# TRASH TALK

*The IWL is buzzing with energy and tension heading into Soul Survivor, as wrestlers from across divisions fire verbal shots and make bold proclamations. In the ring, Soo-Yoo Pai mocked IWL World Champion Joe Boring by bringing a cardboard cutout of him to their contract signing, claiming it had more personality than Boring himself. Soo delivered a scathing promo, accusing Joe of ignoring the fans and vowing to win their rubber match and deny him any future title shots. Meanwhile, chaos brews in the tag scene. Los Astros were ambushed by Los Americanos during a backstage catering segment, turning a verbal jab about their weight into a violent food fight and a powerbomb through a table, setting the stage for a brutal tag team title showdown. Elsewhere, The Von Snapps prepare to defend their Six-Man Titles against the hard-hitting Michigan Border Patrol after regaining the belts from The Regulators, who vowed vengeance and declared themselves the true present and future of IWL.*

*Death Valley Drifter emerged from a pickup truck with a gritty promo targeting his contenders, determined to claim a MultiNational Title shot by outlasting Ali Atari and Magnifico Astro. Uncle Slam cut a ridiculous-yet-patriotic promo from a Cancun beach, disrespecting Mexican children by planting a flag in their sandcastle and taking shots at Canadian challenger Mike Sanders, who fired back hilariously by crashing Commissioner Sawyer's office with Aqua's "Barbie Girl" and vowing to make it Slam's new entrance theme after taking his title. In contrast, The Chameleon shocked fans with a return, attacking the Lizard King and declaring his quest to win state titles across the country, claiming he's already won 15, including seven in a single season.*

*At the altar, the Maltese Monster was stunned to learn Father Arturo went on sabbatical, leaving him unsure of their future plans, while Father Conrad cryptically cut the camera. The Litigators made their presence known, celebrating their success and mocking the rest of the Soul Survivor field while promising legal action over perceived injustices. Meanwhile, the Amazing Graces voiced their frustration over being ignored, daring any team to step up and face the IWA Tag Team of the Year, asserting that fear keeps challengers away. Alec Von Shapp, unfazed by accusations of fear, confidently invited future fights — but noted he had a title opportunity to win first. And finally, Alex and Axel Von Snapp reflected on their historic Marano Memorial Tournament win, beating legends like Mike Gloom and Shayne Zenith, but warned they aren't done yet, with The Regulators firmly in their crosshairs at the IWAR Super Show. The road to Soul Survivor is littered with rivalries, ambition, and absolute mayhem.*

**IWL Ring Announcer**  
**Michelle Watts**

**IWL Commentary Team**  
**Josh Grant and Tom Steiner**

**IWL Backstage Interviewer**  
**Gene Meene**

Pyro erupts around the massive dome as Globe Life Field glows red, white, and gold. A wide camera shot reveals the sold-out Texas crowd screaming with excitement.

Josh Grant: Welcome to IWL: Soul Survivor—LIVE from Arlington, Texas, and Globe Life Field is absolutely ELECTRIC tonight!

Tom Steiner: We've got titles on the line, grudges to be settled, and one man will outlast the field in our Soul Survivor main event for a shot at the IWL World Title!

#### **MATCH 1: IWL WORLD TAG TEAM TITLE #1 CONTENDER MATCH**

#### **My 2 Dads (Father Arturo Bartolo & Father Conrad) vs. Shotgun Kidd & Brady Buckshot**

Michelle Watts: The following tag team contest is scheduled for one fall... and the winners will receive a future IWL World Tag Team Championship match!

The crowd gives a respectful pop as My 2 Dads make their entrance, blessing fans with holy water and rolling to the ring with serene confidence. Their opponents, Shotgun Kidd and Brady Buckshot, storm out to country rock, all grit and grins.

This is a wild clash of styles—methodical, technical teamwork from the Dads vs. the chaotic brawling of the cowboys. Conrad delivers a brutal discus lariat to Kidd late in the match, and Arturo locks in the Holy Submission (Modified Dragon Sleeper) on Buckshot for the tap-out.

