[NAL Summer 2025 Trash Talk Bulletin:

The Prescription is PAIN Edition]

[Scene: Doctor Pain's locker room "clinic," decked out in black and white with Circle of Tyrants banners. A stethoscope swings from around his neck, and he's flanked by fellow COT heavy-hitters: Death Machine, Jerry Savage, Tommy Valentine (begrudgingly), and Father Bartolo, polishing his new League Title. The room is filled with championship gold and unrelenting confidence.]

Doctor Pain (grinning behind dark sunglasses):

Welcome to the Summer 2025 Edition of the NAL's biggest mistake—allowing the **Circle of Tyrants** to take over like a heatwave in July. While the rest of you were out sipping lemonade and cutting half-hearted promos, **we were winning championships** and stocking our trophy shelves like it was Black Friday at the Title Mart.

Let me start with a special prayer... "**Our Father, who art in heaven, hallowed be HIS name... just kicked your ass and took the League Title.**"

That's right. Say it again for the people in the cheap seats. **Father Bartolo is now your LEAGUE CHAMPION.** You

thought this was a sanctuary? Think again. The NAL just got baptized in blood and baptized in gold. And it's safe to say boys: **This league is now OWNED... and OCCUPIED... by the COT!**

[The group applauds. Bartolo holds the title up, solemn yet smug.]

Doctor Pain (turning to the camera): But we didn't stop there. Nope. The **Multi-Man Division** has officially been renamed **COT territory**. We took **League Tag**, we took **TV Tag**, and oh yeah... **Yet. Another. World. Six. Man. Championship.**

You see, the rest of you are like the nerds at the gym—sipping your protein shake, doing half squats, and flexing in the mirror when no one's looking. Meanwhile, COT? We're the guy who your girlfriend *pretends* not to stare at. The one she "accidentally" runs into outside the sauna. Don't worry, little guy. Keep lifting. Do your lunges. Maybe someday you'll be somebody's girlfriend too.

[Jerry Savage laughs. Death Machine just nods like a wrecking ball in human form.]

Doctor Pain: But seriously... **Where is all the trash talk in this league?**

Do I need to write ALL the promos myself? Have we become so soft, so scared, that you don't even want to TRY and come at us anymore? You should be cutting promos like your titles depend on it—because spoiler alert: **they do.**

And since no one wants to step up to the plate, I guess I'll keep swinging until I knock everyone off the scoreboard. You think we're done?

Nah.

We're just getting started.

Now, let's talk about something serious: Tommy Valentine. Tommy, Tommy, Tommy... last month, you lit up a cigarette after our six-man match.

[Tommy shrugs. Becky Boobie walks in with a lighter and a smirk, but gets shooed away.]

Doctor Pain: I get it. You're hardcore. You bleed barbed wire. You sleep in thumbtacks. But COT has a new wellness initiative. And guess what? **NO SMOKING ON THE JOB.**

So consider this your intervention. Not from a place of hate, but from the prescription pad. I'm the doctor, and I'm writing you up for one dose of **"PUT THAT OUT BEFORE I SHOVE IT UP YOUR TITLE SLOT."** You want to represent COT? Then cut the Marlboros, champ.

[Tommy slowly flicks the cigarette to the ground and Death Machine stomps it out. Savage grins like Christmas came early.]

Doctor Pain: So where do we go from here?

EVERYWHERE.

Every title, every division, every league. COT is the wind that blew down your castles. COT is the flood that swept away your records. COT is the hurricane on your sunny day.

And I, Doctor Pain, am the eye of the storm.

The only thing I prescribe is **PAIN**. And this month, the dosage just went up.

Some of you still think you can stop us. That somehow, with your low effort and last-minute entries, you can "out-wrestle" this dynasty. That you can derail this **gold-dripping freight train.**

You can't.

But go ahead. Try. Step up to the clinic. Book your appointment with the Doc. We'll get you scheduled for a good old-fashioned **imaginary beatdown.**

You want submissions? We'll tear your limbs off. You want pinfalls? We'll count to ten just to be petty.

Pain is our product. Wrestling beatdowns are the business.

And business is very, very good.

[Fade out as the camera slowly zooms in on the COT banner hanging high above the locker room, gold belts glimmering beneath it.]
