*[“Back in the Saddle” by Aerosmith BLARES through the Das Kreighaus in Berlin. The lights cut out, strobes fire red and gold. A massive cheer erupts—then turns to disbelief as Commissioner **OZ SIMMONS** steps onto the stage in a dark navy trench coat, arms wide, soaking in the shock and awe.]*

**Oz Simmons** *(into mic):* "I'm back!"

*[The crowd roars again—some cheering, some stunned silent, but all locked in.]*

**Oz Simmons** *(steadies himself with a slow, smirking nod):* "You didn't think the GWF could keep flying without the pilot, did you? While I was gone, the engines stalled, the altitude dropped, and the gold lost its shine. But now—now—we get back to business."

*[He starts walking slowly down the ramp.]* "The games are over. The backstage chaos? Swept out. Paper champions? Consider the broom swung. I've already started cleaning house—and every division, every title, and every talent is under review."

*[Pauses at the edge of the ring, pointing toward the camera.]* "You want real wrestling? You want prestige? You want the GWF to mean something again?"

*[Climbs the steps, leans on the top rope with one arm.]* "Good. Because this is the GWF. And under my watch... it's gonna be the greatest damn league the world has ever seen."

*[Mic drop. “Back in the Saddle” hits again. **Simmons** stands center ring as the arena erupts.]*

# HOSTILE TAKEOVER

## BARRY O'TOOLE & BLAKE BLOOM

*[CAMERA: Dim lighting. **Barry O'Toole's** cracking his knuckles beside a table full of broken title plates and torn-up contracts. **Blake Bloom** stands front and center, suit sharp, smirk sharper, eyes full of contempt.]*

**Blake Bloom:** You two clowns—**Axl Hawk** and **Eric Fontaine**—keep flappin' your gums like the road to the United Global Tag Team Championships is some open highway. Newsflash, boys: that road? It runs through us. And we don't pave roads—we leave 'em full of potholes and broken dreams.

**Barry O'Toole:** Go ahead, ask the last dozen teams who tried to step up. You can't. They're all laid out like roadside wreckage. Mangled. Forgotten. Tag teams that once had bright futures... now just skid marks and chalk outlines.

**Blake Bloom:** See, **Hostile Takeover** doesn't challenge for championships—we acquire them. We dismantle empires. We liquidate legacies. And you two? You're just another merger waiting to be buried under the paperwork... and the pain.

**Barry O'Toole:** **Axl**, you talk big, but you're gonna fold fast when the fists start flyin'. And **Fontaine**? You've always been style over substance. Pretty-boy charisma don't mean a damn thing when you're breathin' through broken ribs.

**Blake Bloom:** The title scene ain't built for dreamers and sentimental favorites. It's built for predators. And at the top of the food chain...is **Hostile Takeover**.

**Barry O'Toole** (*leans into camera*): We ain't here to entertain. We're here to end. And when the dust settles, the only thing left standing...will be our boots on your backs and gold in our hands.

## GEORGE THE ANIMAL STEELE

*[CAMERA: Polished studio set. **Sterling S. Ledger** stands at a podium draped in navy velvet, gold cufflinks gleaming, speaking calmly. Behind him, **George "The Animal" Steele** paces like a gorilla in a suit 3 sizes too small, eyes wild, chewing on turnbuckle foam.]*

**Sterling S. Ledger:** Ladies and gentlemen, shareholders of violence... allow me to introduce you to the most untapped asset in professional wrestling: a monster with the mind of madness and the appetite of a godless beast—**George... the Animal... Steele**. He is not your nostalgia. He is not here to play nice with your memories.

This is no cartoon character. This is chaos incarnate, and I—**Sterling S. Ledger**, Executive Director of Brutality—have converted that chaos into capital.

