COMMISSIONER REPORT – WINTER 2024

NAL PRIZE:

❖ IWA credit for the league champion when there are at least 50 cards: \$1 for every 3 cards and \$1 for every 4 battle royal entrants (up to \$50)

Welcome to the Winter NAL commissioner's report.

In cycle 2 of the first round, we saw several series get close to even but we also had a few managers extended their lead. Can anyone close out their series in just three cycles?

The 2023 Finals between Steve Deane and Tony Pesante saw Tony's lead get cut to slim as Steve swept all three matches last cycle. Tony is still ahead 2-1, 1-2, 2-1 but can Steve continue his comeback or will we crown a champion?

I'm attempting to get historical data for the past Best of the Best tournaments. What I have so far is in this report. Any help would be greatly appreciated!

BEST OF THE BEST #11, 2024: current

PART Two : The IWA vs. Jake Duvall for the illegal cultivaton of the dangerous Kudzu plant

We open the day at part two of the Trial of the IWA vs. Jake Duvall. And again Mr Duvall rides in on his stick horse wearing a nice shirt and tie but leather chaps on the bottom.

Judge Fudge: Order in the court! Mr. Duvall, must you ride in on that... contraption again?

Jake Duvall: Your Honor, just tryin' to keep things lively!

Judge Fudge: Very well, but let's proceed with decorum. Mr Duchaine you may call your first witness.

Dr Pain Mark Duchaine: The prosecution calls to the stand.....Jake Duvalls stick horse!

The courtroom erupts into murmurs as the stick horse is brought to the stand, and Dr. Pain Mark Duchaine begins his questioning.

Dr. Pain Mark Duchaine: Stick horse, do you solemnly swear to tell the truth, the whole truth, and nothing but the truth?

The stick horse remains silent, eliciting a chuckle from the audience.

Dr. Pain Mark Duchaine: Stick horse, is it true that you were used by Mr. Duvall to assist in the illegal cultivation of Kudzu on IWA property?

The stick horse remains motionless.

Dr. Pain Mark Duchaine: Your Honor, I request that you hold this stick horse in contempt of court for refusing to answer.

Judge Fudge: I'm too busy being delicious.

The stick horse suddenly springs to life, its head nodding up and down.

Dr. Pain Mark Duchaine: Ah, so you can speak after all. Stick horse, did Mr. Duvall use you to aid in the illegal cultivation of Kudzu?

The stick horse nods again.

Dr. Pain Mark Duchaine: And did you willingly participate in these illegal activities?

The stick horse remains silent for a moment before shaking its head side to side.

Dr. Pain Mark Duchaine: Interesting. So, you were forced to aid Mr. Duvall in his illegal activities?

The stick horse nods vigorously.

Dr. Pain Mark Duchaine: No further questions, Your Honor.

Donnie Cochran stands to question the stick horse.

Donnie Cochran: Stick horse, can you clarify for the court whether Mr. Duvall actually forced you to aid in the cultivation of Kudzu?

The stick horse remains still for a moment before responding in a gravelly voice, "No Sir, I don't like it."

Donnie Cochran: Thank you, stick horse. Your Honor, no further questions for this witness.

The stick horse is led away from the stand, leaving the courtroom abuzz with the surreal turn of events.

Dr. Pain Mark Duchaine: The prosecution calls Mr. Tom Flesher to the stand.

Tom Flesher, a muscular man, stands up and walks towards the stand. Donnie Cochran immediately stands up.

Donnie Cochran: OBJECTION, Your Honor! Mr. Flesher is a hostile witness and should be treated as such.

Judge Fudge: Overruled! I'm too busy being delicious to deal with such nonsense. Proceed, Dr. Duchaine.

Dr. Pain Mark Duchaine: Thank you, Your Honor. Mr. Flesher, can you please tell the court about the series of events between you and Mr. Duvall regarding the possession of Dan Hayman?

Tom Flesher looks uncomfortable but begins to speak.

Tom Flesher: Well, it all started when Dan Hayman, bless his soul, went missing. Jake here claimed that Dan was trespassing on his property, but I knew Dan wouldn't do that. We got into a bit of a scuffle over it.

Dr. Pain Mark Duchaine: And during this scuffle, did Mr. Duvall exhibit any aggressive behavior towards you?

Tom Flesher: Oh, he was mighty angry, that's for sure. But I wouldn't say he was aggressive, per se.

Dr. Pain Mark Duchaine: Did Mr. Duvall ever threaten you or use force to try to gain possession of Dan Hayman?

Tom Flesher: No, sir. He was just real adamant that Dan was his property.

Dr. Pain Mark Duchaine: Thank you, Mr. Flesher. No further questions.

Judge Fudge: This trial will be continued tomorrow. Court is adjourned.

The courtroom empties out, leaving behind a sense of anticipation for the continuation of the trial.

(We join Denny, on the shop floor on a super secret not really a secret phone call)

SMD: (shakes head) I'm gonna go find Donnie and see who he is snitching on today.

Final Words From An IWA Legend

I'm sure that header will elicit nasty responses but at this point, who cares? I've always been a firm believer in allowing people to play this game their own way, except for the Circle of Tyrants. Being an NAL manager was one of the only things I didn't enjoy in the IWA. I guess it really does only take one bad Diamond to ruin it all. However, I don't think it's too much to ask for a certain amount of protocol to be followed when it comes to allowing Mark Duchaine to submit trash talk where he's retconned Matt Million, who I very apparently murdered in cold blood at the secret Kudzu headquarters of Those Who Gather. I also feel like after over 2 cycles in this league, a little bit of respect isn't too much to ask. Don't bother looking for trash talk this cycle or ever again (at least not from me.) For the last 2 cycles I have been playing a match deal every cycle. That remains with me and so does being a BOTB league. Don't blame me. Blame the Circle of Tyrants and their managers. Now they can go hang out in dimly lit rooms and whine about how they couldn't get rid of Jake Duvall. I don't expect anyone to respond in my defense. You wouldn't even join Those Who Gather for free Burreesetos. Mark, I guess you'll have to find somebody else to run a marathon with. You didn't just get rid of me. You destroyed the integrity of being able to fictitiously kill someone and have them remain dead. Congratulations.