Winners: My 2 Dads via submission

Time: 9:44

Josh Grant: My 2 Dads are heading toward the promised land—a shot at Los Astros and the gold!

Tom Steiner: I've said it before, and I'll say it again: Father Conrad has the best clothesline in wrestling. Period.

#### **MATCH 2: MULTINATIONAL TITLE #1 CONTENDER TRIPLE THREAT**

#### **Death Valley Drifter vs. Ali Atari vs. Magnifico Astro**

All three men are ready to roll, but it's Drifter who takes early control, tossing both opponents with his rugged, no-frills offense. Magnifico shows off dazzling lucha agility, and Atari breaks out high-risk maneuvers like a springboard moonsault to the outside.

Late in the match, Magnifico hits La Supernova on Atari, but Drifter tosses him out of the ring and steals the pin!

Winner: Death Valley Drifter via pinfall

Time: 8:11

Tom Steiner: That's how you do it in the desert, partner! Drifter outfoxes both flyers and gets himself a Multinational Title shot.

Josh Grant: Whether it's Uncle Slam or Rampage Sanders, they better watch out—Drifter's coming for the gold and the pay envelope.

### **MATCH 3: IWL MULTINATIONAL CHAMPIONSHIP**

#### **Uncle Slam (c) vs. Mike "Rampage" Sanders**

Uncle Slam enters waving a massive American flag, wearing his red, white, and blue ring gear with both the League and Multinational titles strapped across his chest. Sanders, looking dead serious, is all business—until "Barbie Girl" hits and he grins ear to ear.

This is a knockdown, drag-out brawl with plenty of theatrics. Slam crushes Sanders with The Liberty Bell (Running Powerslam), but Sanders kicks out and rallies with a superkick and Rampage Driver. Slam rolls to the outside, blinds Sanders with a powder shot, and follows up with Stars & Stripes Forever for the win.

Winner: Uncle Slam via pinfall

Time: 12:22

Josh Grant: Uncle Slam retains, but at what cost? That was pure desperation there with the powder.

Tom Steiner: Say what you want—he's still champ, and that's what the history books will remember.

### **MATCH 4: IWL WORLD SIX-MAN TAG TEAM CHAMPIONSHIP – STEEL CAGE**

#### **The Regulators (c) vs. The Von Snapps (Axel, Alec & Alex)**

Steel surrounds the ring. The Texas crowd is HOT for their hometown heroes, The Regulators, but the Von Snapps enter like aristocratic conquerors with wine goblets and matching coats.

This is absolute chaos. Carnage throws Alec into the cage wall. Axel uses a loaded glove to flatten Robertson. Alex Von Snapp leaps off the top of the cage with The Final Toast (Moonsault), wiping out everyone.

In the end, Axel slams Carnage's face into the cage repeatedly before hitting The Iron Curtain (Spinning Back Elbow). 1-2-3!

Winners and NEW Champions: The Von Snapps via pinfall

Time: 17:18

Tom Steiner: Jaw dropped The Von Snapps have done it. Three-time Six-Man Champions!

Josh Grant: The Regulators fought like hell—but the Von Snapps came in with a plan, and tonight, they were the better unit.

### **MATCH 5: IWL WORLD TAG TEAM CHAMPIONSHIP**

#### **Los Astros (c) vs. Los Americanos**

The champions are calm and composed after their food fight brawl backstage days earlier. Los Americanos are intense—no pranks, no comedy, just violence.

The match is physical and fast-paced. Buddy Donner nearly ends it with Freedom Slam on Ultimo, but Excelente breaks it up. Moments later, Ultimo catches Hank with a Plancha del Sol and Excelente follows with La Caída de la Estrella (Springboard 450 Splash) for the win!

Winners and STILL Champions: Los Astros via pinfall Time: 13:50

Josh Grant: Los Astros survive the American storm!

