS: Collar and elbow tie up. Rutledge gets Cope in an arm wrench. Now a headlock.

RN: He's looking to thrill the fans now!

GT: Cope with a backdrop. (10 MINUTES LATER)

GS: Rutledge has gained the upper hand. He has Cope in the corner and is standing on the second rope hitting Horace Cope with rights and lefts.

RN: Cope never saw them coming. I thought he's psychic!

GT: Now Rutledge whips Cope into the ropes. Oh, Cope just took out the referee when he bounced off the ropes. The ref just fell out of the ring and hit his head on the concrete floor. He may be out cold.

GS: Rutledge hits a piledriver and covers Cope. But there's no referee. Reese gets off Cope and slides out of the ring. He's trying to revive the referee.

GT: What is Cope doing? He just pulled a crystal ball out.

RN: He's a magician and a seer. But why is he doing a reading in the middle of the match?

GT: He's not. He just hit exploded that crystal ball all over the head of Reese Rutledge.

GS: Rutledge is busted open and there's glass everywhere.

GT: Now the ref gets in. 1...2...3. Cope pulled this one off.

RN: Now he gets a stipulation. What will it be?

GT: We'll find out next cycle!

**Winner: "Zodiac" Horace Cope (492) over Reese Rutledge (489)**

### The American Patriot vs. Borg Genesis

GT: The superhero versus the cyborg. It's a match the fans have been wanting to see since Superman and Terminator were in theaters.

GS: There's the bell and we're underway. Patriot bounces off the ropes and can't move Borg at all with a shoulderblock. Now he bounces off again. Again, Borg doesn't move.

RN: It's the unstoppable force versus the immovable object.

GS: That's my line! (10 MINUTES LATER)

# RESULTS

## EXECUTIVE ORDER

GS: Patriot has been able to mount some offense, but it's been largely ineffective against Genesis.

RN: Genesis hasn't even been knocked off his feet in this match.

GT: Patriot now has Genesis dazed. Patriot hits Genesis with a superkick. Genesis is dazed. He falls to one knee.

GS: Patriot is going to the top turnbuckle now. He's going to do a cross body from the top.

RN: Genesis caught him and slammed him to the mat. I thought he was going through the ring. That's how hard Genesis slammed him into the mat.

GT: Now Genesis picks Patriot up. A huge backbreaker. Now he's bending him backward over his knee. Now Genesis picks Patriot up again. A second backbreaker. He's again putting pressure on Patriot's head and lungs and driving that back into his knee.

GS: Now Genesis picks Patriot up off the mat. He puts Patriot's head between his legs and flips him up. He's going to powerbomb him!

GT: He's headed to the corner. He gave Patriot a powerbomb right into the ring post and the top turnbuckle. Patriot is hurt! The ref is stepping in and pushing Genesis away.

RN: I think Patriot's really hurt.

GT: The referee has stopped this match. Medical professionals are entering the ring. Here comes the stretcher. Patriot is being wheeled out to the ambulance. We'll give you an update on his condition later in the show.

**Winner: Borg Genesis (492) defeated The American Patriot (490)**

### #1 Contender Match

#### Triple Six Rebels vs. Blitzkrieg and Kamikaze

GT: Two new, up and coming teams square off for the chance to win the CWL tag titles at the next pay-per-view.

GS: This match promises to be a match people will remember for years to come. (25 minutes later)

GT: These two teams have left their all in the ring tonight. We've seen power moves by the Triple Six Rebels and a fast, aerial-based attack from Blitzkrieg and Kamikaze.

GS: Now, Blitzkrieg and Kamikaze have isolated Titanous to their side of the ring. He's been taking punishment for about ten minutes.

GT: He did manage to crawl over and make the tag at one point, but the referee was distracted by Kamikaze and didn't see it.

RN: If the ref didn't see it, it didn't happen.

GT: Now Blitzkrieg tags in Kamikaze. Blitzkrieg puts Titanous on his shoulders while Kamikaze goes to the top rope. It looks like we're going to see a version of the Doomsday Device. No, Kamikaze comes off the top with a cross-body block but Titanous catches him in mid-air. He's holding Kamikaze while still on Blitzkrieg's shoulders.

RN: This is unbelievable. I've never seen anything like it!

GS: Now Castle comes in, bounces off the ropes, and takes Blitzkrieg out at the knees. His knees buckle, Titanous lands on him, while at the same time bringing Kamikaze to the mat with a powerbomb.

GT: Now all four men are in. The referee is trying to restore order. He's trying to get Blitzkrieg out, but Castle and Titanous have put the Squeeze on Kamikaze.

GS: Titanous just collapsed from exhaustion. Kamikaze is out, too. Castle puts Titanous on top of Kamikaze.

GT: 1...2....3. The Triple Six Rebels will face the winner of the tag team title match later tonight at the next pay-per-view.

**Winner: Triple Six Rebels (512) defeated Blitzkrieg & Kamikaze (511)**

### Update on American Patriot's Condition

GT: Ladies and gentlemen, we've just learned that the American Patriot suffered a broken back at the hands of Borg Genesis. It's not known if he will need surgery, but he has been admitted to the hospital at Georgetown University for observation and tests.

## EXECUTIVE ORDER

### Red Scorpion 2 vs. Red Scorpion's Friend Doug

GS: The bell rings, and we're underway! Robbie, any early thoughts?

RN: Yeah, I've seen better matches at a kindergarten recess. Wake me when it's over.

GT: Beautiful arm drag by Doug! He's surprising us already!

RN: Even a blind squirrel finds a nut occasionally, Gibbon.

GS: Amazing agility from Red Scorpion! These two are putting on a clinic!

RN: Did you check your glasses today, Gibbon? Even a broken clock is right twice a day.

GS: Moonsault! Doug might have it! One, two—NO! Scorpion kicks out!

RN: Doug was closer to victory there than he's ever been to getting a date.

GS: Spinning heel kick! What impact!

RN: Doug might think twice about getting up after that!

GS: Wait a minute! It's Doug's brother Craig, out here supporting!

RN: Someone please turn Craig around, he's cheering for the popcorn vendor!

GS: Craig just prevented Roman Rienv's interference!

RN: Talk about blind luck! Craig's the best accidental enforcer I've ever seen!

GS: The Stinger connects! Here's the count—one, two, three! Red Scorpion II takes it in an instant classic!

RN: I can't believe I'm saying this, but that was a fantastic match, Gibbon.

GS: What's this? Scorpion looks terrified!

RN: Maybe he remembered he left the oven on.

GS: Unbelievable! It's Akeem Bixenspan all along!

RN: That's the biggest reveal since you showed your toupee, Gibbon.

GS: What a moment! Respect between these two athletes.

GS: Holy cow! Ricky Spanish out of nowhere with a vicious chair shot! The force of the blow bends the steel chair in half, leaving Akeem Bixenspan busted open and unconscious on the mat!

RN: Oh No! He has a microphone.

Ricky Spanish: I'm tired of this f\*\*\*\*\*g clown show. I've been sitting in a cell for months, watching what the IWAR has become. Where are the warriors? Where are the fighters? All I see are stupid jokes, bad puns, swamp monsters, aliens, blind guys, cruiserweights—it's all types of bullshit. Lazarus Lane, it's true that Luthor Alexander sent me here to kill you. Not to take the CWL away, not to beat your representative in a match—I'm here to kill you. This ain't no sports entertainment angle; I'm here to hurt people, I'm here to set things right. And as for the ringmaster of this f\*\*\*\*\*g circus, Barry 'take a d\* in the a\*\*\*' Stevens... When I was a kid, Barry Stevens was my hero, a badass who didn't take s\*\*\* from anyone. Now he's a gimmick. You don't believe any of the s\*\*\* you say. It's just a \*\*\*\*ing fad for you. I live the struggle every day—I had to fight to survive on the streets, surrounded by drug dealers, murderers, rapists, in the Bronx where society left us to die. We struggled, we fought. People like you forced us out of our neighborhood and put up Starbucks and smoothie shops. Barry Stevens, \*\*\* your smoothies. When I find you, I'm going to end you—I don't care if I die doing it.

