From the Commissioners Desk:

Hillbilly Holly continues to reign as the MDL Diva Champion, she has defended her title for 4 cycles.

On the tag scene, **The Lethal Ladies** completed their 1st Deadly Duo cycle defense.

Will anyone dethrone them this cycle?

Scarlet Briar and **Mean Jean Greene** traded some words last cycle.

Are these two heading for an in-ring confrontation?

Legend of the MDL

Reminder, Legend of the MDL has started. I'm sure many of you are familiar with it. Basically, this is a race between all MDL members to be the first wrestler to win all front page titles, including tag and six-man titles, along with the Battle Royal.

The winner will receive \$250,000 IM and 25 free matches.

The winner also has a stadium named after them in our bulletin along with a scrub wrestler created in their honor.

Finally, the league championship title will be renamed after the winner of this contest.

Good luck!

Legend of the MDL

Hillbilly Holly has a slim lead over Rydia Stormer in this competition. The rest of the pack is at least 2 titles behind her.

We are the Champions blares over the speakers and out comes Mother Dragon, the American Dream, and Hillbilly Holly.

We may have lost the best of five but..... Lethal Ladies this is not over ...

I look around the locker room and see all these pretenders Remember to this point Hillbilly Holly is the greatest Diva Champion in the History of the MDL.

Lady Dragon, you make me laugh ... I am the dragon the greatest Ladies wrestler in all the IWA!!

I thought to call some of you out, but you should all bow before the power of the MDL

The three leave the stage laughing

The Lethal Ladies

Lady Sin

Lady Malice

Lady Malice: It's that time again! Who's going to step up and challenge us for the Deadly Duos title?

Lady Sin: How bout some new teams step to the plate. We are getting of tired of beating the sane old teams.

Lady Malice: The Lethal Ladies.... Bringing pain to the people!

The Savage Sirens

The Savage Sires (Sadistic Shirley Brosious and Hardcore Wendy Reinhard) walk to the MDL podium...

Reinhard: These tag straps sure look good around our waists.

Brosious: That's right. Lethal Ladies, you've been great champions, but I think those Dealdy Duo straps would look better around our waists!

Reinhard: We're coming for you this cycle! You've all been warned!

Shirley Brosious

Wendy Reinhard

The Unstoppable Anna Forss

Hillbilly Holly just keeps chugging on with that Diva title.

You have to admire that girl. She's got some fight to her.

Now, I'm looking to throw my hat in the ring and challenge for that title.

No offense to you Holly, but I've got my sights set on that title.

Ladies World (April 2022)

Ladies National (Dog Days 2022)

Christina "Dream" Weaver

I haven't had any luck getting that win over Hillbilly Holly for the MDL Diva title. That being said I'm gearing up for another run at her... her luck cant hold out forever.

Sooner or later she will succumb to the "Dream" Weaver.

And who's this Scarlet Briar??? She sure got a mouth on her.

I guess someone's going to have to teach her to respect her elders.

Mean Jean Greene

I may be spooky, but I have a winning capacity. If you think I am spooky, then let's have a specialty match. I will let you pick the match. I done them all. I am not scared of any of the ones that your feeble mind can come up with. I was power bombed through scaffolds in the NWL and landing on concrete. So, let us get this over with.

MDL

None of you clowns went to challenge me. If I must go out of my way again to pick fights with any of you guys. I will bring the kendo stick and just make a point that you can't run from me. You are all scared little babies.

I PREFER TO BE THE HUNTER THEN THE PREY!

SO, BRING IT!

CHAIRSHOT MONTHLY

CHARLEY CHAIRSHOT WINS GOLD IN WILMINGTON

We spoke with Charley Chairshot moments after her West Coast Title win in Wilmington after she defeated Rydia Stormer:

"I added a new championship to my resume. Stormer gave me a fight tonight, but when I locked in the Camel Clutch, I knew I had that match won. She was fighting me, clawing me, trying to do everything in her power to get out of it, but I cinched that damn thing in, and pulled back, until she had no other choice but to tap. And now that I'm West Coast champion, it gives me a shot at the League and you know I'm gonna give it my all."

STEPHANEY ON THE LOSING END AGAIN

Shotgun Stephaney saw action against **Ms. Perfect** in Bari:

"The losing continues! This time around I went up against Ms. Perfect, and I'll say this, her name is the perfect name for her. She got the job done. I was staring up at the lights as my shoulders were pinned to the mat. But I'll be back next tour. And the tour after that. And the tour after that one. I ain't going anywhere. I'm here to fight. I'm here to win!"

DAISY WINS SOUTHWEST TITLE

Daisy Dallas was in singles action against Lady Dragon in Maidstone where she captured the Southwest title. We spoke to her briefly afterwards:

"When it comes to titles, my resume is quite short. In my MDL debut back in the holidays of 2022, I won the Rocky Mountains. In October 2023, I won the Northeast. And this last tour, I won the Southwest. It ain't impressive, but a title win is a title win in my book."

This is a Charley Chairshot publication.

MEAN JEAN GREENE

Scarlet Briar, believe me, dear, I'd rather just wrestle but you and I both know that these promos are a part of pro wrestling, like it or not! Don't get me wrong, I do enjoy bashing heads in the MDL ring, but don't act like just because you have your Wednesday Addams gimmick that you are somehow beyond a proper discourse ::laughs:: but I beat you in the main event in Honolulu and I'm sure you're going to challenge me for my regional title, so I guess we'll see!
