## THE LWL SHOWS THE IWA WHY WE'RE A TOP 5 LEAGUE

# LWL Trash Talk Recap

Pic of  
the  
Month

Backstage, Danny Doyle responds to Elijah Thorne accusing him of being a suspect, calmly but firmly denying it. He says he doesn't steal—he earns everything through hard work and fighting, just like his 41-win record and the Western States title he carries. He calls himself “Dependable” because that's who he is, not just a nickname. Doyle accuses Elijah of being paranoid and blaming others for losing his title, and warns him that if he wants a fight, he'll get one—and it won't end well.

The Lone Wolf League is heating up post-Meltdown, with tensions flaring and rivalries deepening. Elijah Thorne continues to stir trouble, dismissing Justin Vickers' rise as a flash in the pan and preparing to face Flathead Rob while also eyeing a return to tag team glory with Eli Richter. Eli, meanwhile, has Danny Doyle in his sights, criticizing Doyle's attitude and warning of a post-Meltdown reckoning. Tommy Zulu cut a scathing promo targeting Thorne, Flathead Rob, and new champ Ando Snaggletooth—issuing challenges and making it clear he's not done proving his dominance.

Buff interrupted a Squatch Muldoon interview in classic outrageous fashion, denying steroid accusations from Eli and proclaiming himself “100% pure man.” Over in the PWI circles, RDL Champ Cody Beau announced his intentions to take down Muskrat Joe in the Universal Tournament, offering respect but no mercy. Meanwhile, John Doe's mysterious backstory thickens as he receives disturbing news from a private investigator: his past may have been deliberately erased.

Flathead Rob celebrated his multiple title wins and declared himself ready for anything, calling out Elijah Thorne ahead of their Lion's Den match. Big Rye amped up the crowd just before hitting the ring with Snaggletooth for their tag title victory at Meltdown. Galim Tursambayov returned from training in the Rockies, promising destruction in his upcoming matches and reminding everyone of his toughness. And in a surprise interruption, Father Arturo and Father Conrad of the ASL vowed divine victory in the PWI Tag Tournament, calling out Eli and Elijah with holy fire.

# LWL PPV

The **LWL Meltdown Pay-Per-View** delivered chaos, carnage, and championship shakeups in one of the most explosive events in league history. Fans were treated to a night of unpredictable action, wild brawls, and breakout performances as new champions were crowned and rivalries ignited. From the moment the bell rang, it was clear that Meltdown would leave a lasting impact on the landscape of the LWL.

The night kicked off with the highly anticipated Fireball Cage Free for All, an all-out melee featuring 14 competitors battling for pride, supremacy, and a \$10,000 prize. Amidst the chaos, it was **“Mad Dog” Tommy Zulu** who emerged victorious, using his vicious tenacity and ruthless instincts to outlast the rest. Zulu stood tall over a battlefield of broken bodies, solidifying his reputation as one of the most dangerous forces in the LWL and walking away **\$10,000** richer.

In a brutal and fast-paced three-way showdown for the **Imperial Tag Team Championship**, **“The Outcast” Ando Snaggletooth and Big Rye** overcame overwhelming odds to capture the gold. Facing off against the veteran duo of Stan “The Mullet” Malitowski and Happy Anderson as well as the explosive pairing of Firebrand Elijah Thorne and “The Menace” Eli Richter, Snaggletooth and Rye fought with reckless abandon. Their unorthodox teamwork and raw power carried them to victory, earning them their first reign as tag team champions.

The main event saw Muskrat Joe put his Imperial Heavyweight Championship on the line against the red-hot challenger, “The Outcast” Ando Snaggletooth. In a grueling contest that pushed both men to their limits, Snaggletooth capitalized on Joe’s injuries from earlier brawls and ultimately sealed the victory with a devastating finisher. With the three-count, **Ando Snaggletooth claimed the top prize in the LWL**, cementing his dominance by walking out of Meltdown as a double champion.

