The crowd yells, "What?!"

Oh yeah! Ol' Shatterday sh*t his pants and fled the league... leaving that title for me.

The crowd cheers.

That's right. The Sensational One is fated to have that strap around his waist.

The crowd cheers.

That's right, IGL... I'm coming for that IC title next cycle, and unless you want a world of pain, I expect you to get out of my way.

Foley walks out with his arms around his ladies as the fans are on their feet cheering...

IGL Commissioners Report

This is it guys—the 1st ICA championship matches take place this cycle..

The GAL's Rainbow Rika Roberts takes on the NML's Sensational Sydney Reinhard for the ICA Universal Championship while our own Smasher & Basher take on the NML's The Mangler Marjorie Brosios & Brawlin Lynn Brosious for the ICA Universal Tag Team Championship.

You can see the results in this bulletin.

Salty Shatterday would have been in the mix for the ICA Universal Championship, but he went AWOL.

I have a feeling the CFL's Commish, I.B. Pigskin had something to do with that. Now, to replace Shatterday, whoever wins the Battle Royal next cycle will be our new IGL IC Champion. Get your entries in!

This contest pits all stables against each other to determine who really rules the league.

How does it work? Stables will get points based on titles they've dominated over the course of a year, i.e. if a TV member wins the central title more than any other stable, they get the points and the other stables get none. If there is a tie, the points are split evenly. Also, if a wrestler changes stables during the year, his won titles stay with the stable he was with at that time. At the end of the year, I will tabulate the results and announce the winner.

The winning team splits \$250k in imaginary money and the bragging rights that they "own" this league. I will even include a line in my commish reports and on the title page which states "IGL owned by (insert stable name here)." Points awarded for each title:

- Now, the champion gets +3 to their strat. So, you basically have to defeat the champion by 4 points or more to win the championship.
- In the event that more than one person defeats the champion in a cycle, the opponent who a) beats her by the most points wins or b) has the better strat wins.
