GAL Commissioner's Report

March 2024 Edition (GAL #76)

Interim Commish
Badger Brookens

"First ladies, I need to address the allegations from **Alexa Winters** about me having an Asian persuasion. Nakita has proven and earned her title, and yeah she isn't bad to look at, but if there is one thing I know, it is that I like all sorts of different women! Do I look like the kind of guy who can settle for one type? Anyway, the diversity and equality office has let me know that they would like more diversity in the division, so remember - **ANY NEW MANAGER WHO IS ACTIVE AND TTs for TWO CYCLES will receive TEN FREE MATCHES!**

"**Alexa** did bring up a good point, the **Slam Jam** title needs a prize attached to it. Let's have a progressive bonus, adding \$5,000 every cycle. To earn the prize, the **CURRENT** champion needs to be the one who scores the pinfall to win the match. I'll have HR write it up all nice and official.

"Now this cycle, **Nakita Wu** defends the Queen of the Amazon title against **Beatrix Van Chaos**. Newly crowned **Slam Jam** champion **Fallon Luna**, will defend her title against **Carissa Owens and the other two Varsity Shooters!** And the front office just approved sending these ladies to the **EWL** this tour to show the Steel Fed that our ladies are the best in the world!

"Finally, **REMEMBER TO JOIN THE BATTLE ROYAL NEXT CYCLE (GAL #77, April)** for **Spring Break Beach Bash** and chance to win **\$100K** in i-cash! Keep on Slammin & Jammin!"

tl;dr: SB3 in cycle #77 - battle royal winner gets 100k! New manager incentive! Progressive prize for Slam Jam Fallon wins Slam Jam. EWL invasion.

Trash Talk Review with Alyssa Blaze:

“TT to get your **Slam Jam** title shots.”

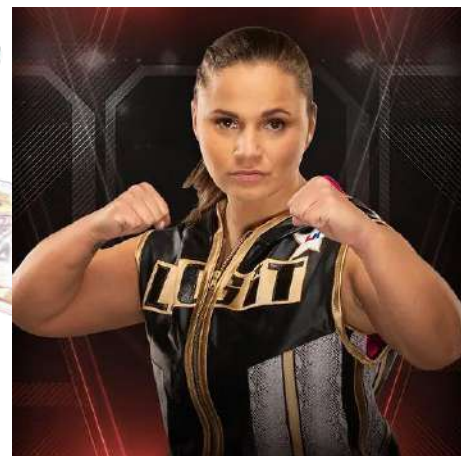

- **Carissa Owens** gloats of all the success of the Varsity Shooters, listing all their titles
- **Alexa Winters** calls out commission Brookens, asking for a prize for the Slam Jam title, and accusing him of liking Asians more. Trust me, Badger doesn't discriminate.
- **Belle James** calls out the **Whooo Grrls & the Van Chaos Sisters**
- **Nakita Wu** brags about being the Amazon Queen, and going to the **LSL** to show she is the Queen of the Steel Fed, while **Destyni** whines that she should be there too because **Alexa** was the guest ref that counted her in her title match vs **Carissa**.
- **Fallon Luna** apparently had a NJPW tryout and can't wait for **Spring Break**
- **Evi van Chaos** went out on the town for her birthday with her sisters and Fallon, besides a viral photo of Evi's, ugh... yeah... the other news was **Ursula** beat up a valet.

Deadly Divas Tag Titles Rules:

1. Any Tag team can challenge for the Divas Tag Title. Just mark the match "Deadly Divas"
2. If you win the match by 3 or more, you are the new champions! If multiple teams win by more than 3, the first team in the match rundown will be the new champions (this will help make it so it isn't always just the league tag team champions.) If no one wins by 3, the champs retain.

Whoo Girls record: 10-8-2

Previous winners: Wyld Animals

Mama Van Chaos:

It seems that the Van Chaos moniker is a well deserved one, as my girls have been very chaotic lately, but despite that, my middle child has been successful recently. Could she go from one of the worst in 2023 to the best in 2024?

Ursula Van Chaos:

How long do you think Lady Godiva will hold that SHINE title? It just goes to show we don't have enough competition here in the GAL. Where are these girls who claim to be the IWA's best? It's getting repetitive fighting the same 15 women over and over again. I guess there's only one thing to do... Carissa Owens, get ready to lose your title!

