## A MESSAGE FROM COMMISSIONER J.J. FRIES

It's been a wild ride these past few months, and if you think things are calming down, think again. Vegas Gold VIII blew the doors off the place, and what we're left with is a locker room more divided—and more dangerous—than ever. On one side, we have Team Chaos, running wild with arrogance, outside interference, and cryptic alliances.

On the other, we've got champions clinging to their gold, rising stars hungry for a shot, and veterans questioning who they can trust. Somewhere in the shadows, Izzy Dead has returned, and no one—not even Cori Chaos—seems to understand what that means yet.

We've seen betrayals, disappearances, power grabs, and one unforgettable title win from "Crazy" Jenny Starr. Emotions are running high. Lines are being drawn. And heading into Vegas Gold IX, I'm telling you all now: the stakes are only getting higher. I suggest you keep your friends close, your enemies in front of you, and your promos loud.

The PDL is alive, dangerous, and absolutely on fire. Let's see who survives the blaze.

## ROYAL FLUSH? DYSFUNCTION HITS THE PALACE!

The Royal Family of Doom is cracking at the crown! Starry Knight's delusional declaration of being "Southwest Champion" sent Stormy Knight into a full-blown meltdown—only for Lady Tyranna to swoop in with her iron decree: NO opinions allowed without royal approval! As Stormy and Starry were verbally spanked into submission, Brutal Brandy tried to steer the chaos back to gold talk, while Purgatory reminded us she's still title-less and bitter. Scorch couldn't resist jumping in—until Purgatory clamped a gloved hand over her mouth like a scene from a soap opera. With the Slot Machine Free For All looming, the Royal Family looks less like a unit... and more like a royal trainwreck waiting to happen. Stay tuned, peasants!

## TEAM CHAOS MELTDOWN! NOIZZY, SUSPICIOUS STARES & BLAME GAMES!

Streaming from the car post-Vegas Gold, Nakita and Destyni aired their frustrations—blaming JJ Fries, doubting Angelina Blanco, and nervously speculating about Izzy Dead. With Cori mysteriously silent and tensions rising, the Chaos Girls started showing cracks behind the swagger. Destyni suggested a quiet meetup—no cameras, no followers—just in case something really dark is brewing.

## BACK FROM THE GRAVE! IZZY DEAD'S GHOSTLY RANT SHOCKS THE PDL!

Just when you thought it was safe to close the coffin, Izzy Dead claws her way back into the spotlight with a poetic promo straight out of a horror flick! Draped in blood and darkness, the Gun Collection's ghastly ghouel promises vengeance, pain, and a whole lot of eerie stares. Her cryptic monologue had more spine-chilling poetry than a haunted graveyard, and rumor has it even her own teammates are sleeping with the lights on. With lines like "the dead still fight," Izzy isn't just creeping back into the PDL—she's dragging hell with her. Fans are terrified. Wrestlers are rattled. And we're just wondering... who's she coming for first?

## BLANCO CLAIMS INNOCENCE—BLAMES FOOD POISONING?

After holding onto the Shenanigans tag titles at Vegas Gold, Angelina Blanco took to the mic to insist she had nothing to do with Destyni's interference. With a worried tone, she apologized to the Machines, pleaded innocence over "whatever happened in Mexico," and blamed post-match confusion on possible food poisoning. Blanco says she's proud to win—but not like that. With a showdown against Blair Noir & Princess Starwrestler looming, the "Angel of Light" might be carrying more guilt than gold.

## CHAOS GIRLS BULLDOZE BACKSTAGE—BUT GUESS WHO'S WATCHING?

Trash cans flew, interns screamed, and security took cover as the Chaos Grrls stormed the halls in full rampage mode—led by a giddy and destructive Cori “Freaking” Chaos. When a backstage interviewer dared to ask about Izzy Dead, Cori snapped like a rabid chihuahua with a superiority complex, refusing to comment and launching into a self-centered tirade. Nikita Wu dunked on her with a brutal mic drop, and Destyni Sanchez-Leon finished the job by literally shoving the poor interviewer away. But here’s the kicker: just as the trio exited with smug smirks... Izzy Dead emerged from the shadows behind them. Creepy? Absolutely. Coincidence? Not a chance. Something dark is coming for Team Chaos—and it’s already watching.

