(GRL Rendezvous™ LIVE comes on the air, with a shot of the parking lot area being shown, as the Rainbow Pony Express pulls up. The camera quickly cuts to the inside of the Reaper Dome™, where over fifteen thousand fans have flocked the stands, in anticipation of another exciting night of GRL wrestling. Sitting at ringside, is the GRL commentary team, consisting of Roy Clarkson & Bryan Sheldon.)

Roy Clarkson: Hello wrestling fans, welcome to GRL Rendezvous™ LIVE, where the best Bronze Federation action resides! I am Roy Clarkson, alongside my great colleague Bryan Sheldon, LIVE inside of the Reaper Dome™. Tonight, Sadistic San Quentin is scheduled to take on Jade Jaws, in a no disqualification bout. Two giants, with one motive, and that is to win. This is going to be a good one!

Bryan Sheldon: Indeed it is, and in the main event, the Brown/Hillbilly “saga” continues. It will be “Lightning” Lance Brown against Billie Hill. These two have no love lost for one another, and although Lance has a 1-0 victory margin against Billie Hill, she still cost him the opportunity at the GRL Extreme World Heavyweight Championship. I cannot wait to see these two lock it up!

Roy Clarkson: We will have those two matches, and so much more, and it starts... right now!

Bryan Sheldon: Hell yeah!

Singles Match:

Sadistic San Quentin -versus- Jade Jaws

(Out to the entrance-way first, is Sadistic San Quentin, who has wanted to get in the ring with Jade Jaws for quite some time. The “battle of the giants” is finally happening, and the thousands in attendance, are on their feet. Sadistic San Quentin makes it to ringside, pulls himself up on the apron, and steps over the ropes to enter the ring. San Quentin stands in the middle of the ring and waits for his opponent. The lights go dim, and the ring announcer introduces Jade Jaws, but he doesn't show up on the entrance-way. Sadistic San Quentin is furious and snatches the microphone away from the ring announcer. He pulls it to his mouth and begins to speak.)

Sadistic San Quentin: Jade Jaws, it's now or never, so get your @ss out here! (Sadistic San Quentin tosses the microphone back to the ring announcer and waits for Jade Jaws to appear. The ring announcer reintroduces Jade Jaws, and once again, to no avail. Sadistic San Quentin has had enough, and begins to exit the ring, until the lights go completely out.)

Roy Clarkson: What is this? What's going on here Bryan?

Bryan Sheldon: I'm as dumbfounded as you are Roy Clarkson, but I think that we're all about to find out together, as Averno, Patchwork, and Nick Nitemare stands on the entrance-way!

(Averno, Patchwork, and Nick Nitemare are all standing on the entrance-way, holding up the X-Army signal. Sadistic San Quentin watches on, and has no idea, that a towering Midnight stands behind him. The lights come back on, and soon afterwards, San Quentin realizes Midnight's presence. San Quentin turns around to get chopped in the throat. He falls to one knee, and Midnight backs against the ropes, and kicks Sadistic San Quentin in the skull. A split screen is shown of Rainbow Pony Express. The door opens, and out steps Rainbow Pony and Banzai, both of whom are headed towards the entrance-way. The rest of the X-Army begin to walk towards the ring, as Midnight drops San Quentin into canvas, with a powerful chokeslam.)

Bryan Sheldon: I've never seen Sadistic San Quentin being manhandled like this! Never!
(Out walks Rainbow Pony & Banzai, who stands on the entrance-way, while receiving a nice ovation from the fans. Both Banzai and Rainbow Pony turn to look at the Jumbo-Tron, and on it reads, "Pinata Hardcore Match". Midnight stares out at Pony, and begins to exit the ring, and head towards the entrance-way. The X-Army follows him, and Pony & Banzai exit through the curtain, seemingly in pursuit of the two. Meanwhile, Sadistic San Quentin makes it up, but the damage to him has already been done. The scene cuts to the backstage area.)

BACKSTAGE

(Backstage, Allie Gemma, Christian Michaels, and Jazzman are shown, discussing the latest events leading up to the big wedding.)

Christian Michaels: Jeffrey King, you are going to be the greatest "best man" that I could've asked for, and Allie and I love it! Heart and Soul is going to be for life and forever! (**Jazzman and Christian Michaels hug it out, but they can't help but notice, that something is bothering Allie.**)

Jazzman: Is everything alright sis?

Allie Gemma: I'm just thinking about that @** whooping that I gave to Kenny Johnson.

Christian Michaels: You mean "your dad"?

Allie Gemma: No. Kenny Johnson was never a father figure. He is just Kenny Johnson to me now!

Jazzman: Allie... don't let him get you down, we have a wedding to get prepared for, and we are your family! Besides, I can't wait to make you my wife. (**Jazzman leans in and plants a kiss onto Allie's lips.**)

Christian Michaels: Love is in the air! Love is in the air! (The scene cuts to a promotional break.)