**WINNER: Red Scorpion 2 (492) defeated Red Scorpion's Friend Doug (491)**

### Beat the Clock Match #1

### Red Scorpion's Friend Doug vs. Borg Genesis

GT: Ricky Spanish just left the ring. It took Craig a few minutes to locate Doug, but he's helping Doug to the back.

GS: Wait a minute. Here comes Borg Genesis. Genesis grabs Craig and throws him over the railing into the crowd.

RN: Craig never saw it coming!

GT: Genesis grabs Doug and lifts him straight up and throws him over the top rope into the ring from the floor.

GS: What a feat of strength!

GT: Here comes a referee. There's the bell.

GS: Genesis picks up Doug and smashes his head into the turnbuckle.

# RESULTS

## EXECUTIVE ORDER

GT: Doug may be out.  
GS: Genesis picks him up again. A piledriver. There's the cover.  
GT: Genesis wins in a time of 34 seconds.  
RN: That's going to be hard to beat. I'm not a betting man, but I'd put all my money on Borg Genesis to be the #1 Contender to the Internet title.

**WINNER: Dynasty: Borg Genesis (492) defeated Red Scorpion's Friend Doug (491) in 34 seconds**

### Beat the Clock Match #2 Alec Von Snapp vs. Thrash

GT: To become the number one contender to the Internet title is next to impossible. One of these two wrestlers will have to win in 33 seconds or less.  
GS: Thrash comes out first, followed by Alec Von Snapp. Why isn't Alec getting in the ring?  
RN: Looks like he lost a contact lens or something.  
GT: This one will start as soon as Von Snapp gets in the ring.  
RN: Hey, look, it's a waitress from the Twin Peaks next door.  
GT: Yes, it is! She's climbing over the barrier and climbing onto the ring apron.  
GS: She's certainly caught the attention of Thrash.  
RN: She's not wearing a lot, but it's only a knot separating Thrash and heaven. Now, she's loosening that knot.  
GT: Thrash is in heaven. But wait, he just reached his hand out and she slapped him across the face.  
RN: Hey, look. Alec must have found his contact. He slides into the ring, the referee rings the bell.  
GS: Now Alec Von Snapp rolls up Thrash from behind. 1...2...3.  
GT: I can't believe it! He did it!  
GS: In just ten seconds, Alec Von Snapp beat Thrash. Now he's headed to the next pay-per-view to challenge for the Internet title.  
RN: Just when you think you've seen it all!

**WINNER: Alec Von Snapp (496) defeated Thrash (490)**

### War Games Match to Determine #1 Contender to CWL World Title

GT: Because of his injuries earlier tonight, American Patriot will not be able to compete in this match. That leaves four competitors: Norman "the Loon" Kevcus, Midnight Scorpion, Titus Castle, and Barry "USA" Stevens. One of these four will walk out tonight with a shot at the CWL World title.  
GS: All four competitors are in the ring. There's just one cage for this match, but it is enclosed. Once the cage is down, the match will start. Remember, no pinfalls will be counted. It's submit or surrender.  
GT: There's the bell and we're underway. (15 minutes later)  
GS: Who knew the CWL stored so many weapons under the ring? Midnight Scorpion has been pummeling everyone with a barbed wire baseball bat. Titus Castle is busted open. Norman the Loon is also busted open, but Barry Stevens had some brass knuckles in his trunks that busted him open.  
RN: Kevcus may be out. You can't submit if you're knocked out.  
GS: It makes it difficult. Scorpion and Stevens are now double teaming Titus Castle. Scorpion has Castle in a scorpion deathlock. Stevens has his Emotional Support Chair and he just nailed Castle with the chair. Castle is in excruciating pain. Now Stevens hit him a second time, right between the eyes. Castle is gushing blood. Stevens is pulling the chair back again.  
GT: No, Castle can't take anymore. He gives up.  
GS: While Scorpion still had the deathlock in, Stevens drilled Scorpion with the chair. Now he gets him in the Give Til It Hurts Clutch.  
GT: Scorpion is tapping out.  
RN: Stevens think he's won it.  
GS: What about Kevcus?  
GT: Either he's out, or he's playing possum.  
GS: Stevens has a microphone.

# RESULTS

## EXECUTIVE ORDER

BS: We're here in the heart of the nation, Washington, D.C., the place where all the problems this nation face stem from.

GT: What's that music? I know that tune. It's "Hail to the Chief." It can't be!

GS: It is. It's President Donald Trump. I can't believe it!

RN: Why? He's a WWE Hall of Famer.

GT: Trump has a microphone.

DT: I'd like to thank all of you for coming out to my nation's capitol to watch the greatest pay-per-view ever. I know so many of you voted for me. In fact, it was probably every one of you who voted for me.

BS: Shut up! Shut up!

GT: Wow, Stevens has a lot of nerve interrupting the President of the United States.

BS: You are the problem with this great nation. You are not making America great again. You're making it worse! No Kings. No Kings! I only want to hear two words from you tonight.

DT: What two words would those be?

BS: I quit!!!!

GT: That's it. Stevens just quit. The match is over!

DT: Well, it appears we have a winner. This fine young man (gestures towards Norman the Loon, whose handlers are putting him in a straight jacket) is the new number one contender to the CWL title. Very fitting. Vermin like you are not patriots. You don't deserve a shot at the title.

GS: I think Stevens has had all he can stand. He charges at President Trump, but Secret Service agents take him down. They're escorting him out of the arena.

DT: God bless the CWL, and God bless America.

GT: Norman "the Loon" Kevcus is the new number one contender.

RN: He'd raise his hands in victory, I'm sure, but his hands are being restrained in that straight jacket.

**Winner: Norman "the Loon" Kevcus (498) beat The American Patriot (490), Midnight Scorpion (495), Barry "USA" Stevens (497) and Titus Castle (494)**

### CWL Tag Title Match

#### Demolition Crew vs. Millennial Reign vs. Von Snapps

GT: This one features two legendary teams, both of which have a legitimate claim at being the best ever in wrestling history. Then you have a newer team. The reigning CWL Tag Team of the Year, Millennial Reign.

GS: This one has some strange rules. One man from each team can be in the ring at the same time like regular triple threat match, but they will be able to tag their partners. Whichever wrestler earns a pinfall wins it for their team and any wrestler from any other team can be pinned.

RN: You're telling me that Demolition Crew don't even have to be pinned to lose their titles? That's not fair!

GS: I don't make the rules. I just read them. That was an executive order from Lazarus Lane.

GT: There's the bell and Mike Gloom immediately goes after Alex Von Snapp. Bennie Factor just went back to the corner next to Arty Fischel and is watching it all unfold.

GS: They're beating the hell out of each other.

RN: Millennial Reign are smart. They'll just let them beat each other up and then pin them. Gloom tags in Zenith and now Zenith and Alex Von Snapp are going after Bennie Factor. Now it's the two legends teaming up to take down the young lions. (20 Minutes Later)

GT: This one has been all we thought it would be. We've seen both teams tagging in, keeping the fresh man in, but they're all tired after twenty minutes of action.

GS: That's why these three teams are the best in the business. They're doing all they can to keep the fresh man again.

GT: Now the legal men are Axel Von Snapp, Arty Fischel, and Shayne Zenith. Zenith just gave Fischel a massive power bomb and Fischel rolled out of the ring.