With the dust barely settled, attention now turns to the next PPV: ***Devil’s Night***. There, **“The Outcast” Ando Snaggletooth** will be forced to defend his newly won Imperial Heavyweight Championship against the fiery **Justin Vickers**, who has been demanding a title opportunity. The path ahead won’t be easy for Snaggletooth, as he faces the threat of Vickers’ speed and fury while juggling tag team responsibilities.

## THE PWI REPORT

Folks, this is it! This is the cycle in which the PWI Money in the Bank PPV results are based on (results will be published in next cycle's report). The brackets are set and we have superstars from the XPL, ASL, RDL, and LWL competing in four different contests, each with their own level of prestige involved.

We have 8 superstars competing to be crowned the first-ever PWI Universal Champion. We also have 8 tag teams competing to be crowned the first-ever PWI Universal Tag Team Champions. Before either of those tournaments are completed, however, we also have what will become the first-annual PWI Money in the Bank Ladder Match where 8 superstars will compete in a single match. The winner will be the first wrestler to successfully pull-down the briefcase suspended above the ring. That briefcase contains a wad of cash and a 12-month contract that allows that wrestler to cash-in a title shot against ANY PWI Champion at any time they choose. Please review the rules for cashing-in, which can be found in the match section of the PPV preview.

Now, once the PWI Universal and PWI Universal Tag Team Titles are established, they will be defended every 2-cycles on a rotating basis throughout the PWI leagues. The schedule for those title defenses is found in this report as well.

One thing to note for all future PWI Universal and PWI Universal Tag Team title matches is that there is a trash talk bonus available to wrestlers involved those matches. **Anytime a wrestler (the champion or challenger) submits a trash talk segment IN THE LEAGUE WHERE THE TITLE IS BEING DEFENDED specifically promoting the title match, they will have 3 bonus points added to their strategy total for that match.**

For example, let's say that Nick Dane (ASL) wins the Universal Title Tournament. His first title defense would be Cycle #12 in the RDL against a contender that the RDL Commish designates. If Nick Dane submits **a title defense promo to the RDL** that cycle, he will have 3 points added to his strategy total. If the RDL contender submits a **trash talk segment in the RDL** that cycle that acknowledges his title match, then he would also have 3 bonus points added to his total. This rule is designed as a benefit to the leagues when they host the PWI Title Matches and also to increase the likelihood that our champions are consistently trash talking.

# MELTDOWN

## BACKSTAGE AFTERMATH

Minutes after the final bell was rung, a not yet fully dressed Danny Doyle is sitting in the locker room when Eli Richter charges in and blasts him in the side of the head with a big boot. He dependably falls to the floor where he is repeatedly kicked and stomped.

Doyle gets halfway up only to be driven back down by a double axe handle to the back. More kicking and stomping ensues before Richter grabs an open can of soda and nails him with it. No real damage, just disrespect. He then twice slams Doyle's head in his locker door.

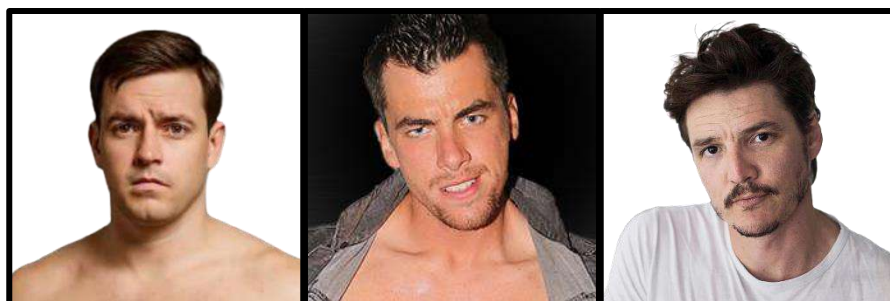

As he's being dragged to his feet, the Dependable One drives his shoulder into Richter's midsection then backdrops him before staggering away to get some distance. As The Menace moves in again, the two start trading punches back and forth until Doyle takes him down with a standing lariat. He gets in a few kicks of his own before Richter gets to his feet. They lock up, struggle, and Doyle rolls him up in an inside cradle.