Tom Steiner: Props to Los Americanos—they brought the fight. But Los Astros continue to prove they're one of the most complete teams in IWL history.

### **IWL SOUL SURVIVOR MATCH (Final 3)**

#### **Perry Legal vs. Gil T. Azelle vs. Mike "Rampage" Sanders**

Earlier rounds of the match saw favorites like The Chameleon, Soo Yoo Pai, and The Dream eliminated in shocking fashion. Questions swirl about how two Litigators made it to the final three.

Sanders fights like a man possessed, dropping both Legal and Azelle with spinebusters and lariats. He eliminates Azelle with the Rampage Driver, but is distracted when Lee T. Gation tosses a briefcase into the ring. Perry Legal wallops Sanders with it behind the ref's back, then locks in the Objection Overruled submission.

Sanders TAPS OUT.

Winner: Perry Legal (earns an IWL World Title shot)

Time: 21:09

Michelle Watts: Here is your winner... and the Soul Survivor... PERRY LEGAL!

Josh Grant: Legal steals it! And now, he's next in line for Joe Boring and the IWL World Title.

Tom Steiner: But how did Gil T. Azelle even make it in? The Litigators clearly pulled strings... this stinks worse than Uncle Slam's tanning oil.

### **IWL WORLD CHAMPIONSHIP**

#### **Joe Boring (c) vs. Soo Yoo Pai**

In a late addition to the card, Boring is forced to defend the title against his charismatic rival. Soo enters to a hero's welcome; Boring walks out to dead silence and looks disinterested.

Despite Boring's dull style, Soo keeps the energy up, nearly winning with the Yoo-niversal Driver. However, Boring blocks a second one and rolls Soo up—grabbing the tights—for the 3-count.

Winner and STILL Champion: Joe Boring via pinfall

Time: 14:44

Tom Steiner: He stole it! He freaking stole it!

Josh Grant: Joe Boring retains—barely. But Perry Legal's next, and with momentum and the Litigators behind him, Joe may not be able to sleepwalk through that match.

[Closing Shot]

Joe Boring stands on the stage holding the IWL World Title as Perry Legal steps out from behind the curtain, staring him down. The crowd buzzes, divided but intrigued.

Josh Grant: From Arlington to Atlantic City, the IWL is hotter than ever.

Tom Steiner: We'll see you at ROYAL FLUSH!

Fade to black as the "Soul Survivor" logo shimmers on the screen.

The Von Snapp Family: Victor and his six brothers invaded the IWA in 1988, but by the mid-90s, only Victor was left despite his reputation as promiscuous hard partier who had a new girl after every show. He and Badd Co. Rick Riley raised hell across the IWA, but he got serious when all of his children from different mothers wanted to enter wrestling. His oldest sons, Alex and Axel, who trained under Badd Co. took the IWA tag scene by storm. They had vicious feuds with Black Wrestlers Matter which took the life of Grandpa Vito Von Snapp after he was thrown off the ramp while in his scooter! The family rallied as they were joined by the strongest son, Alec and after a brief alliance with Luthor Alexander, Alex replaced Victor in the family trio. Victor retired, but more children from across the globe showed up and his only daughter (so far) Ava, had a short ring career and now calls the action in the BWL. The mysterious NWL star known as Hijo de Teamster was always jealous of other NWL stars and eventually revealed himself to be Victor Jr! Now reunited as a unit, they compete in the IWL as a trio and CWL as a tag team, but Victor is always working on a new plan to dominate, but what are they up to now?

## **IWA'S GREATEST TAG TEAM: WIN MARANO, NOW EVEN GREATER!**

There was one event that we wanted to win the moment Axel and I decided to become a tag team, the Marano Memorial Tag Team tournament. After many years and many close calls, we beat two other great teams to capture this win. One team is on the rise in Kamikaze and Skapegoat while the other is one of the best of all-time, Mike Gloom and Shayne Zenith.