RN: What's Victor doing? He's giving Alex some pointers. Alex has his back turned to the ring talking to Victor. Now Zenith whips Axel into the corner, but he just ran into Alex and sent him to the floor.

# RESULTS

## EXECUTIVE ORDER

GT: Alex's throat hit that metal ring barricade. He's having trouble breathing. Axel and Victor are out trying to help Alex. He can't breathe. Get someone out here, quick!

GS: In the ring, the match is still going. What the hell is Arty Fischel doing?

GT: He and Bennie Factor just pulled their iPhones out of their trunks and they're recording what's going on.

GS: Bennie Factor slides out of the ring to get a closer view.

GT: Meanwhile, Gloom and Zenith have just grabbed Fischel.

RN: That punch just knocked Fischel's phone into the fourth row! Grab that. It's worth a fortune.

GT: The Demolition Crew just gave Fischel the Wrecking Ball.

GS: Bennie Factor is still filming the carnage. Axel is worried about Alex.

GT: 1...2....3. This one's over. Demolition Crew retain.

GS: These guys are further cementing their legacy.

RN: It'll be another legends against young lions match when they face the Triple Six Rebels.

**Winner: Demolition Crew (512) defeated Millennial Reign (508) and the Von Snapps (504)**

### CWL Six-Man Tag Title Match

#### Nutty Bunnies vs. Triple Six Rebels

GT: Now the six-man tag titles are on the line as the Nutty Bunnies face off against the Triple Six Rebels.

RN: This isn't fair. Titus Castle has already wrestled twice. Titanous has wrestled once. I lodge a protest!

GS: What do you care, Cranium?

GT: I will agree that the Triple Six Rebels don't look fresh. Manny Nuff will start the match against one of the Bunnies.

RN: That's Nutty Bunny 1.

GT: How can you tell?

RN: How can you not. This isn't fair, though. Titus Castle probably has a concussion after those chair shots earlier.

GS: He didn't have to compete, but he's showing his toughness by competing yet again tonight. (15 Minutes Later)

GS: The Nutty Bunnies have been dominant against the worn-out Triple Six Rebels. The Bunnies have used their experience to take out Manny Nuff and Titanous. We still haven't seen Titus Castle.

GT: Nutty Bunny 3 is working over Titanous. He drills him with a DDT. Now he runs over and punches Manny Nuff. Manny tries to enter the ring but the referee is holding him back. Meanwhile, Titanous is crawling over and tags in Titus Castle.

GS: This guy shouldn't even be wrestling. He has a concussion. He can barely make it through the ropes.

GT: All three Nutty Bunnies in. Now all three Rebels in the ring, too. Nutty Bunny 3 nails Titus Castle with a DDT.

GS: Castle isn't moving.

GT: The referee finally restores order. Now he sees Castle laying motionless.

GS: The ref is stopping this one. He's calling for medics.

RN: They've been busy tonight. Is it a full moon?

GT: The Nutty Bunnies have retained yet again.

GS: They have to face some fresh team, not a team where half the team had matches earlier in the card!

GT: The Nutty Bunnies are making their case for the best ever six-man in the CWL!

**Winner: Nutty Bunnies (514) over T6R: Manny Nuff, Titus Castle, and Titanous (513)**

### Interview with Dakawande Boombaye

GT: Now for a special interview with a man who has been silent for months, let's go backstage to Pam Paulshock.

Pam Paulshock (bright, smiling):  
"Ladies and gentlemen, please welcome my guest at this time—'The King of the Concrete Jungle'... Dakawandeshe Boombaye!"

[Boombaye steps into frame, stoic and calm, ready to speak—when—WHAM!]

RICKY SPANISH FROM OUT OF NOWHERE!

# RESULTS

## EXECUTIVE ORDER

A steel chair cracks across Boombaye's back, buckling his knees before he can even speak. The audience erupts in horror.

Pam screams, "Stop it! Ricky, stop!"

Spanish spins around, fist clenched—and Pam Paulshock nearly gets punched out of instinct. She throws her microphone, stumbles backward, and runs off sobbing.

Ricky Spanish (snarling, into the camera):

"LUTHOR ALEXANDER SAYS HELLO!"

With no hesitation, Ricky lifts Boombaye up into the air—CRADLE TO THE GRAVE! The jumping cradle piledriver smashes Boombaye's head into the concrete backstage floor. But Ricky isn't done. He stands over the motionless Boombaye, cold and furious. He kicks him in the skull. Hard.

A moment of eerie silence follows—before security and paramedics rush in.

Paramedic (off mic):

"I think he's not breathing—somebody check for a pulse!"

The camera cuts away immediately.

### CWL Internet Title Match

#### Battle Axe vs. Double D Christoph

GT: Here we go for the Internet title.

GS: Double D Christoph came up just short last pay-per-view for the CWL World title and got duped out of Brawl For It All Win by Bennie Factor, but his second place finish earned him this title match.

GT: Battle Axe will bring his experience and aggression.

RN: Double D will bring his...double D's.

GS: Will you stop? (10 minutes later)

GT: This match has been action-packed. Both of these men are having to rely on their stamina here, as they've stood toe to toe and exchanged blows, exchanged suplexes, and both men have taken everything the other has thrown at him.

GS: Now Double D has control after he rolled out of the way of legdrop. He's giving Battle Axe bionic elbows to the head.

GT: Double D sends Battle Axe into the ropes. D ducks down for a bodydrop but Battle Axe flips over him. Sunset flip. 1...2....Oh, that was so close!

RN: Axe almost surprised him!

GT: Now Battle Axe is in control. He's using power moves and body shots to wear Double D down.

RN: Every time he hits him, the Double D's shake!

GS: Battle Axe slams Christoph to the mat. Now Battle Axe is going to the top. He's going to come off with an elbow.

GT: Double D caught him with a blow to the midsection and flipped Battle Axe over. Now Double D is stalking Battle Axe, just waiting for him to get up.

GS: There's the "D" Jab!

RN: What did you call him? A "D" bag?

GS: No, I said "D" Jab, and that should be it.

GT: 1...2....3. This pay-per-view ends a lot better for Double D than the last one, with him holding the CWL Internet title high.

GS: We have a new champion, Double "D" Christoph!

**WINNER: Double D Christoph (494) over Battle Axe (491)**

### CWL World Title Match

#### "Nature Boy" Phil Landers vs.

#### "Late Night" Logan Kane

GT: Now it's time for the main event.

RN: The champ is here! The Nature Boy. Whooooo!

GS: We're not supposed to be biased, Cranium.

RN: Worry about yourself, Gibbon!

GT: Kane is in the ring. He looks ready, but he also looks a little distracted.

GS: He's looking around, like he's looking for someone.

GT: He's looking for the Chameleon.

GS: Speaking of the Chameleon, the fans are going wild as the cameras show The Chameleon sitting in a suite with Deebo Samuel, Jayden Daniels, Sheldon Day, Matt Gay, Javon Kinlaw and other members of the Washington Commanders.

RN: He has to forget about the Chameleon. He has the chance to win the CWL World Heavyweight title. He can't be thinking about the Chameleon.

# RESULTS

## EXECUTIVE ORDER

GT: Here comes the champ, and he's focused.

GS: Logan Kane has called Phil Landers a Ric Flair wannabe. Landers is going to do everything tonight to prove he's not.

GT: There's the bell. Landers extends his hand to Kane. Kane is getting ready to shake it, but Landers pulls his hand back and fixes his hair, while yelling "Whooooo" in Kane's face.

GS: That made Kane mad and he charged Landers, kicking him in the gut, body slams him to the mat, then sends him into the ropes and gives him a press into a slam.

GT: Landers backs into the corner on his knees. He has his hands up in surrender, yelling "Noooo" to Kane.

