As Kerry Von Erich's first theme starts to play, the New Age Marshall Von Erich enters the arena. The fans are going wild, and the girls are trying to kiss Erich on the lips. MVE enters the squared circle with a microphone. MVE: "A physique like this does not happen by accident. It takes dedication to find whey protein. Nothing comes close to Nitro's 100% whey gold, the formula I depend on before building muscles and strength. It doesn't include any fillers. It's my choice of product for recovering from insane workouts. My brother Ross Von Erich is in the New Blood League!"

The scene begins outside of Kevin Von Erich's house in Kauai, Hawaii. Kevin Von Erich is walking with his ducks. As KVE walks, he hears footsteps rushing behind him. KVE ducks out of the way and avoids a clothesline attempt by masked men. KVE then counters with a boot to the midsection of the man and follows it up with the Von Erich Claw to the ground. Immediately, Von Erich is attacked from behind by the second masked man, who is able to set a couple of blows in before Eric can react. He goes to mash Erich's head in a tree, but Eric counters and elbows him in the ribs and then smashes the man's head in the tree. Erich then smashes his head three more times into the tree, rendering him unconscious. Erich then removes the mask when out of nowhere Kevin gets cracked in the back of the head by a steel pipe by a third masked man! As Erich falls to the ground like a sack of bricks. The third masked man helps his comrades to their feet before leaving. The camera zooms in on Erich laying unconscious as the scene ends.
