### **“The Elite Athlete’ Nikos Aegis**

Ah, my friends, my esteemed opponents, and all you fine spectators gathered here tonight! Behold, for **The Elite Athlete Nikos Aegis** has descended upon this hallowed arena!

*As the smoke dissipates, **Nikos Aegis** emerges, standing tall with a commanding presence, his Greek accent adding a unique flair to his words.*

Yes, yes, my friends, it is I, **Nikos Aegis**, forged in the fires of Mount Olympus by the mighty hands of Zeus himself! The greatest athlete to ever grace the shores of Greece!

And as I stand before you now, I cannot help but chuckle at the sorry state of affairs within the HLL. Oh, how the mighty have fallen! Your so-called **Living Legends** are nothing but mere mortals, destined to crumble beneath the might of a true god of the ring.

You see, my friends, I give you all permission to despise me, to loathe me, for I thrive on your disdain! For it is only through your hatred that I shall ascend to even greater heights of glory and dominance.

Tonight, I shall seize your gold, your accolades, and make them my own, for I am **Nikos Aegis**, the embodiment of Greek excellence in the world of professional wrestling!

So go ahead, my adversaries, shower me with your boos and your jeers! It matters not, for when the dust settles and the battle is won, you shall bear witness to the undeniable truth: that **Nikos Aegis** is the true legend of this squared circle, destined to reign supreme for all eternity! Opa!

*Magnus Odometer (As the arena lights dim, a spotlight illuminates the center of the ring. Magnus Odometer, clad in his iconic green, gold, white, and silver attire, exudes an air of aristocratic confidence as he holds the microphone.)*

**Magnus Odometer:** "My dear audience, do spare me your feeble attempts at adulation. For tonight, I stand as the epitome of excellence in this dreary excuse for a wrestling league. It seems the masses clamor for the chaos and mayhem, cheering for the very embodiment of pandemonium. But fear not, for I am here to remedy this dire situation."

*(The crowd murmurs, intrigued by **Magnus's** poised demeanor.)*

**Magnus Odometer:** "I am the measuring stick by which all others shall be judged. Unlike the brutes who revel in senseless violence, I bring to this ring a grace and sophistication unseen by the untrained eye. Behold the splendor that stands before you, for I am the true embodiment of wrestling greatness."

*(**Magnus** gestures to his attire, shimmering under the arena lights, eliciting gasps of admiration from the audience.)*

**Magnus Odometer:** "Tonight, my esteemed spectators, I shall bestow upon you a spectacle unlike any other. A display of skill, finesse, and unparalleled mastery of the art form you so recklessly consume. Prepare yourselves, for you are about to witness the majesty of true British wrestling aristocracy!"

*(The crowd erupts into a mixture of applause and awe as **Magnus Odometer**, the paragon of sophistication and skill, prepares to showcase his dominance in the squared circle.)*

!

*As the eerie glow of the spotlight bathes the ring, illuminating the sinister scene before us, you witness a sight unlike any other. **The Gladiator, Mike Diamond**, towering above the decaying horde of zombies, holds the prestigious Pacific Northwest Championship high above his head, its golden sheen a stark contrast to the darkness that surrounds him.*

*"Zombies to the left of me, zombies to the right," his voice booms, echoing through the arena, sending shivers down the spines of both the living and the undead. "And I stand before you as champion over all of them."*

*The zombies, drawn to the aura of dominance exuding from **the Gladiator**, timidly shrink away, knowing better than to challenge the might of this formidable champion.*

*"I have been saying that this was going to happen," he continues, his gaze unwavering, his confidence unshakable. "You all ignored me. What did it get you? It got you destroyed, is what it got you."*

*With each word, the intensity in his eyes grows, fueled by the knowledge of his own power and the fear he instills in his adversaries.*

*"**Matt Iron**, you had a good run," he declares, his voice dripping with disdain. "But nothing compares to what I bring to the Heroes and Legends League. I left a wake of broken bodies in my path of wanton destruction. **Ace Anderson, Atticus Black, Matt**... even your own brother, **Chris**, was no match for me."*

*The crowd roars in acknowledgment, acknowledging the **Gladiator's** reign of terror and dominance over his foes.*

*"Now, **Mike Iron**," he snarls, his voice low and menacing. "This brings me to you. You have what I want, and one way or another, I'm going to destroy you to get it!"*

***The Gladiator's** gaze narrows, his focus solely on the target of his wrath, his determination burning like a flame within him.*

*"You do not have the grit, the willpower to match me," he sneers, his confidence unshakable. "Why even try?" With a final, chilling laugh, the Gladiator tosses the championship belt over his shoulder, his message to his rival clear: he is the true master of the ring, and no one will stand in his way.*