GS: He's begging Kane to stop.

GT: Now Kane whips Landers into the corner. Landers flips upside down over the turnbuckle, lands on his feet, and crosses the ring to the top turnbuckle.

GS: Kane catches him though. Landers is begging no, but Kane throws him off the top. Now Kane is bludgeoning Landers with right hands. Landers stands up, takes three steps toward Kane, and now falls flat on his face.

RN: The Nature Boy is in trouble here! (25 minutes later)

GT: This one has been all Logan Kane, but he hasn't been able to put the Nature Boy away.

RN: I've never seen the Nature Boy in this much trouble. If he doesn't mount some offense, this one will be over soon and we'll have a new champion.

GS: Landers has had a few moments of offense, but nothing close to what it's going to take to put away a superstar the caliber of Logan Kane.

GT: Kane has been trying to set up for the Punchline, but hasn't been able to hit it yet.

GS: Now Kane hits a brutal clothesline on Landers.

GT: He's setting him up. Punchline!

GS: This one is over. 1...2...3!

RN: No! No! No!

GT: I don't think he got him. It was close, but Landers got his shoulder up at the last second.

GS: The fans can't stand Kane, but they like him better than Landers. They're in shock. They thought this one was over, too.

GT: Looks who's ringside. SDB Chips also thought it was over. He's got the belt. He's on the apron trying to hand the CWL World title belt to Kane.

RN: Landers didn't lose, you idiot.

GT: Well SDB doesn't realize it. The Night Owls don't realize it. They're ringside celebrating. The referee is trying to let them know that Kane didn't win.

GS: SDB has the CWL World title right in Kane's face. Kane doesn't know if he's won or lost. He's asking SDB if it's over.

RN: Look out for the dirtiest player in the game!

GT: Phil Landers got behind Kane and pushed him into SDB Chips. SDB Chips accidentally hit Logan Kane with the CWL World title.

RN: Get in there, ref!

GT: Landers covers Kane. 1...2...3. SDB Chips was trying to celebrate with Logan Kane, but he ends up costing Logan Kane the CWL World title.

RN: Or was he? Maybe he was just jealous of Logan Kane. I saw him hit Kane with the title belt!

GS: Will you stop? Chips got caught up in the moment, but it still cost Logan Kane.

RN: All that matters is, still your World champion, Nature Boy Phil Landers. Whooooo.

GS: Yes, but he has a date with a Loon soon. Norman "the Loon" Kevcus, that is.

GT: And Logan Kane goes on to face the Chameleon at the IWAR Supershow.

GS: Speaking of the Chameleon, look at him celebrating Kane's loss with the Commanders.

RN: Maybe he's just celebrating the Nature Boy's win!

GT: I don't think so!

GS: That's all the time we have for tonight, fans.

**Winner: Nature Boy Phil Landers (496) defeats "Late Night" Logan Kane (492) to retain the CWL World Title**

RICKY SPANISH!!! RICKY SPANISH!!!  
RICKY SPANISH!!! I will not have you stepping into Luthor Alexander’s shoes in the CWL, doing his bidding while he runs the NWL into the ground. You may have killed one of the CWL’s best wrestlers! I’m putting a bounty on Ricky Spanish! Any and every wrestler that can take him out by more than fifteen points will be awarded \$50,000 in imaginary money! TAKE HIM OUT!!!

Even though Luthor Alexander is banned from the CWL, we are under siege by his minions! The next pay-per-view, will appropriately be called Under Siege. If Ricky Spanish is still in the CWL by then, I want somebody to face him than can put an end to his reign of terror!

Congrats to Double “D” Christoph for taking out Battle Axe to win the Internet title. I love it when young talent rises to the occasion!

The title matches for Under Siege are set and listed above. If you want a match on the pay-per-view, let me know.

# COMMISSIONER NOTES

Don’t forget to trash talk to be eligible for a Commissioner title! Trash talk is what makes the pay-per-views fun!

This summer has been an extremely busy time so far. I will get back to recapping trash talk, hopefully next cycle or the one after that.

It’s great to see new faces in the Trash Talk section. If you know anyone looking for a great trash talk league, invite them to join. This league has gone from a non-competitive league with not many matches where all my wrestlers easily won regionals to a highly competitive league. I can’t wait to see how it continues to grow and evolve! You guys are the best!

**Borg Genesis**, what you did to me at Executive Order was inexcusable. Breaking my back? You tried to destroy me, but you failed. Now, I will focus on getting better. I'll focus on making a comeback. When I come back, I want another shot. I will get my revenge. They say you can't be beat. I say can't never could do anything. I will work to get back into the ring. And I will not rest until I defeat you!

**Logan Kane**, you couldn't get the job done against Phil Landers. Were you a little distracted?

Tick tock. Tick tock. Tick tock goes the clock. Closer and closer to our Total Victory match at IWAR Supershow. No DQ. No countouts. I'll beat you once with a Widowmaker, then make you submit for the win. This is the brawl to end it all. This is the main event of all main events. This is the battle of the century. Just know, Logan, I won't go easy on you. Because the only easy day was yesterday.

## MILLENNIAL REIGN

Arty Fischel and Benny Factor are in the ring.

MBF: I can't believe we lost!

GAF: It wasn't our fault!

MBF: True, that timekeeper rang the bell only twice instead of three times.

GAF: Yeah, and Michael Finkel didn't emphasize Reign like he usually does. It was all I could think of during the match.

MBF: That ring sweeper didn't get all the fiber off the mat in between the matches. I was trying to get a string off my trunks half the match.

GAF: Don't forget Gordon Tenay. He misspoke and called me Bennie. It crippled my ability to perform.

MBF: That referee. His counts were an eighth of a second off! He's the one that really cost us the match!

GAF: Bottom line. That loss wasn't our fault. We're still the best!

Hello CWL. Welcome to the Freak Show! I am your host, The Zodiac Horace Cope.

Reese Rutledge, the cards were right, as always. How is your head? It almost seems like something was shattered over it. Hmmm, exactly what the cards foretold.

Now the Zodiac is going to step up his game. It's long past time. I will not just read the cards, it's high time I began to influence the cards. What's in the cards for me? A title shot. Whooooooo! To be the man, you have to beat the man. Here I am, the CWL title still locked in around my waist. The IWAR title is still over my shoulder.

**Logan Lane**, you couldn't get the job done. You say I'm a Ric Flair wannabe. I guess that makes you a Big Van Vader wannabe! Why? Because Vader never once beat Flair and you've never once beat me!

**Dakawandeshe Boombaye**, you want my IWAR title. Well, you don't deserve it. You Ninja Turtle wannabe! You're not even in the same class as the Nature Boy! I'll beat you at the IWAR Supershow!

Then there's **Norman "the Loon" Kevcus**. Looks like you earned a shot at my CWL World title. I've never had a beef with you. I respect your work. But if you want this title, you'll have to pry it from my cold, dead hands!

# JOHNNY WALKER

*Provokes Like The Snake That He Is*

The crowd is roaring after an impressive victory by newcomer Theindys Nye. Nye stands in the ring, catching his breath and soaking in the cheers, when suddenly— CRACK!

A figure slides into the ring behind Nye. It's "the Edge" Johnny Walker. He whips Nye around and drops him with a devastating DDT onto the CWL logo at center ring. Boos erupt from the crowd. Walker slithers back, crouched over the downed Nye, a sly smirk forming beneath his jet-black hair.

The show cuts to a commercial break. When it returns, we are backstage with Johnny Walker. Walker is standing with his back to the wall, arms folded, breathing slow and deliberate. The glint in his eye says more than the smirk on his lips. He speaks softly, like a whisper laced with venom.

