## THE KABOBS DECLARE HOLY FATWA ON ALL THINGS HAM!!!!

The warriors of god have declared a most holy fatwa against one lone target in the FAL. Who is that target you ask??? The FAL's most brazen heel, Ham Sandwich.

Most members of the warriors of god, the Kabobs will not speak publicly. They are what one would call devout. But we managed to get one to speak, Bob Doner to say some words on the group's behalf. "Yes by the wishes of Allah, a holy fatwa has been declared against the godless heathen Ham Sandwich. He has gone way too far, in the spreading of his godlessness, and must be stopped at all costs!!!!!!"

to know any better. But we shall teach him respect, and we shall show him the way to be properly cleansed. He cheats to succeed, and that is utterly unacceptable!!! We will cast him

He has run amok thinking he is something special with his all round haminess. But as a Halal Warrior, much like my brothers, we will not allow his league wide disrespect to continue!!!!!! We have already served notice in some very nasty ways. But that was only the beginning for him, oh yes!!! We will not rest until he is obliterated!!! Not more Sandwiches, no more Eggs Benedict, no more big mouthed wrestlers who are too dumb

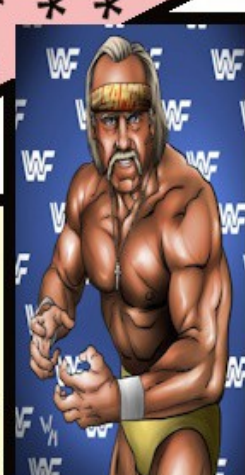

unto the fire and he will burn. Toasted Ham for dinner for the infidels!!! The only time Ham Sandwich will be useful. The holy war has begun. We are confident in our inevitable victory. Ham, your end is coming!!!!!!"

CUSTOM WRESTLER ARTWORK  
IS ALWAYS AVAILABLE!!!!

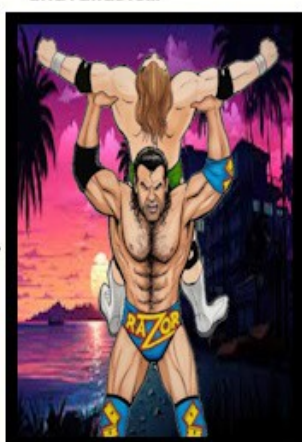

ART FROM FOUR  
OF TODAY'S TOP  
WRESTLING ARTISTS!

One thing that has always set the Flying Aces League (FAL) apart is our use of high end artwork. Other leagues have tried to steal the idea from us, but we were the very first to ever do it in the Imaginary Wrestling Association game. We have MULTIPLE artists available for use, that we have ongoing contacts with. Prices ranged from the very very cheap, to artists nobody has ever attempted to do due to their extreme costs to commission a piece.

Here we will try our best to explain how it all works. The one we clearly use the most is Werner Meuck. He is the resident artist supreme at the card company mail order game known as Filsinger Games. He also runs his own card game which is in the beta stages at the moment. His prices range

from \$35.00 USD and up depending on the level of detail that you ask for. He has less detailed, far more affordable options available if you wish to ask. We have Rob Dahlistrom, but to our knowledge he is currently unavailable!!!

(Razor & Paul) but you have to ask for a special quote.

We have premium artists, Hal Haney & Nolan Harris.

## DOES THE SANDWICH NEED SOME ANTI KABOB BACKUP???

### LEGION OF THE HAMMED???

Ham Sandwich has gone out of his way to make enemies out of just about EVERY wrestler in the FAL. Whether he is doing it on purpose, or simply rubbing people the wrong way, he is finding himself in a very tenuous position. He honestly doesn't seem to care. But at the rate he's going, he could end up getting put on

the shelf for good. So, this begs the question, does he need some help/backup? Short answer is yes. The boys/girls in creative feel they have an answer, a heel super stable they want to call the LEGION OF THE HAMMED. The name kind of stinks, so that may be just a first draft, but the idea of a super stable to guard their top heel is a potentially great idea.