Richter kicks out, stands up and says, "You can't pin me, stupid, I'm kicking your \*ss!"

This time, it's Doyle who charges in, but he eats a back elbow smash. A bulldog follows before Richter pulls off one of Doyle's socks and begins choking him with it. Referee Todd Howard finally comes over to break it up pulling The Menace's hands away. He shoves Howard back and stuffs the sock in Doyle's mouth.

Suddenly, Wes Allen rushes in, "Eli, I think your brother is having another seizure!"

Richter immediately gets up and runs off.

*Backstage. Concrete walls. Fluorescent lights hum like tension in the air. “Dependable” Danny Doyle stands in front of a half-peeled event poster. Hands taped, shirt damp with sweat, Pacific Northwest title over one shoulder. His face is calm, but the cut on his cheek says this isn’t over.*

**Danny Doyle:** “You know... I can live with a loss. If a man beats me fair, out-wrestles me, pins me one-two-three? I shake his hand, I hit the showers, and I clock in again tomorrow. But that ain’t what happened in Midland, Texas, is it?”

*He leans in, jaw tightening.*

“You didn’t beat me, **Elijah**. You survived me. Barely. And only ‘cause your little handler, **Eli Richter**, was out there playin’ traffic cop with the referee while you snuck in your cheap shots like the coward you are.”

*He chuckles bitterly and wipes sweat from his*

*brow with the back of his taped hand.*

“I know your leash is tight, son. I know **Richter** don’t let you breathe without his say-so. And I get it — maybe deep down you know you’re not man enough to stand toe-to-toe with someone like me without him holdin’ your hand and helpin’ you cheat your way out the fire. But here’s the thing... next time, he won’t be there to save you.”

*Doyle slowly turns to a vending machine nearby — then in one fluid, explosive motion, shoves it onto its side with a crash of metal and shattering glass. He stands over it, breathing hard, then looks at the Pacific Northwest title on his shoulder.*

**Danny Doyle (steady):** “This right here? This is my ticket to the Television Championship. And I’m cashin’ it in with both fists.”

*He looks dead into the camera.*

“Tie your boots on real tight, Elijah. It’s gonna be a long night.”

*Fade out on the wreckage of the vending machine, broken snacks scattered like the last of **Elijah Thorne’s** excuses.*

# STAN

*The Mullet*

# MALITOWSKI

So I guess ol' Commish Fries stuck me with another new partner in this tag thing—but hey, least this time it ain't that no-show Happy Anderson. Naw, I'm rollin' with Mad Dog Tommy Zulu now, and that dude's the real deal. We might actually win some gold this time.

Now look, I'm sick of seein' punks like Big Rye and Ando Snaggleteeth run 'round here holdin' all the belts like they own the joint. You boys been on a hot streak, I'll give ya that—but don't get too comfy. 'Cause The Mullet's comin' straight outta the U.S. of A., and I'm bringin' that red, white, and bruised kinda whoopin' you ain't ready for!

# "Mad Dog" Tommy Zulu

*LWL cameras zoom in on "the Mad Dog" Tommy Zulu standing backstage alongside LWL reporter, Sara Thomas. Zulu is decked out in his military greens, wearing some Ray-Ban shades, and has a cocky smirk on his face as he chews his gum. Sara gives a quick introduction and then 'the Mad Dog' lets loose.*

"Listen up, LWL, because the man you love to hate has decided to grace you with his presence and I've got a few things to say. And, I wanna start by acknowledging that by my count it's two up and two down. One more and they call that striking out the side. First it was **Galim Tursambayov** - he struck out looking. Then, **Jon Doe** stepped up to the plate only to discover that no matter how hard he tried to make it a pun, he was in fact 'the Jobber of the Week.' He went down swinging, but he went down nonetheless. And, so that begs the question, Sara Thomas..."

