PDL REPORT

BY J.J. FRIES

PDL'S 2024 IS STARTING OFF STRONG

We're hovering around 30 cards now fairly consistently, and the trash talk has dipped slightly but we're still one of the most active leagues in bronze. With a couple more active managers we could do even more! Tell your friends.

AMAZON AND VALKYRIE MACHINES WIN THE SHENANIGANS TT BELTS

In what will likely become one of the more controversial matches of 2024, Amazon Machine and Valkyrie Machine of the Yamazaki corporation have defeated Stacy Warner and Samantha Stewart for the PDL's highest tag team honor, but the results of the match were highly contested by Warner and Stewart. Commissioner Fries has reviewed the match and confirmed that the referee's decision was not consistent with the PDL Rules Charter, but that the result will remain. As a consolation, Warner and Stewart will get a rematch.

PDL programming returns from commercial break from a sold out arena in Brussels... Hellcat and Ms. Maude are squaring off in the ring. Ms. Maude is getting the upper hand on her opponent Hellcat when Polaris, Scorpia and Chimera make their way to the ring.

Broadcast Announcer: Well it looks like the rest of DYNASTY are going to make their presence felt!

Polaris and Scorpia both jump onto the apron and start to distract the referee...Chimera slides under the bottom rope and starts laying into Ms. Maude. Hellcat gathers herself and when a woozy Maude turns around, BOOM, she connects with the Feliner right to the side of her head. Polaris and Scorpia jump back down as Chimera slides out... The ref sees the cover and counts 1... 2... 3! Hellcat picks up the victory. The rest of DYNASTY jump into the ring. Polaris has the microphone...

Polaris: This right here is an example of what happens when you run your trap... Maude, keep my name out of your mouth!

Now, you may have noticed that the DYNASTY has been growing and strengthening our core. This woman right here to my right is one of the most powerful and dangerous woman in all of the IWA... Let me introduce you to CHIMERA!

The crowd booos intensively as Chimera raises both her arms into the air as the rest of DYNASTY embrace the crowds reaction...

Polaris: Now before we go I just wanted to tell Commissioner Fries that DYNASTY better be invited to the April Fools PPV! I promise the rest of the PDL that we will regain our dominance once again...The Commissioners Championship, the Tag Titles or the Vegas Gold. The DYNASTY will hold gold once again!

Princess Starwrestler

REPRESENTING THE GUN COLLECTION

Rebel Angel
Misfit, you put up
a good fight in
the
Commissioner's
Card, but it
wasn't enough.
In this business,
it's all or
nothing, and you
brought
nothing, and ended up with nothing.

Goddess Starwalker

REPRESENTING THE GUN COLLECTION

Goddess Starwalker comes backstage. She has just defeated Jasmine Graystone in Antwerp. And already, there's a camera in her face.

It don't take you guys long, does it? You saw what just happened out there. Felt like eternity out there. I'm not sure how long we went, but I'm sure of one thing: I won. And that's all that matters in this business. Wins. Because wins gets me more opportunities at championships, and I think it's quite time that I find some more gold here in PDL. To all the champions out there, Goddess Starwalker is about to starwalk her way towards you.

Lady Nightingale

REPRESENTING THE GUN COLLECTION

Kayla Graystone saw firsthand why my finishing move is called “Night Night.”

And I’m just gonna put this out there to those who will come up against me in the future. Your fate will be the same. I’ve heard all the rumblings about how I’m not goinna reach the mountaintop again, and blah, blah, blah...well to all saying that, WATCH ME.

Blair Noir

Representing The Gun Collection

Teri Dactyl and myself won the League Tag-Team Championship here in PDL, and we took that win, and captured the IWA Ladies Tag as well.

What a glorious day it was. I have been clamoring on and on about the possibility of winning more gold, but I never expected in a million years that it would be the Tag-Team Championship, but here I am, with marvelous gold on my shoulder.

teri dactyl

REPRESENTING THE GUN COLLECTION

I did it! I have been talking and wishing for gold, and last cycle, Blair Noir and I captured the League and IWA Ladies Tag-Team Championship. My name is in the records book! The dino gal did it.

For those that supported me, thank you. For those that didn't, you should have picked me.

"CORRUPT" CORI CHAOS

Representing The Gun Collection

So I did a kind gesture last cycle. I allowed Blair Noir to team with Teri Dactyl, and what did they go and do? Won League Tag-Team titles, as well as IWA Ladies Tag. Pretty astonishing stuff.

It could have been me...

But that's for another time and another day. The truth of the matter is I'm looking for the

big one in the singles division. I don't have the time or patience to be running around in the tag-team division. It's time to focus on me – Cori Chaos.

The world outside is burning and so is the squared circle. I will find a way, even if I have to burn it all down, and start again from the ashes. I will be League Champion.

All it took was a little bit of tough love for **Amazon and Valkyrie Machines** to get them to win the Shenanigans tag team titles! That's on top of their IWA US Ladies' Tag Team Titles.

Once again, the IWA Ladies' World Trios Titles smell like **Sugar, Spice, and Everything Nice!** These women are starting to look like they might be respected enough to take off their masks, too...

And finally, who's fiercer than **Fierce Felicity Daniels?** **Crazy Jenny**, you never paid for taking her mask off. We're looking forward to seeing you in the ring again, and this time you're going to need to bring your sisters to watch your back.

ROYAL FAMILY OF DOOM

Brutal Brandy Hollywood: "Well, well, well, look who's carrying all the trophies! The muscle goddess from sunny C-A, yours truly, is the Southeast champ. The almost-but-not-quite as ripped and ruthless as me--"

Lady Tyranna: "Dream on."

Brutal Brandy Hollywood: "--is your Southwest champion. Our little Starry Knight--"

Lady Tyranny: "MY little Starry Knight is the West Coast champion. She looks good walking behind me when we're both carrying our belts."

Starry Knight: "We really do! And we tear girls up to get belts like this! Don't worry, sis, I'll make sure you get one, too."

Stormy Knight: "Don't. Start."

Brutal Brandy Hollywood: "Hey, let's don't forget about the Northeast titleholder, our own fireball, Scorch!"

Scorch: "Drizzle that scepter with marmalade, Murphy Brown! All the Superfly sizzle sticks in Katmandu can't uncool this six-pack of Power Pop!"

(A period of silence follows.)

Brutal Brandy Hollywood: "All right then! And last but not least, the Commissioner's championship winner, Purgatory!"

Purgatory: "Thank you, BB! What can I say? I love being on top. And this is just one of many times will be there."

Brutal Brandy Hollywood: "Bank on that one! 'Til we give you all a few more moments of our precious time, feel free to fantasize!"

Crazy Jenny

Crazy Jenny will have her jaw unwired soon, according to an official release by the PDL's commissioner office.

Last week, Jenny tweeted "You learn who your friends are when you can't talk to defend yourself!"

CANDY STARR

I'm sure my cousin will be happy to speak and eat again. I don't know how she manages to get her calories like that! As for the rest of us, it's funny how we can go from a Ladies' US and World Six to an embarrassing cycle for everyone except Trixie, who thankfully kept us on the title page!

Trixie McGee

“Brutal” Brandy

Hollywood probably thinks she’s hot stuff for winning the Southeast regional, but she better not get in my way on my way to PDL stardom!

Lady K.

The Gun Collection ladies had enough of winning every title in the PDL, so now they’re branching out into multis too? Don’t get me wrong, I think you’re all great individual competitors, but don’t think you know how a real team like ours can be successful!
