CURE/LPPF: “Backwood Hillbilly” Uncle Jethro was the winner of the battle royal and the \$30,000 prize.

Wonderful Wally Brown and his girlfriend Katie pictured above.

[The camera focuses on Wonderful Wally Brown, standing in the center of the ring, his presence commanding attention as he prepares to address the audience.]

Wonderful Wally Brown: Ladies and gentlemen, it's time to face the facts. Wally Brown and COT are light years ahead of the competition. While others are still trying to figure out the basics, we're already playing chess, thinking five moves ahead.

[He gestures to the stars surrounding him, each one a testament to his claim.]

Wonderful Wally Brown: Look at these stars. Each one a shining example of excellence. They prove my point better than any words ever could. We don't just win matches, we redefine what it means to be a champion.

[His tone shifts, a hint of frustration creeping in.]

Wonderful Wally Brown: But let's address the elephant in the room, shall we? That dirty, no-good Mike Cook. He had the audacity to eliminate me from the UWL, thinking he could just waltz in and take me down. Well, let me make one thing crystal clear: me and my buddies, we WILL get revenge. Next year, when the UWL rolls around, we'll be ready. And Mike Cook, you better watch your back, because payback's a... well, you know the rest.

[He smirks, a fire burning in his eyes as he raises a fist in defiance.]

Wonderful Wally Brown: So to all the doubters, to all the naysayers, I say this: keep watching, because the best is yet to come. And when it does, you'll see why Wally Brown and COT are the true masters of this game.
