Welcome back to Cage Of Honor. Sometimes they say no news is good news but in IWA terms, that means uncertainty. To be frank, I think going forward we are going to focus on HWL and VUL. HLL had a good run, will always be part of Cage Of Honor but I just don't think I'm looking to have a 3rd league, another set of cards and just looking to the future. I don't like leaving Championships behind so our main event at HardcoreMania is set-

COH World Champion Insane HB Shatterday v COH Hero World Champion DC Drake v Brock Rampage in a winner take all match.

For those who don't check the Facebook Page @IWACageOfHonor, there was a set of cards for last cycle and on the final HLL, DC Drake became Hero World Champion. Matt Iron won the Freelance Championship and then defeated Malakai King for the Black Ops Championship. But for now, as mentioned our focus will be on HWL and VUL., so let's check out those results from last cycle.