## SOUTHEAST SCARE? LADY NIGHTINGALE SHRUGS OFF INJURY RUMORS!

Fresh out of the trainer’s room and flashing that signature Gun Collection charm, Lady Nightingale put the PDL rumor mill to rest with a wink and a smirk. After tweaking her knee during her title-winning brawl with Stormy Knight, backstage buzz hinted at a potential injury timeout. But Nightingale laughed off the speculation, telling Tina Scarey she’s “good to go” and more than ready to defend her Southeast Championship. The message to her would-be challengers? She’s healed, she’s here, and she’s hunting. So anyone thinking they’ll take advantage of a weakened champion—better bring more than a plan. Better bring a stretcher.

## CRAZY JENNY CROWNS HERSELF QUEEN OF THE WORLD!

She screamed, she swung, she conquered —“Crazy” Jenny Starr took down Fiendish Amy Fisher of the LLL to capture the IWA Women’s World Championship, and the celebration was loud, proud, and packed with star power. With Candy Starr, Trixie McGee, Heaven O’Connor, Ms. Maude, and Lady K. at ringside cheering her on, Jenny held the belt high like she was born with it. From chaos to crown, Jenny’s not just making noise anymore —she is the noise.

# This Cycle's Comments from PDL Staff:

## Dr. Norman Kevcus, Co-Commissioner

*"The geometry of chaos cannot be mapped, nor should it be tamed. I have spoken to the rats beneath the ring and they confirm: the moon is in position. Soon. Soon!"*

## Tina Scarey, Interviewer

*"Lady Nightingale may be soft-spoken, but don't let that fool you—there's steel in her words. She walked into that trainer's room a champion and walked out ready for war. Her calm scares me more than some of the screamers."*

## Ron Johnson, PDL Network Spokesman

*"The Network Board is growing increasingly impatient with Dr. Kevcus. Between the locker room cult behavior and unexplained lighting outages, they've asked me to remind him this is still a wrestling show, not his personal circus."*

## Amy Nunn, PDL Security

*"I've dealt with masked maniacs, blood feuds, even a luchador with a chainsaw. But how do you 'secure' against someone who's... undead? I'm open to suggestions, preferably ones that don't involve garlic."*

## Harvey Weismann, Promoter

*"Izzy Dead? Cool vibe, sure. But have you ever tried to market a revenant? No merch sales, no interviews, no smile. Meanwhile, the Royal Family of Doom is drama, flair, royalty—and ratings. Let's crown the real stars."*

## J. J. Fries, PDL Co-Commissioner

*"Norman is off the rails and Ron's finally saying what we're all thinking. I've spent my entire career trying to build something meaningful here. If this league is going to survive, it won't be on chaos. It'll be on honor."*

# IZZY DEAD

## REPRESENTING THE GUR COLLECTION

Lady Tyranna...

Soon, you shall break  
beneath my will and  
descend into the ruin  
that awaits.

This is the tragedy  
written by my hand,  
bittersweet, inevitable,  
yours.

I am your genesis.  
I am your ending.  
I am the keeper of your  
last breath.

Defy your fate all you  
like but I will become it.

**PAIN DOES NOT END. NEITHER DO I.**

# "CORRUPT" COR! CHAOS

## ONE WORLD UNDER CHAOS

Backstage:

Cori: You two go on. I'll be fine. I don't need anyone looking after me.

(Nikita Wu and Destyni Sanchez-Leon nod and head out. The door closes behind them. The room goes quiet. The lights flicker once... twice... then hold steady.)

Cori: Okay, funny. Real mature. Cut it out.

(Suddenly, the lights go out completely. Pitch black. A faint glow appears next to her. It's a face, it's Izzy Dead! Cori gasps and bolts from the room. The glow lingers a moment, then fades.)

## ROYAL FAMILY OF DOOM

**Starry Knight:** "Well, I bet Samantha Kane over in the BBW is gonna get all the headlines, 'cause she's World champion, but check us out! I'm STILL Southwest champion!"

**Stormy Knight:** "I exhibit no jealousy whatsoever!"

**Lady Tyranna:** "Good. Keep it that way."

**Stormy and Starry Knight:** "Yes, your grace!"

**Brutal Brandy Hollywood:** "We should all be in a good mood. There's a fair amount of gold in our collective hands."

**Scorch:** "Yeah! All for one and one for all!"  
(Withdraws a Three Musketeers bar from her pocket; burns the wrapper off with a lighter and takes a bite.)