Evi's Corner

If anyone finds my wallet in Los Angeles, there's a reward... Oh I don't feel well...

There's a guy
named Norman in
my TV!
-b

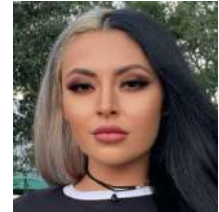

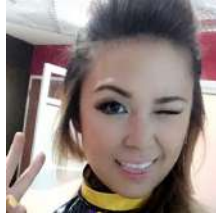

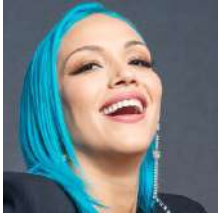

Look who held onto the Perfect Championship... and who's going to hold onto it for a third straight tour. Badger Brookens is so happy with us that he's sending us to Europe!

I'm looking forward to stretching out those girls from the EWL. They're not going to know what hit them.

I see that Christie "Boom Boom" Geraldson and her two friends are trying to make an impact, but my friend, you're not even in my repetenda. Bring it, ladies, and we'll see who comes out on top.

Destyni Sanchez-Leon

"Welcome to **GIIRRRLLL TAAAAALK!!! WHOOOOOO!**

(The ladies dance & scream)

We got the **U.S. Tag team Championships** this last tour, securing the bag for the GAL.

Oh and the brassholes that run the GAL must've heard our complaint about going to a swamp, because your girls are going to **Europe** to take on some of the ladies in the EWL.

Speaking of European white trash, **Van Chaos Sisters** we plan on taking back our GAL Tag titles."

"Nature Grrrl" Nakita Wu

"And **Beatrix**, I will leave with the Queen of the Amazon crown again, just like how I went to the swamp and beat **Tessa the Fox Red** to show that the ladies in the GAL are the best. Now **Badger Brookens** is sending us to Europe to show we are the best in the world. But ladies in the GAL, don't forget we're the top b***** here, and one of us will win the **100K Spring Break Beach Bash**, & we'll win the Whooo Grrl Challenge vs. the **Varsity Shooters**."

Fallon Luna

"Well, I don't mind tangling with them, especially with **Carissa Owens**. You spanked me... in our singles match, you tossed me... out of the battle royal, but I came into the Slam Jam title match and left with that title. Now the commish is making me defend the Slam Jam title vs the threesome of the **Varsity Shooters** at the same time, well, I look forward to shooting on all three of you.. Anyway, This has been... GIRL TALK!" (All three shimi and scream!)

GAL Superstars “Nature Grrrl” Nakita Wu, Beatrix Van Chaos, Carissa Owens, Alexa Winters, Destyni Sanchez-Leon, & Fallon Luna are all on plane on a trans-Atlantic flight to Europe.

Nakita: “As the Queen of the Amazon and half of the Ladies U.S. Tag Champions, I have the rizz, so I’ll obviously lead us into the **European Wrestling League** to show them that the **GAL** has the hottest and best women wrestlers. Plus I won last tour in the **LSL...**”

Carissa: “You weren’t the only one to win in the LSL, I beat their Flaming Rose champ. I am the back-to-back league champ, battle royal winner, and Deadly Divas Tag champ - so if anyone is leading us, it is me. I’ll wrap the EWL champ **Misti Capri** up like she is stuck in some kudzu. Then Alexa & I will beat their tag champs, **Aksana Kunavich & Nikki Knockout**. Soon enough **Nakita**, I’ll take the **your Queen of the Amazon crown.**”

Fallon: “Funny Carissa, you didn’t mention I took the Slam Jam title from you, but anyway I look forward to spanking **Hanna Banana**. I wish **Evi** was on this trip, no shade Beatrix.”

Beatrix: “Well Evi and Ursula had to stay because of miscreant behavior on Evi’s birthday, I think it was the international waffle house, what a fluffy treat, but the Waitresses did not know a Dutch Waffle so **Tanya** the waitress, Ik sla je wafelgezicht in elkaar, ahahahaha!”

Destyni: “Well that leaves us the other two Tw**waffles, **Donna & Wanda**. Oh **Alexa**, what did your tw**waffle *** say about Nakita?” (Alexa gets up and the camera fades)
