A new beginning...

The arena falls silent as the lights go out. Fans quietly look around in the darkness for Gentleman Lumis. A flash of light blinds the crowd and when they can see again Lumis stands in the center of the ring staring at the camera. The camera zooms into his eyes as fans wait quietly for him to speak. He holds the mic to his lips and is about to say something when Jarvis appears on the big screen above him.

Jarvis: Lumis wants me to tell the CWL universe something! Lumis wants me to tell the IWA universe something! The Gentlemen are not leaving! The Gentlemen are never leaving CWL! He is also wanting me to tell you to remember to vote **YES** to dropping the wrestler limit in CWL! Open the flood gates and let the CWL hit the Championship page ever single cycle!

*The lights go out again and the big screen goes dark as Lumis disappears. Fans begin to cheer when the lights come back on. A **"Vote YES!"** chant fills the arena.*

At this time, we would like to ask all CWL managers take the time to contact IWA and vote YES to dropping the wrestler limit in CWL. This will allow managers to have 25 wrestlers in this great league. If you have an email address, please send IWA (Kimberly) and email and let her know that you vote YES! If you do not have an email address, please mention it in your matches that you send in through the mail.

Thank you,
The Gentlemen!

PLEASE VOTE **YES** TO DROPPING THE WRESTLER LIMIT IN CWL!

JARVIS

Gentleman Jarvis comes out to the ring and waves to the fans as he grabs a mic and stands in the center of the ring. He waves one more time and then begins to speak to the fans.

Jarvis: CWL, a new time has come... A time for all of us to carry CWL into the future! I can't leave. I just can't leave my home. So, CWL superstars I send this message in hopes that those that are still here you will hear me and help me push CWL into the future! I beg you to send a message to IWA saying you vote, yes! Now is the time for CWL to go forward into the future! I ask that you send a letter to IWA saying **YES, to dropping the wrestler limit in CWL!** I truly believe with the limit being dropped we will be able to get more superstars here! With more superstars the league will move forward as one of the best GOLD leagues in IWA! If you have email send an email to the lovely Kimberly now and tell her you want the CWL wrestler limit dropped! I want to bring my brothers into CWL, and I hope that you will allow me that pleasure. I do not want to leave CWL! Thank you for your time, please vote yes to dropping the wrestler limit in CWL!

Jarvis bows to the fans and waves one more time as he leaves the ring. He climbs over the guardrail and sits in the front row with the CWL fans to watch the rest of the show. Fans go crazy and cheer around him.

- Please send a message to IWA in your matches if you do not have an email. Tell them yes or no to dropping the limit.

PLEASE VOTE **YES** TO DROPPING THE WRESTLER LIMIT IN CWL!

The Man Behind The curtain of DOD/ORDER

My Father has been in the IWA for so long he asked that I stay anonymous. But the time behind the shadows comes to an end. Me and my Father Catfish Rob you know him as. Well I'm Catfish Tim have you noticed all the new moves and old moves mixed. Well those new moves were taught by me I have also been managing all these people. The Disciples of Doom I plant little ideas in their heads. Anytime anything violent happens they get to say so from me. That means if somebody gets brutally attacked by of the DOD members it doesn't happen without my say so. I teach the wrestlers of DOD new school training and Catfish Rob teaches old school training. Me and my Father have been working together this whole time. And I agree with what he said we should be tearing it up and that's exactly what we're going to do. Even if that means I have to put on a pair of boots and wrestle whoever oppose us. The time has come for the New and Old school to coexist. Who says wrestlers can't do both it is time to start taking Championships. Our boys and girls are spread all over the place and we will win every time even when we lose. But our guys will see you all real f*cking soon.

"Big Guns" Greg Garnar

There are people around here that think wrestling is a sport of "honor". Well, it isn't! It's a sport of the survival of the fittest. Pain And Destruction will always survive, no matter what. Now for you Moronic Pukes who haven't heard, I ran "The Ring Raider" Doc Danger out of the CWL. He's gone! He couldn't take the beatings anymore. So Nas X, your little buddy is gone. Also, "The Pharmacist" Rx Pain and I are also running the Von Snapp brothers out of the CWL. They claim the reason is that the time has come for new challenges. The real reason is that they can't take the punishment anymore. We have spilled so much of their blood that they have to keep getting it replenished. So you Moronic Pukes can cry your eyes out. It's not going to change anything.

So what does this mean for the rest of the CWL? It's bad news for BAV, Mechanico, anyone who wants to stick their nose in PAD's business, and anyone who we just don't like. It will get worse for you. Finally, the IWAR network is dropping the CWL. I think it is a terrible move. I believe eventually they will regret this decision.

Pretty Boy Island Trash "Hawaiian Heart Throb", the flesh melting rod is about to be pressed, yer arse will belong to me! You can save yourself if you bow down before me, kiss my feet and state I am the greatest wrestler in the CWL...think about it!

Mechaniccompoop, Ins-IDIOT, and Mrs. N.P. Cee I wanna challenge all threes pf you to a 3 on 1 match, that's rights you 3 punks against little ole me...DO YOU ACCEPT?!

I am Viktor "The Possessed" lasamov and we will defeat you in the ring and DRAG YOU TO HEEEEEEEEEEELL!!!!!!!!!!!!
