RISE WRESTLING

Welcome back to another cycle of RISE Wrestling action! Last cycle we had some technical issues and the report never made it in. But as I have mentioned, always check the Facebook page, @IWACageOfHonor as the results from the previous cycle and last cycles card was posted. This cycles card was on the Facebook page the same day Iron was posted. Either way this cycle we are back on track and moving forward.

In some unfortunate news, I have decided to cut ties with the AAL in Jade Federation. At first it seemed like a fun project and giving representation with COH in Iron, RISE Wrestling in Steel, Bronze, and Jade, gave us a great chance working with COH and being spread almost IWA wide in all feds. But the Bronze to Steel stretch posed too much of a challenge so AAL was the logical drop. I look forward to pushing forward and do the best we can for HAL and AEL.

With Summer approaching, our next major event is coming up. RISE Wrestling presents the Fire Festival in two cycles. At Fire Festival, our RISE Champion EL Pres will make his first title defense. I will announce his opponent next cycle. All titles will be on the line during the event and depending how things go, we could crown the first RISE Trios Champions as well. Next cycle we will officially start the tournament as 6 teams will compete to become the first champions and also split a \$300,000 i-cash prize. But before I get to far, lets check out the results for last cycles events.

This cycle we have some huge matches, the Pioneer and RISE Tag titles are on the line, then both will be on the line at the Fire Festival as well. Good luck to everyone who is booked!

As We RISE

**As I mentioned, next cycle we began the Warriors Way Tournament to crown the first RISE Trios Champion. There will be 6 teams battling it out, so we'll have 3 matches next cycle then the finals will be a 3-way dance. The winning team will also split \$300,000. The matches-

1. Mike Vendetta, Roderick Rampage, Brock Callihan v Vex, Controller, Siolence

3. We Are In This Together, New Normal, Male Karen v Donkee Punk, Hearton Foreyu, Jan Itor

**After this tournament we will have the Battle Of Sugrag or potentially the Assassins Creed depending on what I hear from this. This will be a 16 wrestler tournament, double elimination, and the winner will receive \$500,000 i-cash, a contract to face the RISE Champion, and a \$12 IWA credit. So far entered are-

El Pres, 976 Evil, Mr Diehard John McClane, duke Sinn, Robert The Mega Murderer Chamber, Controller, Bloodsport Frank Duxx. The remaining entrants will be named next cycle and the matches will begin the following cycle.

**RISE Buying a COH Event- I have inquired buying a COH event on the Iron tour. What I want to do is jump start the RISE v COH battle and look to go after one league at a time, BOL first. COH is requesting a \$10,000,000 i-cash for one of the events in installments, plus \$50,000 each cycle divided among talent each cycle for a year. If I can secure this card it could be something big for both leagues. Frsh match ups, new events, a new ranking, an Interfed Championship! My goal is to have news on this next cycle and hopefully finalize the deal!