"You feel that, Nye? That crackle in the back of your neck? That whisper in your ear when the lights got low? That wasn't a surprise. That was a warning."

"You came into my league talkin' like you're some kind of messiah, like the CWL was waiting for a saint in shining spandex. But I see you. Oh yeah... I see through you. Behind that halo of humility, there's a liar. A poser. A polished, pretty puppet playing to the fans because it's safe. You think shaking hands, kissing babies, and standing for something makes you better than the rest of us?"

(He leans closer to the camera, lowering his voice even more)

See, righteousness doesn't mean anything... unless it's tested in darkness. And I am that darkness, Nye. I am the itch behind your smile, the shadow in your spotlight, the voice that tells you the mirror's lying. You say you fight for truth, for honor? Well, truth's just a story we tell to feel comfortable. And honor? Honor gets you nowhere in this business. I've walked the sharp edge of this world, and I've bled for every inch of it. You? You've barely learned how to crawl."

"So here's what's gonna happen: You're going to find out who you really are—because I'm going to peel back that shiny skin of yours, layer by layer, until the fans see exactly what I already know. You're a fraud, Nye. And I'm going to expose you, piece by piece."

He looks directly into the lens now, eyes ice-cold but calm, with a crooked smile curling on his lips.

"The CWL doesn't need another hero... It needs a truth it can't look away from. And lucky for them... I've already written the ending. Trust me."

# DEMOLITION CREW

**GLOOM:** "And, just like that - the Demolition Crew has once again proven without a shadow of a doubt that not only ARE we the greatest tag team in fantasy wrestling, but the we STILL belong at the top of the mountain, baby. At Executive Order, the CWL threw everything it could into that ring in an effort to dethrone us from the King's chair, but the Millennial Reign and the Von Snapps just weren't enough to get the job done. Tell 'em, Mikey."

**ZENITH:** "That's right. We've been doing this a long time and when you look down through our extensive list of accomplishments, it's not hard to see that there's nobody out there that's done it better than we have. Now, they said that we're too old, but we've taken down the young bucks like **the Syndicate** and **the Millennial Reign**. They've debated whether we truly are the best of all-time, and now we've taken down **the Von Snapps**. And, now we've got the **Triple Six Rebels** or **Bet On Yourself** - whatever they're calling themselves now, and I'm sure that's gonna be a great match. But, we've made it clear that we're near the end of our road in this business and there's really only one way we can see fit to call it a day. And, so we're issuing a formal challenge to the Von Snapps!"

**GLOOM:** "We got the best of you in a Triple Threat at Executive Order, but all that did was even the score. You think you're the best of all-time. We think we're the best of all-time. How about we settle this in a Best of 5 series. We don't care where and we don't care if there's any stipulations. All we care about is that you two punks get a one-way ticket booked to Demolition-Town and you'll find out that road leads to a very, VERY bad ending for YOU!"

The Demolition Crew has been terrorizing the tag team scene ever since debuting in the Mid-Atlantic Region League back in 2009. They made an immediate impact there by winning the Cochran Cup, several titles, and engaging in feuds with other top teams in the league. After taking a multi-year break from the game, they returned with a splash in 2020 and since then have left their mark on multiple leagues, to include the FSL and IWL, before arriving in the CWL in 2024. In 2024, they were the first tag team inducted into the PBM Hall of Fame.

## *Make England Great Again*

**DUKE:** "Hey, listen up, CWL. We've been a little quiet around here as of late, but with the 4<sup>th</sup> of July coming up right around the corner, we thought this was the perfect time to come out here and grace you with our presence once again."

**CHAUNCY:** "That's right! You see, every time we turn on CWL television, we get the misfortune of having to watch some liberal scums like **Barry Stevens** or cartoon gimmicks like that **Bag o' Chips**. It makes it so painfully obvious that you jerk-wads have taken your liberties here in America for granted. You complain about patriarchy and capitalism like it's birthed out of the antichrist or something. You scowl at people like **Mike Mason** and **Lazarus Lane** as if they're the problems. The reality, though, is that you're just jealous because you want what they have - but, you're all either too damn lazy or too incompetent to build the type of empires that they've built and therein lies the problem. While your great country carries the weight of the world on its shoulders by having the balls to drop bombs on Iranian nuclear sites, you all are so wrapped up in that one time that your President hurt your feelings that you'd rather entrench yourselves with terrorists than demonstrate an ounce of actual patriotism. You all make us sick and we've had enough of it. Our goal is simply to Make England Great Again and in order to do that, we realize that we have to combat socialism and combat liberalism."

**CLYDE:** "The Continental Wrestling League has both the fortune and displeasure of being our stomping ground. We're here on a mission and that is to..."

**ALL THREE:** "We're going to to Make England Great Again!"

*At a CWL live event in the KeyBank Center, “9 to 5” by Dolly Parton begins to play over the PA system. Zeb and Siena Martin make their way to the ring. Zeb has a mic in hand, white t-shirt and jeans: just the Watson Mill Kid lookin’ weary but determined. Siena is dressed somewhat athletically, decked out in a peach-colored Sienamart windbreaker. They enter the ring and address the Buffalo audience.*

**ZEB:** Hey y’all. This ain’t gonna be one o’ them speeches with a lot of fireworks. But I got somethin’ weighin’ on me, and I reckon it’s time I say it out loud. Me and Mike Mason? We done been at each other’s throats for near ‘bout a year now. Ever since I walked into CWL, it’s like our paths was meant to collide—and then just keep on smashin’ into each other, month after month.

*The audience gives a rumble of recognition. A few folks yell “Mason Enterprises sucks!”*

**ZEB:** Between the sneak attacks, the wedding chaos, y’all dumpin’ my drawers across the parkin’ lot? Me’n Siena been stuck in this loop. And I’ll save the bull with y’all. Every time I start gettin’ a little momentum? I get pulled back into this. And I can’t be the man I’m supposed to be, not in the Continental Rasslin League, not in the IWAR. Not if I keep lettin’ this happen.

*He takes a breath. The crowd quiets a bit, sensing something bigger in his tone.*

**ZEB:** So Mike. Johnny. Vince. I’m callin’ y’all out here tonight. Not for a fight. Not to settle the score. But to put it behind us. ‘Cause I got yer answer to the question you been askin’.

Without missing a beat, the Mason Enterprises theme hits. With a businesslike demeanor, the three IWAR mainstays begin to walk out. Mike is calm and smooth, Johnny is smug, and Vincent stone-faced. They enter the ring as Zeb keeps his eyes locked on Mike “Freakin” Mason

**ZEB:** I ain’t gonna lie, Mike. I thought long and hard ‘bout your offer. You said I could be part of somethin’ bigger. And you might be right. But I’d have to compromise who I am. And I just can’t do that. I ain’t built for shortcuts. I ain’t built to follow orders from folks who don’t see people – they only see profits. So my answer on joinin’ Mason Enterprises? I reckon no.

*The crowd erupts in a loud cheer, thankful that Zeb is firm on not selling out his ideals. Siena nods quietly next to him.*

**ZEB:** But I’m hopin’ we can be men about it. You can respect my answer, and we shake hands like grown folks and leave this in the rearview mirror. And we put an end to the B.S. between us fer good.

*Zeb extends his hand. Long pause. Mike slowly steps forward. A hush falls over the crowd.*

**MIKE:** Well, Zeb. That's disappointing to hear. But I can respect your decision, especially since you brought me out here like a man to do it face to face. Fine. We'll go our separate ways after tonight.

