# A FRIENDLY MESSAGE TO THE BOYS IN SOS:

**COT IN THE FAL IS TOO MUCH FOR YOU TO HANDLE!!!**

Hey SOS!!! We know the real reason why SOS hasn't put down serious stakes in the Flying Aces League (FAL). Shhhh!!!!!! it's ok we won't tell anyone how afraid of COT you are. We are a scary bunch at times.

To you guys we are probably the monster under your beds. Boooooooo!!!!!! Just kidding. Or are we??? You have sent one guy, he dips one toe back into the shark

infested waters and hasn't been seen since. Don't worry, we didn't eat him!!! He's probably just reliving old Giraffe related nightmares. You'd have to ask him about it. We don't want to ruin the surprise

for the rest of you boys!!! Maybe, just maybe the rest of you can pull him out from under his bed, and back him up for a return. At least that's what we are hoping for. That is kind of why we haven't sent out the missing person milk cartons yet. We also have a stack of missing persons papers for the telephone poles too. Heck maybe call in a heavy hitter to back your play. Maybe search extra hard for one, cause Jake doesn't count as heavy anything lately. Except maybe in his photos. But we don't mean to mock him or you, we

don't. You all just make it real easy sometimes. But getting back to the FAL for a bit, we could use some fresh meat to grind. The stuff that's here has kind of been ground down a little too much, and just can't rise to the occasion. We hope you guys buck up, and come get some. It really is getting kind of boring here for the Tyrants.

Tim and NME, EDGE, or whatever his angle is these days just can't be taken seriously. We are really hoping you boys are up for a tussle for the now TWO TIME & BACK TO BACK Stablecade champs!!! We will be waiting for a response ladies. But don't make us wait too long...

## INTENSE IMPACT LEAGUE

## IS RFD AFRAID TO COME AFTER COT??? NOT FOR A SECOND!!!

"Bobby Lord here. I just wanted to take a moment to respond to those idiots in COT. My crew in RFD afraid of you??? Are you serious!?!?!? All you guys have are numbers, you sure don't have much in

the way of talent. Numbers? Yeah you have that. Luck? Those majors you've won are a tell-tale sign of that. But we have whipped you punks whenever we've

felt like. So you're wondering if we will come to beat COT? Be careful what you wish for, cause you'll get just that..."

# ENKIDU & DRIVER VS. PRETTY DANGEROUS: WRESTLING THE WAY IT SHOULD BE!!!

Tag and sixman wrestling has always been the FAL's greatest strength. It has won 10 or more IWA World championships in this

set of categories. Dem Pizza Boyz, the Speed Pinners, and Pretty Dangerous just to name a few. The sixman being just too numerous to mention them all here. Most of these winners come from the confines of the COT stable. The Pizza Boyz and others have had to look within for some spirited and serious competition. In recent cycles, the Boyz have had their sights on Allen & Brian Quick. But, it would be

a mistake to overlook Pete Sweet and Jimmy Delight. The former IWA US Tag Team champions from a few cycles ago are a vastly underrated duo that could give Enkidu and Driver more than they could handle. The flamoyant tag team wrestles a style the Boyz aren't completely accustomed to in the past. Management would be well served to headline a future pasy per view with this bout.

This is frankly, the way wrestling should be. Management would be remiss to resist relying on COT for increased ratings, hoping for new talent from outside. Both teams seem more than open to the possibility. The Speed Pinners aren't going anywhere, and the league can't miss a brighter future with this. It's a win/win for them, the talent, not to mention the fans. Make it happen people!!!!!!

## CERBERUS MESSAGE TO THE REST OF THE REDNECK RIVIERA DIVISION:

BY: SISSY DUVALL  
IWA'S FIRST TRANSGENDERED JOURNALIST

"DON'T EVEN TRY TO TAKE BIG JERRY'S TITLE BEFORE I GET A SHOT AT IT. YOU WILL BURN IN HELL IF YOU EVEN TRY TO!!!!!!"

