*(At the Ken family ranch. The cameras show a large wall of pictures, trophies, old title belts, and all the history of the Ken wrestling legacy. Up the stairs to the balcony, the camera catches Duke Ken Jr and Malcolm Mack talking. Duke is drinking whiskey, and Malcolm just lit his cigar.)*

**Malcolm:** This is the life fam. How long has your family been here?

**Duke:** Going on 106 years M&M. My great granddad, grand dad, my father, and now me.

**Malcolm:** No misses Ken Jr?

**Duke:** Oh, you know no woman can tie me down. *(Both laugh)* But seriously, we have a tall mountain to climb coming up at Holy Grail. You have come along way in this business. The people are behind you. Splitting from your brother was the best thing to happen to you...

*(Malcolm's phone goes off. It's Lincoln Mack calling.)*

**Duke:** You need to get that?

**Malcolm:** Nah...I'll call him later. You're right though. My brother has a different path to walk. I want those Tag Team Titles. You're a former champ. And after the run we have been on, I think we can be the top dogs in the tag division, do you feel me?

**Duke:** All good brother. In order to get there, we have to take down this Asian Reclamation Squad. They hold the Heavyweight Championship and Tag Titles. If we take the tag titles, then T-Money has to get that top prize. It's just a matter of time...

*(Doorbell rings. Duke goes down to open the front door and it's #1 Contender for the NPL World Heavyweight Championship, T-Money. As Duke and T get to the patio, Malcolm jumps up...)*

**Malcolm:** Oh, hell no! If I knew he was going to be here then I wouldn't of come down here, Duke!

**Duke:** Look...we all have history with each other. T and I feuded for the World Title in the companies beginning. You two have had your problems. I get it. But we have a common enemy. The Asian Reclamation Squad. Now we can bicker about who did what to who or we can come together to ruin Jake Duval's day. Can we all sit, have some drinks, maybe a puff or two and talk about the future of the NPL?

**T-Money:** M, I know trust isn't given...it's earned. I was bad news. I had my head up my *(Bleep!)*. Since my club burned down and was rebuilt...I had time to think. T-Money is the Big Ticket but not lately. I entered the Winner's Circle Battle Royal to prove to the world that the World Title is a goal I can reach. Most importantly, I come here as a truce to Duke and you. The Reclamation Squad is on top right now. How's that saying go Duke? Pigs get fat and hogs get slaughtered.

**Duke:** You got it big man.

**T-Money:** This doesn't have to be a stable. This doesn't have to be a cigar/alcohol club. We built an alliance to stop the ARS. We are the backbone of this League. The constant. People come to the building to see us. No tricks and no games.

**Duke:** Apologies for not telling my tag team partner. I knew this would be a shock. Your brother betrayed you. T betrayed you. Trust...these days its hard to find. In that ring no one could touch us, M. T came to me, and I was hesitant. But the big picture is re-establishing ourselves on the top, but also taking power away from the ARS. At Holy Grail 5, the three of us have to win.

**T-Money:** Aside from all that...I want to put the past behind us and give respect where it's due. Malcolm, you are the future of this business. Not your brother. Let's get that gold, money, and glory.

*(T-Money shakes Duke Ken Jr's hand. Then, he brings out a box. He opens it and it's a box of cigars. T then extends his hand to Malcolm Mack.)*

**Malcolm:** Between my brother's actions, my father coming back into my life, and now this...it's a lot. I trust you, Duke. We make a great team. Thank you for having me at your crib. As for you...It'll take a lot more than fancy words and cigars to earn my trust. I'm not dumb. I remember all the things you said to me. You used Justice and I all last year. See...I'm my own man now. The sky is the limit for me, fam. We will see who this new T-Money really is...

*(Malcolm stands up, takes one of the cigars out of the box T-Money gave, and leaves.)*

**We are coming for those Tag Titles**

**Asian Reclamation Squad!**

*(Card 2: Held in Amsterdam. Just before the match of Justice Mack Vs Soldier of Freedom #2, NPL interviewer Katie Quinn sees Justice Mack walking to the gorilla position. Justice stops to do the interview.)*

**Justice:** Make it quick Quinn, I have a match next.

**Katie Quinn:** Justice, how do you explain your attack on Hero of Sacrifice from the last cycle?

**Justice:** That? *(laughs)* That was nothing. I'm going to choke out this stablemate of his and then I'm going to Holy Grail to choke out 'Hero'. Now get out of my way woman...

*(Justice forces past Katie. "Untitled" by Killer Mike hits and out walks Justice. Soldier of Freedom #2 comes out next. After a 28-minute match, Justice slaps on "Hard Justice" (Guillotine choke). #2 struggles, but finally taps out. Justice doesn't let go of the hold. The ref tries to get him to break it. SoF#2 passes out and goes limp. Justice laughs and let's go of the prone wrestler. The fans boo him loudly. Justice grabs a mic...)*

**Justice:** Is that the best you got Amsterdam? The way I see it...Hero of Sacrifice you don't stand a chance at Holy Grail. I will continue to leave your boys here laying until I finish you off last. "The Future of this Business" WILL get a title opportunity soon or everyone in my way will get choked out!

Ulysses Deadeye- the unthinkable has happened, myself and management on the same page, similar thoughts. Who would have thought, and then I thought to myself, yes I would have thought that. See, I'm not a difficult person to deal with, and trust me I know you heard that and are trying to contain the laughter. But think about it, I called the 3-way which honestly didn't benefit me as all as I lost the championship, but it opened doors, opportunities for others, including myself. It set me up for my future title shot, which trust me I'll be eventually looking for, but it set me up for the American Championship, which is my focus going forward.

This American Championship, the hustle championship, and no I'm not taking a shot at Duke here as NPL is lucky to have two champions ready to grind it out. But this American Championship I'm ready to grind it out not only at the ppv's but the house shows. I'm ready for a fight. Dane left a lot on the table, a lot of my energy that he wasted, we'll it's there for the league, its there for me and I need to get it out. I see a lot of new faces here and maybe they see this American Championship as a way to make a name for themselves. I'm right here boys, you feel froggy, then jump. Ol' Ulysses Deadeye doesn't back down from a challenge. Bring you best, then bring something even better because it will take that and then some to take this belt from me.
