CAGE OF HONOR

Welcome back to another cycle of Cage Of Honor action! We are only a couple cycles away from Heat Scorcher and after this cycle, some of the matches will be set. We have contenders Series wrapping up which will further set up what is in store for the big Summer Event! One thing I'm excited for is the World Title Contenders Series that starts this cycle and will end next cycle. I took 6 wrestlers, 2 each from BOL,HLL, and HWL and the 3 winners this cycle will battle it out next cycle in a 3-way to see who challenges for the COH World Championship at Heat Scorcher. The winner will also receive the contender's series i-cash prize as well.

As some of you have noticed we added tow shows to the tour, Dojo Wars and Evolve. Dojo wars will be used for the newer COH talent and will feature the Tournament Of Valor where the winner earns the Medal Of Valor and either a World Television title contract or maybe a COH Freelance or Sniper title shot. I will be looking to continue with the tournament of Valor till we have no new talent with less than 10 COH cycles. Then the show will be used as an extra show for contender's series or a tournament. Evolve is in the same boat, we'll look to just involve more talent and be able to add ore tournament matches each cycle. I was actually contacted by RISE General Manager Seth Drazen and he was inquiring about purchasing the rights to a COH show and wanted a fresh start. So, if that were to happen we could see, RISE Wrestling presents EVOLVE, if I were to entertain the deal. I would want an i-cash payout for COH and would want to see an i-cash payout to talent utilized for the event, possibly even IWA credit or free matches. We will continue to look into this deal.

We have a lot going on within COH, tournaments, contender's series and all in preparation for our big summer event Heat Scorcher. Before we get to involved, let's see what went down last cycle

So that right there more or less wraps up the cycle, Good luck to everyone booked on this cycles tour. If there is any further news in regards to RISE Wrestling acquiring a COH event, it will appear on the Facebook page, @IWACageOfHonor first, then next cycles report. All I'll say is never say never! But until next cycle, I'll see you all in the bulletins!

~MJ

Penny Punk- So Olivia, you got the better of me in the Deadly Duo finals. That makes us 1-1 and now and that also leads us to the main event of Heat Scorcher, Punk v Flair III. I already signed my contract the second management handed it to me. I want this match more than you know Olivia, you prance around claiming to be the best wrestler well I've beaten the best, I've beaten the entire VUL roster, something you can't quite say yet hun. You have another chance in a few short cycles to see if you can be the most dominant champion in VUL history. The balls in your court, you are the one making the claims and tossing accolades around. I simply hold the COH Women's World Championship and the bottom line is you don't. Meet me in the ring at Heat Scorcher and show me you are the best. Twice now we left it all in the ring, and I expect nothing less the third time. Let's make history one more time...

Mike Drake- This cycle COH Management has the World title contender's series. Balor, Barbarian King, God Of Thunder, Zuesilla, Biohazard, and Hawkeye Science. One of these men I'll see at Heat Scorcher. And one of these men I will beat. You see gentlemen, I'm not even close to being ready to giving up this COH world Championship. I waited years before I receive my first shot at the championship while some of you have already had multiple chances in such a short time. I earned my shots, I lost but finally won to only have the championship taken from me. Now in my second reign and three defenses deep I look for my next challenge and I see all of you. Who wants this championship more than me, let me answer that, none of you do. I'll see one of you at the ppv, I pray to god that you are truly ready...
