Note: GPLL is once again the GNL, a regular league, though it still has Elite status since its limit of 6 wrestlers per manager has not changed. You may create new wrestlers for free next cycle, up to that limit. You may also transfer wrestlers into or out of the league for free next cycle. If you are interested in becoming the commissioner, please let us know!

He really wanted to do his own thing, but in the end he decided to get back together with us and keep the Alpha Squadron together. The Golden Road PPV is next cycle, and I must say, I like my chances of winning the match I'm in. First off, Roxi Riott, welcome to the GPLL! You had an impressive debut, but can you hang with two girls that have been here for a while? We'll just have to wait and see. As for you, Eden Withers, girl, you talk a good game, but you're one of those people who sign two matches a cycle and barely stay active! You don't want to come to work and make a name for yourself, and at Golden Road, I will show the world that hard work and discipline pay off! Honor for all!"