BACKSTAGE

(Backstage, the entire DOD faction is standing inside of the office of Commissioner Venom Scott, and they are being led by Catfish Rob. It's obvious that they are seeking championship opportunities, and Venom Scott is in a giving move, and gives the faction just what they want.)

Commissioner Venom Scott: Here's the deal guys. I know that each and every one of you want an opportunity at some championship gold around here, but only one of you can get that opportunity, and that is at the "Bad Blood" pay per view. Catfish Rob, I'm leaving the decision up to you, and it must be known in next cycle's trashtalk. Which member of DOD will take on Mark "the Master" Duchaine, for the GRL Viper Championship? (All members of DOD begin to ponder at the idea of getting a championship opportunity on pay per view. The scene fades to black.)

Rendezvous™ LIVE!

GRL World Tag Team Championship Titles:

The Amazing Twins © (Half-Man & Half-Amazing)

versus

"Scandinavian Nightmare" Glen Vanderson & Stoner Crushwall

Next Cycle!!!

(Back inside of the Reaper Dome, a massive blast of pyro explodes on the entrance-way, bringing out the GRL Extreme Platinum and World Heavyweight Champion! The fans are standing for this one. As Wonderful Wally Brown makes his way out, with both titles strapped around his waist. He makes his way down the aisle, up the ring steps, and through the ropes. He grabs a microphone from the ring announcer and begins to speak.)

Wonderful Wally Brown: Everyone in this building, the people watching at home, and the wrestlers in the back... they all understand one thing. They are looking at the greatest GRL Platinum and World Heavyweight Champion! (The crowd cheers.) The same way that I have fought and clawed through the competition to get these championships, will be the same way that I defend either of them, beginning with Timothy Rumblecrunch! (Wally Brown gets interrupted by Johnny Slaughter, the man who vows to regain the GRL Extreme World Heavyweight Championship, as he bides his time. Slaughter slowly makes his way down the aisle, and the fans are shocked by his arrival, and the cheers and boos are split in half. Slaughter makes it inside of the squared circle, and Wally Brown unstraps both of his championships, and the fans go wild. Slaughter walks up to Wally Brown, and the two men get nose to nose, mouthing off at one another. Slaughter shoves Brown into the ropes. He goes for a right hand. Brown blocks it and decks Slaughter. Slaughter fights back and kicks Brown in the midsection. The two men are going back and forth. Brown connects with a Wonderkick, nailing Slaughter in the jaw, and he falls into the corner. Wally Brown picks up the World Title as Slaughter stumbles out of the corner. Brown goes to nail Slaughter with the belt, but Slaughter kicks him in the groin, and sets him up for the Slaughter Bomb onto the Platinum Championship Title belt.)

Bryan Sheldon: What a showdown!

Roy Clarkson: Here comes Rumblecrunch!

(Out runs Timothy Rumblecrunch. He runs down the aisle, slides into the ring, and chases off Johnny Slaughter. Timothy grabs the World Title belt, and tells Slaughter, that "the belt belongs to him". Wally Brown pulls himself up using the ropes, and Timothy Rumblecrunch levels him with the World Title belt, drawing a thunderous roar of boos from the crowd.)

This brings out Chief Moose Crossfox, and he chases off Rumblecrunch, before grabbing the GRL Platinum Championship. Wally again pulls himself up to his feet, and Crossfox attempts to give him his belt, but Wally doesn't grab it. Crossfox exits the ring without altercation.)

Roy Clarkson: Crossfox made the save, but I think that he wants a shot at the GRL Platinum Championship, and he's making it known. **(Crossfox says that he wants a shot at the Platinum Title, as he stares into the camera, and then back at Wally Brown. The wild scene concludes, and the camera cuts to the backstage area, where CRYSIS is standing by.)**

BACKSTAGE

(Backstage, the Don, Frank-O Valentine and “the Great Knight” Isaiah Ryder are shown, watching wedding videos on YouTube. They watch clips of Randy Savage and Elizabeth, Kip Sabian & Penelope Ford, and even Chuck Palumbo and Billy Gunn. Ryder then begins to speak.)

Isaiah Ryder: Don't these idiots know that “TV weddings” never work?

