Aurora Storm here! Sorry if I didn't get my last report in but had some family issues all good now.

Let's start off with the COMMISHINERS CHAMPIONSHIPS and matches, first order of business the LSW men's and women's championships will be changed back to LSW WORLD DIAMOND DROP CHAMPIONSHIP AND LSW FLAMING ROSE CHAMPIONSHIP, this is done because I want to keep honoring the man who made this all possible Tim Clark, this is his Legacy he left not only with the championships but with the LSL as well, we wouldn't be here if it wasn't for him, he made the LSL Great and we will in his memory continue to do so.

The LSW WORLD DIAMOND DROP CHAMPIONSHIP was controversial because of Bunny Britney car trouble which was vandalized by unknown people, she will have her match this next cycle vs GRAVE DUST and this will take place at SUMMER SLAUGHTER PPV in a Steel Cage!

Also, Ricky Kyle will either defend his LSW GIFT OF THE SWAMP CHAMPIONSHIP or cash it in this cycle at the PPV, Along with LSW WORLD TV CHAMPION SANDMAN HORATIO SANDERSON who is red hot right now congrats! But he will defend his newly won title this cycle as well, Congratulations to ROADKILL RODRIGUEZ on becoming LSW PACIFIC NORTHWEST CHAMPION! a long deserved championship! # LSL Junior Report Summer 2025

## Volume #9 of 2025

🔥 LSL Junior Division — Summer 2025 Commish Report 🔥

*With your ever-glowing, ever-glimmering, and currently glistening host... Commissioner Becky Boobie*

Whew, *lord have mercy!* If it gets any hotter down here in the bayou, I'm gonna have to wring out my tank top and

keep a fan ringside. I've been wiping sweat off my chest all day — but not just from the heat. The **Junior Division is ON FIRE**, sugar!

Let's get into it:

 **We have a new Junior Heavyweight Champion — RICK DARE!**

This man is everything you want in a champ: strong, clean, and no-nonsense. He's got *"Dare to Say Nope to Dope"* written across his heart and now, gold around his waist! The fans LOVE him, and frankly, so do I. He defeated the dangerous Killer Karl Kowalski in one of the hardest-hitting matches we've seen all year. You could feel that victory ripple through the swamp.

 But don't celebrate too long, Rick — because guess who's back?

**Beast Mann** stormed through the #1 Contender Match like a hurricane and now has his **rematch** locked in. He wants the title back, and he's hungrier than a gator during crawfish season. This one's gonna be wild!

 As for the Battle Royal — **He-Mann** won it AGAIN! He's tearing it up, but remember: **that Battle Royal Bonus is for Juniors**. I'm just waiting for one of you to grab that win and skyrocket into the Top Contenders Bracket with 3 big points. Could it be *your* wrestler next?

🗣️ And speaking of *new blood*...

I'm still on the lookout for fresh faces in the Junior Division. If you're a manager and you're ready to send a high-flyer, brawler, or technical wizard down to the swamp, now is the time. The division is getting hotter by the minute, and I want **YOU** in the mix.

This is *LSL Summer*, baby — where the air is thick, the fists are flying, and the dreams are only a pinfall away.

– **Commish Becky Boobie**

*(fan in one hand, clipboard in the other)*

“See y’all in the ring... and don’t forget your sunscreen, baby!” ☀️

## 🔥 LSL Junior Division – Summer 2025 Results 🔥

*Presented by Commissioner Becky Boobie*

*"The swamp was humid, the fans were wild, and the Junior Division was downright vicious. This wasn't just a wrestling card, sugar — it was a statement. A few boys dropped down the ranks, one beast rose again, and a new champion proved he's more than just clean living — he's the future. Let's get to it!"*

---

🔪 Match 1: Sandman Horatio Sanderson def. Ricky Kyle (Move Down Match)

This was less a match and more a targeted execution.

**The hatred between Sandman and Ricky Kyle has been simmering all year, and this bout was the boiling point. Ricky came out full of fire, determined to finally break through the man who's haunted him like a southern ghost. He threw everything he had — dropkicks, chops, a flying forearm that nearly knocked Sandman over the ropes.**

**But Sandman wasn't here to play. He countered a French Cutter attempt with a low sweep and dragged Ricky into a brutal, methodical beatdown. Every elbow to the neck, every stomp to the spine was laced with venom. The end came when Sandman locked in his vicious Sleeper Choke in the middle of the ring.**

**Ricky Kyle tried to fight, but the grip was too tight and the oxygen too scarce. He passed out cold. Sandman, for once, released the hold immediately — but the damage was done. Paramedics entered as Ricky lay limp, barely responsive. As they helped him up the ramp, Sandman stood over him, breathing heavy but cold-eyed.**

**“That,” Sandman whispered into the camera, “was personal.”**

---

**🔥 Match 2: Awesome Mena Colossus def. El Monje Cavarnario (Move Down Match)**

**Mena Colossus has been on the rise, and tonight she reminded everyone why she's one of the most technically dangerous competitors in the division.**

