Dominance: Power! Control! Total Destruction. It's been a long time since I saw the NSL as barren as it is right now. The fields are barren and the ring stain with the blood of the victims of each opponent LPPF has faced in the last several months. Poseidon is consider the god of the sea. Well maybe he isn't the god of the sea, but he is the IWA Diamond Fed champion. To reinforce his power LPPF: Apollo crushed his opponents and took the Rocky Mountain title. The Diamond champ will get an extra \$50,000 and 10 free matches from me for such crushing results.

Are there no teams that have the guts to challenge the tag or six man tag champs?
