Masked Fren....for the next 1543 days (who's counting) we can wake up and say.....**GOOD MORNING U.S.A!!!!!!!!!!!!!!!!!!!!**

And to make things great again my Masked Fren has led himself to an **IWA World Championship!!!!!!** As much as I want to throw a pizza party I must be strict about the rules. Anyways we have another reason to celebrate.....but first..... May your lotto numbers find you well. I don't know what a KRAV MAGA fight it is, but it sounds like something that involves guns, bacon and deportations. *Son of a bitch I'm In.*

So as I sit here all CM Punk Criss Cross Washington Redskin.....

You know, I might happen to know a thing or two about cheating through the mail. Why 2020 smelled like a 1991 BWL bulletin as I sat and figured out the hold values for our late 2nd fed. Why it smelled like 1993 as I figured out the current hold values in the West Fed for the revered IPF. Smells like that time I figured out ILM but I just stood back and let RAGE do it and I interpreted their results.

There was that time in 2016 when people killed an IWA Message Board because they didn't....like the messages being posted.

Well ya can't cheat 2024. Too big to rig.

Now the gloves are off. They used their platform to tell us to get vaccinated or lose our jobs. Wear a mask or you cant work, can't go shopping. You have a 10pm curfew. I told them to F off. I stood my ground. Hell the corporation I worked for went as far to lock me in a room away from people. Using corporations to come after the American people. Using lawfare to attack the people that didn't agree with them. Heck I got locked in a room at work by a corporation because I wouldn't wear a mask. Those are some fun OSHA and NLRB reports I tell you.

Well guess what : I won. I even managed to fail upwardly. I imagine Mr. Jones will also.

Now we get our pound of flesh my Fren. Get that Clemmer belt because they can't take it away from you. November 2024.

That was just the day we opened the presents. And under that tree was a beautiful American yule log full of FREEDOM : Freedom from the tyranny that is the lawfare ran by Democrats. A big fat ugly Clemmer belt of freedom. Merica. *My wee wee go boing boing for America.* And Clemmer belts.

Yet they still put **their trophies** on their mantles and claim victory. Lawfare and the weaponization of corporations. You can't change history. Alex was right about 9/11. Trump got cheated in 2020. A 14-year-old fat kid was 1991 IWA manager of the Year. That same fat kid put the first wrestler in the IWA Hall of Fame. This some would say autistic adult with low key big hog had a World Champion called Infowars. Obey Or Get Canceled the 13th. While I'll never win some statistical Manager of the Year title ever again I am the reigning *IWA Manager You Read But Won't Mention*. Mr. Entertainment. I didn't invent the game I just changed how everyone plays it. Literally. More than once. *Duck Doints* On a Monopoly board you think you have to own Park Place and Boardwalk to win. While you and the they them kid up the street that was accused of whacking his dog off were playing Monopoly in the basement, your mom was upstairs getting Reading Railroad'd by some dude she met at the VFW. Endless circles around the board chasing those blue properties. Chasing that feeling a game brings. Opening up that PWI your uncle got you for keeping that secret you both have and unbeknownst you that \$1 you stole from grandma would change your entertainment lives forever. You still chase those blue properties, that way your mom's brother made you feel (shhhhh don't tell mom) and when in fact the whole time you neglected Kentucky, Indiana and Tennessee. That's where the money is kids. And I'm where your IWA Entertainment is at. The Red Properties.....And Orange....You see.....Orange Man Bad. ELM Man Bad (almost like I've got these scripted....)

You Lose Commie Bastards.

I won...We won. So go ahead and shave your head as my good fren Sheriff Bruce would say : *'It just makes it easier to identify who we are dealing with'*

Soon we become IMT/47. Now, I know Sleepy Joe will make the Ho-Ho President for 3 days and that will look stupid but we will just become IMT/48.

Cheers to my Masked Fren. You did it. We did it.

We made....

America Great Again One Clemmer at a time.

Remember when illegal aliens who ate cats was fiction. Good times.

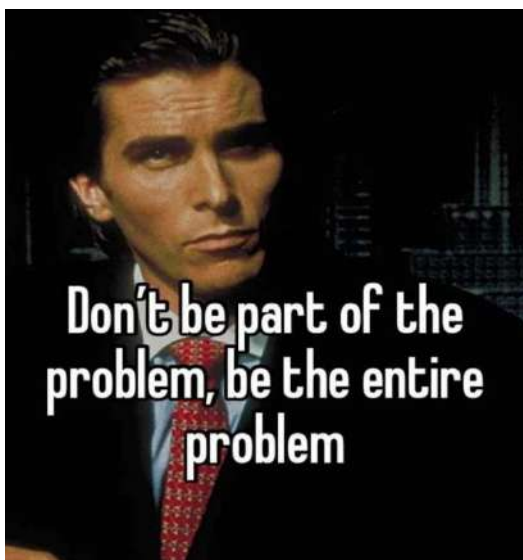

Greetings, Fren! Happy Forever Always Gold Tuesday! Another beautiful day in Glorious Amelica!

Congratulations on your accomplishments last month, and again on another World Trios title from Steel!

Sadly, I don't have much to offer this month. May your numbers prevail, and have a Happy Turkey Day!

May your Point Flow flow the pointiest,

Masked Fren