*Zulu flips his sunglasses down to the bridge of his nose and looks down at Sara Thomas who shrugs her shoulders and asks, "What question is that, Tommy?"*

"Who's next? Is it **Flathead Rob**? Is it **Elijah Thorne**? Is it **Ando Snaggletooth**? There's a lotta people out there that want a crack at 'the Mad Dog', but who gets their ass whopped next by good ol' TZ is ultimately the decision of our beloved Commissioner. So, the answer to the question, Sara Thomas, is that it could be any one of 'em; it could be all three of 'em. The only person who knows that for sure is J.J. Fries, but whoever it is needs to keep just one thing in mind, Sara...."

*Zulu again looks at Thomas, who asks, "What's that?"*

"Mad Dog ain't just a silly nickname I gave myself. I've breathed it, I've lived it, I've earned it and that's what got me into the ass kickin' business that I'm in today. And, guess what, Sara Thomas?"

*Zulu looks at Sara Thomas one more time who, once again, asks, "What's that?"*

"Business is good and it's about to get even better."

*With that, Zulu flips his sunglasses back over his eyes, gives a grin towards Sara Thomas, and heads off the scene, leaving Sara to send it to a commercial break.*

[CAMERA OPENS in a quiet backstage hallway of the Lone Wolf League Arena. A vending machine hums in the background. **John Doe** stands near a concrete wall, holding a cell phone to his ear. He's wearing a zip-up hoodie with his "JOHN DOE" name tag stitched on, but he looks more alert—more *present*—than ever before.]

**John Doe:** (pacing slightly, listening) "Yeah? That's good news."

[He nods slowly, a hint of a grin breaking through.]

**John Doe:** "You've got a lead on who I am? Finally. It's about time somebody started putting the puzzle together."

[He leans against the wall, tone light but focused.]

**John Doe:** "I always figured there had to be *something* before this. Something big. The way my body moves in that ring, the instincts I shouldn't have? That doesn't just come from watching tapes in my mom's basement."

[He chuckles to himself.]

**John Doe:** "Some nights I lie awake wondering if my name's even John Doe. Honestly, with the way things are adding up, maybe it's not. Maybe it's... Jason Bourne or something."

[He laughs again, more confident now.]

**John Doe:** "Yeah yeah, I know, I'm not jumping off rooftops. Yet. But listen—whatever you've got, keep digging. I don't want a maybe. I want *truth*. All of it."

[He pushes off the wall and stands tall.]

**John Doe:** "When you're one hundred percent sure—call me. Until then... I'll be ready."

[He hangs up, slides the phone into his hoodie pocket, and looks straight ahead—determined.]

**John Doe:** "Whoever I was... I think I'm still that guy."

[FADE TO BLACK.]

**[ The crowd is roaring—half in awe, half in stunned silence. The ring is littered with debris from a brutal war. Muskrat Joe is crumpled in the corner, medical staff swarming him. Ando Snaggleteeth is on one knee in the center of the ring, blood smeared down his chest, the Imperial Heavyweight Title clutched to his chest like a relic torn from the earth itself and the Imperial Tag Title over his shoulder.]**

**[The ring announcer raises a mic to his lips:]**

**Announcer:**

***“Ladies and gentlemen... your winner... and NEWWWW Imperial Heavyweight Champion... ‘The Outcast’ Ando... Snaaaaaggleteeth!”***

**[The crowd explodes. Ando stands, snatches a mic from ringside, and stares into the camera like it’s an enemy he hasn’t finished off yet.]**

**Ando Snaggleteeth (breathing heavily):**

**No one thought this night would end like this...no one thought i would survive, but here I Am..... You hear that?**

**That ain’t celebration.**

**That’s the sound of the system cracking.**

**That’s the sound of every gatekeeper gasping for air—because the man they tried to bury is now standing on top of the mountain.**