"I'll keep this short since words instead of fists just isn't me. This division is MINE!!!!!!!!!!!!!! You all know it, I know it. I'm the man everyone fears. The champ is a fat pizza chucking moron with a strap that isn't his!!!!!!!!!!!!!! I WILL take it back. This message is for any man under the false assumption they can compete for MY title. JUST DON'T. You will only get hurt, and be put on the shelf. You try to take MY title, you will get seriously HURT, and burn in the deepest depths of he!!!!!!!!!! I will cripple any wrestler who tries. If management foolishly tried to push someone else, the same punishment applies to them. So know you know. It's mine, all mine! Period, end of story....."

## HAM SANDWICH VS. BOB DONER

**THE WAR HAS ONLY JUST BEGUN!!!**

and I will not rest until this pig dog is destroyed!!!!!! This is more than just an angle to us. He is an insult to everything we hold most dear!!! He cannot be allowed to live. We will not stop. This holy war has only just begun in our eyes!!!!

The hostilities between top heel Ham Sandwich, & the holy forces of the Kabobs is getting completely out of control.

Kabob has shadow of its former self. It's as though the Kabobs have turned the entire promotion against 1 man. Yeah he's a jerk, but whether he's the issue

he is being painted to be remains to be seen. Management is getting concerned about the increasing tensions and is trying to quell any ongoing angles, but the Kabobs are resisting.

They claim the will not rest until the FAL is a pork free promotion. Bob Doner, most of all is most vehement about being forced to leave Ham be. "I cannot,

## A NEW LEVEL OF REALISM COMING???

The Flying Aces League (FAL) is always looking to find ways to make itself an incomparable shining example of how the game should be played. One of the ideas is turning up the realism within the league and how it operates. Things such as icash fines for despicable actions, a booking committee who puts together inleague groups, angles, and so forth, plus more. This all just "theoretical" at this point, but an idea we would like to experiment with somewhere down the road. Skilled managers who are into writing trash talk, might find such a thing a fresh new challenge. This all in its super preliminary stages of "possibility" and nowhere near "realism", not yet anyways. Heck it may never even materialize. But we wouldn't be doing our job, if we didnt throw out ideas to try, good or not. So let us know what you think, and heck if you have an idea of your own along these lines, then let's hear it!!!!!! We can be reached by any of the usual means like FAL 24/7 on facebook, email (pkhous@telusplanet.net) and so on...

## WHERE IS MARK K. FABI?!?!? POPULAR NEW STAR LISTED AS MIA!!!

"WE HAVE NOT HEARD ONE WORD FROM HIM SINCE HIS DEBUT"

Management is growing ever more concerned about the whereabouts and antics of one Mark K. Fabi. He made a fascinating & bizarre debut in FAL, posing as a fan, getting

Involved in other wrestler's matches etc., then \*POOF!!!\* he has not been seen since. We tried to track him down, his apartment is in a shambles, mail piled at his door, and his

neighbors haven't seen him in several weeks. Has he had some mental breakdown? Is this part of his schtick? We are concerned and confused at this point. There have been rumored sightings by fans out in public, but none have been verified to any sort of extent so far.

Management has thought to terminate his contract, but do not wish to be liable if this is a mental breakdown of some sort. If anyone can prove that they have seen him, please come forward to FAL Mgmt. as soon as possible!!!

# PRETTY MUSINGS

FROM PETE SWEET & JIMMY DELIGHT  
OF PRETTY DANGEROUS

\*Cameras focus in on a lavishly decorated and designed set with brilliant various shades of pink, with a brilliant white couch with a spotlight on it. Your boys Pete Sweet and Jimmy Delight walk onto the set and have a seat on the couch, both dressed in gaudy and bright silk shirts and super tight pastel leather pants.\* Pete Sweet: "Jimmy darling why don't you go first sexy." Jimmy picks up a mic from the coffee table, and puts it up to his recently glossed lips. "I'm sorry Petey, but you are taking the night off, I got tonnes of stuff to say." Pete laughs, leans back and puts his feet up on the coffee table and inserts his ear pods and starts listening to his Best of ABBA playlist on his Apple tablet. "Yeah