## **THE REPROBATE LANNY TEAGUE IS A CRIMINAL!**

What else should I have expected but a bunch of lies and BS from a guy like Lanny Teague. I beat you at the Super Show and yeah you got your car back, but I'm so rich, I could buy ten of them! Now it's time to move on and focus on what matters most: championship gold. I retained this Amazon Basin title and the CWL title will be mine. There is no one who is going to stop me from getting to the top of the CWL. NO ONE!!! Especially not a guy like Magnifico Astro! -Victor Von Snapp Jr.

## **THE VON SNAPPS BEAT THE REGULATORS FOR IWL TRIOS BELTS**

It was the Soul Survivor's best match and me boys came out on top, right? They a week later, we take on them no good Regulators again at the IWAR Super Show and me boys win, again! The tide has turned on those cowpokes and maybe it's time for Ryan Patrick to hire some new hands at the Ranch because Alex, Axel and Alec have got their number! The best part was I got to make Ryan bleed with my Von Snapp Iron Claw! The Von Snapps rule! -Victor Von Snapp Sr.

# LOS AMERICANOS!

Commissioner Sawyer: Where are they?

Gene Meane: Who are you looking for?

Commissioner Sawyer: The Americanos! They have to answer for that they did after their lose to the Astros. They trashed their locker room, punched a ref and choked that guy from ESPN!

Gene Meane: Oh that. Yeah, I hope Tony Kornheiser is gonna be alright, but the last I heard they flew over to do a taping at the BBL. They have a trios match with He-Man Hoven at Beach Brawl 5 against War Pig and the Royal Family of Doom. Maybe they'll feel better when they get back to the IWL?

Commissioner Sawyer: Feel better? Feel better! I don't care how they feel, they need to answer for their actions. Accountability! Now can you tell me where that new Intern is? I hired my sister's kid, Bradley to drive our superstars to the airport.

Gene Meane: Uh oh... Uh, well you may want to go over to Willowick General Hospital.

Commissioner Sawyer: Why is Bradley in the ER?

Gene Meane: Bradley drove Los Americanos to the airport and- hey where are you going? I'll let Los Americanos know you want to see them.

*“Congrats to **Magnum T.L.** on his IWL championship, the Dream knows you’ve been knocking heads for a long time in the IWL. Going way back, and sun or shine, you show up and put up a fight. Tip of the cap brother.*

*Now, Mat Mania didn’t go the way I wanted, but just like Magnum keeps putting in the work, so will I. I’ve got Lady Xanadu by my side and the fans in my corner, so it will come. It’s been a tough bit o’ time, but I’m moving on and shifting gears for the biggest event of the year, **Soul Survivor**. It may be the toughest match to win in the IWA and the Dream would know, because I’ve done it. The carrot that dangles is a shot at the IWL World Heavyweight title. Same one held by **Soo Yoo-Pai**. Oh yeah, that dude! It may be a big mountain, plenty of room, but I wanna be one top. The Dream’s gotta goal and you... don’t wanna get in my way.*

The son controversial 80s-90’s IWA star, Bodacious Brad Blaze was Senor Lucha’s first student, but was determined to prove he could win \*his\* way and become the biggest star in the IWA. He debuted in the LWL where he formed the Foreign Legion which ruthlessly attacked Wrestling Gold or the time he whipped Afrodisiac Jones’ Mama! Fans had no idea their beloved ‘time traveling’ Lazer-Tron in the MRL and CWL was actually Atari under the mask until the Johnny B. Cup finals after he lost to Senor Lucha! He returned to the LWL and had a bitter feud with son of IWA legend, Armas Archuleta that only ended in a gruesome Buried Alive match that ended Armas career! Atari came to the IWL and formed a new Foreign Legion to feud with Sasha, Magnum TL, Konik and more until he joined forces with Luthor Alexander’s Revolution Extreme. Together they battled the IWL’s heroes and wreaked havoc at every turn. However, their partnership was tense as two leaders battled for control and Ali faced with Luthor’s ultimatum, chose Lady Xanadu and the fans over RX. That long feud has been a journey that made the Dream who he is today, but he is as determined as ever to be the biggest star in the IWA by winning big matches on the biggest stage.