**Muskrat Joe...**  
**You fought like a Bastard.**  
**You held this belt with pride.**

**But pride doesn't matter when you're going against someone looking for  
redemption,  
wondering how the Outcast outlasted you.**

**[He hoists the Imperial Title above his head, sweat and blood dripping from his  
fingers.]**

**This ain't just a win.**  
**This ain't just a belt.**

**This is proof.**  
**Proof that every scar was worth it.**  
**Proof that the man you mocked... the man you overlooked...The Man you  
Shunned**  
**The man they said would never headline a damn thing—  
Just rewrote the ending.**

**[He walks to the ropes, looking out at the sea of fans. His voice grows quieter—  
but more dangerous.]**

**So to the rest of you in the locker room—**  
**Justin Vickers.. Tommy Zulu... Cornbread... Eli and Thorne...**  
**You better start sleeping light.**

**Because the Outcast ain't done.**

**I didn't climb this high to wave from the top.**  
**I climbed this high to kick every last one of you off the edge.**

**This is my era now.**  
**This is my reign.**

**THis is my Terror!**

**And it's gonna be violent.**

**[Ando drops the mic. The belt raised high. "God's Gonna Cut You Down" by  
Johnny Cash starts to play then The shot freezes mid-frame in a blaze of red-  
and-gold pyro as "Devil's Night" fades to black.]**

**[Grimy locker room hallway, post-Match. Concrete walls, flickering overhead lights. Both men are bloodied and bruised, belts over their shoulders.]**

**[Big Rye is pacing, half-laughing, fired up and exhausted. Ando leans against a steel door, dripping sweat, ice bag in one hand, Tag Title on his shoulder.]**

**Big Rye:**

**You see that out there?!**

**We just ran through Happy & The Mullet like a damn freight train...**

**Then we stomped out those wannabes, Thorne and Richter, Like they were a burning piece of paper on the sidewalk!**

**We said we were takin' over—and now we got the proof.**

**Tag Team Champs.**

**Imperial Heavyweight Champ Soon to come.**

**Same night. Same storm.**

**[He looks at Ando and slaps his arm hard.]**

**I told 'em, man.**

**Told 'em they weren't ready for what happens when the Outcast and big rye walk together.**

**[Ando doesn't smile. He just stares at the camera, eyes sunken but locked in.]**

**Ando Snaggletooth:**

**They thought forcing us to fight would break us.**

**They thought I'd forget what this man means to me just because they handed me the Hardcore belt off his back.**

**But all that did...**

**was light the fuse.**

We walked into *Devil's Night* with scars—  
and walked out with everything....Almost everything....

You see this?  
[He holds up the tag belts.]  
This isn't just about gold.  
It's about rewriting the order.  
About showing the world that no matter how many times you bury us—  
We don't die. We multiply.

[Big Rye steps in again, more serious now.]

Big Rye:  
Yo... Eli. Thorne.  
You had your shot.  
And y'all got *burned*.  
So go write your poems about heartbreak and loss—  
'cause your fairy tale ended with a meat grinder.

And Mullet & Happy?  
That mullet might've been flappin' in the breeze,  
but it was twitchin' under my boot by the end.

---

[Ando takes one final step forward. Drops the ice bag. Lifts the Belt.]

Ando:  
There's no more hiding now.  
It's time to finish this...

And anyone who wants to step to us?

You better bring an army...

Because The Outcast and Big Rye just became your new religion—  
and the sermon starts in blood.

Big rye:

Let's go ando, it's time for you to bring the world title back where it belongs...

[Fade out as both men walk back towards the stage with the sound of metal clanging and  
the Tag Team belts being slapped together.]

