Greetings My Masked Fren. As we wait in line here in the NDL Circle K while our Points.....*Doints Dends* stand at the counter buying 98 scratch offs and put \$2.17 on pump.....*(wait they gotta look out the window to see which pump it is....)* Pump 7 we patiently.....banter. And fine banter I must say it is lad.

I imagine the Doints Dois are all over the place now about all the ties errrrr dies last time around. The VAGS system has been scrapped. Turns out the Doints Dois really weren't all that deep into it. Who would have known? Another victory for Uncle Elrod's Hot Dogs International.

The NAL Battle of the Best has ran into a snag. Down 2-1 across the board. From World 6-Man to looking as dumb as Creepy Joe. That's the IWA for ya. Like #45 about to become #47 though, everyone likes a good comeback story.

Unlike Nasty Nikki we are not ready to drop out of anything.

We are jumping in....501 deep. Hold 6? Nah we want the whole 15. A Big GEIGH finisher on the back....but limited to 20 characters of course.

Now for what we are here for.

The Preemptive Stablecade Champions..... FREE AGENTS !!!!!

We are jumping into.....Stablecade.

Stablecade. Why it was just yesterday I had little Mikey Cook taking 501 beaners in batting practice. That tag team down in Mississippi? Well in between licking my truck windows clean I had that feller shagging 26's at 9 and 10 like you wouldn't believe. Breaker 1-9 got your ears on? Of course he does. The name whomst we can't say because he will get his knickers in a bind. Why somewhere there's a Canadian teaching the natives how to put a round ball in a peach basket. You'd think ya'd be better off teaching them to stay away from things like alcohol and maybe get a job. But in the spirit of peach baskets I had them throwing 521 heaters down the middle of the plate. Unfortunately, some of our New York and Illinois frens showed up. They just wanted to take all of our equipment and tell me how bad I am for teaching 501's. Something about just giving them all 501's.

But that wouldn't be any fun? Because afterall.....

We're The Stablecade Bunch

Greetings, my IMT compadre! I ask your forgiveness for the rushed state of this fish wrapper nonsense.

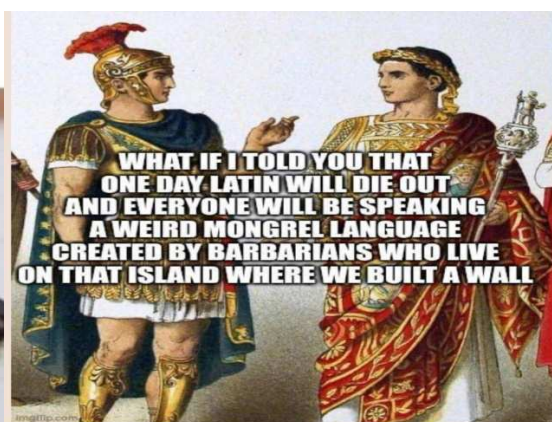

Our lottery numbers were good enough last month to allow us a decent shot at the cheese and sausage pizzas. Who needs VAGS when you are GEIGH?

My envelope arrived unmolested as a result of your Katt Williams-like hot takes. You may have slipped under the radar and over their heads, fren.

I hope your numbers hold true, and I wish us success in the Cade of All Stables.