Another year, another state title. While it wasn't quite the sweep I wanted to see, I did add the Nebraska title to my already impressive resume.

Everyone wants to know, what's next for the Chameleon. The reality is, I just don't know. I've faced the best the IWL. Some I've beaten, some have beaten me.

I look around the IWL and I see people like **Sam Hain**, **"The Legend" Buzz Prescott**, and **Bulk Brogan**. These guys exist on the title page but we know nothing about them. They're undercard talent, at best. They don't belong in the league with a real legend like the Chameleon.

Remember, IWL, the only easy day was yesterday.

## UNCLE SLAM

**Mike Sanders** stumbles back to the locker room following his loss to Uncle Slam at Soul Survivor. When he enters, the Canadian band **Barenaked Ladies** is there live playing their awful, awful song — and Mike Sanders' NEW PERMANENT entrance music — One Week!

**BARENAKED LADIES:** *Chickity China the Chinese Chicken you have a drumstick and your brain stops tickin'...*

Uncle Slam appears in the doorway with the Multinational title over his shoulder and his arm around a beautiful blonde in a tiny Stars and Stripes bikini.

**BIKINI WOMAN:** Eew. This song sucks, Slam.

**SLAM:** Sure does. C'mon, Barbie — let's go party.

As Uncle Slam and Barbie walk off, an unseen bald eagle screeches and the camera cuts to black.

# THE REGULATORS

Ryan Patrick

Blackjack Robertson

Shotgun James Carnage

Texas Jesse Tombstone

**Patrick:** “So we are going back to our old ways in the front office? Complete bias against The Regulators and total favoritism for the poor **Von Snapp Family**? We thought that “TWL Tradition” was behind us with a new commissioner. But apparently old habits die hard. How dare **Commissioner Sawyer** make us defend our IWL Six-Man titles on the same day as the IWAR Super Show! And just to get all the facts out there, he had us doing promotional events until past midnight the night before then at it again by 6am. While he had us out there promoting Soul Survivor the **Von Snapps** were getting plenty of rest. This just goes to show-“

**Chase & Justin Grace** walk by and say something under their breaths.

**Carnage:** “You boys have something to say? Finally?”

**Chase Grace:** “What’s that?”

**Tombstone:** “You complained last cycle that “no one pays attention to us” like you’re five year old orphaned babies. Fact is no one has heard from you in a while. Think we all liked it better that way. Now unless you got something to get off your chest, keep on a walking.”

**Justin Grace:** “When you’re winning World Titles as often as we do we can what we want, when we want. And if you have a problem with it, and you seem to do, we’re right here.”

**Chase** and **Justin Grace** walk right up and stare down **James Carnage** and **Jesse Tombstone** from inches away.

**Commissioner Sawyer** walks up with a ten man security team.

**Sawyer:** “We will not be doing this right now. You’re going to break this up, go your separate ways and we will deal with this later.”

**Carnage:** “Looks like the Commish just saved you boys. I guess y’all are getting his **Von Snapp** Protection Plan. Let’s go.”

**Carnage** grabs **Tombstone** and **Robertson** and they walk in the direction of their bus.

*Our scene opens with a shot of none other than CWL pest Reese Rutledge. Alongside him, his nine-foot stuffed grizzly Pugsley. While the immediate question burns in the minds of IWL fans of "what in the @#%! is he doing here," Reese seems to act like the backstage area is his own personal Home Shopping Network. The camera cuts to a dimly lit corner where incense smoke curls through the air. Reese stands behind a cluttered table overflowing with mismatched vials, patchouli candles, and chakra charts. A printed banner centered in a large white stage curtain behind him reads:*

**REESSENTIALS by Reese Rutledge**

*"Real Wellness. Real Power. Real Expensive."*

**NOW RECRUITING!**

**REESE:** Greetings and grand awakenings, my future downline disciples! For those of you who don't know me, I am Reese Rutledge: former CWL supply magnate, steamroller survivor, and your newly certified...listen closely now..."