boys!!!!!! I got lots to say this cycle. Your former IWA US Tag Team champs have a bunch of stuff to cover. It's my turn to take care of some Pretty Dangerous business. Firstly darlings, there is the small matter of our boys the Speed Pinners. We love you manly men to death, but we are the ones who want that title most of tag team in the FAL everyone is talking about. That means having to out perform one tag team, and that's our other brothers them sexy Pizza Boyz, Mark Enkidu and Jay Driver!!!!!!!!!!!! We can't have you getting in the way of what we have our sights set on, so please step to the side!!! We love ya, but we are more equipped to beat them, and we are damn sure PRETTIER than they are!!!!!! You can have what's left once we're done with them. Also this talk of RFD being a serious contender to the Tyrant throne. \*Laughs heartily\* You aren't anywhere close to our level you bunch of sissies, and you damn sure are not going to sit on our gilded and bedazzled throne extraordinaire!!!!!!!!!!!!

If you think you can come take what's ours you randy boys, you are gonna find out the hard way from PRETTY DANGEROUS, that we are alot

more than some spectacularly pretty faces!!!!!!!!!! We can be some lip glossed spandex wearing savages when the occasion calls for it. This also goes for anyone else foolish enough to try us in the meantime!!!! \*You can clearly hear Pete in the background singing Abba's tune SOS in the background.\* "Those dulcet tones remind me of a bit of business I forgot to mention, SOS. We hear you guys are debating whether to come to our little playground of delicious men in tights, the Flying Aces League (FAL). We are well aware that you sent in your Good Giraffe for a scouting of the what's going ons, and after a short bit, he got sent running for the hills. That should have been

all you needed to know. We don't play nice around here, so save yourselves the beating that would be coming your way!!! Plus the league as a whole got all they needed to hear when we went back to back on two straight STABLECADE championships daddy!!!!!!!!!!!!!!

This is the Tyrants casa so don't think for one glittered second that that will ever change. The FAL has a very PRETTY future in store, and that's in large part due to us right here!!!!!!!!!! PRETTY

DANGEROUS is the best kept secret in the entire IWA and the reason why COT is numero number one!!!!!!!!!!!!!! We're pretty and we are just that much better than you, sad but true. The rest of 2024 is ours, and the battle for the top is already over!!!!!!!!!!!!!!"

# THE SPEED PINNERS

TWO TIME IWA WORLD TAG TEAM CHAMPIONS

*Allen & Brian Quick*

Allen Quick: "The Speed Pinner are here, your somewhat recent, and once again, IWA World Tag Team champions!!!!!! Pizza Who!?!?!?!? I love you Mark and Jay, but we are indeed in a class of our own. It was really nice to wear those IWA World Tag Team title belts again. It's been way too long. We proved all of the doubters utterly WRONG when they claimed we no longer had what it took to win at the biggest possible level. We aren't going to sit idle, oh no, we intend to go out there and do the exact same thing again!!! We set the standard for tag team wrestling in the Flying Aces League (FAL).

Yeah Dem Pizza Boyz have done well for themselves for certain, but they haven't done it to a level anywhere like myself and Brian have. We are all one big happy family in the Circle Of Tyrants (COT), but we will not sit idle while they try to put themselves ahead of us. The only way you can ever prove you're our equal, or our better, is to face us and defeat us. A daunting task, that we simply do not think you have what it takes to accomplish. In fact one of these days we will just have to see if we have what it takes to wrestle those Southern Heritage Tag Team championships away from

the two of you. So please enjoy them while you can. Oh and Pretty Dangerous we haven't forgotten about you either. Know your place and stay out of our way. What about this supposed return of the Dieps many people in the back spoke about in whispers??? It had the impact of a wet fart. Stay inactive guys. Much safer for you that way. Before I let my brother have a few words, I just want to say congratulations to my friends and mates in COT. Back to back IWA top stables from Stablecade!!!!!!! I can't honestly say that I am surprised. There has been NOBODY that has come close in 2024 or last year for that matter. NME??? We ran them out. CURE? They didn't cure a single thing. We cured them. AOD, TOXIC, MC, etc.??? A complete non-factor. We are simply just that good. But enough of me. Hey bro, you got anything to say???" Brian Quick:

"No not really, since I'm your exact opposite, mellow and chill is what I am all about. Am I glad to be back in the Flying Aces League (FAL)??? Don't be silly, ofcourse I am. Have I expected the success we've had to this point??? Honestly? No I did not. I knew it would come eventually. I love what I do, and its like an adrenaline junkie getting his fix. I got my fix, and no I'm good.....for now. Do I have any big plans yet??? Nah, not really, I'm just playing it by ear.

If anyone wants to try me, heck I am real easy to find. Mark Enkidu & Jay Driver??? My little bro pretty much said all that needed to be said. I am just gonna be the one

that plays the perverbial hard ass, that will beat any reminders ino them that need to be made. We love ya, so don't draw the wrong conclusion here. I am just saying I will be the one that proves the point. That goes for you two, the boys from Pretty Dangerous, Cerberus and that sissy boy Bobby Lord, Bart Z. and Lord Koz, god I could just keep going and going and going. The Speed Pinner are the cream of the crop, the creme de la creme and so forth. We are on top of the mountain, the head of the tag team table. Sorry I just had to use the Roman Reigns pun. The FAL is our playground and y'all are in our sandbox playing with our toys. Playtime is now over you guys. We're gonna make y'all go play somewhere else. Good luck this cycle guys, you are really really going to need it. You really truly are..."

## **ROYAL FAMILY OF DOOM**

**Big Dragon Ernie Tombs:** "Hey, I'm not sure they got out heights exactly right in our profiles."

**The Bartastic Bart Z:** "I was noticing that, too."

**Vanity:** "Never mind that now! We have stuff to worry about. Like my pet monster Cerberus being a champion and making the most of it."

**Cerberus:** "..."

**Vanity:** "That, too!"

**Slayer Chris Black:** "What about tag titles?"

**Vanity:** "No time now! Put a pin in that."

**Twisted Justice Lord Koz:** "What's the significance of the moves going on right now with Johnny T-Rex and Marcus Brown?"

**Vanity:** "Nothing, at the moment, as far as the FAL is concerned."

**Twisted Justice Lord Koz:** "Glad I mentioned it, then."

**Twisted Steel Bobby Lord:** "We still planning on making our own move?"

**Vanity:** "Yep. But you know things are always trickier than they should be. Now, let's get to the studio. It's photoshoot time!"

**Twisted Justice Lord Koz:** "I keep thinking I should have changed sweatpants."

**Vanity:** "Piffle!"

FAL Friday Nite Fright had comes back from commercial to s video of the FAL title match between Ham Sandwich and Kevin Savage. Savage had controlled the match with mainly power moves until Ham had stringed together a series of moves leading to the Ham Slam. Savage ducked, put Ham into the ropes followed by a spear, leading a 'Southern Justice' reverse ddt that he followed with another before getting the 3 count and the FAL title, again. When the video stopped, the cameras went to the ring where FAL interviewer Scarlett was standing with a frustrated look on her face.

Scarlett: Well, we might as well get this started. Fans, welcome to the ring, FAL League and Southern Heritage Champion, the Big Bad Wolf, Kevin SAVAGE! (As she turns facing the back, "Wanted, Dead or Alive" plays loudly as videos of Savage's League title defenses show on the tron. As the second verse starts, as usual, Savage and comes to the ring accompanied by the Midnight Rider, Streetmaster Paul, and Doc Masters. Scarlett rolls her eyes as Savage works the turnbuckles to the crowd before taking the mic.

KS: Before you even start the questions, I know how happy this makes you feel (She rolls her eyes again). No matter how much everything changes, it always seems to end up the same. Us, these belts, these guys, in a ring, with nothing to prove that we haven't proven a thousand times over. You've got time for about 3 questions, so make sure that they're good ones, baby.