*He takes Zeb's hand. The two shake. Mike turns to leave—then subtly gestures behind his back.*

**BAM!**

*Vincent Torrio clocks Zeb with a brutal short-arm lariat!*

**GIBBON:** NO! Come on now—AGAIN with this?!

**GORDON:** Wait... look at this! They aren't piling on like they normally would. What's goin' on here?

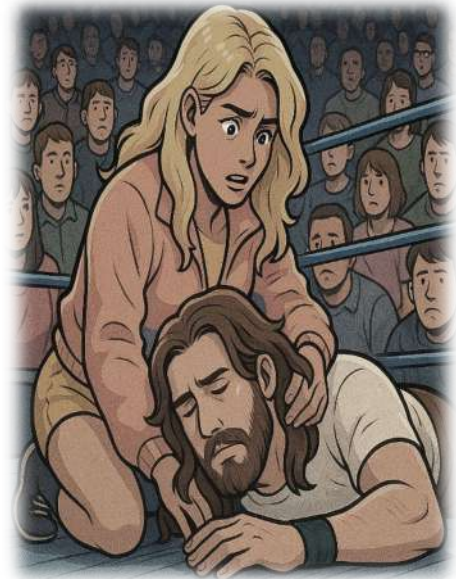

Johnny the Wrench restrains Siena: not violently, just enough to keep her from interfering. Vincent and Mike each land a single stomp on Zeb's prone body. Then they stop. No chair. No finishers. Just the bare minimum to leave a mark. It's then that Mike kneels next to Zeb with the microphone up to his lips.

**MIKE:** You made your choice. Just remember what that feels like.

*He gently pats Zeb's chest and rises. Johnny places a folded Sienamart flyer into Zeb's hand. Siena finally breaks free and dives over Zeb's body as Mason Enterprises walks out to a chorus of layered boos.*

**GIBBON:** I'm at a bit of a loss for words here! This was nothing like the carnage they've displayed on Zeb and Siena Martin before. It was near tame!

**GORDON:** I'm not sure what the intent is behind this play from Mason Enterprises, but my guess is that this isn't the last that we've seen of this saga!

Our scene begins in the Late Night green room. **Logan Kane** sits stiffly on a folding chair, drinking a latte from a chipped mug that says *I Hate My Co-Host*. **SDB-Chips** is across the room filming a TikTok, doing reps with a championship belt made of Takis bags and LED

**CHIPS:** Yooooo what's good fam, it's ya boy SDB-Chips, live from the pre-show with Logan Kane, lookin' like he just lost a championship match to anxiety!

**KANE:** I'm thrilled to be here. Truly. Nothing screams professionalism like influencer cardio in a hallway.

**CHIPS:** Ayy, I'm the people's algorithm, bruh. Gotta keep the bag movin'. Anyway, this interview with **Big Bad Bob**? Bout to be must-see.

**KANE:** If he shows up sober and wearing pants, I'll be shocked."

The door immediately slams open. A fog machine kicks on. Neither Logan nor SDB are sure how a fog machine got in there by the looks on their faces. Suddenly, Big Bad Bob struts in wearing a leather jacket over a shirtless torso, ripped jeans, UW "World" Title over his shoulder, aviators on indoors, and a Bluetooth earpiece with no phone connected. He is absolutely glowing with delusion.

**BBB:** Alright, peasants. King Bob has arrived.

**KANE:** Uh...we don't do pyro in the green room.

**BBB** (*completely ignoring him, as usual*): No eye contact unless you're crying. Where's my custom UW-branded vegan hummus I specifically requested on my rider? The lavender one, not the lemon.

**CHIPS:** Wait. Did you bring your own fog machine and put it in here earlier?"

**BBB:** Did UW bring their own fog machine to *Tokyo Slam '96*? Don't ask dumb questions, Chips Ahoy.

**KANE:** There is no such thing as Tokyo Slam '96.

Bob pulls out a rolled-up scroll, completely ignoring Logan once again.

**BBB:** Tonight's intro. Read it exactly as written. I want drones, orbs, and a choir of orphaned werewolves. Or hot babes dressed as orphaned werewolves. Whatever you got laying around in the back here.

**CHIPS:** Yoooooooooooo. What?

**BBB:** Also, I will not be seated during the interview. I'll be standing on a podium built from CWL reject merch. That's synergy.

**KANE** (*flustered*): My god...

**BBB:** UW! UW! UW! I am the fourth rope. I am the mat. I am the concept of heat.

*A long pause. SDB and Logan slowly turn toward each other. For the first time, their expressions match: stunned disbelief. Logan motions to his cohost to sneak outside, leaving Bob alone. Now, in the middle of the room with his shirt off, he begins to talk into a pretend microphone to no audience in particular.*

**BBB:** And what a night it's been! The crowd chanting my name, the lights catching my glisten just right. Classic Bob, really. 'Tell me, Bob. How do you stay so humble?' I don't, Pam Rose. Humility is for the mid-card.

*Meanwhile, outside of the door...*

**KANE:** This man is clinically unwell. I'm pulling the interview.

**CHIPS:** Naw, fam. You pull that, you kill the bag.

**KANE:** What in the #%\*& does that even mean, anyway? The bag? You make no sense.

**CHIPS:** Bruh. Do you hear this? This man just cut a promo on himself. Shirtless. In the green room. While interviewing an invisible version of himself. This ain't an interview, bro. It's CONTENT. Viral. Clickable. Shareable. The algorithm's already salivatin'. You think CWL fans are wild? Wait till the UW conspiracists show up in the comments section.

**KANE:** Fine. You want to be part of a circus? That's your call. I don't need to be humiliated on my own show.

**CHIPS:** Too late. You already let me co-host. But if we ride this right? We both come out hotter than ever.

*A long beat. Kane mutters something about ulcers and storms out, but Chips just smiles, slowly panning his phone camera toward Bob.*

**CHIPS:** Later Night bout to go megaviral, baby. Let. Him. Cook.

*We find none other than "Doug's Blind Big Brother" Craig sitting alone on a bench, bruised and still recovering from the vicious attack from the Nameless Minions of Solace. Mr. Fig Newtons sits beside him, wires sparking slightly but functional. There's silence before Craig finally speaks, his voice low.*

**CRAIG:** I don't get it. Solace's minions... they came out of nowhere. They got you offside, Newtons. They took me out like I was nothing. And there were they.

*He gestures toward the empty locker space next to him—Doug's gear still untouched. Roman's cape on a hanger.*

**CRAIG:** There are no friends.

**MR. FIG NEWTONS:** Perhaps they were busy, Craig. Perhaps... there is a reason.

**CRAIG:** There better be, because I've died for them. I've trusted them. And I never will again in that ring.

*Meanwhile, we cut scenes to outside the locker room. Doug paces nervously. Roman Reinv stands still, hands behind his back, looking like he's preparing to address the Senate.*

**DOUG:** Look, we gotta say something. If we walk in there and just say 'whoops,' he's gonna snap.

**REINV:** Fear not, Douglas. I hath conceived a tale most persuasive, forged from the scrolls of divine necessity. When Craig doth question, we shall answer with the weight of ancient fate.

**DOUG:** You're just gonna wing it again, huh?

*They enter. Craig doesn't look up. He's not angry. He's just done.*

**CRAIG:** There are no friends.

**REINV:** Indeed, good Craig. Verily, thou must know. We were summoned by celestial decree to the outskirts of sanctified territory, where a vision most dire did cometh unto me. The Oracle of Linoleum did speaketh in tongues of fire, and bade us seek the Seventh Shadow! A Nameless Minion lost to time and treachery, whose presence could unravel the very fabric of wrestling itself.