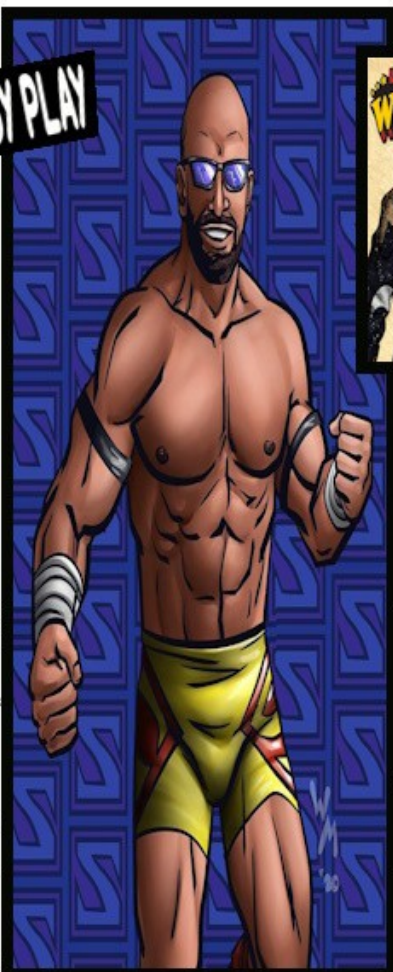

It could end up sh\*tthole of a league being a ratings bonanza. Who would you team with him? Who would want to team with the league's top jerk? We asked the Ham himself for his thoughts, and he could care less for the idea. "Anyone in this league would be honored to team with yours truly. I don't want to carry anyone either. I'm so great, I'm a one man show!! So screw all of y'all!!! I will rise right to the top, be the greatest ever, and there's nothing you can do about it!!! HAM SANDWICH IS A WRESTLING GOD!!!!"

## PLAY BY PLAY

A NEW IDEA SET TO MAKE THE FAL THE PLACE TO BE IN THE IWA!!!

The intro of the idea of a "live" broadcast is an idea we hope will make the FAL truly stand out!!! It's taking longer than what we hoped, but we shall have it 100%

implemented in the next few cycles.

What we hope to show every report is at least 1 live show every cycle, where there's play by play, commercials, rough draft the works!!! It was a thing I previously experimented with in the WWL, where I had been a commissioner many years ago, back when the WWL was a

regular league in the IWA's Top Ten leagues list. It worked well in its initial form years ago, but was too much to handle back then. We wish to try and make the league stand out!!! It will increase the size of the report, so we think it

will work this time. As we have previously stated, we think it will stand out!!! So bear with us while we try. It will be totally worth it!!!!!!!

be able to do it all the time, but we will try. If it doesn't, we'll do it every few bulletins. We work harder than any other league to provide to you the most enjoyable IWA experience possible. So bear with us while we try. It will be totally worth it!!!!!!!

# RIP TO AN ORIGINAL HORSEMAN

\*\*\*\*\*

Ole Anderson, a professional wrestler, manager and promoter noted for his blunt, tough-guy persona and a founding member of the "Four Horsemen," died Monday. He was 81. No cause of death was given, and it was unclear where Anderson died. Anderson was born Alan Rogowski on Sept. 22, 1942, in Minneapolis, CBS Sports reported. Friends and family members shared the news of the wrestler's death on social media. The "Four Horsemen," who as heels ran roughshod in wrestling promotions throughout Southeast promotions, originally consisted of Anderson, Arn Anderson, Tully Blanchard and Ric Flair and were managed by J.J. Dillon. Arn Anderson (real name Martin Lunde), who bore a resemblance to the older Ole Anderson, was his tag team partner as part of the Minnesota Wrecking Crew. Ole Anderson originally teamed with Gene Anderson as part of the Minnesota Wrecking Crew.

FROM PETE SWEET & JIMMY DELIGHT  
OF PRETTY DANGEROUS

"Greetings from the two prettiest dandy boys ever to step foot in a FAL ring, it is I Pete Sweet, representing my oh so sexy other half, Jimmy Delight, of your former IWA United States Tag Team Champs, PRETTY DANGEROUS!!!!!!!!!!!! Yes you can all go oooh and ahhhhh, and that usual rot, because, well we are pretty amazing. I thought it was high time to take a rest from the high class parties and the like to look in on all of you little people. Oh did I forget to mention that we are your reigning FAL League Tag Team champions ??? Oh silly me, sorry about that. SIDE PLATE CHECK!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! \*Boom chicka wow wow chicka wow wow\* There is the proof, and come on we all know this is right where they shall remain this cycle. They have to stay right here to show those Pizza Boyz and the like what proper champions look like. I mean Enkidu and Driver, we may all be in COT together, but y'all will never be our equals never ever!!!!!! Just tellin' it like it is!!!!!!

You are just a tiny step above freakshows like Ham Sandwich and Laser Hippity Hop!!! We need proper sexy men to challenge us. Since there are none in FAL at present, we will have to implore our inbred management to go out & find us some. Maybe after we beat them we can have a sleepover and naughty talk!!!!!!!!!!!!!! Wouldn't that be just wonderous now wouldn't it!?!?!?!? Yes it would be marvelous!!! But enough about our greatness, which is, I will

admit PRETTY GREAT, let's talk about some Tyrant important business, namely the upcoming stablecade!!!!!!!!!! Yes, as it is readily apparent, we will have to carry this ragtag bunch of nancies straight to the top in this years contest. Ham Sandwich and Laser Frog will ofcourse bring up the rear with their usual rock bottom performances, while we get all of our always deserved glory!!!!!!!!!! The rest of COT is a bunch of Pizza Freaks, Vicious guys who never shower after the matches, and god knows what we can call the rest, \*shudders\* that will be like a huge boat anchor trying to keep Jimmy and I down, but we will rise to the occasion and win the day!!!!!!!!!!!!!!!!!!!!!! We are PRETTY DANGEROUS and that is exactly what we are 24/7, 365. Smooches to all of you losers!!!!!!!!!!!!!!!!!!"

