### **Arm Wrestling Series**

How this works is simple. You write your wrestler name, whether he is left handed or right handed.

**LEFT HANDED WRESTLERS** can only use **ODD** numbered holds.  
**RIGHT HANDED WRESTLERS** can only use **EVEN** numbered holds.

Select 8 holds from 1-60 and 4 holds from 61-90 and write in your trash talk. Remember you have to pick only odd or even holds depending if you're right handed or left handed.