# Welcome to **UB GETTING' SKOOLED**

## with **FLATHEAD ROB**

Not happy at all for the loss at the last Commissioners Card in the Lion's Den. **Elijah Thorne** you and I are just beginning in our career together. Also, **Eli Richter**, your buddy, is on my short list of those to **Hook Line and Sinker**. That brings me to the next Commish card and my Main Event against **Justin Vickers**. So, you are the big man on campus huh? Well, we will see how big you are at the **Commish Card** and in the **Meltdown Fireball Cage Free For All**. Don't think you will be able to hide from me in that ring with eleven others. I will be seeking you out.

**Tommy Zulu** I see your winning tag titles with others in the LWL but you just can't go the extra mile for our team in the **Imperial Tag Team Circuit**. Well, if we cannot get a better record we will be out soon and I will be after you soon after.

## **Muskrat Joe Talks at Ya:**

Well folks this is the big time for Muskrat Joe as I may not be your **Heavyweight Champion** after this match. I have given everything I got to you in LWL to be your champion. This has been the best time of my life as a wrestler and my biggest moment in my career. I just hope that I can keep going and win some more titles in **LWL** in **IWA**.

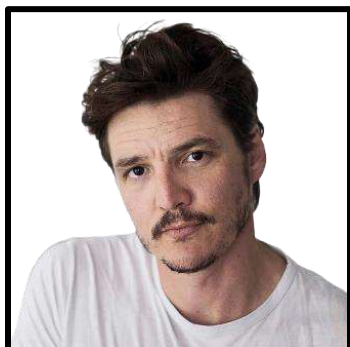

I will fight my hardest to keep this title but if I lose then I want to thank everyone for your support.

## **Eli Richter**

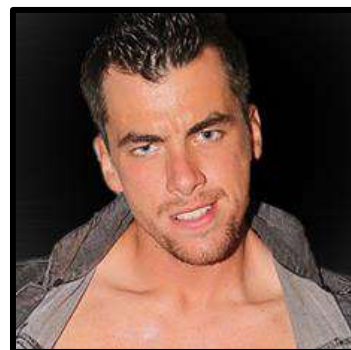

Elijah Thorne: "It feels like months since I talked to you fans as myself. When I have these bouts of psychoses, it's like I'm a different person. Thankfully, the seizure I had following Meltdown wasn't too severe, but it was enough to get me back to my usual self. I just want to thank my brother for getting me through it once again."

Eli Richter: "No problem, bro. I could never ask for a better big brother, and I love you. And, I'll tell you this, you didn't miss much. Although, I did beat down DANNY DOYLE just like I said I would."

Elijah Thorne: "Really, I didn't miss any of it. I just saw it through a different filter if you know what I mean. And, I've seen the beatdown online... it was epic."

Eli Richter: "Doyle's just another young punk trying to make a name for himself. Lone Wolf was probably not the best place to start."

Elijah Thorne: "He's definitely mad about something. TOMMY ZULU too. Listen, Mad Dog, it wasn't me. You wanna step in the ring with me, that's fine, but don't be making accusations and threats. Get it, got it, good."

Eli Richter: "I know you rocked FLATHEAD ROB's world. He was out here trash talking a match that already happened. I'll give him this much, he was right, it was a thing to see. Had to be one of your best matches since signing with LWL. And how about GALIM TURSAMBAYOV whining about walking home 17 miles in the snow. Where's he from again? Turkmenistan?"

Elijah Thorne: "I think it's Kyrgyzstan. Either way, my Hardcore title is always on the line for anyone and everyone who wants it. So, Galim, you want it, come and take it."

Eli Richter: "I don't think he wants it that bad. I know the PADRES are feeling the heat."

Elijah Thorne: "You got that right. They're not even in the playoff picture at this point... and after that hot start they got off to."

Eli Richter: "No, no, not the baseball team. The tag-team we gotta take on in the tournament for the PWI Universal Tag-Team titles. ARTURO and CONRAD. They seem to think you're still the Master of Light. Well, they'll see the real you in the ring, and they'll wish they'd never seen me at all."