S: Oh please. Ok, how about this. You just said something about having nothing to prove. That meant something. What's up?

KS: Good question. What's up is this. Me and these guys are on a roll. We might be in our last ride, but it's been a sweet one. I'm here to offer an olive branch. I need some of those Minnesota MWC boys to come on out here. In peace, come on, boys. (After a few moments MWC: IV, V, VI, & VII walk out onto the entrance ramp, mics in hand). Thank you guys. I mean that. Fact is, the last few months have been crazy. Things got crazy. We're out here killing each other over what? A Name? Not even a name. Initials. Y'all are a great team! I said it. Me and Rider were just talking about it, weren't we? (he turns to Rider who is nodding). Gold, championships. (the COT team is beginning to smile, nodding their heads). That doesn't mean we gotta be buds. It damn sure doesn't mean we won't compete. But we're pros. We can do it the right way. Any problem with that? (he motions to the COT)

COT MWC V: Savage, I've never really liked you. I'll admit, you are making good points. You're definitely recognizing our talents and that's a good start. Do not think that this will pull us off of your trail! Those FAL 6 man titles are coming to Minnesota with us.

KS: I would expect nothing less than y'all to want them. Hell, if you didn't want them then something would be wrong with you. There is a certain little PPV coming up, if the Commissioner can pull it together. I think some good friendly competition between us could be a good thing, don't you? I mean, unless your dance card is full for that night. Rider might have to kick Mark K. Fabe around.

COT MWC V: I think that we can do something like that. We've been waiting for you to recognize our talents. This is good.

KS: Yeah, there's a lot there to recognize. I mean, again, the wins, the money, the championships...the women? Huh? Yeah, Look at ole Number IV over there grinning. (the camera pans to COT MWC IV who is smiling). I saw him a few days ago, with his girl. Whew, man. That's a workout. I'm not saying she's big, but she looks like she should be eatin hay and crapping in the streets. V, don't laugh. Your girl's been run through more times that a middle school hallway. You're all about as useful as a toothpick in a Meth lab (the COT crews are pointing at them in the ring). Hey, you want this, come on. Wear your jackets cause that floor is awful cold! (Savage drops the mic and the Mississippi Crew bails from the ring towards the ramp where the Minnesota crew starts from. The 8 of them are brawling in the entrance ramp area, to the back, as security spills from the back. Scarlett still standing in the ring, shaking her head, sends the broadcast back up to the announce crew of Bob Battle and Mike Murphy who send it to commercial.

# Dem Pizza Shop Boys & Sara

“Again, I have a title, and again I feel like all do not respect my abilities. Does Sara help me win? Sometimes, but I am the one getting his hand raised. Just like when I will beat one of the those Mississippi Boys for the TV or league title. Then, maybe I will get the respect I deserve. You know what they say about Mississippi?” - Nik Domizino

“No, I don’t think that is a thing Nik, but it’s okay, you tried. Now, if any of you guys think of trying to take my title or Nik’s you have to answer to me. I’ve shown that I am not afraid to mix it up with the guys here, and this tour will be no different.” - Sara Stone

“Got those TV Tag titles from **The Landlords**, that is what you get for always trying to mess with Big Jerry and his pizza shop. Speaking of Jerry, we grabbed those tv trios titles with him, in a usual brawl with dem **Minnesota Wrecking** boys.” - ‘Wild’ Mark Enkidu

“**Speed Pinner**s, y’all won the tag titles on an illegal headbutt, which is fine, cuz you know that we won’t back down. If you boys want a No DQ match for these Southern Heritage titles, we’re waiting. MAN-UP!” - ‘Smokin’ Jay Driver

“Now I think that it’s time to bring that league title back to the Pizza Shop! I could put it in a display over there for the customers to see! Maybe they could even get a picture with me! Ah, Gino, I think we should do a tag match this tour too! It’s been a while since I’ve tag teamed!” - Big Jerry Raphatellangardo

“Jerry, my cousin, if I team with you who will stay here to run the shop? Not Nik I hope!” - Gino Raphatellangardo