*[George screams in the background, yanks a microphone stand in half with his teeth.]*

**Sterling:** You see, where others saw a wild man, I saw return on investment. Where you saw a liability, I saw an apex predator needing direction. And under my watch, **George** isn't here to tear up turnbuckles—he's here to tear through careers. Champions? Contenders? Legends? All of you are nothing but inventory. And **George**? He's come to liquidate.

*[George roars and flips the velvet podium with one arm.]*

**Sterling** (*calmly adjusting cufflinks*): This is the new era of destruction. And your first lesson in hostile markets... is learning what happens when the beast stops playing nice and starts playing for blood. We're not here to entertain. We're here to consume. You can chant for your heroes. You can light your little tribute candles. But nothing will stop the beast when I say the word.

*[Sterling turns, pats George lightly on the shoulder.]*

**Sterling** (*with a cold smile*): And now... I think it's time we demonstrate market volatility.

*[Suddenly, George SNORTS like a wild hog, roars, and locks eyes with the camera. The cameraman backs up—too late. George lunges, snarling, teeth bared.]*

**Sterling** (*off-camera*): GEORGE! GEORGE, NO—Not the production budget!

*[Camera shakes violently as George chases the cameraman around the studio. We catch glimpses—foam flying, chairs knocked over, heavy breathing and panicked footsteps.]*

George (*growling, incoherent yelling*): RAAGGHHH!! CAMERA BAD! CAMERA TASTE LIKE BATTERY!

*[The feed cuts out abruptly after the camera hits the floor and we hear one last guttural scream.]*

*[Fade to black. The sound of Sterling sighing off-screen.]*

**Sterling:** This... is why we can't have nice things.

### "I Want the GWL Women's Title"

Well folks, I got one of my two goals I set for myself when I came here to the GWL, and that was to win the GWL League title. That was my first goal, and now Tinkerbelle is your GWL League Champion. It took me a while, but I got the job done and it feels so good too.

Now goal number two is the one I want more than anything, and that is the GWL Women's title. Hey Commissioner, Tinkerbelle is waiting on that GWL Women's title, and I don't care who I have to go through to get it, either. So when do I get my shot back at it, for I am getting tired of waiting on it. Do I have to start beating on your door every cycle 'til I get my title, for I will if I have to. You got 2 cycles to tell me something. Then, I will start camping out at your doorstep, Mr. GWL Commissioner.

### "Looking for a Women's Title Shot"

Hey guys, I came to the GWL looking for titles and big time PPV's. Well, I am still waiting on them, so where are they at? We have the Women's NA title but no champion. We need a Women's Champion in GWL and my friend Tinkerbelle is waiting on her rematch for the title. Also, this is SB Vixen Red, and I want a title shot too.

John Big Cat Irons: I've won tourney's climb the mountain top of the GWL and yet I will tell you that this is the toughest locker room, yet. (He looks around the locker.)

Action: People are around here are really forged for battle. No matter the title everyone wants everything. It could be a scrap and someone wants that bite.

John Big Cat: Exactly. That's why the rules of engagement continue to be simple. Fight as if everyday is your last because in this league it might be.

Action: Some wrestlers fight for legacy and that's fine. Some fight for survival and others because it is sooo much fun.

John & Big Cat: The fans are hungry and we must be hungrier to feed their desire for more gold.

Eric Fontaine and Axl Hawk training at their gym in California:

Eric: I keep in shape to take on anyone in the GWL or the World, I became a World Champion through hardwork and sacrifice, I won't back down and I sure as heck won't hide, Midnight Meat Snack you are no coward and you get better all the time we step into the ring, I underestimated you and that will never happen again, what do you say Axl my brother?

AXL HAWK: I agree with you bro, this league you and I should never underestimate anyone here because they are the best especially you Midnight Rocker, you and I have had many matches and brought out the best in one another but next time we meet I will be the Victor, now to the GWL COMMISHINERS, Eric and I have proved how great we are in the ring so I hope you take notice because any title opportunities throw our names in it doesn't matter because we will rule the GWL when it's said and done! We are The Best! Bank on it!