**DOUG:** Totally happened. Oracle. Big fire. Lotta, uh...riddles and stuff.

*Craig finally lifts his eyes, brow furrowed in disbelief.*

**CRAIG:** I will stop the music of... playing there at that moment.

**REINV:** Thou must understand—had we not heedeth this quest, doom may have found thee thrice fold!

**DOUG:** Also we had really bad cell reception. Mountains. Big ones.

**CRAIG:** We did fail thee in thy hour of crucible. But I do accept.

**REINV:** We did faileth thee in thy hour of crucible. And for that, we beseecheth forgiveness.

*Mr. Fig Newtons tilts his head. His LED eyes narrow slightly.*

**MR. FIG NEWTONS:** Heart rates: elevated. Verbal cadence: evasive. Truth probability: inconclusive. Monitoring shall continue.

**CRAIG:** The core time like that and I don't see how it can be... under stress.

*With that, Craig walks out, Newtons catching up to lead him out of the locker room area. As the door shuts, Doug and Roman exchange a look.*

**DOUG:** Good plan, idiot. He suspects something.

**REINV:** Then we must eth playeth the parteth more convincingly.

**DOUG:** Did you just say 'eth' twice in a row?

**REINV:** Silence. I prepareth my next lie.

**RICKY  
SPANISH**

I've finally come from the shadows.  
You know what Lazarus Lane reminds me of?  
Tony f\*\*\*in' Montana at the end of Scarface.  
Crazed. Screaming. Wounded.  
Sprayin' bullets in every direction like he's still got control...  
But I'm the assassin creeping up behind.  
Quiet. Cold. Precise.  
And I'm here to put him out of his misery.  
Some of you are asking—how is Ricky Spanish back?  
Let me explain something real simple.  
According to my lawyer—Clearance Cockrand—  
I never left.  
I've still got three years left on my no-cut CWL contract.  
And Cockrand already pulled some legal voodoo  
that makes it impossible for that goofy bastard Lazarus Lane  
to get rid of me.  
You're stuck with me now.  
And Barry Stevens...  
You're the one I want the most.  
I grew up looking up to you, man.  
You were a warrior, a brawler, a street prophet in tights.  
But now?  
You're a catchphrase in a smoothie shop.  
A marketing campaign. A f\*\*\*in' sticker.  
I'm gonna drag the old Barry Stevens out of you,  
even if I have to kill you to do it.  
You don't know pain yet.  
You don't know war yet.  
But you will.  
And when I'm done... this place won't be sports entertainment anymore.  
It'll just be pain.

# RICKY SPANISH

Ricky Spanish ( IWA)

From Wikipedia, the free encyclopedia

**Ricky Spanish** is an American professional wrestler, convicted felon, murderer and former gang enforcer, best known for his time in the International Wrestling Association (IWA) and its subsidiary promotions within the IWAR network. Standing at 6 feet 6 inches and weighing 280 pounds, he is notorious for his violent outbursts, criminal past, and unpredictable behavior both inside and outside the ring. Spanish is a former tag team champion and a former member of the infamous Revolution Extreme (RX) faction, widely regarded as its most dangerous asset.

Early Life

Ricky Spanish was born in a housing project hallway in the Bronx, New York. At the age of four, he relocated to the Brownsville Housing Projects in Brooklyn. His early life was marked by severe trauma: his father was killed in a shootout with police, and his mother died of a drug overdose shortly thereafter.

By age five, Ricky was fighting for money on the streets. At seven, he killed a rival fighter, and by thirteen, he had killed again, this time executing a piledriver on concrete during an alley fight. These acts began a cycle of incarceration that would define much of his early life.

Wrestling Career

Style and Persona

Ricky Spanish never received formal training. Instead, he developed his in-ring style in prison, where he regularly fought prison guards and inmates. His brawling is unrefined, raw, and lethal—more street fight than sports entertainment. His finishing move, the “Cradle to the Grave”, is a devastating jumping cradle piledriver.

Despite his criminal reputation, Ricky was a childhood fan of wrestling. His idols were Rick Challenger and Barry Stevens, two IWA legends—though he would later turn on Stevens with a vengeance.

Revolution Extreme (RX)

Revolution Extreme was already a dominant and controversial faction within the IWAR long before Ricky Spanish became involved. After years of existence, Luthor Alexander, the group’s charismatic and dangerous leader, orchestrated a daring prison break using a solid gold helicopter.

During this operation, Luthor freed Ricky Spanish, his cellmate Carlos Danger, and former martial arts champion Soul Train Jones. Impressed by Ricky’s violent ferocity, Luthor brought him into RX as its most volatile member.

Ricky formed a tag team with Carlos Danger called The BQ Express, and together they captured:  
\*CWL Tag Team Championship  
\*IWL Tag Team Championship

When RX eventually disbanded, Ricky voluntarily returned to prison—not under custody, but by choice. Luthor Alexander purchased the prison, turning it into a personal training ground, importing the world’s most dangerous criminals just so Ricky could fight them.

Return to IWAR: Executive Order

At the CWL pay-per-view Executive Order, Ricky Spanish made a shocking and violent return to the IWAR. In the middle of a live broadcast, he appeared without warning and smashed a steel chair over journalist Akeem Bixenspan’s head, knocking him unconscious and splitting the chair in half. Spanish then grabbed a microphone and delivered one of the most disturbing promos in IWAR history: “I’m tired of this f\*ing clown show. I’ve been sitting in a cell for months, watching what the IWAR has become. Where are the warriors? Where are the fighters?”\*\* He openly declared that Luthor Alexander sent him to kill CWL Commissioner Lazarus Lane, not to win titles, but to inflict pain. He also targeted Barry Stevens, calling him a fraud and vowing to destroy him. This promo sparked a wave of controversy and reignited interest in Spanish’s future.

Legacy

Ricky Spanish is considered one of the most feared, violent, and controversial wrestlers in the IWA’s long history. A mythic figure to some and a cautionary tale to others, his presence in the ring signals danger, chaos, and brutality. Despite his volatility, his name is etched into the history books of both IWL and CWL, with no signs of fading away.

# Late Night Logan Kane

“Late Night” Logan Kane sits in the greenroom of his hit late night talk show and addresses the camera.

**KANE:** It figures **The Chameleon** gets the night off at Executive Order. Even with **Sam Solie** gone he’s still taking shortcuts! That said, he draws about as well as a four-year-old with no thumbs so why even waste time putting him on the card? Instead, you’ve got TWO big reasons to tune in — the CWL’s main attraction, the greatest wrestler/ late night talk show host of all time winning the CWL World title, followed by a special crossover episode of the FOX drama *9-1-1* where the team tries to remove what’s left of **Phil Landers** from the canvas! Spoiler: it doesn’t end well! See, I’m already the longest reigning Internet champion of all time and soon, very soon, I’ll be the CWL World champion — a

title I will carry into the ring at the IWAR Super Show for my Total Victory annihilation of the Chameleon once and for all!

Just then, an intern pops their head in.

**INTERN:** Mr. Kane? **SDB-Chips** wants to know if you want to sit in on the pre-interview for **Big Bad Bob**'s upcoming appearance.

Kane snaps.

**KANE:** God%\$@(\*&^@#%\$!\* )^%#\$@)!!!

# Hard Times LLC. *The Bullseye Syndicate Edition*

As I get ready for my CWL **Internet match** against **Battle Axe** at **Executive Order** I need to make an announcement. The Lone Ranger Double “D” Christoph has been planning and will soon be joining the **Bullseye Syndicate**. Yes, that means “No Miss” **G. Unner** and “Eagle Eye” **Mark Smen** and myself will team up in different aspects to go after tag-team and six-man titles within the CWL.

We want to compete against OG teams such as the **Von Snapps** and **Nutty Bunnies** to new stables like the **AI** and **ME** to mention a few. It is the time for us to get together and learn from one another and teach the CWL that the **Bullseye Syndicate** is no BS.