*Rutledge pulls out a crumpled up piece of paper, clears his throat, and then begins to read from the list.*

**REESE:** Licensed Crystal Distributor. Mental Fitness Coach. Reiki Adjacent. Certified AromaCombat Specialist™. Tier 1 Chakra Technician. Candle Influencer. Notary Public. Enlightened AF. And as of this morning? **Life Coach to the Stars**, pending the verification signature from my neighbor Tasha.

*He proudly lifts a spray bottle labeled "Bear Tranquility Mist" with a picture of Pugsley meditating in a field of dandelions.*

**REESE:** With REESSENTIALS, we're not just transforming bodies. We're transforming *realities*. And you, yes, YOU! You can be part of our **Reesurgence!** All you need is a valid credit card, low self-esteem, and an aversion to reading refund policies.

*Some guy that we assume must be an intern walks past, visibly confused.*

**INTERN:** Uh, did you get approval for this?

**REESE:** Approval? My energy is already aligned with the cosmos, and that's approval enough. This is divine capitalism. Plus, I brought my own clipboard, which gives me immediate credibility.

*He waves a blank clipboard and continues like he's selling time shares at Fyre Fest.*

**REESE:** And coming soon: REESSENTIALS yoga classes, vibrational retreats in Derry, and weekly livestreams on how to manifest your inner alpha through bear-based breathing. And for our elite members?

*Rutledge leans into the camera, giving a "top choice" symbol with his hand.*

**REESE:** The *Inner Reecircle*. Monthly fees. Zero boundaries. Absolute enlightenment. Plus, access to exclusive oils like **Haunted Juniper** and **Legal Forgiveness Blend™**.

*With that, Rutledge pulls back the curtain to reveal a row of middle-aged women behind him. Some are holding wine tumblers, while others dabbing lavender under their eyes. They chant quietly:*

**WOMEN:** Reese is Peace! Reese is Purpose!

Greetings, gear grinders and cardio warriors. It's me. The Baddest American Cyclist. Since summer is here, I want to give the IWL a few tips to keep your ride clean, fast, and unapologetically American.

Tip number one: **Always signal your turns.**

Unlike some folks up north, I don't believe in saying sorry after veering into someone's lane. I announce my intentions with authority.

Tip number two: **Keep your tires properly inflated.**

Nothing slows you down faster than too much air and not enough grit. You can't coast your way through life on soft rubber and passive-aggressive compliments like SOME people think.

Tip number three: **Hydration matters.** But don't go chuggin' maple water and call it sports science. I run on electrolytes, patriotism, and exactly one raw egg yolk per state line I cross.

Tip number four: **Respect the climb.** The higher the hill, the sweeter the view. That is, unless you're from a country that thinks a ski slope is the peak of athletic ambition. I pedal *up* because that's what Americans do: we ascend.

And finally, tip number five: **Never draft off the wrong flag.** If your colors don't run red, white, and blue, get out of my slipstream! This is Schwinn Wheeler, pedaling off! Canada stinks!

LIFESTYLE MAGAZINE

*Soo Yoo-Pai is seen leaving a photo shoot for Current Magazine. As he walks away, he answers his phone.*

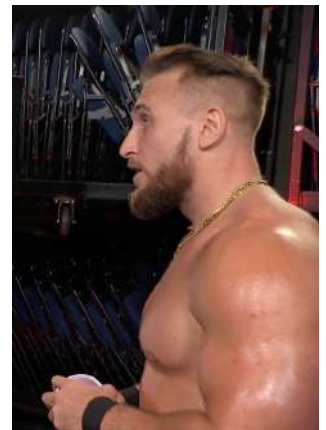

“Yeah, losing the title to **Joe Boring** will make us have to change some of what we discussed for the show.... *Life on the Road* still should be a popular show - people will tune in to see me, with or without the title... No way they change their mind and follow around **Joe Boring**, no one would want to see that show... Yeah I can fly out, I'll just catch-up with Ed and Windsor later... I know that **Colt Sawyer** will find me a great match at **Royal Flush** - I will win the **Joker's Wild** match and get a rematch.... Yeah that would be great for the show... Alright, see you at the airport.”