We won the World Six-Man Titles again!

- Ghoulish Bob Gyro

When did Ham Sandwich ever do that?!

Everyone was really happy about the huge belt bonanza over in the ECL, but the big V was none too pleased with the dry gulch around here. And my main man BZ doesn't have the Gulfport TV strap anymore. On top of that, we went into some cave and found some ancient writing carved into the wall and a

locked chest containing who the heck knows what. Anyway, I finally found a good source for asiago cheese bagels, so this are looking up in that respect. All right, I'm gonna go."

## The Masked Medical Facility Physicians

*The newest Six-man team to join the Flying Aces League, **The Masked Medical Facility Physicians** have joined the league by the strange occurrence of the need for a medical team to always be on call because of FAL's newest jobber, "The Receipt" Mark K. Fabe.*

*Mark is wheeled out to ringside with the Masked Medical Facility Physicians. They help him into the ring and make sure he is comfortable before grabbing a microphone. They are about to talk when a light hanging over the ring falls and hits Mark on the head knocking him out of his chair. Fans laugh and shake their heads as the Masked Medical Facility Physicians put Mark on a stretcher and carry him to the nearest ambulance.*

No one was injured during this promo. (Well, except Mark, but he is used to it, so that does not count.)

Mark K. Fabe

FAL's newest jobber Mark Kay Fabe is wheeled through the gates at a local zoo by his new masked medical team. They are shown going all around the zoo looking at all the rare and exotic animals. While they are looking at animals an announcement is made over the loudspeaker looking for a doctor. The Masked Medics leave Mark and run off to go help.

... Mark sits in his wheelchair by a sign saying, "Poisonous Frog Exhibit." Mark hears a strange noise. Unable to turn his head due to a neck brace he tries to turn his chair, but he can't see anything. The noise gets louder, and Mark's eyes get huge when the lights go out. Muffled screaming can be heard as the medical team return to find Mark covered in frogs.

*This promo was sponsored just not by the FAL Commissioner, because he likes Mark.*

# Dem Pizza Shop Boys & Sara

“Looks like I got this Southeast title again from throwing you ham and egggers out of the Battle Royal. Oh and **Stanley Roper**, you need watch your mouth about oogling, I guess that is word your old 1970s suit wearing self would say, Sara. I would do something, but I know that Sara can take care of herself.” - Nik Domizino

“I’m not worried about those old pervs. I am putting everyone on notice that I plan on getting the league title back, because it belongs around Mami’s waist. Or maybe I’ll just help Nik win the title. Either way, we’re getting the title back.- Sara Stone

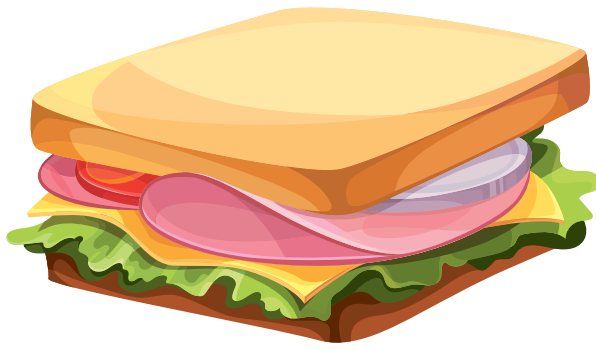

“Whooooo Boy! Back with some tag team gold over two of those **Minnesota Wrecking Crew** fellas. Always a good hard-hitting match with them boys. **Pretty Dangerous**, know that we are coming for those straps.” - ‘Smokin’ Jay Driver

“**Speed Pinner**s, y’all won that dog collar match, but we’ll be back for round number two with y’all. **Landlords**, stop snooping around our stuff. Like Jay said, even if you are Tyrants like us, be ready to MAN UP!“ - ‘Wild’ Mark Enkidu

“Man I’m hungry! I was in the cooler and it smelt weird after Nik, Mark, & Jay were in there before they left for the day. I could really go for a **Ham Sandwich!** Mr. Ham, you managed to defeat me for a title, and well, I didn’t do so well that last tour, but that’s okay because I am hungry to get back at it! Man, I really do need to eat soon; what was that I use to eat back in the day all the time? Let me call this sandwich shop down the street to see if they want to do a food trade for some pies - Big Jerry Raphatellanglardo

## Ham Sandwich Speaks

There's some things you don't know about Ham Sandwich, namely that I will stop at nothing to win a match— Mustard to the eye? Fine.

Crumbs in your shorts? You bet. Any of these imitation meats who claim to be Halal can state whatever they want; at least I know I'm not kosher and I don't try to hide it. These guys claim to be grainfed lamb when everyone knows they're really rat meat.