**BS: G. Unner:** Hello I am speaking on behalf of my brother **Mark Smen** who was injured by being thrown over the top rope turnbuckle at the last Battle Royal. **Dakawandeshe Boombaye** and **Phil Landers**. The lucky thing is Mark is almost recovered. The unlucky thing is those two dunces that teamed up on my brother. So, now that **Double “D”** is an official member of **Bullseye Syndicate** that type of crap will get rectified in the harshest of ways.

The Von Snapp Family: Victor and his six brothers invaded the IWA in 1988, but by the mid-90s, only Victor was left despite his reputation as promiscuous hard partier who had a new girl after every show. He and Badd Co. Rick Riley raised hell across the IWA, but he got serious when all of his children from different mothers wanted to enter wrestling. His oldest sons, Alex and Axel, who trained under Badd Co. took the IWA tag scene by storm. They had vicious feuds with Black Wrestlers Matter which took the life of Grandpa Vito Von Snapp after he was thrown off the ramp while in his scooter! The family rallied as they were joined by the strongest son, Alec and after a brief alliance with Luthor Alexander, Alex replaced Victor in the family trio. Victor retired, but more children from across the globe showed up and his only daughter (so far) Ava, had a short ring career and now calls the action in the BWL. The mysterious NWL star known as Hijo de Teamster was always jealous of other NWL stars and eventually revealed himself to be Victor Jr! Now reunited as a unit, they compete in the IWL as a trio and CWL as a tag team, but Victor is always working on a new plan to dominate, but what are they up to now?

# IWA'S GREATEST TAG TEAM: WIN MARANO, NOW EVEN GREATER!

**There was one event that we wanted to win the moment Axel and I decided to become a tag team, the Marano Memorial Tag Team tournament. After many years and many close calls, we beat two other great teams to capture this win. One team is on the rise in Kamikaze and Skapegoat while the other is one of the best of all-time, Mike Gloom and Shayne Zenith.**

## THE REPROBATE LANNY TEAGUE IS A CRIMINAL!

What else should I have expected but a bunch of lies and BS from a guy like Lanny Teague. I beat you at the Super Show and yeah you got your car back, but I'm so rich, I could buy ten of them! Now it's time to move on and focus on what matters most: championship gold. I retained this Amazon Basin title and the CWL title will be mine. There is no one who is going to stop me from getting to the top of the CWL. NO ONE!!! -Victor Von Snapp Jr.

# BARRY STEVENS

*Barry \*USA\* Stevens: These are dark days in the USA. A psycho in the White House trying to bomb his way to wining a Nobel Peace Prize in order to distract the people from the truth about his connections to child traffickers and the court cases that are proving he stole the 2024 election from our rightful President, Kamala Harris and for that, I have this for him.*

*For all the times I was told that I was over-reacting when I said this country was headed towards a dictatorship, I got this for them.*

*For all the people who looked the other way when their neighbors were kidnapped by masked thugs and 'disappeared' and did nothing to stop it, I got this for them.*

*For all the people out there, who thought Barry \*USA\* Stevens best days were in the past and was all done as a top guy, I got this for them.*

*(flips off the camera)*

BARRY \*USA\* STEVENS is a relentless brawler known for ultra-violent bloody bouts and being able to take an inhuman amount of punishment. For years he toiled as the patriotic fan favorite mid-carder, until he shocked the industry in 2017 when he shed his star-spangled ring gear, took a knee and became known as the two-fisted social justice warrior. The lunatic liberal's polarizing promos and no holds barred views have led him to wear a bullet proof vest to the ring due to the hate he receives for 'revealing the ugly truths people want to ignore.' He is obsessed with being the best by beating the best, at their best so he craves the biggest match ups possible. He views winning as his path to a larger platform to spread his views, so he will do whatever it takes to get the job done.

**Cobra**: "It'ssssss an inevitable part of the wrestling businesssss!"

**Thrash**: "Positive thinking is when you're sure your boot connected with some jerk's head! And I say we're gonna make it a positive show at DC! Let's go!"

[Lights flicker. The dusty remains of the Group Therapy set: cardboard boxes stacked haphazardly, a torn green screen hanging half off the wall, camera guts strewn across the floor. A battered 1980s TV monitor lies on its side, plugged in, flickering static and emitting an occasional buzz. Seated on the edge of the dilapidated stage: THE NUTTY BUNNIES.]

Nutty Bunny #1 (in a muffled, sad voice):

Group Therapy is... gone.

No more confessions... no more tears to drink...

Nutty Bunny #2 (bitter, twitching):

The Von Schnapps... no challenge anymore...

What's the point of hitting people if they don't hit back?

Nutty Bunny #3:

[Says nothing. Eyes drift apart in different directions. A soft squeak comes from the suit. He drools slightly.]

[Suddenly, the silence breaks—enter FUTURE MAN. He crashes onto the set, clad in dented chrome armor, arms wrapped around an oversized, clunky sci-fi contraption covered in blinking lights and loose wires.]

Future Man (proudly):

PEW PEW PEW!

Nutty Bunnies! Behold!

I, Future Man of the Intertemporal Vanguard, have constructed a CHAOS GENERATOR.

With this, I shall unleash untamed entropy directly into CWL Headquarters.

Order will collapse—and chaos will reign!

[Future Man strikes a dramatic pose. The Nutty Bunnies just stare at him blankly.]

Nutty Bunny #1:

...We've seen worse.

Nutty Bunny #2:

Call us when it eats someone.

Nutty Bunny #3:

[Stares at a broken camera lens. One ear flops down slowly.]

[Future Man huffs, muttering sci-fi nonsense as he slams his thumb onto a big red button. The CHAOS GENERATOR sparks, sputters, and emits a shrill BEEP-BEEP-BEEP-BRRRRZZZT.]

[Out of absolutely nowhere—crash!—NORMAN “THE LOON” KEVCUS bursts through a stack of boxes wearing a moth-eaten tuxedo, a glittery top hat, and spinning a cane.]

Norman "The Loon" Kevcus (singing off-key):

🎵 Hello my baby, hello my honey, hello my ragtime gaaaallll— 🎵

[He tap-dances wildly across the debris, spinning the cane, swinging it dangerously close to Future Man's precious device. Confetti cannons pop at random from nowhere. A distant sound of ducks quacking plays on the TV monitor.]

[The Nutty Bunnies watch, completely unfazed.]

Nutty Bunny #1:

...Better than Group Therapy.

Nutty Bunny #2:

Could use more fire.

Nutty Bunny #3:

[Cross-eyed. Whispering to no one.]

pew... pew... pew...

[And there is no ending. No moral. No resolution. Just Norman “The Loon” doing a frantic jazz hands finale in the ruins, while the Chaos Generator hums ominously, promising more nonsense to come.]

## AGGRESSIVE INTENTIONS

I finally get my hands on Luthor Alexander at the IWAR Super Show... I have been patiently waiting for this since I left the NWL... Its kept me up at night, caused me to lose my focus... But soon enough this obstacle will be behind me and I can refocus on the CWL roster...

As for Bullman Bolt?!? Just another henchmen put up to save Luthor's backside. Don't think for a moment you and this NWO gimmick can put me down. You don't even have the balls to sign a real wrestling contract. You're nothing more than a figment of IWA folklore. A never was. A never will be. Nothing more than a chump with a lame face tattoo...

Which reminds me... My voicemail box was full of messages from Dr. Gene Poole... Of course he comes crawling out from under his rock after Aggressive Intentions takes home another 7 State Championships... Last year he made a killing betting on us as upstart rookies... Yeah, he kept all those winnings to himself... Gene I haven't forgotten... And I ain't got no more forgiveness left in the tank... Bamboozle yourself some fresh meat... Aggressive Intentions is better off without you...

Chameleon... Mr. CWL... After your 47<sup>th</sup> attempt at beating Logan Kane comes up short... I will be waiting for you...