*A masked man runs past the **Maltese Monster** backstage at **Soul Survivor***

Maltese Monster: “Hey man, it’s good to see you! Conrad didn’t say you would be here tonight. Got a second to say why you...”

*The man in the mask points to his non-existent watch and continues to run past as he heads towards the ring*

*Windsor & Edward respond to Sec. Noem’s visit*

Windsor: “Worried about the border in Michigan? Listen, I’m not going to get political, but **Ed, Soo**, and I keep this border safe - go back to South Dakota!”

Edward: “Actually, Windsor is a southern border too! You couldn’t have a better team to protect our border. We will prove it this tour & in the **Elite Trios Tourney**.”

**MEDIA ADVISORY:** America’s Future Tour to Host Secretary Noem at Policy Event on Enhancing Security at the Northern Border

**MICHIGAN** — *America’s Future Tour* will host Department of Homeland Security Secretary Kristi Noem, law enforcement, and Michiganders concerned by the threat of Canada’s weak northern border, at a policy event in Detroit, Michigan.

Thanks to President Trump and Secretary Noem’s leadership, illegal crossings along the southern border are now at the lowest level they’ve been in nearly five years. While the northern border has received far less attention, the threat from the north is real. Drug traffickers, human smugglers, and organized crime rings are all taking full advantage of the Canadian government’s failure to act. It’s time to take President Trump’s successful southern border playbook to the north.

### DRIFTIN' WITH THE DRIFTER

I get asked sometimes why I am the way I am and if I'm ever gonna change. Simple answer, no. Here's the thing. I got to where I am today because of who I am and I told myself it ain't broken then there's no need to fix it. Not for anybody but me. I'm doing mighty fine driftin' on my own and doing my own thing, and until it doesn't work, then I'm gonna keep on truckin' on.

So I figure that I'll tell ya my ways and how I live my life. Truth is, one day at a time. I know that sounds like the easy answer, but damnit, it's the only answer there is or should be. Ya see, at age fifteen I started on this driftin' journey and after all these years, I'm still on it. Some days are damn good to me. And well, some days aren't.

But that's life. It ain't always sunshine and roses. I've been dealt with storms and thorns. And when those days come I just hunker down and hope for the best. And the thing is, those good days come quicker than you think. Those days you gotta live em up more than the bad.

To my next opponents, just know this. I'm driftin' to a town near you and I'm always ready to have a damn good day. And if that means punching somebody in the face, then well, it is what it is.

### TV BROKEN

Ultimo and Excelente Astro, collectively known as Los Astros, got into quite the predicament at their latest stay in Montpelier when the two were playing FIFA and Excelente got a bit too excited (or so he says, he's been known to have a temper) and needless to say the hotel TV ended up falling from the mount and breaking.

### TROUBLE WITH THE LAW

Everywhere Magnifico Astro goes, whether it's the grocery store or to the movies, he wears his mask. It's something he's done for over 40 years. But last week there was a bit of a snafu with his baggage and he had no choice but to go without his mask. However, instead of just showing his actual face, he wore a pair of panty hose. Of course it wouldn't be a story without the police being called.

### JUST A SHOOTIN'

The Shotgun Kidd and Brady Buckshot went out of town over the weekend together for a few nights in the woods, but instead, Shotgun Kidd ended up in the emergency room after Brady accidentally shot him in the foot. Brady claimed he was aiming for a squirrel but it turned out to be Kidd's boot. Not sure if the two will try camping out together in the near future.
