Trash Talk Review with Alyssa Blaze:

“TT to get your **Slam Jam** title shots and give these ladies something new to discuss.”

- **Mama Van Chaos** talked about her girls doing well so far in 2024. She said no one in the EWL could stop them. Hope she keeps that same energy for the **LSL & VVL!**

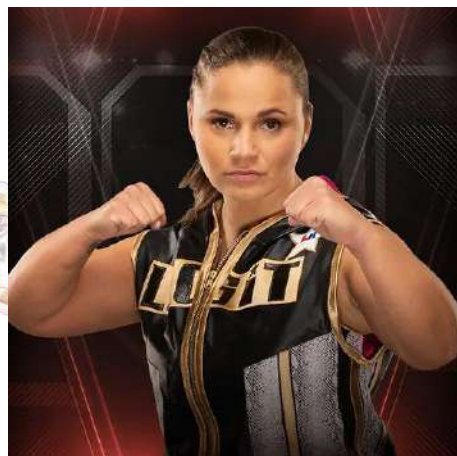

- I mean, I can explain what the **Whoo Grrls** said, but do you really need me to? They talked junk about everyone and said they would win, and this time the Whoo Grrrls backed it up. Ugh, I just said the Whooo grrrls backed it up. I need some sleep!

Deadly Divas Tag Titles Rules:

The Slam Jam Title is back where it belongs.... And we're going to start invading the other leagues to show them where the best of the women really live!

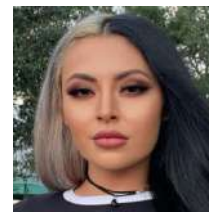

The Steel Federation's got the VVL and the LSL has a women's division, but not for long ... all those ladies are going to be out with concussions and broken shoulders pretty soon!

My Varsity Shooters held on to the Deadly Divas titles this time around, and we've all got some multi-lady gold. We've been humble so far, but you're not even in my repetenda so bring it!

#WhoooooGrrrls #GrrrlTalk

Destyni Sanchez-Leon

"Welcome back to another additional of GRRRRLLL TAALLLK! WOOOOO! Glad that we are about to leave the C'Min Inn or whatever it is called here in Thief River Falls where these Slam Jam clowns booked *Spring Break*. **Belle James** won, but honestly we were bummed that the event is here. Now they might send us back to that backward af **Swamp League** again? Naw Fam, We'll just keep running things here in the GAL"

"Nature Grrrl" Nakita Wu

"Well you know they are, of course, going to send us out to the **VVL** to show those b***** the we stand on business in the GAL. Just like we took our league tag titles back from the **Von Chaos Sisters**. That means that **Beatrix** should be used to me taking her titles, so when I take that Queen's Crown back, it won't be a surprise. I'm actually glad to go beat up some other ladies, this should be a Whooo Grrrl summer!"

Fallon Luna

"We still have a little while until then, so we will have to remind everyone, including **Jamie Graffitti, Selene Bloodrose, & Boom Boom Geraldson** that although I appreciate you, especially that boom boom on Christy, the GAL still goes through us. But like Nakita said, the whole Steel Fed goes through us too, no cap. Well it's about time to leave Thief fn River Falls this has been GRRRL TAAALK!! WHOOOOOOO!!!"