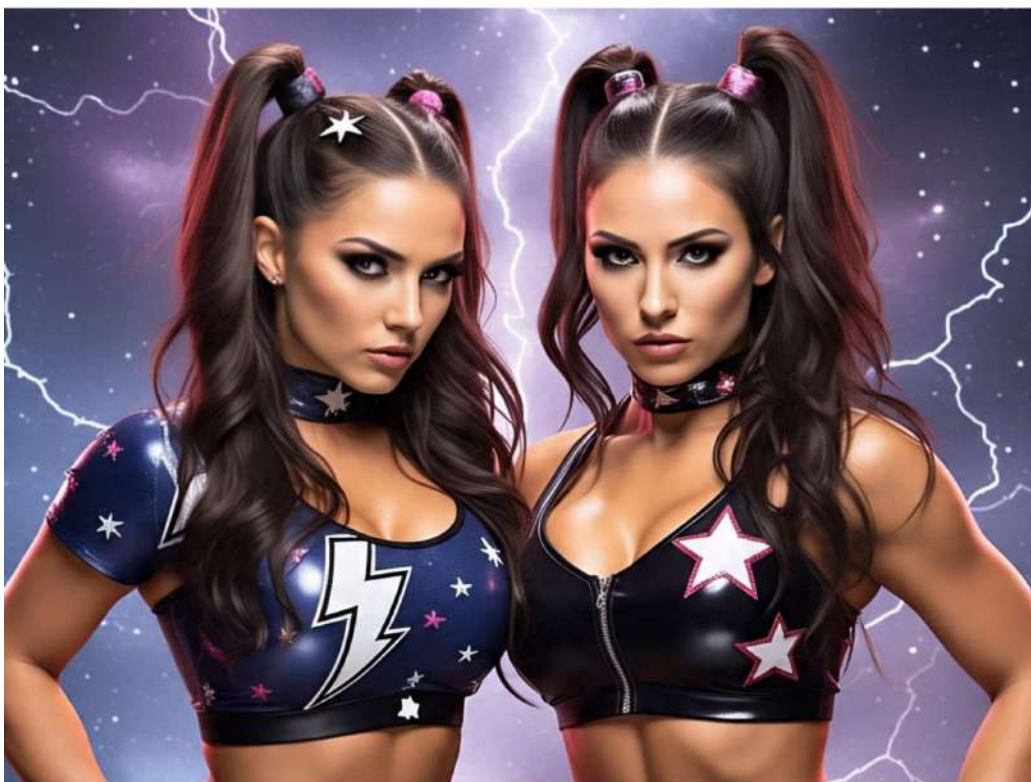

**Purgatory:** "That's right, girls. And what's the F word?"

**Scorch:** "(with a mouth full of chocolate) Wath yur mouf, Prguhtry!"

**Brutal Brandy Hollywood:** "The F word is Family."

**Scorch:** (swallows the chocolate) "Oh."

**Purgatory:** "Exactly. So let's all revel in what we've done, and get ready to do a whole lot more."

## "The Angel of Light" Angelina Blanco

DESTYNI  
SANCHEZ-LEON

NAKITA WU  
"NATURE GRRRL"

*Destyni Sanchez-Leon & Nakita Wu leave the backstage area, leaving Cori by herself*

Destyni: "Ugh, That **Izzy Dead** girl, thing is creepy af. Cori needs to touch some grass."

Nakita: "Yeah, it's time to go meet up with **Angelina** to see why she flaked at **Vegas Gold**."

*Skip ahead to **Destyni & Nakita** walking into a restaurant & approaching **Angelina's** table*

Destyni: "Hey girl! Good to see you. We really didn't get a chance to catch-up after **Vegas Gold**. I just don't understand why couldn't help us and are busy glazin **Lady K**."

Angelina: "**Lady K** and I are tag team champions, she has helped me and had my back ever since I arrived here. I don't remember making any promises to you two. Lo siento."

Nakita: "Yeah some friend **Lady K** is - she didn't even call you out to celebrate **Jenny Star's** world title win. But sure, she's your good friend. Well, here are a few pictures to jog your memory since you forgot so much about our trip - now what would your abuela think?"

*Nakita slides over her phone showing a couple pictures of Angelina*

Angelina: "Qué oso! I don't remember that - it must've been the food poisoning from..."

Destyni: "Stop with the little Miss Innocent - you were crushing Long Islands. So I think you should reconsider joining the **Chaos Girls**. Also, with that living dead girl chasing **Cori**, we don't have anything at Vegas Gold, and those Shenanigans Tag Titles look pretty cute."

Angelina: "I've never been drinking before, I'm sorry if I made a promise to you, you know that I wouldn't want to be embarrassed. But you know I don't want to cheat or break rules."

Nakita: "You know, you also were walking around with your mask off too...just let us know."

*Nakita & Destyni walk away as Angelina's eyes open wide and she nervously looks around*
