LONE WOLF WRESTLING

FACEBOOK @IWALONE WOLF

Welcome back to Lone wolf Wrestling. Last cycle I announced the alliance with ZZL and the Action Jade news., making us the home league for the movement. In regards to the Action Wrestling Jade Championship tournament, this cycle the quarterfinals take place. Once a championship is established, every 3 cycles there will be a defense. Last cycle the Mask faced off against YJL's Jay White to defend the Action Wrestling television Championship. The match went to a draw and I was told the rematch will occur next cycle. I'm taking this time to invite Jay White to LWL so we can have the match here in our arena instead of the bingo hall YJL operates out of.

This cycle we wrap up Mystery vortex tournament as last cycle the Mask and Labrokus LaMaximus won the tag portion and now this cycle they face off for \$100,000 and a contract for a future Lone Wolf Wrestling Championship match. As mentioned we have the Quarterfinals of the King of Jade set and have our Lone Wolf card. But first let's recap last cycles action.

 3. Arsenal v Mordecai
 4. Muskrat joe v Tengu
 5. Narcissus v Lawless Cauis Grey
6. Mystery Vortex Final- The Mask v Labrokus LaMaximus
7. Lone Wolf Television Championship- Disdainful Teaching Assistant [c] v Carter Matthews PHD

****This series with Diesel and Anderson, we'll see where this exactly goes. I will give the winner a Television title shot. As far as i-cash, I think for this one \$50,000 is sufficient.**

****As mentioned the Mystery Vortex singles portion is this cycle. Winner receives the title shot contract and \$100k**

****DTA v CM PHD, this one I can't wait for. Matthews ran Zion out of LWL and now wants gold. DTA has had a couple successful defenses so far, so I'm expecting a great match.**

I'd like to toss out the challenge to ZZL- 7 of your best v 7 of our best. Which ever league wins the most matches, the other commish donates \$250,000 i-cash to the other. I think the goal for this should be either mania cycle or within 3 cycles after mania.

Our next tournament will be the Wolf Den. Four 4-way matches with the highest strat being the winner. The 4 winners face off the following cycle for \$50,000 i-cash and a future television title shot. The goal is to do hopefully 3-5 Wolf Den tournament s each year.

Other than that, that wraps up this cycles report. Good luck to everyone book ed this cycle and until next cycle, I'll see you all in the bulletins!

Lone Wolf Wrestling Television Champion- Disdainful Teaching Assistant

Lone Wolf Wrestling Champion- VACANT

The Scorpion

New year and a new league to make my mark in.

I see a lot of fat, out of shape losers here. Most of these guys here probably live in a van by the river.

Well, I'm here to class up this joint... to bring a little respectability back to the league.

I'm gonna enjoy beatin on you bozos. See ya in the ring, bub!

Scene opens

You see a junkyard. The remains of consumer goods are everywhere, leaving narrow walkways of rough ground between enormous piles of refuse. Crouching before one of the piles pulling out a length of barbed wire is LWL newcomer Insignificant Reject. He inspects the wire, turning it back and forth. Suddenly, he yanks one hand back, and a few drops of blood come from the appendage. He stares at it for a few seconds, nods, and carefully stuffs the wire into a nearby duffle bag. As he stands up, he sees the camera and frowns. After a few moments he shrugs his shoulders, sighs, and walks over.

IR: I guess I should expect this. Camera crews have a habit of following professional wrestlers, even up and comers like myself. You never know if you might get lucky and catch some drama, or maybe a savage ambush from a pack of cowardly hyenas who lack the spine to fight you face to face, one on one. Or perhaps you want to get a look at this.

Reject carefully reaches into the bag and pulls out the Central State Championship. For a few moments he holds it up so that it takes up most of the camera view. With an absent-minded flip, he tosses it onto his shoulder, on which it precariously balances.

IR: I considered just throwing it in one of these piles here. I'm not in the LWL to win titles. I'm here to make money by beating up whoever gets in a ring with me. Other than the referees, I guess, but I can't guarantee their safety either. But anyway, I decided not to throw it away. You see, people are going to want to take it from me. In order to do that, they'll have to get in the ring with me. A place where I'm allowed to hurt them. And that's a good thing. So I'll keep this belt until somebody is able to take me down long enough to pin me. But when that happens, whoever it is, they're going to know they were in a fight. Now, if you've heard enough, I have to go organize my sock drawer, and that is more important than talking to you.

He picks up the bag, turns around, and starts walking away.

Scene closes

Mac Diesel- Happy, the ship has sailed and you amigo we're unfortunately not on the list for this one. You "ACT" that you portray yourself in this persona is stale. It's crap in the bulletin. I've heard you post the same drizzle on the IWA Dungeon facebook page. It's all crap, you are crap, end of story, end of me mentioning you unless I want to poke fun at the derelict state of a human you are. So what could be next, what should be next, what is next? Simple for me and the land of Toxicity. Last cycle we went over to ZZL and stated our plan, our goal, our beginning. Down with the Machines and trust me when I tell you the war is set to begin. Colossal Machine, Super Machine Ball Bag Machine, Washing Machine, whoever it may be, one by one you shall all suffer the same fate. You will all realize just how dangerous it is to mess with someone with a TOXIC mindset. So I hope to see you soon and I know I will. Time for you to find out first hand.

Happy Anderson

I am happy because me and Mack diesel won the tag team belts.

I am happy to team up with the mask and Mack diesel we are a winning

Team. Mack diesel should know that by us working together we can do well

I do not know what happened to Thomas Zion but he has mental health issues/

I like chicken strips and fries from the Costco food court.

I like traveling around the country with the LWL.

I like apple pie from Costco. I like potato salad from Costco.

I like having milk and cookies before bedtime.
