(Card Battle Royal. Held in Wheeling. Before the Battle Royal starts, several interviews and the cycle in review video package airs. From Hounds of Justice – Ambrose retaining the League title to San Le Muerte debuting. After the video package, NPL Interviewer Katie Quinn is standing in the ring. She's dressed in a low-cut tight dress and hair down to her mid back. She smiles and speaks.)

Katie Quinn: Wheeling...how are you tonight?! *(Fans Cheer)* This is the National Patriots League guys. Let's hear you! *(Fans cheer louder.)* That's more like it. Now, my guest currently is the NPL World Heavyweight Champion. He's come under fire for the result of Holy Grail 4. As the current champion and set to defend his Championship against the winner of the Tournament at FLASHBACK. Please welcome the "Texas Outlaw" Duke Ken Jr!

(Fans cheer at "Some Kind of Monster" by Metallica hits! The fans rise as the fan favorite shoots through the curtain. He's in his ring gear, long wet hair sticking out of his Stetson. He steps up to the apron and points to the fans. They cheer him as he climbs the 2nd rope and boasts to the crowd. He smiles and raises the NPL World Heavyweight Championship in the air. It shimmers in the lights. He steps up to Quinn and speaks.)

Duke: Wow...Wheeling lets win this Battle Royal and go get some beers. *(Fans Cheer)* Listen, I've been having to answer the same question for two straight cycles as it pertains to Holy Grail 4. *(Fans Boo)* Wheeling...You surprise me. I want the best competition in the NPL. What have I said Quinn? I'm the champion cause no one else is stepping up. Jaxtyn Anderson was screwed over. I'd gladly defend against him. But now we have a tournament. It's a better idea folks. The best man WILL win. The tournament is now down to 4. Quinn (Legend Reborn)... *(Fans Cheer)* Are you two related?

Katie: *(Shakes her head.)*

Duke: I didn't think so. He's a worthy contender. Hounds of Justice – Reigns...*(Crowd boos)* That name...could you be more unoriginal? Nevertheless. I would love to put this "Big Dog Down". Eisuke Kinugasa...*(Fans Boo)* You ruined a perfectly great Main Event. Karma is just going to prevent you from standing toe-to-toe with me. Guys like you come and go. The hilarious thing was you tried to smile in my face, but then stab me in the back. The truth is I never would of allowed you to get close to me. *(Fans Cheer)* And then we have Ulysses Deadeye...*(Fans give a mixed reaction.)* He's back! Ulysses, you're a coward. You blame others for YOUR shortcomings...it's a cop out, partner. You got a problem with me, then come to the ring and slap me in the face. Don't run away and blame it on me! Men stand and fight...not run to another league and tell us you had a feud to finish. I don't hold you back mental midget. *(Fans moan.)* I hope you do win this tournament cause IF you do...you're mine. You're no prophet. You're a knockoff Raven...*(Fans moan again only louder.)* Win this Tournament or I'm just wasting my breath on a loser like you...let's win this Battle Royal and grab a drink Wheeling. What do you say? *(Fans cheer Duke Ken Jr gets ready for the match.)*

(Card 38: Held in Lexington. Malcolm Mack is in a match against Harrison Hurtz. At the 28-minute mark, Malcolm is calling for "Money Made" finisher on Harrison. While the ref is down. Before he can hit the move, T-Money comes out from the crowd. He slides in the ring and hits a spear on Malcolm! T then hits a "Hail Mary" (Last Ride) powerbomb on Malcolm. T then tosses Harrison on top of Malcolm. The ref finally comes over and counts 1...2... NO! Malcolm kicks out. T is in shock. Harrison gets on offense and tries to hit a sunset flip, but Malcolm is holding the ropes tight. T-Money then blasts Malcolm with a pipe! Malcolm releases the ropes. This allows Harrison to hit the sunset flip. The ref still out of it comes over and counts, 1, 2, 3! Harrison raises his arms. T-Money slides in with a chair. Harrison sees this just as T-Money swings the chair at Harrison. Hurtz ducks and slides under the ropes. T-Money waits for Malcolm to rise. Currently Justice Mack dives into the ring. As T-Money swings the chair at Malcolm, Justice pushes Malcolm out of the way. This makes Justice take the violent chair shot from T-Money!!! The fans moan and boo T-Money! He looked shocked. He drops the chair. Then looks over at Malcolm who is stumbling outside the ring. T-Money slides out and hits a spear through the barricade! After a few moments, T-Money yells, "It's not over yet!". At this point T-Money is clearing off the announcers table. Malcolm is then picked up and put through the table with a Hail Mary!!! The fans continue to boo. By this time Justice turns T-Money around and yells in T's face. Malcolm rolls over and starts to get to his knees. T-Money gives Justice the pipe T-Money uses. Justice looks at it. Currently, T is yelling at Justice to strike his brother! Justice looks at T, drops the pipe and walks away. Disgusted, T-Money gets a mic.)

T-Money: Nah! You don't just walk away from me Justice. After all I give you. The money, parties, status in the club, and women? You walk away from me. Get back here now!!!

(At the base of the entrance ramp, Justice to turn around and looks at T. Moments go by.)

T-Money: Is that a, no? You care this little about Malcolm? Huh? I'm going to split him open with this pipe now...

(As T-Money swings the pipe downward, Malcolm low blows T-Money in the manhood!!! Justice starts to walk down the ringside. Malcolm picks up the pipe and tries to hit T-Money, but Justice grabs Malcolm's forearm and shakes his head no at Malcolm. Justice leaves up the ramp. Malcolm drops the pipe and jumps the barricade. All three Macks go their separate ways.)

(As the show comes back from commercial, T-Money is set to face Sumo Joe. The match starts and Sumo controls the first 3 minutes of the match. Until T-Money recovers and hits THREE Hail Mary's on Sumo. The ref counts 1, 2, 3. The ref notices that Sumo is concussed.)

Tribal drums echo out in the darkened arena and then Heartache Tonight starts to play. The crowd murmurs hoping against hope that Dane “The Dragon” Kealoha is actually here in person. Spotlights shine and from behind the curtain, a figure appears. Is it him? YES, YES! The Dragon is here. Carrying his torch, he makes his way down to the ring.

The roar is deafening as he enters the ring with the mic. “Thank you for that welcome. Aloha to you my fans, my ohana. It seems like someone is calling me out. Well, let’s make history. But let me warn you, many have tried to create history by fighting me. All they have done instead is become part of my legacy! See you soon. Oh yeah, hopefully the night marchers don’t pay you any visits. Imua Hawaii!

Ulysses Deadeye- T-Squared, safe to say you heard me, so if you heard me then He heard me. That's good, that's exactly what I wanted. Seed planted. Another thing that means is Steamboat heard me loud and clear. You want belts Dragon huh? A career curtain jerker wants a belt. Your best bet at getting a belt is going on Oprah and praying she puts a belt under your seat. You get a belt, you get a belt, are you serious pal! You want a belt so bad you need to earn it. Step one is we both need a match, we both need to get in the mix so it makes sense Puff. Take a step back, check that overinflated ego at the ring apron and I'll be the guy waiting in the ring to stomp your face in.