**El Monje Cavarnario tried to turn this into a brawl. The monk used every trick in the book—headbutts, eye pokes, and even biting Mena's wrist in a failed escape from a wristlock. But Mena kept her composure, countering each dirty move with clean, crisp execution.**

**After softening up Cavarnario's legs for several minutes, Mena finally twisted him into an Ankle Lock that made the crowd roar. Cavarnario screamed, clawed toward the ropes... and tapped in agony.**

**Mena stood tall, shaking out her arms and pointing to the next tier of competition. Cavarnario, meanwhile, now stumbles back down a division, his sins catching up with him.**

---

**★ Match 3: Highlight Reel Johnny Strong def. The Connecticut Yankee (Move Down Match)**

**This match had a lot of eyes on it as two flamboyant personalities squared off, but only one walked out with momentum—and it was the Highlight Reel.**

**Johnny Strong controlled the pace with high-flying offense and crowd-pleasing theatrics, flipping out of suplex attempts and tossing in just enough taunts to fire up the fans. The Connecticut Yankee brought some hard chops and a stiff clothesline, but his timing was off—and Johnny capitalized.**

**After countering a Yankee elbow with a spinning knee, Johnny climbed the second rope, pointed to the sky, and hit a massive Atomic Leg Drop that sealed the win.**

**The fans popped hard as Johnny shouted, “I’m back, baby!” while The Yankee rolled out of the ring in frustration, dropping down the ranks as Johnny climbs once more.**

---

**🦁 Match 4: Beast Mann def. King Achilles (#1 Contender Match)**

**This was one of the most hard-hitting matches of the night. King Achilles knew what was at stake — a shot at regaining control of the Junior Division — but Beast Mann came into this with a different kind of hunger.**

**Achilles started strong with his power offense, planting Beast with a big boot and a suplex that shook the ring. But the Beast weathered the assault, biding his time like a crocodile lurking just below the surface. Midway through, he unleashed hell — running shoulder blocks, heavy chops, and a Samoan drop that rattled the king’s crown.**

**Achilles mounted a comeback and almost had the match won with his Achilles Crush, but Beast Mann powered out with a roar, slammed Achilles to the mat, and crushed him with his finisher: Beast Making Pancakes.**

**The crowd erupted. Beast stood, breathing like a monster, then pointed at the LSL Junior Title belt shown on the big screen.**

**Becky Boobie on commentary: “He’s comin’ for Dare. He wants that belt back — and he’s gonna break breakfast over his back to do it!”**

---

**🏆 MAIN EVENT: Rick Dare def. Killer Karl Kowalski to become the NEW LSL Junior Champion**

**In what can only be described as a barnburner of a title match, Rick Dare climbed the mountain and planted his flag on top of the Junior Division.**

**Killer Karl Kowalski, having just won the belt, was determined to keep it, and it showed in every thundering knee strike and ground-and-pound assault. Karl controlled the early part of the match, bullying Dare into the corners and punishing him with clubbing blows and rib-rattling suplexes.**

**But Rick Dare — the anti-drug, clean-living fan favorite — refused to die.**

**He kept kicking out. At one point, Karl hit his signature double knees and screamed, “STAY DOWN!” only to get a 2 and 9/10ths count as the crowd lost its mind. Dare rolled out, caught his breath, and rallied. He hit a slingshot clothesline, then his signature leaping lariat.**

**The two went back and forth in a flurry of reversals — Karl hit a spinebuster, Dare kicked out. Dare tried a sunset flip, Karl blocked and nearly got the three. Then, in a moment that seemed lifted from a Hollywood movie, Karl went for one final knee—but Dare dodged, bounced off the ropes, and blasted Karl with the 49er Forearm!**

**1... 2... 3!**

The crowd exploded. Rick Dare was handed the Junior Title by Becky Boobie herself as confetti flew. Rick held up the belt, tears in his eyes and a grin on his face.

**“NO DRUGS. NO SHORTCUTS. JUST HARD WORK, SWAMP STYLE!”** he shouted, pointing to the belt.

Becky Boobie, fanning herself, declared:

**“Rick Dare is *the* people’s champion. He’s clean. He’s focused. And baybay, he’s got that SWAMP GOLD!”**

Karl Kowalski stormed off, furious, vowing revenge. But in that moment, the swamp belonged to Dare Nation.

---

Final Thoughts from Becky:

**“Summer’s heating up, but Rick Dare just set the *standard* for what this division is about. Hard work. Heart. Hustle. Now who’s gonna be the next to climb into the fire?”**

## LSL BACKSTAGE EXCLUSIVE: “THE COT KILLER HOUR”

[CAMERA FADES IN — the backdrop is scuffed steel and flickering fluorescent lights. The full COT crew is in frame: Sandman Horatio Sanderson front and center with that wild-eyed stare, Mad Dog Maurice Duchaine shirtless and proud, Paul Duchaine pacing with a chain in hand, and Grave Dust seated on a crate with his LSW World Title draped across his lap. The scene crackles with tension.]

