# Slaughter

**Well, well,  
well.... It looks  
like I found my  
home in the  
PKW.**

**I think I will like  
it here, so much  
mayhem....**

**I think I will  
fight right in.**

Jake Jensen-wow, just wow. Double R, talk about a glory hole queen there. Recycled trash with that guy. But I guess better than EWL, that place was the land of misfit toys, kind of like that bone gobbler IWA group. What was it, oh yeah I was told IMT. Sheesh, trash on trash on trash right there my man. Bless your soul though lover. Really though Double R or can I just call you Princess like they did in prison? Let me know Scoobert. Truth be told, even a blind squirrel finds a nut sometimes, so if you check between your buttocks let me know if you have any, huh. Oh and since I'm rambling, I just wanted to note that Happy Anderson, isn't happy at all. He's full of rage, mainly deceit. He also looks at animals with that kind of crossed eyed southern look that those type of guys get jammed up with a bad bar story if you know what I mean. Long live PKW and thanks for the 5 freebies gooch.

**COT/FRM-16: El Hijo Del Murderer Casen**