Valentine: Maybe this one will be different. They expect us to crash it, but we won't, but we'll be watching! **(Isaiah Ryder looks into the camera and winks. The scene fades and cuts to the main event.)**

No Disqualification Match:

“Lightning” Lance Brown -versus- Billie Hill

(The ring announcer brings out Billie Hill first, and she makes her way down the aisle, with the Amazing Twins. They have the GRL World Tag Team Championship Titles strapped around their waists, and along with Billie Hill, they walk down the aisle towards the ring. Billie Hill enters the ring, and soon afterwards, out walks “Lightning” Lance Brown. Lance makes his way down the aisle, seeing that the deck may be stacked against him, and slides into the ring. Billie Hill steps into the ropes, and the referee holds Lance back, keeping him from getting his hands on his opponent. While this is going on, the Amazing Twins slide into the ring, and Half-Amazing nails him with his championship belt. Half Man drops a knee on the back of Lance's head for extra measure. Billie Hill then tells them to back off, and looks at the referee, and tells him to signal for the bell. The referee doesn't do it, which causes Billie Hill to deck him in the face, knocking him through the ropes. The referee lands on the apron and falls to the floor. The trio then begins to ambush Lance Brown, who is now bloodied, and barely conscious. Out runs “Scandinavian Nightmare” Glen Vanderson & Stoner Crushwall, and they are ready to fight. They slide into the ring and go right after the Amazing Twins. They overpower the World Tag Team Champions, shoving them in opposite corners, and going to work on them. Billie Hill grabs one of the World Tag Team Title belts and waits for Lance Brown to stand. She swings it, misses, and Lance drops her with a clothesline. Billie Hill is back on her feet, and Lance sends her up and over the ropes with a clothesline, and she hits the floor hard. The Amazing Twins find a way to escape the clutches of Vanderson and Crushwall, and they too, escape from inside of the ring. Lance grabs a microphone and begins to speak.)

“Lightning” Lance Brown: Amazing Twins, you'd better enjoy your last cycle as World Tag Team Champions, because these gentlemen are going to beat your @** and take them. **(The crowd cheers.)** Billie Hill, don't think for one second, that you escaped this feud. It will be you and I at Bad Blood. I am going to kill you! **(Lance drops the microphone as the end credits roll across the screen. GRL Rendezvous™ LIVE goes off the air.)**

Rainbow Roads is in a rocking chair on a old school farm porch as the shot opens.

Rainbow has a six foot tall white woman dressed in golden shorts and a golden sports bra. Rainbow is wearing a tie dye white beater and purple daisy dukes.

She has a pitcher of lemonade and she drinks a glass that is next to her.

Rainbow: Ahhhh, that is refreshing. This sweet taste and substaining liquid. To power me up and cool me down.

She takes another sip and smiles as she sets it down.

Rainbow: Others opinions do not matter, i may be a spoiled brat, but i am also generous. My helper Barbara has helped me for five years. Her family went down on the times and i bought this property and i just vacation here and she helps me when i am here.

She rubs Barb's face and smiles.

Rainbow: I feel good, that i am with some of the toughest girls and facing off against the UNL!! I am happy to face anyone. I am not just a pretty face. I am walking the yellow brick road. But everyone i face, will walk the Rainbow Road and at the end of it is not gold, but a black eye. Wham, Bam, Pow!!

She smiles as the scene ends.

A shot opens up to "White Phoenix" Nina Schmitt getting a black angel girl tattooed on her back with beautiful purple wings. She had already tatooes for her son Carlos and other daughter.

Her Uncle Rob Viscious is there with her as they are finishing up on her tattoo.

She looks at it and loves it.

She begins to speak.

Nina: This has been a good year. I have been in some great matches in all the companies ive been in and now in the ladies revolution. My children and husband will be very proud of me. Now i fight for the honor of LRW and to be part of the Bronze Age. I am getting into the ring with a face new to me. Star Vexing Vladimir Verklempt, i will face you at Ruination. I will try to give you the fight of my life. My uncle will keep people from interfering. So let's burn the fire bright and if its put out, i will come back, just like a...PHOENIX!!!

She does her stare and her eyes are red hot like fire as the scene ends.

: Marko Rios and Leonardo Rios are in the back training as Patchwork and Nick Nitemare jump them from behind. Nick Nitemare takes Leonardo and bash his head into the wall. Leaving Leo stuck in it.

Patchwork racks Marko and throws him Nitemare's way and he hits a sitdown powerbomb.

X-Army's Constable Black comes in behind them and puts a contract for a tornado tag extreme rules match right underneath Marko. He walks over them as the lights go out and the Rios brothers are left laying with a contract next to them.

A shot opens up to Midnight sitting in a desert and on a throne in the sand. He lets sand full through his fingers.

Midnight: Great Knight, Frank-O, former Tag team champions. My Queen, my partner would like to see some blood spilled. She would love to join me but i am not oppossed to a handicap match. Not about titles are wins, but about punishment. Being over 300 pounds and a giant, i doubt i will have a problem. So choose, are you men or are you scared little sheep???

it begins to rain as Midnight laughs like a booming laugh as Averno appears and they lock hands as the scene goes to black.

