The Skyscraper's first NWA theme song starts to play as The Million Dollar Man Ted DiBiase and the Million Dollar Champion He-Man, "The Most Powerful Man in the Universe", enter the arena. The fans are booing, chanting, "We want Potvin!" The kids are crying because their cartoon hero is a wrestling heel. The Million Dollar Man Ted DiBiase and The Million Dollar Champion He-Man "The Most Powerful Man in the Universe" walk down the aisle. They enter the ring with a microphone.

He-Man: "A physique liek this doesn't happe by accident. It takes commitment to find whey protein. Nothing comes close to 100% whey gold, the formula we depend on before building muscles and strength. It doesn't include any filters. It's our choice. Recovering from insane workouts and being a cartoon person to life, but I am better looking than him and I am no damn punk teenager! Just look at me! You people can chant "We want Potvin" all you want to, because he's not coming back!"

The fans chant even louder.

He-Man: "He's in the hospital recovering from a busted chin! And he has eighteen staples in his damn forehead! He's finished with wrestling and now his wife Page "Sarha Banks" Potvin has to go to work as a hooker! She works as a pornstar also! I have some of her videos! And if "Kane" Potvin does come back, he won't be the same! I am He-Man, the Most Powerful Man in the Universe!"