**Sandman Horatio Sanderson (stepping forward, snarling):**

*"RICKY KYLE! Did you feel that? Did you feel the moment your world collapsed and your swamp dream turned into a nightmare? That was **me**, Sandman, shoving you straight down the Junior ladder! I made you MOVE DOWN, and now you're looking up at the stars from the mud where I left you!"*

*"You thought your little Pantene locks and main event smiles would save you? No, Ricky... all the shampoo in the world can't fix what I did to you. And this month, you've got to face **Paul Duchaine**—and he ain't coming alone. Mad Dog's in his corner, barking like a rabid wolverine."*

*"You're finished, Ricky. I already crushed your spine once. Paul's just here to finish the burial."*

**[Paul Duchaine slaps his chain across his palm and laughs.]**

**Paul:**

*"You hear that, Baldy Kyle? You're not movin' down the ranks—you're movin' out of the division when I'm done. Bring your little rematch fire, 'cause I'm gonna snuff it out with steel and stomps. And with Maurice by my side? You might not leave conscious."*

**Mad Dog Maurice (grinning):**

*"I call that a Kyle Cut, baby! Just like I cut your hair last month! And when Paul finishes your face this time, it'll be your **soul** that needs styling!"*

**[Sandman takes the mic again, eyes wide, hair damp with sweat, breathing heavy.]**

**Sandman:**

*"Now somebody—SOMEBODY—been yappin' about the **LSL TV Title**. Hmm? Was it you, Johnny Strong? You little beefcake gym rat with your baby oil and bad tattoos? You flappin' those gums about becoming the face of LSL?"*

*"Let me be real clear, STRONG—there's no face left to show when **Sandman** is done with you. You want the TV title? Cool. Let me put you to sleep first, and you can dream about holding it while you're hooked up to a ventilator. You don't want ANY part of me, Johnny. You step into my nightmares, and you ain't waking up."*

**[The camera turns to Grave Dust, who casually raises the LSW World Championship over his shoulder and smirks.]**

**Grave Dust:**

*"While Sandman breaks spines and dreams... I collect **gold**. This LSW World Title? Mine now. Mine forever. This belt don't just say 'champion' — it screams it. I earned this, and I'll die before I give it up."*

*"But tonight? I'm fighting Killer Karl Kowalski to become the **#1 contender** for the Junior title. Two monsters. One prize. Karl, I respect you—heck, I even fear you a little. But I ain't steppin' aside for nobody. You want a shot at being double champ? You're gonna have to go through me. And this belt bites, brother."*

[Suddenly, Maurice Duchaine grabs the camera, bringing it in close to his sweat-drenched, hairy chest.]

**Mad Dog Maurice (grinning wickedly):**

*"Oh, and before we wrap this up—HEY, **Bunny Bonnie and Bunny Brittney!** We got your letters. Yeah, we read 'em. Real cute. All that stuff about 'rubbing our back hair' and 'watching rom-coms on the couch.' Newsflash, girls: **we ain't soft!** We're the **DUCHaine BROTHERS**. We break necks and hearts—**not** curl up for cuddles!"*

**Paul Duchaine (laughing):**

*"You think we're gonna trade chokeholds for snuggle time? Think again, fluff bunnies. If you wanna rub our backs, you better have a mop. And if you want couch time, the only thing playing is a highlight reel of us tearing people apart!"*

**Maurice (winking):**

*"But hey, we'll autograph a clump of back hair and send it your way. That's the closest you'll get to this love machine, baby!"*

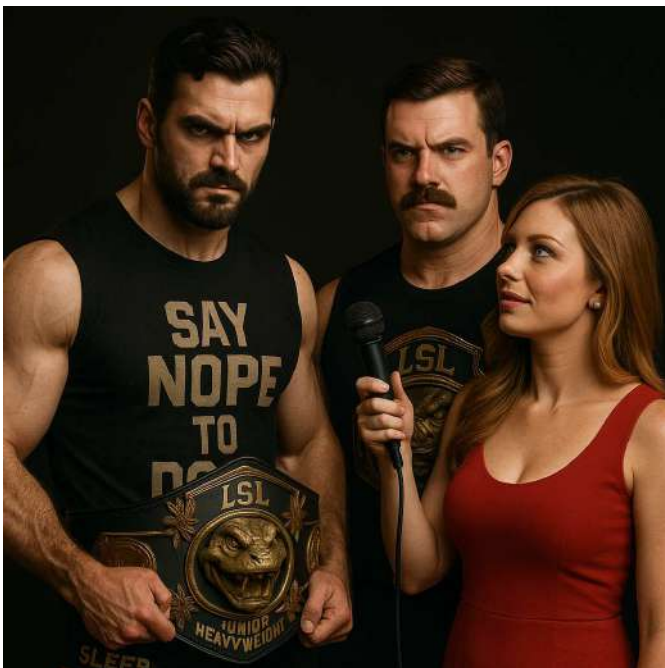

[Sandman steps back in to close it out, face twisted in rage and madness.]

**Sandman:**

*"LSL... COT ain't here to be your friends. We're here to **END LEGACIES**. Break bones. Humiliate heroes. And send every single one of you punks... **TO SLEEP!**"*

[Fade to black with COT chants echoing faintly in the background.]

**"COT! COT! COT!"**