Heart and Soul, are with Allie Gemma. They are in a dance club. Jazzman finds a sexy dancer in GPPL, superstar Gwen Stacy. They dirty dance.

Micheals and Gemma sit down and order some flavored drinks and a platter of wings and blue cheese.

Gwen Stacy: Hey you are damn good at dancing. Too bad i cannot recruit you to Elite Generation.

Jazzman: No way i am happy where i am at. GRL is my home. Nothing against EG. But me and Christian will become the tag team champions.

Gwen Stacy: No doubt GRL is a great promotion. Let's just see where the night takes us.

Micheals and Allie smile and get ready to dance as Micheals does the robot and Allie dances sexy as the crowd forms around them and cheers for them. Some laugh at the robot, but they love Allie's dancing.

Micheals gives Allie a box to open when they sit back down. She opens it and its a dream catcher.

Allie begins to cry.

Allie: Oh my god, i love it. I LOVE IT!!!

They hug as the scene ends.

We got a date Wally Brown for my Championship

How are we all doing today Grim Reaper League me and you Wally. We've had quite some battles win or lose you should know I respect you. And I do plan on winning my Championship back so we go head to head. Yet again it's going to be fun I guarantee it me and you were not strangers. We've had epic battles we've had fun matches I joined LPPF. The only thing is I've never considered myself a legend but a lot of people tell me I am. I can't wait this is going to be fun it always is when me and you getting that ring and do our business. I

know only one man can leave I don't know if I'll win the title back but we are going to have fun. Legends Of Past, Present and Future we will tear the house down I guarantee that we will have the most fun match we've ever had good luck I'll see you in the ring soon.

The Answer Timothy Rumble crunch

I'm ready to take back my belt

Wonderful One I think that's what you call yourself Wally Brown. It's been a while since I said a single word now I am ready. I am DSV Donathan S. Vicious and I'm ready to take my spotlight back from anybody who's holding it. It's been a while since I've been a real champion let's go out there have ourselves one hell of a match. I want my belt back and I'll do anything to get it. Don't get me wrong I respect you I respect everybody I get in the ring with. I lost my title to your son and I have no excuses for it. Give me a match against somebody and I'll earn it I don't mind doing a little hard work. Just to get what I want my title is all I care about now can I live without it yeah. Can I talk without it well I can do that too. But I want a match to see if I can regain it so I'll see you soon.

Donathan S. Vicious

Billie Hill, it will be you and I this cycle on Rendezvous™ LIVE, and if you try to pull your shenanigans... we will meet again at the next pay per view! It's already signed, and sealed, so your fate will be left in your hands. The Backwood Hillbillies are still on my radar, and once I've eradicated you all, I will get back on my quest to become the GRL World Champion for a 3rd time!

-”Lightning” Lance Brown

Midnight, I see that you have taken the place of that coward Jade Jaws, who ran off into the sunset! Well Midnight, I am not afraid of you at all, and you will soon have to see me in that ring. Rainbow Pony, I respect the hell out of you, and that goes for you too Banzai. I respect your will to never quit! We have had our battles, up and down the roads, but you two were the ones who went missing. Not me... I accept your so called Pinata Hardcore Match! I will take it to the Xtreme!

-Sadistic San Quentin

(Backstage, the former GRL World Tag Team Champions Valentine & Ryder are shown, and they are looking over “wedding rings”. The camera man focuses on the catalog that they are viewing, and instead of rings, they are actually looking at pairs of brass knuckles.)

Frank-O Valentine: We have a wedding to attend Isaiah!

Isaiah Ryder: (points at one of the pairs of brass knuckles.) I think that they would love that one!

(The two men look at one another and chuckle. The scene fades.)

Wonderful Wally Brown Speaks:

First of all it feels good to be back as the Extreme World and Platinum champion. Same Wally Brown time and same Wally Brown station. Johnny Slaughter, you come out here running your mouth again about how easy it will be to take the Extreme World title from me. How about instead of running your lips you try and actually do it. But I'm going to leave it up to our commish to make sure you earn that shot, This is the GRL and nobody gets a free ride here. As for you Midnight. A tombstone with MY name on it? Now that's just a bad move son. There's plenty of people here you should feud with. But I'm not one of them. I don't need the National Guard. All I need are the Wonderplex, the Wonderkick, the Wonderbomb, and the Wonderline. And just how many times have I put Cheif Moose Crossfox and Mad Max Red Fox to sleep? I'm starting to think the two of you are masochists. I keep telling you you don't want any and you're still not listening. Maybe I need to put the two of you in matching neck braces.

Mark The Master Duchaine speaks: I see that I have a mystery opponent at Bad Blood. Well that's fine because they don't call me Mark The Master for nothing. It doesn't matter who it is. They'll get knocked out with a Ghetto Blaster just like the rest.
